13. **Case No. 4688/2015** Prior Environmental Clearance for **Ambua Marble Quarry** (Open Cast Manual Method) in an area 8.090 ha. for proposed production capacity of 35000 cum/year at Khasra no. 49, 66,1289,1290,1291,1292,1331,1332, &1352 at Village - Ambua, Tehsil – Alirajpur, Dist. – Alirajpur (MP) by M/s. Marvellous Marbal Pvt. Ltd, Shri Madan Maheshwari R/o 97, Siyaganj Indore (M.P.) – 457887

This case was discussed in 375th SEIAA meeting dtd. 04.10.2016 and by mistake the production capacity has been written as 35000 cum/year in the minutes issued. However it has come to the notice of SEIAA that PP has submitted in Form-1, production capacity as 35000 TPA and the same capacity is indicated in the approved mining plan and recommendations of SEAC. Hence it has been decided to modify the minutes and now the capacity shall be read as **"35000 TPA"** instead of 35000 cum/year. After making the correction in the minutes, EC be issued for a production capacity of 35000 TPA.
