To,
The Member Secretary - IA Division (Industry: II)
Government of India
Ministry of Environment, Forests and Climate Change
Indira Paryavaran Bhavan, Aliganj
Jor Bag Road, New Delhi – 110003.

Kind Attn: **Sh. S. K. Srivastava**

Subject: Submission of Environmental Impact Assessment (EIA) report for grant of Environmental Clearance.
Project: Expansion in Pesticide Manufacturing Plant located at RIICO Industrial Area, Khushkhera, Taluka-Tijara Pin- 301707, District – Alwar, State- Rajasthan.

Ref.: 1. EIA Notification 2006 and its amendment dated 1st December 2009, SO 3067 (E) Schedule 5(b) Category A.
2. Our Proposal No. IA/RJ/IND2/71569/2017
3. ToR Letter No. J-11011/459/2009-IA-II (I) dated: 24/05/2018
4. EDS letter dated 31.12.2018 vide proposal no. IA/RJ/IND2/89499/2009

Respected Sir,

We, HPM Chemicals and Fertilizers Limited is proposing for Expansion in Pesticide Manufacturing Plant from 900 TPA to 7140 TPA at SP-9B, 9C, 9D, 9D1 and H1-39(O), RIICO Industrial Area, Khushkhera, Taluka-Tijara, Pin – 301707, District – Alwar, State-Rajasthan. Our project falls under schedule 5(b) Category- A as per Environmental Impact Assessment (EIA) notification and its amendments thereof.

In a view for appraisal of EC; Environmental Impact Assessment (EIA/EMP) report has been prepared as per the standard ToR awarded by EAC dtd. 24/05/2018.

The project site falls in notified industrial area (notified before 2006), hence public hearing is exempted as per OM J-11011/321/2016-IA.II(I) dtd. 27th April 2018.

Here is the reply to the essential details sought by MS (EDS) point wise:

1-Please submit copy of the EC dated 4/02/2010 for the present production of pesticides of 900 TPA, and the compliance status thereof through the concerned Regional Office of the Ministry. The same also needs to be mentioned in column 6 of Form-2. Entry in the column 3 of Form-2 needs to be corrected for expansion of pesticides, and not for fertilizers.

Reply- Copy of existing EC having letter No. J-11011/459/2009-IA II (I) dated 04/02/2010 is enclosed as Enclosure 1 for the present production of pesticides of 900 TPA.

Certified Compliance status from the Ministry of Environment, Forest and Climate Change Regional Office (Central Region), Lucknow having letter No. IV/ENV/R/IND-124/791/2010/599 dated 28/01/2019 is enclosed as Enclosure 2.

Summary of compliance of EC having letter No. J-11011/459/2009-IA II (I) dated 04/02/2010 is as follows:

S.No.	Status of Conditions	Numbers of status	Remark
1.	Complied	41	• Out of 25 Nos. of Specific conditions 24 Nos. of conditions are compiled and 1 is Not Applicable. • Out of 18 Nos. of General conditions 17 Nos. of conditions are compiled and 1 is Not Applicable. • Regional officer had visited the site on 08/01/2019 and checked the status of Specific and General Conditions and recommended as No violation detected. No any further action is required.
2.	Partly complied	0	
3.	Not complied	0	
4.	Not Applicable	2	

Hence, all the conditions stipulated in EC are compiled as on date.

Same details related to certified EC compliance reports is mentioned in column 6 of Form-2. Entry in column 3 of Form-2 is been corrected to Expansion of Pesticides Products.

2. Present status of permission required for additional fresh water requirement of 462 cum/day.

Reply-The permission for additional fresh water requirement has been issued from Rajasthan State Industrial Development & Investment Corporation Ltd. having letter no. U(17)/2018-19/3990 dated 21/01/2019 is enclosed as Enclosure 3.

We are submitting herewith our EIA/EMP report along with relevant annexures asked in the ToRs.

We hope this submission is in line as per the requirement and request to appraise our case for grant of EC.

Thanking you.

Yours Faithfully,

For, **HPM Chemicals and Fertilizers Ltd.**
