Kamarajar Port - India's Port of the Millennium

Due to the ban on the Iron ore mining from Bellary-Hospet region, the existing iron ore terminal could not put into use. Kamarajar Port intended to modify the existing iron ore terminal to handle common coal. MoEF&CC accorded Terms

of Reference for the preparation of EIA-EMP report vide letter No. 10-28/2005-IA.III dated 28.01.2016.

In this regard, KPL has appointed the QCI/NABET accredited consultant M/s. Engineers India Limited, A Govt of India Undertaking, to carry out EIA/ EMP studies for obtaining environmental clearance for the project "**Modification of existing Iron Ore Terminal on "as is where is" to handle common user coal at Kamarajar Port".** The consultant has prepared the EIA/EMP report and risk assessment for the above project. The EAC committee has exempted the public hearing vide MoEF&CC letter No. 10-28/2005-IA.III dated 28.01.2016.

The required documents are submitted on-line. We kindly, request you to consider this submission and arrange to take-up the project in the forthcoming agenda of the EAC meeting.

Thanking you.

Yours sincerely,

General Manager (Marine Services)
