TRIGUN ORGANICS

To,
The Member secretary,
Ministry of Environment & Forest and climate change,
Jor Bagh, New Delhi

Date: 18.10.2018

Subject: Consideration of proposal for EC for the proposed project for the Manufacturing of Formaldehyde 100 M.T per day at Village Toffanpur, Tehsil Derabassi, District S.A.S. Nagar, and State Punjab by M/s. Trigun Organics

Reference: ToR Letter No. IA-J-11011/54/2018-IA-II(I) dated 22nd March, 2018

Respected Sir,

As per EIA Notification dated 14th Sept., 2006 and amended from time to time, the proposed project of falls under Activity 5(f) for project covered under "Synthetic Organic Chemicals Industry". The location of the project being outside the notified industrial area, and due to the presence of the interstate boundary of Haryana and Punjab within 5 km from the project site makes the general condition applicable for the proposed project. So, the project shall be treated as Category "A" and will be appraised at MOEF&CC. Therefore, we have submitted our prior environmental clearance application on the MOEF&CC online portal dated - 13.02.2018.

Standard ToR was granted for the application vide ToR Letter no- IA-J-11011/54/2018-IA-II(I), dated- 22.03.2018 with the condition of public hearing. Draft EIA report for the project was submitted on 01.08.2019 and the Public hearing for the project was organised by Punjab State Pollution Control Borad, Patiala dated- 18.09.2018 at the project site. No objects were raised during the public hearing & project gets the positive response.

Now we are submitting the hard & soft copies of the final EIA report with our application for Manufacturing of Formaldehyde 100 M.T per day at Village Toffanpur, Tehsil Derabassi, District S.A.S. Nagar, and State Punjab by M/s. Trigun Organics.

We are request you to kindly consider our case in the next agenda meeting for the Environmental Clearance.

Thanking You
Yours Truly
For M/s Trigun Organics
