**Conditions:-**

- 1) The mining plan along with PMCP is approved without prejudice to any other laws that applicable to mine /area from time to time whether made by Central or State Government or any other authority.
- 2) That this approval of mining plan along with PMCP does not in any way imply the approval of the Government in terms of any other provision of the Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013 & MoEF & Cc Sustainable Sand Management Guidelines, 2016 including Environment Protection Act – 1986 and the Rules made there under.

- 3) Relevant clearances should be obtained as per Environment Protection Act-1986 and EIA notification dated 21/01/1994 and 04/09/2006.
- 4) It is further clarified that the approval of mining plan along with PMCP is subject to the provisions of forest (conservation) Act-1980, Forest conservation rules, 2003 and other relevant status, order and guidelines as may be applicable to the lease area from time to time.
- 5) The execution of mining plan along with PMCP shall be subject to vacation of prohibitory order/notices, if any.
- 6) This department does not undertake any responsibility regarding correctness of the boundaries of the lease area shown on the ground with reference to lease map and other plans furnished by the lease.
- 7) That if anything found to be concealed, in the contents of mining plan and the proposal for rectification has not been made, the approval shall be deemed to have been withdrawn with immediate effect.
- 8) That mining plan along with PMCP is approved without prejudice to any other order or directions for any court of competent jurisdiction.
- 9) The financial assurance should be submitted to District Collectorate before the execution of the said mining lease as per rule 30 of Maharashtra Minor Mineral Extraction (Development & Regulation) Rules, 2013.
- 10) This approval of proposed mining operations and associated activities is restricted to the mining lease area only.
- 11) The DMO is directed to verify the Sand mining activity, vis-a vis the royalty paid by the Sand Ghat allottee/lessee. The difference of the royalty, if any should be recovered.
- 12) The approval of this mining plan is for manual method of mining using spade/pawda and labours only.
- 13) The mining plan is approved with regards to mining of Sand Lease purpose allotted by competent authority as per MMME (D&R) Rules 2013 & Sustainable Sand Management guidelines, 2016..
- 14) This mining plan is approved with regard to mining of Sand subject to compliance of New Sand Mining Auction Guidelines dated 3<sup>rd</sup> January 2018.
- 15) This mining plan is approved with regard to mining of Sand subject to compliance of "a stable river is able to constantly transport the flow of sediments produced by water shed such that's dimensions(width and depth) pattern and vertical profile are maintained without aggrading (building up) or degrading (sourcing down)".
- 16) This mining plan is approved with regard to mining of Sand subject to compliance of " amount of boulders, cobbles, pebbles and sand deposited in the river bed equals to the amount delivered to the river from catchment area and from bank erosion minus amount transported downstream each river".
- 17) This mining plan is approved with regard to mining of Sand subject to compliance of "erosion and deposition is law of nature. The river stream has to complete its geomorphological cycles from youth, mature to old age".
- 18) This mining plan is approved with regard to mining of Sand subject to compliance of "river capturing is unavoidable".
- 19) Whatever production capacity of the area in consideration is allotted by auction in the mining plan, it is recommended to restrict the annual production as per Environment Department Guidelines. Hence you are not permitted to excavate annual production of the material (Sand) beyond prescribed limit by Environment Department and Collector's order.
- 20) Approval of mining plan subject to rules to be framed by State Govt. with respect to Sand and same shall be abided to the lease holder/allottee of Sand Ghat.
- 21) The approval is without prejudice to any other order or direction from any court of competent jurisdiction.

- 22) This approval is given for the received proposal as applicable from this date onward and valid up to 30<sup>th</sup> September 2019 or the quantity of Sand permitted in the approved mining plan exhausted which is earlier.
- 23) At any stage, it observed that the information furnished in the documents are incorrect or misrepresent the facts, the approval of the document shall be revoked with immediate effect.
- 24) The approval of mining plan is subject to compliance and to fulfill the requirement as mentioned in MoEF & CC notification S.O. 141(E) dated 15<sup>th</sup> January 2016, MoEF & CC Sustainable Sand Management Guidelines 2016
- 25) The approval of the above said mining plan is subject to the compliance and to fulfill the requirement as mentioned in Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013 & MoEF & CC's Sustainable Sand Management guidelines, 2016.
