PUBLIC NOTICE

Attention of the public in general and the project proponents who have undertaken activity without obtaining prior Environmental Clearance as required under Notification No. S.O. 1533 (E) dated 14.09.2006 of the Ministry of Environment, Forest and Climate Change (MoEF & CC), Government of India in particular is invited to the following notifications and Office Memorandums issued by the MoEF & CC, Government of India.

- 1) Notification No. S.O. 804 (E) dated 14th March 2017.
- 2) Notification No. S.O.1030 (E) dated 8th March 2018.
- 3) Office Memorandum F.No. Z-11013/22/2017-IA.II (M) dated 15th March 2018 and 16th March 2018.

The referred notifications have been issued to appraise and regularize the projects, already taken up or under implementation without obtaining prior environmental clearance in terms of provision of the EIA Notification 14.09.2006, and thus identified to be violation of the same. The notification enables consideration of such proposals by providing one time opportunity to submit the request/application.

The project proponents, who have not submitted the proposals with six months on the Ministry's portal provided up to 13th September, 2017, as per the above mentioned in notification dated 14th March 2017 are now provided a window up to April 13, 2018 to submit their proposals to this Authority for category B projects.

Further, the project proponents, who have already submitted the proposals on the portal of the MoEF & CC, Government of India after 13th September, 2017, are also required to submit the proposals afresh on SEIAA portal within April 13, 2018, to this Authority for category B projects following due procedure of law.

For details the notifications and office Memorandum issued by the MoEF & CC, Government of India listed above may be referred.

Member Secretary,
SEIAA, Haryana.
