

Minutes of the 87th meeting of State Environment Impact Assessment Authority held on. 05.02.2016, under the Chairmanship Sh. Bharat Bhushan IAS (Retd.), Chairman, SEIAA held in the meeting room of office of SEIAA Haryana, Sector-2 Panchkula, regarding Environmental Clearance under EIA Notification dated 14.9.2006.

The full Authority is present. The Cases recommended by SEAC for Environmental Clearance or otherwise as listed in the Agenda item circulated vide letter No. 82-84 dated 03.02.2016 were discussed. Following decisions were taken:-

Item No.[1] Environmental Clearance in respect of IT Compelx at Plot No. 287-288, Udyog Vihar, Phase- II, Gurgaon by M/s PCI Ltd.

The recommendation of SEAC to grant Environmental Clearance to this project was taken up for consideration in the last meeting of SEIAA held on 12.01.2016 and the case was deferred to the next meeting with the decision that:

- i. Giving reference of Hon'ble Supreme Court orders and the earlier communication dated 28.12.2015 of this office, the MOEF & CC, GOI may again be requested to send necessary clarification in the matter so as to enable the SEIAA to take appropriate action in violation cases well within the stipulated period as prescribed in the Notification/guidelines, in order to avoid any litigation.
- ii. The Hon'ble Punjab & Haryana High Court may be apprised of the factual position of this case. A request may also be made to extend the deadline of three months period (09.01.2016) for further two months in view of the explained circumstances.

In the today's meeting the case was examined in the light of Hon'ble Supreme court orders dated 22.01.2016, wherein the Hon'ble Supreme Court has modified its orders (regarding stay on operation of Hon'ble NGT orders) passed in CA No. 7191-7192/2015 in the matter of "M/s Dugar Housing Ltd V/s S.P.Muthuraman & Ors.

After detailed deliberations the Authority decided that Hon'ble Punjab & Haryana High Court may be apprised of the factual position of this case and a request may also be made to extend the deadline of three months period (09.01.2016) till final orders are passed by Hon'ble Supreme Court in the case.

Item No. [2] Environmental Clearance for Expansion of Group Housing Colony located at Village Lakkarpur, Sector-39, Faridabad-Ballabgarh Complex, Haryana by M/s Ajay Enterprises Pvt. Ltd.

The recommendations of SEAC, to seek clarification from MoEF & CC, GoI regarding applicability of EIA Notification 14.09.2006, in the existing case was taken up for consideration in the last meeting of SEIAA held on 12.01.2016 and the case was deferred to the next meeting with the decision that the project proponent may be asked to furnish below mentioned information

- [1] The project proponent shall submit the date of start of construction, date of completion of structure up to plinth level and date of completion of project with authenticated proof for ascertaining the applicability of EIA Notification dated 14.09.2006 in the existing project.

In the today's meeting the letter dated 21.01.2016 giving details as submitted by the project proponent was taken up for discussions. The perusal of the record submitted by the project proponent revealed that the project proponent had completed the construction of the existing Group Housing during year 1984 to 2005. The construction up to plinth level had been completed prior to 07.07.2004 Notification. The Authority was of the unanimous view that the provisions of EIA Notification dated 14.09.2006 are not attracted to the instant Group Housing project.

In view of the above discussions the Authority accepted the request of project proponent for withdrawal of their application submitted for expansion of Group Housing project. The Authority also granted permission to the project proponent to submit fresh online application for development of independent Group Housing project on 2.662 acre of additional licensed area.

Item No.[3] Environmental Clearance for the proposed "Gateway Tower, IT Park" Project measuring 8.50 acres at Sector-37, Village- Anangpur, Faridabad, Haryana being developed by M/s Dove Infrastructure Pvt. Ltd.

The SEAC in its 123rd meeting held on 11.12.2015 recommended this case for environmental clearance. The SEAC in its recommendations has stated that before granting EC clarification from MoEF&CC, GoI the obtained as to whether the OM dated 12.12.2012 is applicable or not in view of the stay granted by Hon'ble Supreme Court of India. The recommendation of SEAC was taken up in the last meeting of SEIAA held on 12.01.2016 and it was decided to defer the case to the next meeting with the decision that:

- (i) Giving reference of Hon'ble Supreme Court orders and the earlier communication dated 28.12.2015 of this office, the MOEF & CC, GOI may again be requested to send necessary clarification in the matter so as to enable the SEIAA to take appropriate action in violation cases well within the stipulated period as prescribed in the Notification/guidelines, in order to avoid any litigation.

In the today's meeting the case was examined in the light of Hon'ble Supreme court orders dated 22.01.2016, wherein the Hon'ble Supreme Court has modified its orders (regarding stay on operation of Hon'ble NGT orders) passed in CA No. 7191-7192/2015 in the matter of "M/s Dugar Housing Ltd V/s S.P.Muthuraman & Ors. The Authority was also informed that clarification sought by SEIAA from MoEF & CC, GoI is still awaited. The Authority decided to keep this case in abeyance till clarification is received from MoEF & CC, GoI.

Item No. [4] Revised EC Proposed Group Housing Project “The Ultima” (22.231 acres) at Sector-81, Village-Lakhnola, Gurgaon by M/s DLF Homes Developers Ltd.

1. The recommendation of SEAC to accord environmental clearance to this project was taken up for consideration in the 83rd meeting of SEIAA held on 28.09.2015 and the case was referred back to SEAC for reconsideration with the following observations.
 - (i) The project proponent shall obtain permission of competent authority for use of revenue rasta and shall submit the same to SEAC.
 - (ii) The SEAC shall ensure that the solid waste generation calculation and parking calculation is as per latest prescribed norms and shall also ensure that the project proponent has furnished details of appropriate technology to be adopted for treatment of bio-degradable waste.
 - (iii) The height of building is 96.85 meter which is more than 60 meter and clearance from the recognized institution like ITTES/PEC, Regional Engineering College/National Institute of Technology etc regarding structural stability and for fire safety clearance from institute of fire engineers, Nagpur is required. The project proponent shall obtain the same and submit to the SEAC.
2. The SEAC in its 124th meeting held on 22.12.2015 considered the reply dated 16.11.2015 submitted by the project proponent on the above observations and again recommended this case for environmental clearance.

In the today's meeting the recommendation of SEAC was taken up for consideration. It was noticed that a committee constituted by SEIAA to monitor the compliance of conditions inspected the site and found that adequate measures for treatment of waste water/sewage generated from the labour camp has not been provided by the project proponent. The HSPCB has also issued show cause notice to the project proponent under section 33A of the water (Prevention & Control of Pollution) Act 1974, under Section 31A of Air ((Prevention & Control of Pollution) Act 1981. It was observed by the Authority that a condition in the EC letter has been imposed for providing mobile toilets for labour. The project proponent has informed that the sewage generated at labour camp of the project site is being managed by treatment in the operational STP of their Group Housing project, New Town Heights, Sector-86, Gurgaon. It was also observed that the project proponent vide letter dated 21.01.2016 has assured to install Sewage Treatment Plant (STP) in the labour camp area for which necessary work order has been placed. The project proponent has requested for withdrawal of notice.

In view of the above the Authority decided that the environmental clearance to the project proponent shall be issued only after the confirmation regarding installation of STP in the labour camp area is received from the project proponent as per assurance given vide letter 21.01.2016.

Item No. [5] Environmental Clearance for construction of Affordable Group Housing located at Sector-70A, Gurgaon Haryana by M/s Pyramid Infratech Pvt. Ltd.

This case was lastly considered in the 84th meeting of SEIAA held on 29.10.2015 and the case was referred back to SEAC for reconsideration with the following observations.

- (i) The project proponent has proposed to develop green area on 18% of the project area whereas in the conditions it has been mentioned that the project proponent shall maintain 20% green area. The project proponent on 28.10.2015 submitted revised plan showing 20% green area. The SEAC should examine the same.
- (ii) The SEAC shall ensure that the solid waste generation calculation and parking calculation is as per latest prescribed norms and shall also ensure that the project proponent has furnished details of appropriate technology to be adopted for treatment of bio-degradable waste. The project proponent shall submit the plan showing area ear marked for composting.
- (iii) The project proponent shall submit latest undertaking on non judicial stamp paper stating that no construction has been raised at site duly signed by the director. The project proponent shall also submit latest photograph of site.
- (iv) The project proponent shall submit solar path analysis.

The SEAC in its 124th meeting held on 22.12.2015 considered the reply dated 24.11.2015 submitted by the project proponent on the above observations and again recommended this case for environmental clearance. The recommendation of SEAC was taken up for consideration in the today's meeting and it was noticed that the project proponent has not clearly mentioned the capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste.

In view of the above discussions, the Authority decided to agree with the recommendations of SEAC to accord Environment Clearance to this project by imposing the following condition in addition to the usual conditions in practice and subject to the submission of capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days. .

- [1] The project proponent shall provide green area on 20.10% of the project area.
- [2] The project proponent shall install solar panel for energy conservation.
- [3] The project proponent shall essentially provide two numbers of STPs preferably equivalent to 50% of total capacity or as per the initial occupancy as the case may be.

- [4] The project proponent shall submit capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days.

Item No. [6] EC for the Expansion and Modernization of DLF Commercial Project Corporate Green (IT Office, Retail and Studio/Service Apartment) at Sector-74A, Gurgaon by M/s DLF Universal Ltd.

The SEAC in its 124th meeting held on 22.12.2015 has recommended this project for environment clearance. The project proponent submitted application on 21.10.2014 for seeking environment clearance for the expansion and Modernization of commercial project at 74 A, Gurgaon. The environmental clearance was granted by SEIAA vide letter no. DEH/09/SEIAA/23 dated 01.05.2009.

1. The project proponent has proposed the expansion and Modernization of unit as under:

Details	EC Granted	Change	Proposed
Plot Area	104050.75 sqm 25.7115 Acres	+39076.217 sqm + 9.656 Acres	143126.967 sqm 35.3675 Acres
FAR permissible 1.75%	182088.81 sqm	+68383.382 sqm	250472.192 sqm
FAR Proposed	181878.07 sqm	+63006.187 sqm	244884.258 sqm
Built up area	321300.67 sqm	+76742.825 sqm	398043.495 sqm
Service Apartments	0	+400 nos.	400
Studio Apartments	0	+292	292
Offices	926 nos.	+529 nos.	1455 nos.
Shops	48 nos.	+58 nos.	106 nos.
Building Height	79.6 meter	+13.1 meter	92.7 meter
Total Water Requirement	1589 KLD	+557 KLD	2146 KLD

2. The MoEF &CC, GoI, Chandigarh has issued certified copy of compliance report.

In the today's meeting the recommendation of SEAC was taken up for consideration. It was noticed that the project proponent has submitted certified copy of compliance report issued by MoEF & CC, GoI as per the requirement of procedure prescribed by MoEF & CC, GoI. The Authority decided that a Sub-Committee comprising of Shri Hitender Singh and Dr. S.N. Mishra, Members SEAC shall monitor the compliance of the conditions imposed in the EC letter and shall submit the report to the SEIAA. Accordingly the case was deferred.

Item No. [7] Environmental Clearance for construction of “Affordable Group Housing Colony” at Village Dhunela, Sector-33, Sohna, Gurgaon, Haryana by M/s Breez Builders and Developers Pvt. Ltd.

The SEAC in its 124th meeting held on 23.11.2015 has recommended this project for environmental clearance subject to compliance of conditions stated their in. The Project Proponent has proposed the construction of “Affordable Group Housing Colony” at Village Dhunela, Sector-33, Sohna, Gurgaon, Haryana on a total plot area of

39755.243 sqm. The total built up area shall be 109700.216 sqm. The proposed Project shall comprise 03 Blocks, 20 Towers, Block-1 Tower 1 to 17 (S + 10 Floors (72589.218 sqm)), Block-2 Tower 18 & 19 (S + 10 Floors (12934 sqm)), Block-3 Tower 20 (S+2 Floors (212.193 sqm)), Commercial (G+1). The maximum height of the building shall be 33.2 meter. The total water requirement shall be 1127 KLD. The fresh water requirement shall be 769 KLD. The waste water generation shall be 949 KLD, which will be treated in the STP of 1150 KLD capacity. The total power requirement shall be 5000 KVA which will be supplied by DHBVN. The Project Proponent has proposed to develop green belt on 8298.383 sqm (20.874%) of project area (12.09% tree plantation + 8.784% landscaping). The Project Proponent proposed to construct 10 rain water harvesting pits. The solid waste generation will be 3744 kg/day. The bio-degradable waste will be treated in the project area by installation of OWC (organic waste converter). The total parking spaces proposed are 1011 ECS.

The above recommendation of SEAC was taken up for consideration. Detailed discussions were held regarding existence of revenue rasta, gas pipe line, water requirement, quality of water, green belt development plan, Ambient Air Quality, NOC regarding non-involvement of Aravalli Notification dated 07.05.1992, recycle and reuse of water, parking plan, traffic circulation etc. It was found that the project proponent submitted the assurance of HUDA for supply of water along with copies of EDC/IDC paid to HUDA for the services for supply of water, sewerage connection and drainage system, NOC from DC Gurgaon regarding non applicability of Aravalli Notification and NOC from AAI regarding height clearance. It was noticed that the project proponent has obtained NOC from GAIL regarding ROW reserved for Gas pipe line passing through the project area. It was noticed that the project proponent has not clearly mentioned the capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste.

In view of the above discussions, the Authority decided to agree with the recommendations of SEAC to accord Environment Clearance to this project by imposing the following condition in addition to the usual conditions in practice and subject to the submission of capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days.

- [1] The project proponent shall provide green area on 20.874% of the project area.
- [2] The project proponent shall install solar panel for energy conservation.
- [3] The project proponent shall essentially provide two numbers of STPs preferably equivalent to 50% of total capacity or as per the initial occupancy as the case may be.

- [4] The project proponent shall ensure that no construction activity is undertaken either on surface or below or above surface of revenue rasta passing through the project area.
- [5] The project proponent shall indicate the width and length of revenue rasta passing through the project area on sign board and shall display the same at both the ends of revenue rasta stretch, for awareness of public. Sign board shall also display the message that this is a public rasta/road and any citizen can use it. There shall not be any gate with or without guards on revenue rasta further project proponent shall not encroach revenue rasta and shall not cross internal roads over revenue rasta.
- [6] The project proponent shall not raise any construction activity in the ROW reserved for gas pipeline.
- [7] The project proponent shall submit capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days.

Item No. [8] Environmental Clearance for construction of Affordable Group Housing Colony located at Revenue Estate of Village Baselwa, Sector-87, District Faridabad, Haryana by M/s SRS Retreat Services Ltd.

The SEAC in its 124th meeting held on 23.11.2015 has recommended this project for environmental clearance subject to compliance of conditions stated their in.

The Project Proponent has proposed the construction of Affordable Group Housing Colony located at Revenue Estate of Village Baselwa, Sector-87, District Faridabad, Haryana on a total plot area of 20262.335 sqm (5.00694 acre). The total built up area shall be 48964.137 sqm. The Group Housing project shall have 8 Towers, Tower A1 to Tower A5 and Tower B1 to B2 consisting of Stilt + 14 Floors, Tower C consisting of Stilt + 4 Floors, Community Hall, Aganwadi etc. The Group Housing project shall have 818 Dwelling Units. The maximum height of the building shall be 43.53 meter. The total water requirement shall be 603 KLD. The fresh water requirement shall be 405 KLD. The waste water generation shall be 498 KLD, which will be treated in the STP of 600 KLD capacity. The total power requirement shall be 3500 KVA which will be supplied by DHBVN. The Project Proponent has proposed to develop green belt on 20.95% of project area (15% tree plantation + 5.95% landscaping). The Project Proponent proposed to construct 5 rain water harvesting pits. The solid waste generation will be 2247 kg/day. The bio-degradable waste will be treated in the project area by installation of OWC (organic waste converter). The total parking spaces proposed are 450 ECS.

In the today's meeting the recommendation of SEAC and the project details were taken up for consideration. Detailed discussions were held regarding water requirement, quality of water, green belt development plan, Ambient Air Quality, NOC regarding non-involvement of Forest land, recycle and reuse of water, parking plan, traffic circulation

etc. It was noticed that the project proponent has submitted copy of EDC/IDC paid to HUDA for the services for supply of water, sewerage connection and drainage system and NOC from DFO regarding Non involvement of Forest land. It was noticed that the project proponent has not clearly mentioned the capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste.

In view of the above discussions, the Authority decided to agree with the recommendations of SEAC to accord Environment Clearance to this project by imposing the following condition in addition to the usual conditions in practice and subject to the submission of capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days.

- [1] The project proponent shall install solar panel for energy conservation.
- [2] The project proponent shall provide green area on 20.95% of project area.
- [3] The project proponent shall essentially provide two numbers of STPs preferably equivalent to 50% of total capacity or as per the initial occupancy as the case may be.
- [4] The project proponent shall submit capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days.

Item No. [9] Revision and Expansion of Group Housing Project located at Plot No. GH-02, Village Sarai Khawaja, Sec-41, Faridabad, Haryana by M/s Rise Projects Pvt. Ltd.

The SEAC in its 124th meeting held on 23.11.2015 has recommended this project for environmental clearance subject to compliance of conditions stated their in. The Project Proponent has proposed the construction of “Expansion of Group Housing Project located at Plot No. GH-02, Village Sarai Khawaja, Sec-41, Faridabad, Haryana with the proposal as given under.

Particulars	Existing as per EC	Total after Revision and Expansion
Plot area	10670.88 sqm (2.64 acres)	
Proposed Ground coverage	2035.712 sqm	2752.85 sqm
Proposed F.A.R	18659.011	18609.03
Total Built up Area	29961.691 sqm	33139.86 sqm
Basement Ares (Non-FAR)	11302.68 sqm	12530.71 sqm
Upper Basement	4085.289 sqm	5746.04 sqm
Lower Basement	7217.391 sqm	6784.67 sqm
Green Area (33%)	3201.264 sqm	3557.681 sqm
Parking	274 ECS	254 ECS
Total Water Requirement	164 KLD	187 KLD
Fresh Water	106 KLD	122 KLD
Waste Water	121 KLD	141 KLD
STP	150 KLD	170 KLD
Power (DHBVN)	2050 KVA	

RWH	4 pits	3 pits
Solid Waste	566 kg/day	571 kg/day

In the today's meeting the recommendation of SEAC and the project details were taken up for consideration. Detailed discussions were held regarding water requirement, quality of water, green belt development plan, Ambient Air Quality, NOC regarding non-involvement of Forest land, recycle and reuse of water, parking plan and traffic circulation plan. It was noticed that the project proponent has not clearly mentioned the capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste.

In view of the above discussions, the Authority decided to agree with the recommendations of SEAC to accord Environment Clearance to this project by imposing the following condition in addition to the usual conditions in practice and subject to the submission of capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days.

- [1] The project proponent shall provide green area on 33% of project area.
- [2] The project proponent shall submit capacity of OWC vis-à-vis the generation of bio-degradable waste, dimensions of the earmarked area and the process involved for the treatment of bio-degradable waste within 15 days.

Extension of EC Cases:

Item No.[10] Extension of Environmental Clearance for the project "Paliwal City" Township at Sector-38 & 39, Panipat, Haryana by M/s Parsvnath Developers Ltd.

The SEAC in its 124th meeting held on 23.11.2015 has forwarded this case to SEIAA for taking decision. It was noticed that the environmental clearance to the project proponent was accorded by SEIAA on 04.05.2009. The validity of environmental clearance was up to 03.05.2014(5 years). The project proponent on 28.03.2014 submitted the application for extension of validity of environmental clearance. It was noticed that the project proponent has claimed that 60% of construction has been achieved. The project proponent has submitted copy of valid license and also submitted copy of certified compliance report issued by MoEF & CC, GoI NZR, Chandigarh. The Sub-Committee also reported that the project proponent could not complete the construction after obtaining environment clearance. The case was examined in the light of amended notification dated 15.04.2015.

Keeping In view the above, the Authority decided to grant extension for validity of EC for 2 years subject to compliance of the conditions already imposed in the environmental clearance letter.

Item No. [11]Extension of Validity of Environment Clearance for proposed Group Housing Project “Tulip Ace & Petals” Sector-89, Gurgaon by M/s Tulip Infratech pvt. Ltd.

The SEAC in its 124th meeting held on 23.11.2015 has forwarded this case to SEIAA for taking decision. It was noticed that the environmental clearance to the project proponent was granted by MoEF & CC, GoI on 11.07.2008. The validity of the EC was up to 10.07.2013. The project proponent on 09.07.2013 submitted application seeking extension of validity of EC. The SEIAA on 03.02.2014 referred to the case to SEAC to inspect the site in order to access the status of construction. The Sub-Committee on 10.03.2015 visited the site and reported that the construction of project was completed before 16.10.2013, Consent to establish the project was obtained on 15.01.2011 and Consent to Operate was obtained on 16.10.2013 from the appropriate Authority. Therefore, project proponent does not require extension of validity of environment clearance.

In view of the above discussions the Authority decided to write to HSPCB as to how the Consent to Operate was issued on 16.10.2013 without valid environment clearance letter.

Item No.[12]Extension of Environmental Clearance for Commercial Complex measuring 4.843 Acres at Sector-66, District Gurgaon by M/s Gentle Realtors Pvt. Ltd.

The SEAC in its 124th meeting held on 23.11.2015 has forwarded this case to SEIAA for taking decision. It was noticed that the environmental clearance to the project proponent was accorded by SEIAA on 01.05.2009. The validity of environmental clearance was up to 31.04.2014 (5 years). The project proponent on 23.04.2014 submitted the application for extension of validity of environmental clearance. It was noticed that the project proponent has claimed that only construction of basement has been done. The project proponent has submitted copy of valid license and also submitted copy of certified compliance report issued by MoEF & CC, GoI NZR, Chandigarh. The Sub-Committee also reported that the project proponent has completed the excavation for foundations and basement. The project proponent also requested for extension of validity for their project for 7 years. The case was examined in the light of amended notification dated 15.04.2015.

Keeping In view the above, the Authority decided to grant extension for validity of EC for 7 years subject to compliance of the conditions already imposed in the environmental clearance letter.

Item No.[13]Application for Extension of EC for Group Housing Project “NCR One” on an area measuring 10.712 Acres at Sector-95, Village Wazirpur, Gurgaon, Haryana by M/s Pashupati Buildwell Pvt. Ltd (formally known as Pashupati Buildhome Pvt. Ltd.)

The SEAC in its 124th meeting held on 23.11.2015 has forwarded this case to SEIAA for taking decision. It was noticed that the environmental clearance to the project

proponent was accorded by SEIAA on 28.10.2009. The validity of environmental clearance was up to 27.10.2014 (5 years). The project proponent on 21.10.2014 submitted the application for extension of validity of environmental clearance. It was noticed that the project proponent has claimed that out of total built up area of 83456.97 sqm the 80500 sqm of area has been constructed. The project proponent has submitted copy of valid license and also submitted copy of certified compliance report issued by MoEF & CC, GoI NZR, Chandigarh. The Sub-Committee also reported that the project proponent has obtained occupation certificate on 25.11.2014 for 6 nos. of Towers out of proposed 10 nos. of Towers. The case was examined in the light of amended notification dated 15.04.2015.

Keeping In view the above, the Authority decided to grant extension for validity of EC for 2 years subject to compliance of the conditions already imposed in the environmental clearance letter.

The Authority also decided to issue show-cause notices to the project proponents where violation of the conditions of the environment clearances has been reported by the committee constituted by SEIAA.
