Dated 29th April, 2010

To,

Shri Rajesh Somani, Director
M/s Earth Stahl & Alloys (P) Ltd
5B- Mohani Merlin Jayshree Vihar,
Pandrai Tari, Chattishgarh

E-mail: somanitrade@gmail.com; Fax No.: 0771-4092564.

Subject : Setting up of Submerged Arc Furnace Plant / Re-melting Plant (10,500 T in phase-I and 15,750 T in Phase-II) at Village Duldula, Tehsil Simga, District Raipur, Chhattishgarh by M/s Earth Stahl & Alloys Private Ltd.

Ref. : 1. Ministry's even letter dated 16th April, 2010.
2. Your letter dated 5th March, 2010 and 13th April, 2010.

Sir,

Kindly refer to your letter dated 5th March, 2010, wherein you have submitted a proposal for setting up Submerged Arc Furnace Plant / Re-melting Plant (10,500 T in phase-I and 15,750 T in Phase-II) at Village Duldula, Tehsil Simga, District Raipur, Chhattisgarh. Subsequently, you have clarified that :

- I) You will manufacture Cast Iron (CI) lumps only by using Iron Oxide waste like mill scale, Jams of rolling mills, iron bearing materials reclaimed from Sponge Iron kiln waste and process is purely secondary metallurgical since no primary ore will be used as raw material.
- II) Total production capacity will be 26,250 MTPA.
- III) You will not manufacture any pig iron or ferro alloy.

The matter has been examined in the Ministry. Since total quantity of product through secondary metallurgical process is 26,250 MTPA, all such production upto 30,000 TPA are exempted for the environment clearance as per EIA Notification dated 1st December, 2009.

The letter is issued after prior approval of the Competent Authority.
