Malkajgiri District – Environmental Clearance – Reg.**

Ref: Your EC application received online on 26.01.2018.

With reference to your EC application received online for the above mentioned project, it is to inform that the proposal was examined by the State Expert Appraisal Committee (SEAC) in its meeting held on 03.04.2018. The SEAC observed as following:

The representative of the project proponent Sri Prabhudeva; and Sri Tirumalesh of M/s. KKB Envirocare Consultants Pvt. Ltd., attended and made a presentation before the SEAC.

The SEAC noted that the existing industry is permitted to manufacture Di-Nitro Stilbene Di-Sulphonic Acid (DNSDA) which is a Dye intermediate. But, the G.O.Ms. No. 64, dt. 25.07.2013 is applicable only for Expansion of existing Bulk Drug & Bulk Drug intermediate manufacturing units subject to the installation of ZLD facilities by such units.

In this regard, the proponent submitted Ir.dt.16.12.2008 issued by the Deputy Director of IICT furnishing report on "Comprehensive studies on the applications of stilbene derivatives with special referene to 4,4-diaminostilbene 2,2-disulfonic acid (DASDA)". It was requested to issue TORs for the project.

The SEAC examined the documents submitted by the proponent and observed that the existing permitted product may also be used as a Bulk Drug Intermediate. The SEAC noted that as the G.O.Ms.No.64, dt.25.07.2013 is applicable to the project, the project may be considered.

The SEAC noted the G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 of the EFS&T Dept., GoAP; G.O.Ms. No. 120, dt. 22.10.2013 of the I&C Dept., GoAP; and G.O.Ms. No. 80, dt. 27.10.2015 of the I&C Dept. The project is exempted from the process of Public Hearing as the industry is located in a Notified Industrial Area existing prior to 2006, as per OM dt. 10.12.2014 of the MoEF&CC, GoI.

After detailed discussions, the proponent is directed to prepare EIA report as per the Standard Terms of Reference (TORs) issued by the MoEF&CC, GoI available in their website viz., www.moef.nic.in, under "5(f) Synthetic organic chemicals industry (dyes & dye intermediates; bulk drugs and intermediates excluding drug formulations; synthetic rubbers; basic organic chemicals, other synthetic organic chemicals and chemical intermediates)" and submit EIA report to the SEAC for appraisal.

Meanwhile, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Distance of the industry from the nearest boundary of Patancheru and Bollaram Industrial Areas.
- ii) Project modification
- iii) Project cost
- iv) ZLD System & its adequacy
- v) ETP modifications
- vi) Products : Comparison of existing and proposed (which are going for expansion)
- vii) Verify Production details w.r.t. permitted for the past one year
- viii) Raw material : Comparison of existing and proposed (which are going for expansion)
- ix) Solid waste : Comparison of existing and proposed (which are going for expansion)
- x) Impact on surroundings
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007 and G.O.Ms. No. 64, dt. 25.07.2013.
- xii) Applicability of S.O.804 (E), dt.14.03.2017 issued by the MoEF&CC, GoI.

Members of Sub-Committee:

- | | |
|----------------------|----------------|
| 1. Radhakrishna | 3. Vijayalaxmi |
| 2. Ch. Krishna Reddy | |

This is for information. You are requested to prepare EIA report as mentioned above and submit EIA report to the SEAC for appraisal.

Yours faithfully,

Sd/-
SECRETARY, SEAC, TS
