F.1 (153)/SEAC/meeting notice/8618-50

Date- 01.02.2019

M/s ----- As per Annexure -B

Subject: Meeting Notice of the **4.8th Meeting** of the State Level Expert Appraisal Committee (SEAC), (Raj.), scheduled to be held on **25th and 26th February 2019**.

Sir,

The **4.8th meeting** of SEAC is scheduled to be held on **25th, 26th February 2019**, at **10:30 AM** in the Meeting Hall of the Rajasthan State Pollution Control Board, 4, Institutional Area, Jhalana Doongri, Jaipur as per programme (**Annex-A**). All the project proponents (PPs) are advised to send an identical set of project documents namely, Form-1, Pre-Feasibility Report and / or EIA/EMP Report, supporting documents (in the case of all projects/activities other than Item 8 of the Schedule and B2 projects) and Form-1, Form 2 (as applicable), Form-1A, Conceptual Plan, supporting documents (in the case of all projects/activities under Item 8 of the Schedule and documents as per MoEF OMs, circulars, Notifications ,etc., as submitted to the Member Secretary, SEIAA/SEAC, Rajasthan, to the Members of SEAC (**Annex-B**) as per the EIA Notification 2006 and its amendments issued from time to time **by 12nd February, 2019 (Tuesday) along with a hard copy of the computer presentation**. Copy of **queries** raised by this office (if any) and point wise reply/ information submitted /prepared by you is also to be incorporated in tabular / chart form in the documents to be sent to this office and to all the members.

The PPs shall also submit in advance to the undersigned, following additional documents/ information, related to the project in original, if not submitted earlier & copies to the members if not distributed earlier.

1. Affidavit (Annx.G) on non-judicial Stamp Paper of Rs. 100 , duly attested by Notary Public, stating that:-

(i) **In case of New Projects**, “No activity relating to this project (i.e. name of the project) including civil construction has been undertaken at site except fencing of the site to protect it from getting encroached and construction of temporary shed(s) for the guard(s). (If fencing has not been done, then the same may be deleted). This shall be supported by submitting self attested **current photographs** viewing towards the project area from all the four directions indicating the date of photographs taken, direction from which it is taken, Latitude and Longitude of the site, name of the project and signature of P.P. along with the seal, in order to authenticate that no activity in violation of the provision of the EIA Notification has taken place at the site. **Non submission of such affidavit shall be construed as deliberate and willful concealment of the information regarding Violation of the Environment (Protection) Act, 1986/Environment Impact Assessment (EIA) Notification, 2006 in relation to MoEF Notification dated 08.03.2018.**

(ii) **In case of Existing Projects requesting for expansion-**

(a) “No expansion/ modernization activity has been undertaken in violation of the provision of EIA notification” (Please submit current pictures indicated at para 1(i) above). In case of the “Expansion Projects” also provide the **Environmental Load Statement (Annex-D)**. Details of Expansion / activity undertaken, if any, in violation of the EIA Notification, be also submitted along with photographs, and point-wise compliance report of conditions of EC (if any) /CTE/CTO/NOC of

RPCB & details of Notices received from RPCB and compliance their of as per MoEF, O.M. no. J-11013/41/2006-IA.II (I) dt. 01.07.2011 and certificate from RSPCB/SEIAA/MoEF about compliance of earlier EC conditions as per MoEF directions. **Non submission of such affidavit shall be construed as deliberate and willful concealment of the information regarding violation of the Environment (Protection) Act, 1986/Environment Impact Assessment (EIA) Notification, 2006 in relation to MoEF Notification dated 14.03.2017/08.03.2018.**

- (b) In case of construction Projects listed under item 8 of the schedule,
- i. Details of adverse impacts from new constructions on the near by existing structures shall be submitted, along with information about the considerations taken into account.
 - ii. Pointwise compliance of earlier EC (issued if any) along with expenditure and work carried out on CSR
 - iii. Status of construction carried out related to the original project and investment done on it.
 - iv. Details of construction carried out if any as regards proposed expansion.
 - v. Details about demolition (if any) and disposal of waste as per MoEF directions.
- (iii) **In case of both new and existing projects it shall be categorically declared by the Project Proponent that, "There is no litigation pending against the project and/or land in which the project is proposed to be set up (please give name & ownership etc. of the project) and that for any such litigation whatsoever, the sole responsibility will be borne by the Project Proponent."**
- (iv) **In all cases, an affidavit by the PP stating that, "(a) I hereby give undertaking that the data and information given in the application, enclosures and other documents are true to the best of my knowledge and belief and I am aware that if any part of the data and information submitted is found to be false or misleading at any stage, the project will be rejected and clearance given, if any to the Project will be revoked at our risk and cost. (b) I hereby also submit this undertaking as part of the EIA Report, owning the contents (information and data) of the EIA Report". Another affidavit by the consultant, if any, stating "(a) that the prescribed ToRs have been complied with (to be deleted if not applicable) and (b) and that all the details and data presented are factually correct" (as per OM dated 4 August 2009), along with other information is also to be submitted. Contents of the affidavit in the form other than that mentioned above shall not be acceptable and shall be construed as misleading the committee.**
- (v) GT sheet showing location along with the latitude and longitude of the project site along with physical features mentioned under **Environment Sensitivity in Form no. 1** on an appropriate scale. The exact distance of the physical physicals mentioned in the Form no. 1 under Environment Sensitivity within 15 Kms. should necessarily be mentioned in the Form.
- (vi) Name of the villages, their population under **Environment Sensitivity in Form no. 1 should be clearly mentioned.**
2. In all cases, the land ownership documents along with latest position/status regarding title of land shall be submitted with other documents required for ToRs/EC. Land document/agreement letter shall be duly registered and submitted.
3. For construction projects under category 8 of the Schedule,
- i. The PP and consultant shall submit an affidavit on Rs 100 non judicial stamp paper, duly attested by the notary, as per annexure 'G'.
 - ii. **All the plans/maps shall be on an appropriate scale (preferably on a linear scale) and shall bear the signature and seal of the PP, consultant and architect.**
 - iii. A preventive action plan (as part of conceptual plan) for earthquake resistance buildings as per NBC code specifically for zone 3, 4, 5 shall be submitted along with the form 1 , form 1A and conceptual plan .
 - iv. **Details of all the points mentioned at point no. 9 under energy conservation of form no. IA should be explicitly stated.**
4. The construction project would be appraised on the basis of From 1, From 1A and the conceptual plan, questionnaire as per the EIA notification Dtd 22.8.2013 and as per directions received thereafter

from MoEF &CC and as such the PP shall ensure submission of the detailed information on each point in Form 1, Form 1A, questionnaire and the conceptual plan.

5. **Each page of all the relevant documents** (prepared as per the notification and guidelines available on the website of the MoEF, GOI) **and the affidavit/undertaking shall be signed by the same person either the PP or his duly authorized Representative** (copy of the Authorization Letter along with copy of the resolution passed by the Company in favour of the Authorized Signatory, for the specific project in such case, be submitted).
6. (a) The resume and nature of the consultant/disclosure of Consultant engaged for the project shall be provided with their telephone numbers and e-mail addresses as per the format in EIA Notification dt. 14.9.2006 and related circulars (**Annex-C**), indicating status of accreditation by QCI/ NABET (quoting the accreditation number). The Consultants and the PP shall ensure that the representative of the Consultant qualifies for the presentation for the proposed project sector as per the QCI Circulars issued from time-to-time. **Ineligible consultant shall not appear for presentation.**
 - (b) The consultant shall mention the Serial No. at which his name appears in the latest list available on the website of the MoEF. The accredited consultant shall also submit a copy of accreditation letter issued by MoEF/QCI/ NABET indicating approval of sectors and experts.
 - (c) The consultants shall abide by the restricted limit of number of cases laid down by the QCI/NABET that can be presented by them. The consultant shall confirm this by adding a statement in the affidavit regarding data being factually true.
7. A statement of commitments related to the proposed project, for compliance during post E.C. period shall be submitted in the format prescribed at Annex-"E".
8. The **Pre-Feasibility Report** shall be prepared strictly in the prescribed format as per the instructions in the guidelines issued by the MoEF vide circular no. J-11013/41/2006-IA.II (I) dt. 30.12.2010 and thereafter and be submitted with other required documents to the SEAC office and to all Members of the Committee.
9. Under **Environment Sensitivity in Form No. 1**, the exact distance of all the physical features that exist (if any) within 15 Kms (including the name of the village, where the project is located) as mentioned there in should be given. A GT Sheet with appropriate scale showing the location of the projects along with all these relevant features should also be submitted.
10. Each page of all documents, including reports, statements, annexure, appendices, maps, plans, diagrams, plates etc. shall be **serially** / properly numbered for ready reference during presentation. In the beginning of the documents, "Contents / Index" shall serially list the items included in the report, indicating the page no./ annexure no./ appendix no./ map no./plate no. etc. **Each page of all the documents including photographs (displaying date of photo taken) shall be signed, dated & stamped by the proponent as well as the consultant. Unsigned / unstamped documents shall be construed as not submitted. Un-necessary splitting of the report in volumes shall be avoided.**
11. **The cover page of the documents submitted shall contain following information only.**
 - (i) Title of the project and its location, (ii) Production Capacity per annum of each product /by product and in case of increase in capacity the existing and proposed capacity, (iii) Objective of the project report (whether "for TOR" or "for EC"), (iv) The period of study, (v) In case more than one documents are submitted, Vol. No and its content shall be mentioned,(vi) **Name and address of proponent and project in-charge, E-Mail address, Fax no. telephone/mobile no.**, (vii) Project cost, (viii) Dispatch number and date of issue of work order to consultant by P.P., (ix) If different fonts are used, font used for the title be the largest one. (x) Information as per MoEF office Memorandum no. J-11013/41/2006-IA II (I) dt. 04.08.2009 and directions issued thereafter by MoEF.
12. **Since the applications of the PPs are old and may not include additional documents (if any) prescribed by MoEF lately, for eg-FormII (as applicable) and all other relevant documents, need to be submitted now under a separate heading "updated information/documents."**

13. It may be noted in explicit terms that the correct e-mail address of the PPs should be mentioned clearly on cover page, form 1 and letterheads to avoid delay in communication. The consultant would be responsible for delay (if any) due to this reason. Matter would be reported to the MoEF if consultants do not comply with the condition.
14. Changes if any, in the information that has already been submitted shall be clearly spelt out along with reasons / clarifications thereof and it shall be informed at the beginning of the presentation as well.
15. In case any letter / document/maps/drawings are illegible, an attested legible typed copy of the same shall be submitted along with its main copy.
16. Any deficiency regarding the title of the land (either whole or part), ownership (either whole or part), and violation of agreement condition of land allotment/sale deed shall be specifically mentioned/ highlighted by the PP and / or Consultant. **In case of agreement letter, the document shall be registered.**
17. The source of monitoring data, specifications of equipments used, details of agency if outsourced, date and time of collection of data, latitude and longitude of sampling points (Air/Water/Soil/Noise etc.) shall be clearly mentioned.
18. In case the monitoring has been started after submission of the application for ToRs/EC, the PP should submit a proof of initiating the monitoring activity. The source of monitoring data, specifications of equipments used, details of agency if outsourced, date and time of collection of data, latitude and longitude of sampling points (Air/Water/Soil/Noise etc.) should be clearly mentioned. **In no case the monitoring should be started prior to submission of the project to SEIAA for grant of ToRs.**
19. Regarding source of water, following information shall be categorically submitted:
 - (i) Proposed source and quantity of water.
 - (ii) Does the area fall under the CGWA notified zone or not.
 - (iii) If yes, information regarding the source & necessary approval from related agency for procuring water from a legal source shall be submitted.
20. **The P.P. and his Consultant should clearly report in writing {yes/No (Details if yes)} whether there has been any violation of the provisions of the EIA Notification dt. 14.09.2006, and amendments made thereafter, circulars and O.M. issued there under especially in the light of Notification dated 08.03.2018. In the event the case in one of violation then the PP/ Consultant should not make a presentation before SEAC.**
21. **If the PP has submitted an application seeking Environment Clearance to the MoEF & CC, in that case the application submitted before SEIAA/ SEAC will be considered only when the original application filed before the MoEF & CC and the documents along with observation (if any) of the MoEF is transferred to SEIAA.**
22. Details of construction activity including date of starting of construction work and investment incurred till date along with photographs and in case of industries, the quantity of products produced so far, shall be essentially mentioned by the PP / Consultant, indicating whether it was in violation of the EIA Notification or not.
23. Filter papers which were used for carrying out (Air monitoring) along with photographs of the site showing Air / Water / Noise/ Soil sampling / monitoring activity / equipment being used at each station (giving **latitude and longitude** of each sampling points) shall be submitted. Copies of all analyses reports shall be submitted in original (whether own or outsourced) and its page number be given at each reference in the report.
24. Copies of all analyses reports related to the EIA Report should be submitted in original (whether own or outsourced) at the time of final presentation and its page number be given at each reference in the report.
25. Following information regarding the work order/agreement issued by the P.P. to the consultant (Accredited from QCI/ NABET for proposed project Sector, (Notification dated 03.03.2016.)) shall be submitted:-
 - 25.1 Dispatch No. of the work order/agreement.
 - 25.2 Date of issue of work order.

- 25.3 Date of start of air/water/other monitoring work (as applicable)
- 25.4 Postal address/ Email Address/ Fax Number/ Mobile Number and Landline Number of the P.P/consultant.
- 26. The Email ID for correspondence should be strictly of the PP and alternate ID may also be submitted to ensure delivery of correspondence in time. The submission of incorrect mail ID would be taken seriously.**
27. A separate site lay out plan indicating the Number and Location of Existing well / Bore-well / Tube-well (if any) in the proposed project shall be submitted giving details of the year of digging of each of the well and its present use. Photographs of each of such wells shall be enclosed mentioning date of photographs. In case there does not exist any well / tube well / bore well it shall be specifically stated in the affidavit.
28. Details of activity to be taken under CSR/ESR (Corporate Social Responsibility, Entrepreneur Social responsibility), shall be submitted along with the proposed budget. **The PP shall ensure that the provision under the CSR/ESR shall be need based as per the requirements of the local Stakeholders.(Refer annexure H)**
29. Details of activity to be taken under EMP shall be submitted along with proposed budget.
30. Details of the facilities provided for the labourers like shelter, health facility, safe drinking water, sanitation facility, fuel for cooking, education for their children, crèche, recreation etc. shall be separately given along with budgetary provision and commitment thereof.
- 31. Details and registration no of registered labours shall be submitted.**
32. **The PP shall submit correct key information regarding the project in the word document to the Secretary SEAC at email address seacannexurei@gmail.com and members of SEAC at their respective e mail addresses, as per Annexure F by **12nd February 2019 (Tuesday)****
33. A separate appendix as Check List mentioning point wise information on each of the above points of this meeting notice indicating the page no. on which the related information is available shall be submitted along with the documents submitted as above to the Chairman, Members & Secretary SEAC, **by 12nd February 2019 (Tuesday)** . Non-submission of check list / partially filled check list / check list with misleading / incorrect information would be the responsibility of the consultant and would be viewed seriously.
- 34. The P.P. shall ensure and confirm that an identical copy of all the documents (Hard copy) have been received by the members in time for critical examination by them 12nd February 2019 (Tuesday) . If the documents, complete in all respect are not received within the specified date, the case may not be discussed in the meeting at all.** The reply to the query letters (issued if any) shall be submitted within in the specified time to all the members also in hard copy only with a copy of the query letter.
35. **For all future correspondence/ submission of documents/reply to queries, the PP must write the FILE NO. of the project under reference for quick correlation of the documents to the respective file.**
- 36. Delivery of documents by hand and seeking meeting with Chairman/Members of SEAC in this regard shall be avoided.**
- 37. The EIA/EMP document and other records submitted by the PP is the responsibility of the Project Proponent, who would be accountable for any misinformation / errors occurring therein irrespective of who prepared them. Deliberate and willful concealment and/or submission of false or misleading information or data shall make the application liable for rejection, and cancellation of prior environmental clearance granted on that basis.**
38. Please print on both sides of the paper and avoid the use of plastic material in the documents to be submitted to SEAC.
- 39. A copy of this meeting notice may be enclosed as a reference while mailing the documents to the Chairman / Members.**
- 40. The PP should submit a copy of the proposed ToRs taking into consideration local environmental issues along with proposal for public hearing.**
- 41. The P.P. & the Consultant shall report at the meeting hall, about 45 minutes prior to the scheduled time of presentation. The consultant shall ensure that after the presentation, none**

of the authorised representative of the PP or the consultant leaves the meeting hall without signing and properly filling up the attendance sheet.

42. Details of all the points mentioned at point no. 9 under energy conservation of form no. IA would be explicitly stated.

43. Details of provisions regarding accessibility to the various floors of the project and other related parts for Divyang people should be submitted.

The PP is requested to present his/her case during the meeting, as given in **Annex-A** before the Committee, **in person only**, along with identity proof (or if, in some extreme case the PP is not able to attend the meeting for specific reason, through any authorized /responsible knowledgeable representative, (s) strictly as per the Directions of MoEF in its Office Memorandum) and **ensure that the team presenting the project comprises maximum 4 persons**. Besides, please also ensure that presentation is limited to key features of Form 1/ 1A, Form 2(as applicable), Conceptual Plan / Pre Feasibility Report / EIA Report, and details of violations (if any).

This bears approval of the Chairman, SEAC.

Please acknowledge receipt of this notice and confirm participation.

Yours truly,

(T.S.Ranawat)

Member Secretary,
SEAC

Encl.: As above (Annex. A, B, C, D, E, F, G and H)

1. Copy forwarded through e mail to the Chairman/Members of SEAC, Rajasthan (Annex-B), the request to kindly make it convenient to attend the meeting as per programme (Annex- A).
Copy also forwarded to the following for kind information and necessary action:
2. Member-Secretary RSPCB, Jhalana Doongri , Jaipur, for information.
3. MS SEIAA, Room no.5221, Secretariat, Jaipur
4. Director cum Joint Secretary, DoE, Secretariat, Jaipur, along with the copy of EIA Notification dated 12.09.2018 ,with the request to arrange for payment to the members.

Member Secretary,
SEAC

F.1 (153)/SEAC/meeting notice/8651-59

Date- 04.02.2019

M/s ----- As per Annexure -B

Subject: Supplementary Meeting Notice of the **4.8th Meeting** of the State Level Expert Appraisal Committee (SEAC), (Raj.), scheduled to be held on **25th and 26th February 2019**.

Sir,

The initial meeting notice for the 4.8th meeting of SEAC scheduled to be held on 25th and 26th February 2019, at 10:30 AM in the Meeting Hall of the Rajasthan State Pollution Control Board, 4, Institutional Area, Jhalana Doongri, Jaipur was issued from this office vide letter no. 8618-50 dated 01.02.2019 . In continuation to same, this meeting notice along with supplementary agenda (at serial no. 23), is here by issued as per programme (Annex-A).

All the project proponents (PPs) are advised to send an identical set of project documents namely, Form-1, Pre-Feasibility Report and / or EIA/EMP Report, supporting documents (in the case of all projects/activities other than Item 8 of the Schedule and B2 projects) and Form-1, Form 2 (as applicable), Form-1A, Conceptual Plan, supporting documents (in the case of all projects/activities under Item 8 of the Schedule and documents as per MoEF OMs, circulars, Notifications, etc., as submitted to the Member Secretary, SEIAA/SEAC, Rajasthan, to the Members of SEAC (**Annex-B**) as per the EIA Notification 2006 and its amendments issued from time to time **by 12nd February, 2019 (Tuesday) along with a hard copy of the computer presentation.** Copy of queries raised by this office (if any) and point wise reply/ information submitted /prepared by you is also to be incorporated in tabular / chart form in the documents to be sent to this office and to all the members.

The PPs shall also submit in advance to the undersigned, following additional documents/ information, related to the project in original, if not submitted earlier & copies to the members if not distributed earlier.

1. Affidavit (Annx.G) on non-judicial Stamp Paper of Rs. 100 , duly attested by Notary Public, stating that:-

(i) **In case of New Projects, “No activity relating to this project (i.e. name of the project) including civil construction has been undertaken at site except fencing of the site to protect it from getting encroached and construction of temporary shed(s) for the guard(s).** (If fencing has not been done, then the same may be deleted). This shall be supported by submitting self attested **current photographs** viewing towards the project area from all the four directions indicating the date of photographs taken, direction from which it is taken, Latitude and Longitude of the site, name of the project and signature of P.P. along with the seal, in order to authenticate that no activity in violation of the provision of the EIA Notification has taken place at the site. **Non submission of such affidavit shall be construed as deliberate and willful concealment of the information regarding Violation of the Environment (Protection) Act, 1986/Environment Impact Assessment (EIA) Notification, 2006 in relation to MoEF Notification dated 08.03.2018.**

(ii) **In case of Existing Projects requesting for expansion-**

(a) “No expansion/ modernization activity has been undertaken in violation of the provision of EIA notification” (Please submit current pictures indicated at para 1(i) above). In case of the “Expansion Projects” also provide the **Environmental Load Statement (Annex-D)**. Details of Expansion /

activity undertaken, if any, in violation of the EIA Notification, be also submitted along with photographs, and point-wise compliance report of conditions of EC (if any) /CTE/CTO/NOC of RPCB & details of Notices received from RPCB and compliance thereof as per MoEF, O.M. no. J-11013/41/2006-IA.II (I) dt. 01.07.2011 and certificate from RSPCB/SEIAA/MoEF about compliance of earlier EC conditions as per MoEF directions. **Non submission of such affidavit shall be construed as deliberate and willful concealment of the information regarding violation of the Environment (Protection) Act, 1986/Environment Impact Assessment (EIA) Notification, 2006 in relation to MoEF Notification dated 14.03.2017/08.03.2018.**

- (b) In case of construction Projects listed under item 8 of the schedule,
- i. Details of adverse impacts from new constructions on the near by existing structures shall be submitted, along with information about the considerations taken into account.
 - ii. Pointwise compliance of earlier EC (issued if any) along with expenditure and work carried out on CSR
 - iii. Status of construction carried out related to the original project and investment done on it.
 - iv. Details of construction carried out if any as regards proposed expansion.
 - v. Details about demoliation (if any) and disposal of waste as per MoEF directions.
- (iii) **In case of both new and existing projects it shall be categorically declared by the Project Proponent that, "There is no litigation pending against the project and/or land in which the project is proposed to be set up (please give name & ownership etc. of the project) and that for any such litigation whatsoever, the sole responsibility will be borne by the Project Proponent."**
- (iv) **In all cases, an affidavit by the PP stating that, "(a) I hereby give undertaking that the data and information given in the application, enclosures and other documents are true to the best of my knowledge and belief and I am aware that if any part of the data and information submitted is found to be false or misleading at any stage, the project will be rejected and clearance given, if any to the Project will be revoked at our risk and cost. (b) I hereby also submit this undertaking as part of the EIA Report, owning the contents (information and data) of the EIA Report". Another affidavit by the consultant, if any, stating "(a) that the prescribed ToRs have been complied with (to be deleted if not applicable) and (b) and that all the details and data presented are factually correct" (as per OM dated 4 August 2009), along with other information is also to be submitted. Contents of the affidavit in the form other than that mentioned above shall not be acceptable and shall be construed as misleading the committee.**
- (v) GT sheet showing location along with the latitude and longitude of the project site along with physical features mentioned under **Environment Sensitivity in Form no. 1** on an appropriate scale. The exact distance of the physical physicals mentioned in the Form no. 1 under Environment Sensitivity within 15 Kms. should necessarily be mentioned in the Form.
- (vi) Name of the villages, their population under **Environment Sensitivity in Form no. 1 should be clearly mentioned.**
2. In all cases, the land ownership documents along with latest position/status regarding title of land shall be submitted with other documents required for ToRs/EC. Land document/agreement letter shall be duly registered and submitted.
3. For construction projects under category 8 of the Schedule,
- i. The PP and consultant shall submit an affidavit on Rs 100 non judicial stamp paper, duly attested by the notary, as per annexure 'G'.
 - ii. **All the plans/maps shall be on an appropriate scale (preferably on a linear scale) and shall bear the signature and seal of the PP, consultant and architect.**
 - iii. A preventive action plan (as part of conceptual plan) for earthquake resistance buildings as per NBC code specifically for zone 3, 4, 5 shall be submitted along with the form 1, form 1A and conceptual plan.
 - iv. **Details of all the points mentioned at point no. 9 under energy conservation of form no. IA should be explicitly stated.**

4. The construction project would be appraised on the basis of Form 1, Form 1A and the conceptual plan, questionnaire as per the EIA notification Dtd 22.8.2013 and as per directions received thereafter from MoEF &CC and as such the PP shall ensure submission of the detailed information on each point in Form 1, Form 1A, questionnaire and the conceptual plan.
5. **Each page of all the relevant documents** (prepared as per the notification and guidelines available on the website of the MoEF, GOI) **and the affidavit/undertaking shall be signed by the same person either the PP or his duly authorized Representative** (copy of the Authorization Letter along with copy of the resolution passed by the Company in favour of the Authorized Signatory, for the specific project in such case, be submitted).
6. (a) The resume and nature of the consultant/disclosure of Consultant engaged for the project shall be provided with their telephone numbers and e-mail addresses as per the format in EIA Notification dt. 14.9.2006 and related circulars (**Annex-C**), indicating status of accreditation by QCI/ NABET (quoting the accreditation number). The Consultants and the PP shall ensure that the representative of the Consultant qualifies for the presentation for the proposed project sector as per the QCI Circulars issued from time-to-time. **Ineligible consultant shall not appear for presentation.**
 - (b) The consultant shall mention the Serial No. at which his name appears in the latest list available on the website of the MoEF. The accredited consultant shall also submit a copy of accreditation letter issued by MoEF/QCI/ NABET indicating approval of sectors and experts.
 - (c) The consultants shall abide by the restricted limit of number of cases laid down by the QCI/NABET that can be presented by them. The consultant shall confirm this by adding a statement in the affidavit regarding data being factually true.
7. A statement of commitments related to the proposed project, for compliance during post E.C. period shall be submitted in the format prescribed at Annex-“E”.
8. The **Pre-Feasibility Report** shall be prepared strictly in the prescribed format as per the instructions in the guidelines issued by the MoEF vide circular no. J-11013/41/2006-IA.II (I) dt. 30.12.2010 and thereafter and be submitted with other required documents to the SEAC office and to all Members of the Committee.
9. Under **Environment Sensitivity in Form No. 1**, the exact distance of all the physical features that exist (if any) within 15 Kms (including the name of the village, where the project is located) as mentioned there in should be given. A GT Sheet with appropriate scale showing the location of the projects along with all these relevant features should also be submitted.
10. Each page of all documents, including reports, statements, annexure, appendices, maps, plans, diagrams, plates etc. shall be **serially** / properly numbered for ready reference during presentation. In the beginning of the documents, “Contents / Index” shall serially list the items included in the report, indicating the page no./ annexure no./ appendix no./ map no./plate no. etc. **Each page of all the documents including photographs (displaying date of photo taken) shall be signed, dated & stamped by the proponent as well as the consultant. Unsigned / unstamped documents shall be construed as not submitted. Un-necessary splitting of the report in volumes shall be avoided.**
11. **The cover page of the documents submitted shall contain following information only.**
 - (i) Title of the project and its location, (ii) Production Capacity per annum of each product /by product and in case of increase in capacity the existing and proposed capacity, (iii) Objective of the project report (whether “for TOR” or “for EC”), (iv) The period of study, (v) In case more than one documents are submitted, Vol. No and its content shall be mentioned, (vi) **Name and address of proponent and project in-charge, E-Mail address, Fax no. telephone/mobile no.**, (vii) Project cost, (viii) Dispatch number and date of issue of work order to consultant by P.P., (ix) If different fonts are used, font used for the title be the largest one. (x) Information as per MoEF office Memorandum no. J-11013/41/2006-IA II (I) dt. 04.08.2009 and directions issued thereafter by MoEF.

12. Since the applications of the PPs are old and may not include additional documents (if any) prescribed by MoEF lately, for eg-FormII (as applicable) and all other relevant documents, need to be submitted now under a separate heading “updated information/documents.”
13. It may be noted in explicit terms that the correct e-mail address of the PPs should be mentioned clearly on cover page, form 1 and letterheads to avoid delay in communication. The consultant would be responsible for delay (if any) due to this reason. Matter would be reported to the MoEF if consultants do not comply with the condition.
14. Changes if any, in the information that has already been submitted shall be clearly spelt out along with reasons / clarifications thereof and it shall be informed at the beginning of the presentation as well.
15. In case any letter / document/maps/drawings are illegible, an attested legible typed copy of the same shall be submitted along with its main copy.
16. Any deficiency regarding the title of the land (either whole or part), ownership (either whole or part), and violation of agreement condition of land allotment/sale deed shall be specifically mentioned/ highlighted by the PP and / or Consultant. **In case of agreement letter, the document shall be registered.**
17. The source of monitoring data, specifications of equipments used, details of agency if outsourced, date and time of collection of data, latitude and longitude of sampling points (Air/Water/Soil/Noise etc.) shall be clearly mentioned.
18. In case the monitoring has been started after submission of the application for ToRs/EC, the PP should submit a proof of initiating the monitoring activity. The source of monitoring data, specifications of equipments used, details of agency if outsourced, date and time of collection of data, latitude and longitude of sampling points (Air/Water/Soil/Noise etc.) should be clearly mentioned. **In no case the monitoring should be started prior to submission of the project to SEIAA for grant of ToRs.**
19. Regarding source of water, following information shall be categorically submitted:
 - (i) Proposed source and quantity of water.
 - (ii) Does the area fall under the CGWA notified zone or not.
 - (iii) If yes, information regarding the source & necessary approval from related agency for procuring water from a legal source shall be submitted.
20. **The P.P. and his Consultant should clearly report in writing {yes/No (Details if yes)} whether there has been any violation of the provisions of the EIA Notification dt. 14.09.2006, and amendments made thereafter, circulars and O.M. issued there under especially in the light of Notification dated 08.03.2018. In the event the case in one of violation then the PP/ Consultant should not make a presentation before SEAC.**
21. **If the PP has submitted an application seeking Environment Clearance to the MoEF & CC, in that case the application submitted before SEIAA/ SEAC will be considered only when the original application filed before the MoEF & CC and the documents alongwith observation (if any) of the MoEF is transferred to SEIAA.**
22. Details of construction activity including date of starting of construction work and investment incurred till date along with photographs and in case of industries, the quantity of products produced so far, shall be essentially mentioned by the PP / Consultant, indicating whether it was in violation of the EIA Notification or not.
23. Filter papers which were used for carrying out (Air monitoring) along with photographs of the site showing Air / Water / Noise/ Soil sampling / monitoring activity / equipment being used at each station (giving **latitude and longitude** of each sampling points) shall be submitted. Copies of all analyses reports shall be submitted in original (whether own or outsourced) and its page number be given at each reference in the report.
24. Copies of all analyses reports related to the EIA Report should be submitted in original (whether own or outsourced) at the time of final presentation and its page number be given at each reference in the report.

25. Following information regarding the work order/agreement issued by the P.P. to the consultant (Accredited from QCI/ NABET for proposed project Sector,(Notification dated 03.03.2016.)) shall be submitted:-
 - 25.1 Dispatch No. of the work order/agreement.
 - 25.2 Date of issue of work order.
 - 25.3 Date of start of air/water/other monitoring work (as applicable)
 - 25.4 Postal address/ Email Address/ Fax Number/ Mobile Number and Landline Number of the P.P/consultant.
26. **The Email ID for correspondence should be strictly of the PP and alternate ID may also be submitted to ensure delivery of correspondence in time. The submission of incorrect mail ID would be taken seriously.**
27. A separate site lay out plan indicating the Number and Location of Existing well / Bore-well / Tube-well (if any) in the proposed project shall be submitted giving details of the year of digging of each of the well and its present use. Photographs of each of such wells shall be enclosed mentioning date of photographs. In case there does not exist any well / tube well / bore well it shall be specifically stated in the affidavit.
28. Details of activity to be taken under CSR/ESR (Corporate Social Responsibility, Entrepreneur Social responsibility), shall be submitted along with the proposed budget. **The PP shall ensure that the provision under the CSR/ESR shall be need based as per the requirements of the local Stakeholders.(Refer annexure H)**
29. Details of activity to be taken under EMP shall be submitted along with proposed budget.
30. Details of the facilities provided for the labourers like shelter, health facility, safe drinking water, sanitation facility, fuel for cooking, education for their children, crèche, recreation etc. shall be separately given along with budgetary provision and commitment thereof.
31. **Details and registration no of registered labours shall be submitted.**
32. **The PP shall submit correct key information regarding the project in the word document to the Secretary SEAC at email address seacannexurei@gmail.com and members of SEAC at their respective e mail addresses, as per Annexure F by **12nd February 2019 (Tuesday)****
33. A separate appendix as Check List mentioning point wise information on each of the above points of this meeting notice indicating the page no. on which the related information is available shall be submitted along with the documents submitted as above to the Chairman, Members & Secretary SEAC, **by 12nd February 2019 (Tuesday)** . Non-submission of check list / partially filled check list / check list with misleading / incorrect information would be the responsibility of the consultant and would be viewed seriously.
34. **The P.P. shall ensure and confirm that an identical copy of all the documents (Hard copy) have been received by the members in time for critical examination by them 12nd February 2019 (Tuesday) . If the documents, complete in all respect are not received within the specified date, the case may not be discussed in the meeting at all.** The reply to the query letters (issued if any) shall be submitted within in the specified time to all the members also in hard copy only with a copy of the query letter.
35. **For all future correspondence/ submission of documents/reply to queries, the PP must write the FILE NO. of the project under reference for quick correlation of the documents to the respective file.**
36. **Delivery of documents by hand and seeking meeting with Chairman/Members of SEAC in this regard shall be avoided.**
37. **The EIA/EMP document and other records submitted by the PP is the responsibility of the Project Proponent, who would be accountable for any misinformation / errors occurring therein irrespective of who prepared them. Deliberate and willful concealment and/or submission of false or misleading information or data shall make the application liable for rejection, and cancellation of prior environmental clearance granted on that basis.**
38. Please print on both sides of the paper and avoid the use of plastic material in the documents to be submitted to SEAC.

39. A copy of this meeting notice may be enclosed as a reference while mailing the documents to the Chairman / Members.
40. The PP should submit a copy of the proposed ToRs taking into consideration local environmental issues along with proposal for public hearing.
41. The P.P. & the Consultant shall report at the meeting hall, about 45 minutes prior to the scheduled time of presentation. The consultant shall ensure that after the presentation, none of the authorised representative of the PP or the consultant leaves the meeting hall without signing and properly filling up the attendance sheet.
42. Details of all the points mentioned at point no. 9 under energy conservation of form no. IA would be explicitly stated.
43. Details of provisions regarding accessibility to the various floors of the project and other related parts for Divyang people should be submitted.

The PP is requested to present his/her case during the meeting, as given in **Annex-A** before the Committee, **in person only**, along with identity proof (or if, in some extreme case the PP is not able to attend the meeting for specific reason, through any authorized /responsible knowledgeable representative, (s) strictly as per the Directions of MoEF in its Office Memorandum) and **ensure that the team presenting the project comprises maximum 4 persons**. Besides, please also ensure that presentation is limited to key features of Form 1/ 1A, Form 2(as applicable), Conceptual Plan / Pre Feasibility Report / EIA Report, and details of violations (if any).

This bears approval of the Chairman, SEAC.

Please acknowledge receipt of this notice and confirm participation.

Yours truly,

(T.S.Ranawat)

Member Secretary,
SEAC

Encl.: As above (Annex. A, B, C, D, E, F, G and H)

1. Copy forwarded through e mail to the Chairman/Members of SEAC, Rajasthan (Annex-B), the request to kindly make it convenient to attend the meeting as per programme (Annex- A).
Copy also forwarded to the following for kind information and necessary action:
2. Member-Secretary RSPCB, Jhalana Doongri , Jaipur, for information.
3. MS SEIAA, Room no.5221, Secretariat, Jaipur
4. Director cum Joint Secretary, DoE, Secretariat, Jaipur, along with the copy of EIA Notification dated 12.09.2018 ,with the request to arrange for payment to the members.

Member Secretary,
SEAC

Annexure-G

To be submitted separately both by the PP and Consultant on Rs 100/- Non Judicial Stamp Paper

I the project proponent.....S/O / W/O Sh.....(Pl write the designation and name of Organization) proponent / Consultant of the proposed project hereby declare that:-

1. No activity relating to the proposed project i.e. M/s(name of the project) has been undertaken at the site and that no activity has been carried out in violation to MoEF Notification dated 14.3.2017 and 8.3.2018. The current self attested photographs viewing towards the project area from all the four directions indicating the date of photographs are attached herewith at page no..... (Pl. mention the date) in order to show that no activity in violation of the provision of the EIA Notification dated 8.3.2018 has taken place at the site.
2. No expansion/ modernization activity has been undertaken in violation of the provision of the EIA notification 2006.
3. The total built up area as per MOEF notification dated 14 .09.2006 and as per amendment made there after isSq M.
4. There is/are...(Mention no.) Borewell/ well at the project site and were dug in the year..... for which permission from CGWA has been taken copy of the permission enclosed / applied for permission.The map showing location/ locations of borewell/ Tubewell is available at page no.....
5. The built up area at site is nil or Office /Guardroom available haveSq M.
6. The built up area of construction carried out at site isSq M
7. There is no litigation pending against the project and/or land in which the project is proposed to be set up isfor production ofper year or total built up area of building isSqM.

8. I hereby give undertaking that the data and information given in the application, enclosures and other documents are true to the best of my knowledge and belief and I am aware that if any part of the data and information submitted is found to be false or misleading at any stage, the project will be rejected and clearance given, if any to the Project will be revoked at our risk and cost. (b) I hereby also submit this undertaking as part of the EIA Report, owning the contents (information and data) of the EIA Report. The details and data presented are factually correct” (as per OM dated 4 August 2009), along with other information is also to be submitted.

Name and Signature of PP / Consultant with seal

For cases related to TORs:

- 1) Why the proposed area has been identified [The cultural map of the area be prepared]
- 2) Socio-economic composition of population of the area:
 - (1)Caste (2) Tribe(3)Religion(4) Sex(5) Literacy(6) Educational achievement(7)Child Sex Ratio(8) Marriageable age(9) Occupation(10) Sex-ratio(11) Class status(12)size of family(13) Income/wages(14)land holding(15)Age
 - Number of Schools, dispensaries and their nature.
 - Nature of roads and houses. Nature of other public buildings.
 - Nature of diseases and its consequences in the area in the last five years.Mortality rate (child,girl)
 - Material assets of family (5% to 10 5 of the family of various nature)\
 - Resources of water and its social use.
- 3) Local Resources, local Knowledge, Local history.
- 4) Peoples' expectations [five in terms of preference]
[These expectations will be based on diverse population and will find place in CSR/ESR activities]
- 5) The kind of technology support to local occupations extended by project owner be identified.
- 6) Employability, livelihood and new occupational and professional arrangement [if possible]
- 7) Any developmental activity suggested by project owner.
 - Inputs from government studies, related secondary resources, pictorial support, photographs and record and minutes of meetings.

For others:

Small study of one day can be conducted on the same lines based on 2% of the population/family or 20 families of the area.
