BAMUNIMAIDAM, GUWAHATI 781021, ASSAM.

No. SEIAA.1652/2021/EC/08 /1444

Dated: 7/7/2021

Proposal No.SIA/AS/MIN/58501/2020

To

M/s S. U. J Brick Field  
Vill. Bahek Gaon  
P.O. Charaibahi  
Dist. Jorhat, Assam

**Sub: - Issue of Environmental Clearance for Collection of Brick Earth from “M/s S. U. J Brick Field Mining Permit Area” under Jorhat Range of Jorhat Forest Division, Dist. Jorhat, Assam by M/s S. U. J Brick Field.**

This has reference to your application for Prior Environmental Clearance dated 15/12/2020 along with Form-1M, Mining Plan, D.F.O. letter, Google map with G.P.S. Co-ordinates and other relevant documents for Collection of Brick Earth from “M/s S. U. J Brick Field Mining Permit Area” under Jorhat Range of Jorhat Forest Division, Dist. Jorhat, Assam.

**The quantity of Brick Earth to be collected is:**

**Brick Earth:** 2,496(Two Thousand Four Hundred Ninety Six) m<sup>3</sup> for a period of 2 (Two) years @ 1,248(One Thousand Two Hundred Forty Eight) m<sup>3</sup> annually.

**Total Allotted area:** 0.15 Ha.

**Minable Area:** 0.14 Ha.

The Brick Earth shall be extracted from the area of the GPS Co-ordinates mentioned below as per mining plan:

	<u>Longitude (East)</u>	<u>Latitude (North)</u>
1.	E- 94 <sup>0</sup> 09'01.18"	N- 26 <sup>0</sup> 41'29.33"
2.	E- 94 <sup>0</sup> 09'01.72"	N- 26 <sup>0</sup> 41'29.51"
3.	E- 94 <sup>0</sup> 09'01.65"	N- 26 <sup>0</sup> 41'27.51"
4.	E- 94 <sup>0</sup> 09'01.88"	N- 26 <sup>0</sup> 41'27.92"

**The Brick Earth shall be extracted manual way** from “M/s S. U. J Brick Field Mining Permit Area” under Jorhat Range of Jorhat Forest Division, Dist. Jorhat, Assam.

The proposal was examined and processed in accordance with EIA Notification 2006 and its amendment thereof. The State Level Expert Appraisal Committee (SEAC), Assam examined the documents of the proposal for Collection of Brick Earth at its meeting held on 18/06/2021. Accordingly the application was discussed and thoroughly scrutinized by the SEAC and found that the project falls under 1(a) and considered as B<sub>2</sub> Category of EIA Notification 2006 and subsequent amendments. The Committee recommended the project to the SEIAA, Assam for issuance of Environmental Clearance.

Based on the recommendation of the SEAC, the State Environment Impact Assessment Authority, Assam (SEIAA) considered the proposal in its meeting held on 28/06/2021 and accords Prior Environmental Clearance to the project as mentioned above under the provision of EIA notification

2006 and its subsequent amendments issued under Environment Protection Act 1986 subject to compliance of following specific and general conditions.

**The operational area must be confined to the given 0.15 Ha area bound by the coordinates mentioned above and there shall not be any other area of extraction contiguous to this. The project proponent is to submit a declaration in writing to this effect before commencement of the work.**

**I. Specific Conditions**

1. The legal status of the mining area remains unchanged.
2. The lease holder shall undertake adequate safeguard during collection of Brick Earth and ensure that due to this activity, the hydro geological and ecological regime of the surrounding area shall not be affected. Regular monitoring of ground water level and quality shall be carried out around the mine lease area during the mining operation. If at any stage, it is observed that the groundwater table is getting depleted due to the mining activity; necessary corrective measures shall be carried out.
3. Manually/semi-mechanized way and low impact Excavation of Brick Earth shall be undertaken.
4. Top soil shall be kept separately and use for refilling the excavated area.
5. Effective safeguard measures, such as regular water sprinkling shall be carried out in critical areas prone to air pollution and having high levels of particulate matter as at loading and unloading point and all transfer points. Extensive water sprinkling shall be carried out on haul roads. It should be ensured that the Ambient Air Quality parameters conform to the norms prescribed by the Central Pollution Control Board in this regard. The status of implementation of measures taken shall be reported to SEIAA and work shall be completed before the start of mining.
6. Quarrying shall be restricted within the area as per GPS Co-ordinates mentioned above.
7. There shall be a stockyard to stock extracted material outside the site, if necessary.
8. Parking of vehicles shall not be made on public road.
9. The following measures are to be further implemented to reduce air pollution during transportation of mineral:
  - i. Roads shall be graded to mitigate the dust emission.
  - ii. Over filling of tippers and consequent spillage on the roads shall be avoided.
10. Measures should be taken to comply with the provisions laid under Noise Pollution (Regulation and Control) (Amendment) Rules, 2010 issued by the MoEF, Govt. of India.
11. Extraction shall be limited to day time only.
12. No brick earth extraction shall be carried out in the safety zone of any bridge and / or embankment.
13. No brick earth extraction shall be carried out in the vicinity of natural / manmade archaeological sites.
14. No wildlife habitat will be disturbed along with aquatic Flora & Fauna of the water bodies in the area.
15. **Green belt development shall be carried out in 20% of total extraction area either along road side considering CPCB guidelines with native tree species in the mining area.**
16. User agency shall not make any fresh approach road.
17. Transport of materials shall be done by covering the trucks/tractors with tarpaulin or other suitable mechanism so that no emission of dust takes place.

PRD

18. Appropriate mitigation measures shall be taken to prevent any kind of pollution. It shall be ensured that there is no leakage of oil and grease from the vehicles used for transportation.
19. Special Measures shall be adopted to prevent the nearby settlement from the impacts of extraction activities.
20. Dispensary facilities for first-aid shall be provided at site.
21. Occupational health surveillance program of the workers should be undertaken periodically.
22. Conservation measures shall be taken for protection of Flora & Fauna in the core and buffer zone.
23. It shall be ensured that collection of mining materials does not disturb or change the underlying soil characteristic of river bed/basin, where mining is carried out.
24. It shall be ensured that mining does not in any way disturb the water quality and flow pattern of nearby water bodies/Streams/ Rivers.
25. Conservation measures shall be taken for protection of flora & fauna in the core and buffer zone.
26. The fauna nesting area shall not be disturbed.
27. **Mining/ excavation depth is approved not beyond 9 feet (2.74 meters) from the ground level as the closure plan indicates that mining area will be developed as fishery.**
28. This Environmental Clearance is applicable only subject to receipt of necessary permit by the project proponent from the Competent Authority as per AMMC Rule, 2013 and subsequent amendment.
29. **The project proponent shall have to follow the terms and condition laid down in the approved mining plan and he will restrict excavation/ mining up to 9 feet (2.74 meters) depth.**

## II. General Conditions

1. All necessary statutory clearance shall be obtained from competent authority in connection with mining operation and copies of the same shall be submitted to SEIAA, Assam.
2. Special measures shall be adopted to prevent nearby settlements from the impacts of mining activities, maintenance of roads through which transportation of minor mineral is to be undertaken shall be carried out regularly.
3. User agency shall comply with the provisions framed under Assam Minor Mineral concession Rule 2013 and subsequent amendment.
4. The SEIAA Assam may alter/modify the above conditions or stipulate any further condition in the interest of environment protection.
5. Concealing the factual data or failure to comply with any of the conditions mentioned above may result in withdrawals of this clearance and attract action under the provisions of Environment Protection Act. 1986.
6. The SEIAA, Assam may revoke or suspend the order, if implementation of any of the above conditions is not found satisfactory. SEIAA, Assam will monitor the operation area from time to time and the project proponent shall extend full cooperation for the same.
7. The above conditions will be enforced inter-alia under the provision of water (Prevention & Control of Pollution) Act 1974, the air (Prevention & Control of Pollution) Act 1981, the Environment Protection Act 1986 and the public liability Insurance Act 1991 along with their amendments & rules.
8. The Environmental Clearance is valid for a **period of 2 years** from the date of issue of this order.

9. **Under Corporate Environment responsibility (CER), appropriate budgetary provision shall be made as per MOEF&CC OM F. No. 22-65/2017-IA.III dated 01/05/2018 and 19/06/2018 commensurate with the total value of the work and to be spent for health improvement, education, drinking water facilities, and other socio-economic upliftment in and around the project area (radius of 10 KM from the project site) in consultation with a Committee having representatives from all sections of the population in the nearby villages and with information to the SEIAA on biannual basis.**
10. **The project proponent shall submit half yearly compliance reports in respect of the terms & conditions stipulated in this order to the SEIAA, Assam in soft copy (CD) & hard copy on 1st June and 1st Dec each year. The Compliance Report should also include the work done under CER as in 9 above and also under Green Belt development in the project area (to be supported with photographs and other documentary evidences in both cases).**
11. The Divisional Forest Officer, Jorhat Forest Division, Dist. Jorhat, Assam shall realize the Royalty as per existing rate and requested that mining be allowed only at the proposed site and mining should restrict up to a depth of 6 feet. He is also requested to ensure due surveillance on the mining operation to check occurrence of irregularities during the mining period.
