Sahkhatedar – Shri Sunil S/O Shri Vena Ram
R/O Mandiya, Tehsil & Dist- Pali (Raj.)

Dear Sir,

In exercise of the powers conferred by Rule 29(6) of the Rajasthan Minor Mineral Concession Rules 1986 read With Government of Rajasthan Notification no. F-14(1)mines/ Gr.II/2011 dated 24.07.12, I here by APPROVE the above said Mining Plan With Progressive Mine Closur Plan. This approval is subject to the following conditions:-

(i) This Mining Plan With Progressive Mine Closur Plan is approved without prejudice to any other laws applicable to the mine/area from time to time whether made by the Central Government, State Government or any other authority.

(iii) It is further clarified that approval of the Mining Plan With Progressive Mine Closur Plan is subject to the provisions of Forest (Conservation) Act, 1980, Forest (Conservation) Rules, 1981 and other relevant statutes, orders and guidelines as may be applicable to the lease from time to time.

(iv) The Mining Plan With Progressive Mine Closur Plan is approved without prejudice to any order or direction from any Court of competent jurisdiction.

(v) The approval of proposed mining operations and associated activities is restricted to the mining lease area only.

(vi) The execution of Mining Plan With Progressive Mine Closur Plan shall be subjected to vacation of prohibitory orders/notices, if any.

(vii) If anything found concealed as required by the mines Act/Rules in the contents of Mining Plan With Progressive Mine Closur Plan and the proposal for rectification has not been made, the approval shall be deemed to have been withdrawn with immediate effect.

(viii) At any stage, if it is observed that the information furnished in the document are incorrect or disfigure facts, the approval of the document shall be revoked with immediate effect.

(ix) The lessee/applicant should deposit Financial Assurance to the concerned Mining Engineer/Assistant Mining Engineer, as required under Rule 29(15) of The Rajasthan Minor Mineral Concession Rules 2017

(x) Provision of mines Act, 1952 and rules & Regulations made there under including submission of notice of opening appointment of manager and other statutory officials as required by the mines Act, 1952 shall be complied with.

Two copies of the approved Mining Plan With Progressive Mine Closur Plan are being sent to your RQP as advised in consent letter.

Yours Faithfully,

SUPDTG. MINING ENGINEER,
Jodhpur Circle, Jodhpur

AFFIDAVIT

We, Om Prakash Choudhary S/o Shri Raja Ram Applicant along with other Co-Applicant (Shri Sunil) of "Granite Mining Project, REF. No. 2018100001460", having mine lease area: 1.5030 hectare located at Khasra No. 2, Near Village- Kurna, Tehsil- Pali, District- Pali (Raj.) states that:

1. That the project/activity pertaining to the mining lease has not been in violation of the order dated 2.8.2017 of the Hon’ble Supreme Court in the matter of Writ Petition (Civil) No. 114 of 2014, Common Cause vs UO I.

2. That no activity has been undertaken in violation of the provisions of Section 21(5) of the Mines and Minerals (Development and Regulation) Act, 1957 at Khasra No. 2, Near Village- Kurna, Tehsil- Pali, District- Pali (Raj.). (REF. No. 2018100001460, Area: 1.5030 ha).

3. That no illegal mining activity has been or is being carried out in the mining lease in violation of the Mines and Minerals (Development and Regulation) Act, 1957, Water (Prevention and Control of Pollution) Act, 1974, Air (Prevention and Control of Pollution) Act, 1981, Environment (Protection) Act, 1986 and other relevant laws and timely permissions, clearances and approvals for the mining lease as per their applicability to such permissions, clearances and approvals.

4. No activity relating to the “Granite Mining Project, REF. No. 2018100001460”, having mine lease area: 1.5030 hectare located at Khasra No. 2, Near Village- Kurna, Tehsil- Pali, District- Pali (Raj.), has been undertaken at site and that no activity has been carried out in violation to MoEF Notification dated 14.03.2017 and 8.03.2018. The current self attested photographs viewing towards the project area from all the four directions indicating the date of photographs are attached herewith as Annexure in order to show that no activity in violation of the provision of the EIA Notification dated 08.03.2018 has taken place at the site.

5. No expansion/ modernization activity has been undertaken in violation of the provision of EIA notification 2006.

6. There is no Borewell/ well at project site.

7. There is no litigation pending against the mine having Ref. No. 2018100001460 in the name of Om Prakash Choudhary S/o Shri Raja Ram for proposed production of 67,200 TPA (R.O.M.). The mining lease is valid upto 50 year according to the Mines and Minerals (Development and Regulation) Amendment Act, 2015 from the date of registration of lease and mining plan is valid for a period of 5 years from the date of registration of the lease deed.

8. We hereby give undertaking that the data and information given in the application, enclosures and other documents are true to the best of my knowledge and belief and we are aware that if any part of the data and information submitted is found to be false or misleading at any stage, the project will be rejected and clearance given, if any to the Project will be revoked at our risk and cost. (b) I hereby also submit this undertaking as part of the proposal (Form-1, PFR & all requisite annexure), owning the contents (information and data) of the (Form-1, PFR & all requisite annexure). The details and data presented are factually correct” (as per OM dated 4 August 2009), along with other information.
