The case was discussed in 454th SEAC meeting dated 29.08.2020 and it was recorded that -----

PP vide letter dated 19/06/2020 has applied for correction in production quantity from 90,000 cum/annum to 1,78,210 cum per annum as per revised Form-1. The Committee observed that due to typographical error, the case was recommended for 90,000 cum/year wherein it should be for 1,78,210 cum/year and thus accept the request made by PP and recommends for correction in production quantity of Metal Crusher Stone from 90,000 cum/year to 1,78,210 cum per annum. The remaining conditions shall remain unchanged as recommended in the 441th SEAC meeting dated 15/06/2020.

As per above recommendation of SEAC, the case was recommended for production quantity of Metal Crusher Stone 90,000 cum/year instead of 1,78,210 cum/year due to typographical error hence correction in production quantity in the form of corrigendum can be issued.

The Prior Environmental Clearance under EIA Notification, 2006 has been issued for Metal Crusher Stone Quarry (Granite Stone Mining) in an area of 2.439 ha. (90,000 cum per annum)(Khasra No. 483, 484), Village - Lausi, Tehsil - Gaurihar, Dist. Chhatarpur (MP). The Project Proponent vide letter dtd 19.06.2020 requested for following correction in production quantity from 90,000 cum/annum to 1,78,210 cum per annum of the EC letter issued earlier vide letter no. 1678-79/SEIAA/20 dated 10-07-20.

The letter submitted by PP was examined and found that the above figure mentioned in the letter is typographic error hence, it is decided to accept the recommendation of SEAC and accordingly the following correction are made in the above mentioned letter by issueing corrigendum letter as follows:-.

"Prior Environment Clearance for Metal Crusher Stone Quarry (Granite Stone Mining) in an area of 2.439 ha. (1,78,210 cum per annum) (Khasra No. 483, 484), Village - Lausi, Tehsil - Gaurihar, Dist. Chhatarpur (MP) by Smt. Akancha Singh, W/o Shri Kuldeep Singh, Choubey Colony, Behind of Collector Home, Dist. Chhatarpur, MP.

Meeting ended with a vote of thanks to the Chair.
