1. **Case No. 7538/20** Prior Environmental Clearance for **Stone Quarry** (opencast manual/semi mechanized method) in an area of 1.0 ha. (12348 cum per annum) (Khasra No. 793), Village - Sasabad, Tehsil - Amla, Dist. - Betul (MP) by Shri Nirmal Singh Saluja, Owner, R/o Ward no. 10, Amla, Betul, Dist. - Betul, MP - 460551, Email - salujanirmalsingh525@gmail.com, Mobile – 8871758971.

This case was recommended in 456th SEAC meeting dated 17.09.2020 and it was recorded that.....

“-----PP has submitted the response of above quarries same date vide letter dated 17.09.2020, which was placed before the committee and the same found satisfactory. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 456th SEAC meeting dated 17.09.2020, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- i. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- ii. PP shall not start mining activity before execution of lease agreement.
- iii. The depth of the pit shall be as per the Approved Mining Plan.

(Tejaswi S Naik)

- iv. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- v. PP shall ensure the controlled blasting with arrangements of sand bags and three rows of plantation towards road side (north) and railway line.
- vi. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- vii. Total 1200 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Mango, Gulmohar, Sissoo, Kathal, etc. shall be planted by PP in first three years under plantation programme at eastern, western, northern & southern side of the mine lease boundary and at khasra no. 794 & 791 at their own land in consultation with Gram Panchayat/ DM. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- viii. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- ix. PP must ensure implementation of the following activities with separate budget provision of total Rs. 1,25,000/- under CER:

a) Village – Sasabad (~100 Household):

- ❖ Whitewash of Government Primary School Sasabad
- ❖ Provision of overhead water tank in above school building with proper water supply via pipeline including another outlet in the pipeline for future use.
- ❖ Distribution of masks and sanitizers to villagers for 1st year only.
- ❖ Development and maintenance of grassland on a nearby suitable government land (from 1st to 5th year).

PP shall ensure to construct toilet with proper plumbing in the school of above village and contribute on behalf of village in Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- x. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

3. Case No. – 6630/2019 Prior Environment Clearance for Crusher Stone Quarry (Opencast fully Mechanized Method) in an area of 3.40 ha. (1,00,000 cum per annum) (Khasra No. 148 Part), Village - Rampurghosi, Tehsil - Gaurihar, Dist. Chhatarpur (MP) by Shri Akeel Ahmed, M/s National Granite, Janram Toritya, Ward No. 65, Dist. Chhatarpur, MP,.

1. This is a project pertaining to mining of Stone Mine in MLA of 3.40 ha The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National park and sanctuary etc. thus it is not attracted by the general conditions and considered under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine with production capacity of Stone Mine is 1, 00,000 cum/ year.
2. It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office letter No. 4037 dated: 9/7/19 has reported that there are 02 more mines operating or proposed within 500 meters around the said mine with total area of 10.993 ha., including this mine.
3. The proposed project is an opencast and fully mechanized mining project, where mining of metal stone will be done. Methods of mining will be open cast, and mechanized with drilling and blasting. Mining will be confined to the allotted lease area which lies on the Barren waste land. Drilling & Blasting is proposed in this mining activity.
4. SEAC in its 455th SEAC meeting dtd 16.09.2020 has recommended the case with 37 special conditions for issuance of EC.
5. The proposed plantation programme was examined and it was found that 6300 sapling of tree species in an area of 2.95 ha shall be covered under plantation at the end of conceptual period.
6. It was noted that as per Divisional Forest Officer, Letter no. 2942 dtd. 24.08.2019, the National Park/Sanctuary are not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
7. It was noted that the water requirement is 177 KLD (166 KLD for Dust Suppression + 1 KLD for Domestic + 5 KLD for Green Belt+ 5 KLD for Drilling) which shall be met from nearby available water resource/Accumulated rain water in Mined out pits
8. It was also noted that the Public Hearing was carried out on 15.07.2020 at Village panchayat Bhavan Rampurghosi, Tehsil - Gaurihar, Dist. Chhatarpur under Chairmanship of Upper Collector, Chhatarpur..

After detailed discussions and perusal of recommendations of 455th SEAC meeting dated 16.09.2020, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

(Tejaswi S Naik)

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary and all along the kachha road (western side) to act as a barrier zone and provide right of access to the villagers and thus no mining is proposed in western side area.
- V. PP shall ensure that the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VI. PP shall construct retaining wall around the lease boundary.
- VII. PP shall ensure to construct and maintained the approach road. Plantation will be carried out on both side of approach road.
- VIII. PP shall ensure that 40 trees in mining zone and same will be cut down during mining activity. As a compensation 10 times of the cut downed trees i.e. 400 will be planted in first year in the village i.e. Maheba (Khasara No.648/1/2, 647/1 and surrounding of the area.
- IX. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing road & as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- X. Total 6300 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Mango, Amla, Amaltas, Drumstick etc. shall be planted by PP.400 saplings at Khasra nos 648/1/2, 647/1 under plantation programme. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed
- XI. PP must ensure implementation of the following activities with separate budget provision of Rs 6.0 lakh under CER.
 - Infrastructure support for school/anganwadi building repairing, toilets, fresh water supply etc as per recommendation by Gram Panchayat / Gram Sabha at nearby villages Rampur and Ghosi (Rs.3.0 lakh)
 - Provision of thermo and oxi-metres sanitizers equipments, mask etc At Anganwadi and PHC of Rampur and Ghosi and Sanjeevani clinics of Chhatarpur (Rs.1.0 lakh)
 - To development grazing land as per the directions of the Hon'ble Supreme Court dated 8th January, 2020 In Village Ghosi (Rs.0.50 lakh)
 - Facilitation work for implementation of programme under Jal Jivan Mission- Contribution of fund or execution of plumbing network for implementation of Jal Jivan Scheme either to villagers houses or at school in village Rampur and Ghosi in consultation with the local administration. (Rs.1.50 lakh)

PP shall give preference to develop/provide infrastructural facilities in schools or anganwadies of above villages The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby

(Tejaswi S Naik)

villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat

- XII.** PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC,GoI,Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Crusher Stone Quarry (Opencast fully Mechanized Method) in an area of 3.40 ha. (1,00,000 cum per annum) (Khasra No. 148 Part), Village - Rampurghosi, Tehsil - Gaurihar, Dist. Chhatarpur (MP) for the lease period to Shri Akeel Ahmed, M/s National Granite, Janram Toritya, Ward No. 65, Dist. Chhatarpur, MP.

- 4. Case No. – 6631/2019** Prior Environment Clearance for Stone Quarry (Opencast fully Mechanized Method) in an area of 2.00 ha. (2,08,500 cum per annum) (Khasra No. 589 P), Village - Maheba, Tehsil - Gaurihar, Dist. Chhatarpur (MP) by M/s Rajey Minerals, H.No. 64, Sun City Colony, Dist. Chhatarpur, MP.

1. This is a project pertaining to mining of Stone Mine in MLA of 2.00 ha The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National park and sanctuary etc. thus it is not attracted by the general conditions and considered under category 'B-1" by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine with production capacity of Stone Mine is 2,08,500 cum/ year.
2. It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office letter No.1905 dated: 05/04/19 has reported that there are 07 more mines operating or proposed within 500 meters around the said mine with total area of 24.00 ha., including this mine.
3. SEAC in its 455th SEAC meeting dtd 16.09.2020 has recommended the case with 37 special conditions for issuance of EC.
4. It has been observed that The proposed project is an opencast and fully mechanized mining project, where mining of metal stone will be done. Methods of mining will be open cast, and mechanized with drilling and blasting. Mining will be confined to the allotted lease area which lies on the Barren waste land from which approximately 2,08,500 cum of Metal stone will be excavated every year. Drilling & Blasting is proposed in this mining activity.
5. It has been observed that the Human Settlement is at a distance of approximately 250 m towards eastern side of lease area. It was also observed by the committee that a kachha road is passing from the north and western side of the lease at a distance of 100 and 110 meters respectively for which PP submitted that they will provide three row plantation at this side of the lease and all along the kachha

road to act as a barrier zone. It was further observed that a pond is in existence at a distance of 80 meters on SE side for which PP submitted that in EMP protection measures such as settling tanks connected with garland drains and retaining wall has been proposed. PP submitted that 164 trees/ shrubs are proposed to be uprooted for mining operations for which 10 times additional compensatory plantation of 1640 trees has been proposed in this project

6. The proposed plantation programme was examined and it was found that 4460 sapling of tree species shall be covered under plantation.
7. It was noted that as per Divisional Forest Officer, Letter no. 1537 dtd. 27.04.2019, the National Park/Sanctuary are not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
8. It was noted that the water requirement is 110 KLD (98 KLD for Dust Suppression + 2 KLD for Domestic + 5 KLD for Green Belt+ 5 KLD for Drilling) which shall be met from nearby available water resource/Accumulated rain water in Mined out pits
9. It was also noted that the Public Hearing was carried out on 15.07.2020 at Village panchayat Bhavan Maheba, Tehsil - Gaurihar, Dist. Chhatarpur under Chairmanship of Upper Collector, Chhatarpur..

After detailed discussions and perusal of recommendations of 455th SEAC meeting dated 16.09.2020, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be covered with retaining wall and three rows of plantation should be done on the periphery of the boundary and all along the kachha road (western side) to act as a barrier zone.
- V. PP shall ensure that the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP
- VII. PP shall ensure to construct and maintained the approach road. Plantation will be carried out on both side of approach road.
- VIII. PP shall ensure that 164 trees have been observed in mining zone and same will be cut down during mining activity. As a compensation 10times of the cut downed trees i.e. 1640 will be planted in first year in the village i.e. Maheba (Khasara No.- 626/15/1, 642/4/4/2 (Area-0.65ha) and surrounding of the area
- IX. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing road & as part of

Environmental Management Plan. Additional budget provision shall be made as part of EMP.

- X. Total 4460 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Mango, Amla, Amaltas, Drumstick etc. shall be planted by PP. 2000 numbers of trees planted at village Maheba (Khasara No.- 626/15/1, 642/4/4/2) under plantation programme. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed
- XI. PP must ensure implementation of the following activities with separate budget provision of Rs 6.0 lakh under CER.
- Providing infrastructure support to the village school /aganwadi - Provision of additional room etc as per recommendation by Gram Panchayat / Gram Sabha At Primary School of Maheba (Rs.3.0 lakh)
 - Provision of thermo and oxi-meters sanitizers equipments, mask etc At Anaganwadi and PHC of Maheba and Sanjeevani clinics of Chhatarpur (Rs.1.50 lakh)
 - To development grazing land as per the directions of the Hon'ble Supreme Court dated 8th January, 2020 In Village Maheba (Rs.0.50 lakh).
 - Facilitation work for implementation of programme under Jal Jivan Mission Contribution of fund or execution of plumbing network for implementation of Jal Jeevan Mission either to villagers houses or at school in village Maheba in consultation with the local administration (Rs.1.0 lakh).

PP shall give preference to develop/provide infrastructural facilities in schools or aganwadies of above villages The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat

- XII. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Stone Quarry (Opencast fully Mechanized Method) in an area of 2.00 ha. (2,08,500 cum per annum) (Khasra No. 589 P), Village - Maheba, Tehsil - Gaurihar, Dist. Chhatarpur (MP) for the lease period to M/s Rajey Minerals, H.No. 64, Sun City Colony, Dist. Chhatarpur, MP.

- 5. Case No. – 6632/2019** Prior Environment Clearance for Gitti Stone Quarry (Opencast fully Mechanized Method) in an area of 2.00 ha. (1,85,500 cum per annum) (Khasra No. 589 P), Village - Maheba, Tehsil - Gaurihar, Dist. Chhatarpur (MP) by M/s Rajey Minerals, H.No. 64, Sun City Colony, Dist. Chhatarpur, MP.

1. This is a project pertaining to mining of Stone Mine in MLA of 2.00 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National park and sanctuary etc. thus it is not attracted by the general conditions and considered under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine with production capacity of Stone Mine is 1,85,500 cum/ year.
2. It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office letter No. 1942 dated: 08/04/19 has reported that there are 07 more mines operating or proposed within 500 meters around the said mine with total area of 24.00 ha., including this mine.
3. SEAC in its 455th SEAC meeting dtd 16.09.2020 has recommended the case with 37 special conditions for issuance of EC.
4. It has been observed that the proposed project is an opencast and fully mechanized mining project, where mining of metal stone will be done. Methods of mining will be open cast, and mechanized with drilling and blasting. Mining will be confined to the allotted lease area which lies on the Barren waste land from which approximately 1,85,500 cum of Metal stone will be excavated every year. Drilling & Blasting is proposed in this mining activity.
5. It has been observed that the Human Settlement is at a distance of approximately 225 m towards eastern side of lease area. It was also observed by the committee that a kachha road is passing from the north and western side of the lease at a distance of 85 and 100 meters respectively for which PP submitted that they will provide three row plantations at this side of the lease and all along the kachha road to act as a barrier zone. It was further observed that a pond is in existence at a distance of 310 meters on southern side for which PP submitted that in EMP protection measures such as settling tanks connected with garland drains and retaining wall has been proposed. PP submitted that 133 trees/ shrubs are proposed to be uprooted for mining operations for which 10 times additional compensatory plantation of 1330 trees has been proposed in this project.
6. The proposed plantation programme was examined and it was found that 4100 sapling of tree species shall be covered under plantation.
7. It was noted that as per Divisional Forest Officer, Letter no. 1707 dtd. 04.05.2019, the National Park/Sanctuary are not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
8. It was noted that the water requirement is 52 KLD (40 KLD for Dust Suppression + 2 KLD for Domestic + 5 KLD for Green Belt+ 5 KLD for Drilling) which shall be met from nearby available water resource/Accumulated rain water in Mined out pits.
9. It was also noted that the Public Hearing was carried out on 15.07.2020 at Village panchayat Bhavan Maheba, Tehsil - Gaurihar, Dist. Chhatarpur under Chairmanship of Upper Collector, Chhatarpur..

After detailed discussions and perusal of recommendations of 455th SEAC meeting dated 16.09.2020, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be covered with retaining wall and three rows of plantation should be done on the periphery of the boundary and all along the kachha road (western side) to act as a barrier zone.
- V. PP shall ensure that the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP
- VII. PP shall ensure to construct and maintained the approach road. Plantation will be carried out on both side of approach road.
- VIII. PP shall ensure that 133 trees has been observed in mining zone and same will be cut down during mining activity. As a compensation 10times of the cut downed tress i.e. 1330 will be planted in first year in the village i.e. Maheba (Khasara No. 642/4/3, 642/5 – area - 0.61ha) and surrounding of the area
- IX. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing road & as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- X. Total 4100 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Mango, Amla, Amaltas, Drumstick etc. shall be planted by PP. 1330 will be planted in first year in the village i.e. Maheba (Khasara No. 642/4/3, 642/5 – area - 0.61ha) and surrounding of the area under plantation programme. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed
- XI. PP must ensure implementation of the following activities with separate budget provision of Rs 6.0 lakh under CER.
 - Infrastructure support for school/anganwadi- Provision of Boundary wall toilets, fresh water supply etc as per recommendation by Gram Panchayat / Gram Sabha At Primary School of Maheba (Rs.3.0 lakh)
 - Provision of thermo and oxi-metres sanitizers equipments, mask etc At Anaganwadi and PHC of Maheba and Sanjeevani clinics of Chhatarpur (Rs.1.5 lakh)
 - To development grazing land as per the directions of the Hon'ble Supreme Court dated 8th January, 2020 In Village Maheba (Rs.0.5 lakh)
 - Facilitation work for implementation of programme under Jal Jivan Mission Contribution of fund or execution of plumbing network for implementation

concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Stone Mine (Opencast Manual / Semi Mechanized Method) in an area of 1.837 ha. (20,000 cum per annum) (Khasra No. 1881), Village - Mudhara, Tehsil - Gaurihar, Dist. Chhatarpur (MP) for the lease period to M/s Om Granite, House No. 1, Didwara, Tehsil - Lavkushnagar, Dist. Chhatarpur, MP.

9. Case No. – 6409/2019 Prior Environment Clearance for Stone Quarry (Opencast Manual / Semi Mechanized Method) in an area of 3.40 ha. (1,00,000 cum per annum) (Khasra No. 1348), Village - Prakash Bamhori, Tehsil - Gaurihar, Dist. Chhatarpur (MP) by Shri Honey Bhasin, Village - Prakash Bamhori, Tehsil - Gaurihar, Dist. Chhatarpur, MP, Email - honeygsm123@gmail.com, Mobile – 9425170871.

1. This is a project pertaining to mining of Stone Mine in MLA of 3.40 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National park and sanctuary etc. thus it is not attracted by the general conditions and considered under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine with production capacity of Stone Mine is 1,00,000 cum/ year.
2. It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the (Assistant Mining Officer) Collector Office letter No. 1084 dated: 14/02/19 has reported that there are 09 more mines operating or proposed within 500 meters around the said mine total area of 23.40 ha., including this mine..
3. SEAC in its 455th SEAC meeting dtd 16.09.2020 has recommended the case with 37 special conditions for issuance of EC.
4. It has been observed that the proposed project is an opencast and fully mechanized mining project, where mining of metal stone will be done. Methods of mining will be open cast, and mechanized with drilling and blasting. Mining will be confined to the allotted lease area which lies on the Barren waste land from which approximately 1,00,000 cum of Metal stone will be excavated every year. Drilling & Blasting is proposed in this mining activity
5. The proposed plantation programme was examined and it was found that 5000 sapling of tree species shall be covered under plantation.
6. It was noted that as per Divisional Forest Officer, Letter no. 291 dtd. 17.01.2018, the National Park/Sanctuary are not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
7. It was noted that the water requirement is 113 KLD (101 KLD for Dust Suppression + 2 KLD for Domestic + 5 KLD for Green Belt+ 5 KLD for Drilling)

(Tejaswi S Naik)

which shall be met from nearby available water resource/Accumulated rain water in Mined out pits

8. It was also noted that the Public Hearing was carried out on 17.07.2020 at Village panchayat Bhavan , Prakash Bhamori, Dist. Chhatarpur under Chairmanship of Upper Collector, Chhatarpur..

After detailed discussions and perusal of recommendations of 455th SEAC meeting dated 16.09.2020, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- V. PP shall ensure that the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VI. PP shall ensure to construct and maintained the approach road. Plantation will be carried out on both side of approach road.
- VII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing road & as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- VIII. Total 5000 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Mango, Amla, Amaltas, Drumstick etc. shall be planted by PP at Khasra No. 2007, 1639 under plantation programme. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed
- IX. PP must ensure implementation of the following activities with separate budget provision of Rs 6.0 lakh under CER.
 - Providing infrastructure support to the village school - Fan, boundary wall, drinking water facility at primary school at Prakash Bamori (Rs.3.0 lakh)
 - Provision of thermo and oxi-metres sanitizers equipments, mask etc At Anaganwadi and PHC of Gaurihar and Sanjeevani clinics of Chhatarpur (Rs.1.50 lakh)
 - Development of grazing Land as per the directions of the Hon'ble Supreme Court dated 8th January, 2020 At village Prakash Bamori (Rs.0.50 lakh)
 - Facilitation work for implementation of programme under Jal Jivan Mission Contribution of fund or execution of plumbing network for implementation of Jal Jeevan Mission either to villagers houses or at school in Gaurihar in consultation with the local administration. (Rs.2.00 lakh) .

to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Flagstone Quarry (Opencast Semi Mechanized Method) in an area of 4.99 ha. for production capacity of Flagstone – 7,959 cum /year, Salable Waste Material – 3,000 cum /year at Khasra No. 5/2 at Village - Jajer Raiyatwari, Tehsil - Banda, Dist. Sagar (MP) for the lease period to M/s Double Fortune Pvt Ltd, Plot No. 62, 2nd floor, Okhla Industrial Estate, Phase-3, New Delhi.

13. Case No. 6021/2019 -Prior Environmental Clearance for Flagstone Quarry (Opencast Semi Mechanized Method) in an area of 4.99 ha. for production capacity of Flagstone - 8041 cum /year , Salable Waste Material - 3000 cum /year at Khasra No. 5/1 & 5/2 at Village - Jajer Raiyatwari, Tehsil - Banda, Dist. Sagar (MP) by M/s Double Fortune Pvt Ltd, Plot No. 62, 2nd floor, Okhla Industrial Estate, Phase-3, New Delhi.

- (1) This is a project pertaining to mining of Flagstone Quarry in MLA of 4.99 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National park and sanctuary etc. thus it is not attracted by the general conditions and considered under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine with production capacity of Flagstone - 8041 cum /year , Salable Waste Material - 3000 cum /year.
- (2) It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office letter No. 173 dated: 22/01/19 has reported that there are 01 more mines operating or proposed within 500 meters around the said mine with total area of 9.98 ha. including this mine. The lease period of mine is 10 years from 10.09.2018 to 09.09.2028
- (3) The Mining Plan with Progressive Mine Closure Plan has been approved under Rule 42 (A) & PMCP under 42 (1-2) of Madhya Pradesh Minor Mineral Rules 1996, by The Director of Geology & Mining , Jabalpur vide his letter no. 2309/Khani-1/Na Kra//2018 -19, Jabalpur Date 30.05.2018
- (4) SEAC in its 427th SEAC meeting dtd 28.02.2020 has recommended the case with 41 special conditions for issuance of EC.
- (5) The proposed plantation programme was examined and it was found that 6350 sapling of tree species covering an area of 3.1755 ha shall be covered under plantation.
- (6) It was noted that as per Divisional Forest Officer, Letter no. 1113 dated. 20.04.2017, forest area is at a distance of approx. 10 meters from the lease boundary, for which PP has obtained approval from Divisional Commissioner Level Forest Committee, meeting held on 16.03.2018

(Tejaswi S Naik)

- (7) It was noted that the water requirement is 30 KLD (24 KLD for Dust Suppression + 1.0 KLD for Domestic + 5.0 KLD for Green Belt) which shall be met from mine pit ,handpump & settling tank.
- (8) It was also noted that the Public Hearing was carried out on 20.11.2019 at near mine parisar under Chairmanship of Upper Collector, Sagar. The major comments of applicants during public hearing are water for irrigation, access on approach road, Controlled blasting, employment of local people, construction & maintenance of existing / approach road connecting the mine & main road, Plantation on road side, regular health check-up of mine workers & water sprinkling to suppress the dust emission.

After deliberation and site inspection, SEAC recommends additional four specific conditions for prior EC considering the proximity of lease with village habitation and perusal of recommendations of 427th SEAC meeting dtd 28.02.2020 , it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- III. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantation shall be carried out in the greenbelt area in current year with proper watering arrangement.
- IV. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table approval of the Central Ground Water Board shall be obtained.
- V. Total 6520 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Mango, Amla, Amaltas, Drumstick etc. shall be planted by PP at Govt. Khasra under plantation programme. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed
- VI. Before execution of mining operation, PP shall ensure to construct (Pakki) boundary wall towards forest boundary in guidance of Forest Officials.
- VII. PP ensure that no overburden will be dumped outside the mine lease area.
- VIII. PP shall comply all conditions given in Divisional Commissioner Committee report dated 16.03.2018.
- IX. Regular air & water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MPPCB.

- X. PP shall ensure generation of employment opportunities to nearby Village on priority bases.
- XI. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XII. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XIII. PP should also carry out regular sprinkling of water in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields
- XIV. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XV. PP shall ensure proper water supply arrangements for plantation especially in summer season.
- XVI. PP shall ensure proper implementation of plantation, dust suppression, construction and maintenance of existing road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XVII. PP must ensure implementation of the following activities with separate budget provision of Rs. 4.0 Lakhs under CSR as committed.
- Providing infrastructure support to the village school Fan, Solar light, boys and girls toilet, boundary wall, drinking water facility at Doma primary school within 2 years (Rs.3.50 lakh)
 - Development of fodders as per order of Honorable Supreme Court Re grassing of backfilled area of 0.5 ha out of 1.7135 hect and waste available land in the villages As early as availability of backfilled and waste land (Rs.0.25 lakh)
 - Facilitation work for implementation of programme under Jal Jivan Mission Contribution of fund or execution of plumbing network for implementation of Jal Jivan Scheme either to villagers houses or at school in Doma and Jajer Raiyatwari in consultation with the local administration. Within 1 year (Rs.1.0 lakh)
- PP shall ensure to construct toilet with proper plumbing in the school of above village and contribute on behalf of village in Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aganwadies of above villages The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat**
- XVIII. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions

to concerned authority (SEIAA and Regional Office, MoEF&CC,GoI,Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Flagstone Quarry (Opencast Semi Mechanized Method) in an area of 4.99 ha. for production capacity of Flagstone - 8041 cum /year , Salable Waste Material - 3000 cum /year at Khasra No. 5/1 & 5/2 at Village - Jajer Raiyatwari, Tehsil - Banda, Dist. Sagar (MP) for the lease period to M/s Double Fortune Pvt Ltd, Plot No. 62, 2nd floor, Okhla Industrial Estate, Phase-3, New Delhi.

14. Case No.5839/2019:Prior Environment Clearance for proposed Manufacturing of Bulk Drug & Intermediate at plot no. - 16, 17, 20 & 24, Sawer Road Industrial area, Sector A District Indore -452015(M.P)Total plot area of 11445.65 sq.m. Propsed Capacity – 26500kg/month Or 318 MTPA, 29.30kg/day of by-product by Partner, Suneeta Chemicals Plot no. 24, Sector- A Industrial area Sawer Road, Indore - 452015(M.P) E-mail:suneeta.chemicals@gmail.com Mobile No.- 8878699009

- (1) The project is proposed for Manufacturing of Bulk Drug & Intermediate with Production Capacity – 26,500 kg/month and 29.30 kg/day of by-product at Plot No. 16, 17, 20 & 24, Sanwer Road, Industrial Area, Sector-A, Indore, (M.P.)
- (2) M/s Suneeta Chemicals is a sister concern of Panchsheel Organics . Parent Company is Panchsheel Organics Limited, which is a reputed API Manufacturer in India. The unit is proposing to stop the production of existing products and introduce new products of bulk drug and API
- (3) The existing production capacity is 318 TPA and unit is proposing new range of bulk drug and drug intermediates at same capacity of 318 TPA with 9.669 TPA of by product.

Existing product	
Name of the Product	Quantity in T/Month
Phenyl Acetic acid	5.00
Sodium gas	5.00
Nicotinic acid IP (TECH Grade)	6.00
Methyl Mercuric Acetate	1.00
Chloropropamide	3.00
Toleutamide	1.50
Thiactazone IP	0.5
Chloro Metherice	1.00

- (4) The proposed project is covered under 5 (f) category (B) of the schedule of EIA Notification issued by the Ministry of Environment & Forests vide S.O.1533 (E), dtd. 14.09.2006 and its amendments, hence is required to obtain prior EC. In the context of pandemic COVID -19, Gol's MoEF&CC issued a OM vide dated 13.04.2020, for considering the API & Bulk drug Projects as B-2 category.
- (5) There is no interstate boundary within 05 km and no National park, Sanctuary and Eco-sensitive areas within 05 km of the project area hence General condition are not attracted.
- (6) The case was discussed in SEAC meetings 389th dated 09.08.2019, wherein ToR was recommended accordingly PP has submitted EIA report and the case was considered in 433rd dtd. 19.05.20 is recommended for grant of prior EC.
- (7) As per recommendation of SEAC PP was called for presentation SEIAA meeting 614th dtd.04.06 2020, 618th dtd 11.06.20 and 633rd dtd.21.08.20 however PP could not attend the meeting and deferred the case for further upcoming meeting of SEIAA.
- (8) Today the case scheduled for presentation and after deliberations by PP the case was discussed in depth & it is recorded that:-
- The project is proposed in the company's existing premises having land of 11445.65 sq mt, PP has submitted amended lease deed dtd 31.10.10 executed between GM, District Trade and Industries Centre, Indore & M/s Suneeta Chemicals through Partner Shri Mahendra Turkhia, for lease period 30 years.
 - The major facilities will be involved as Boiler, MEE, Reactors, Cooling Towers, Effluent Treatment Plant (ETP), and R.O Plant Facilities like administrative office, parking and greenbelt/plantation will also be developed as per plan/requirement.
 - The total water requirement for the project will be approx. 63 KLD and after recycling/reuse, the net fresh water consumption will be 50 KLD which will be sourced from AKVN water supply. Total waste water generation from proposed unit will be 19 KLD and treated in ETP of 30 KLD, RO of 15 KLD, MEE of 10KL/day respectively. The rejected water will be reused for floor washing and gardening/green belt. The treated water will be used for cooling towers, floor washing and gardening/green belt.
 - Following are the EMP planned for existing and proposed activities of the plant

(Tejaswi S Naik)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

- Storm water drainage system will be developed and shall be maintained preciously to prevent the flow of silt and other contaminant outside of the site
 - Blow downs from cooling towers, boiler, scrubber, Softener regeneration, Vacuum pump approx 39 KL will go to ETP
 - 4.92 KLD high COD high TDS wastewater will be sent to MEE. Remaining 6.08 KLD out of 11 KLD will be treated in ETP.
 - The entire trade effluent will be divided into two streams i.e. Stream-I (high concentrated streams) and Stream-II (low concentrated stream). Both the streams will be treated in well-designed ETP, RO and MEE.
 - A drain along the boundary wall shall be made, which will be connected proposed settling tank to protect the flow of contaminant towards nearby area
 - Regular monitoring and analysis of river is proposed .
 - Being a chemical based plant, it is proposed to harvest the rain water only form the building roof top.
 - Recycling of 19 KLD water is proposed from where 13 KLD condensate will be recovered, which reduces the fresh water demand.
 - No treated / untreated effluent would be discharged on land in Industrial premises or study area.
- v. Solid waste generated during the manufacturing process and wastewater treatment process is mainly sludge and will be disposed at authorized TSDF facility as per Hazardous and Other Waste (Management & Transboundary Movement) Rules, 2008 (Amendment 2016).

Hazardous Waste Management				
S. No	Name of the Hazardous Waste	Quantity	Disposal Method	
1	Organic waste (Process Residue)	200.00 Kg/Day	Sent to Cement Industries	
2	Spent Carbon	50.00Kg/Day	Sent to Cement Industries	
3	Solvent Distillation Residue	140.00 Kg/Day	Sent to Cement Industries	
4	Inorganic Waste	40.00 Kg/Day	Sent to TSDF	
5	ETP Sludge	50 .00Kg/Day	Sent to TSDF	
6	MEE Salts	388 .00Kg/Day	Sent to TSDF	
7	Organic Evaporative Liquid (from MEE Stripper)	0.150 KLD	Sent to Cement Industry	
8	Used Oils	1060L/Annum	SPCB Authorized Agencies for Reprocessing/Recycling	
9	Detoxified Containers	500 No's / Month	After Detoxification sent to outside agencies.	
10	Used Lead Acid Batteries	2 No's/ Annum	Send back to suppliers for buyback of New Batteries	

- Disposal of hazardous waste on regular basis shall be ensured and there should be no dumping of these materials in the premises/outside.
- Hazardous chemicals shall be stored in sealed tanks, drums etc. Flame arrestors shall be provided on tanks. To avoid the spillage from processing unit, Industry shall provide fully mechanized filling and packaging operation unit.

(Tejaswi S Naik)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

- RCC layer and double layered HDPE lining for primary and secondary leachate collection shall be provided.
 - Flammable, ignitable, reactive and non-compatible wastes should be stored separately and never should be stored in the same storage shed.
 - In order to have appropriate measures to prevent percolation of spills, leaks etc. to the soil and ground water, the storage area should be provided with concrete floor of inert material or steel sheet depending on the characteristics of waste handled and the floor must be structurally sound and chemically compatible with wastes.
 - Measures should be taken to prevent entry of runoff into the storage area. The Storage area shall be designed in such a way that the floor level is at least 150 mm above the maximum flood level.
- vi. At present the total connected load of power is about 250 KVA. In case of power failure, D.G. set (250 KVA) will be used as a backup power source.
- vii. To mitigate the impact of pollutants from boiler stack, diesel generator sets, sources of fugitive emission and vehicular traffic during the operational phase of the site, following measures are proposed for implementation:
- Height of all the stacks will be as per statutory requirement. All the stacks will have Stack Monitoring Facility (SMF) consisting of sampling port-hole, platform and access ladder.
 - Bag Filters and venturi scrubber are proposed as per the requirement and nature of pollutant.
 - Online monitoring system for the pollutants from the stacks with an arrangement to reflect gaseous emission parameters on company's server shall be provided.
 - Transport vehicles will be properly maintained to reduce air emissions. Vehicles will be periodically checked for pollutant emissions against stipulated norms.
 - Development of green belt in time bound manner in consultation with forest department.
 - Provision of enclosure for all the loading & unloading operations, if possible.
 - Regular maintenance of air pollution control equipment.
 - Regular monitoring of VOC, concentration in work zone
 - Better process control shall also help to keep the emission within the limit
 - Alkaline Scrubber will be attached to the reactor vent to control process SO₂ emission.
 - In order to control the fugitive dust emissions due to transportation activity, all the operational roads within the plant area shall be asphalted.
 - Regular maintenance of vehicles and machinery in order to control emissions
 - A good housekeeping and proper maintenance will be practiced in the industry

- viii. The plantation and green belt is developed in 1637 sq. mtr area by planting 430 nos.of plants. At present green belt is developed around the plant site with suitable plant species.
- ix. PP has included Disaster Management plan in the EIA Report. For firefighting measure PP has provided Fire extinguishers and Fire Hydrants at project site.
- x. PP has proposed the rain water from the building roof will be directed through the drainage to the covered storm water drainage line. All drainage system will be concreted lined and located along the roads up to rain water harvesting pit. Roof top rain water will be collected in tanks and reused after filtration as per requirements.
- xi. The total fixed cost of proposed expansion project will be INR 7 Crore.
- xii. As part of CER activity PP has proposed to provide Infrastructure development at School in nearby villagers with Budgetary Provision of **07 lakh..**

Proposed CER Programme with Budgetary Provision				
S. no	Need Identified For CSR Plan	Activities	Budgetary Provision (Capital) (Rs. In lacs)	Time Frame
1	Infrastructure development at School	Infrastructure facilities at schools of nearby villages in terms of provision of computers, teachers, facility of safe drinking water, separate toilets for girls and boys, provision of furniture, additional rooms for school Kabirkheri	Rs . 2.50 Lac	Within 01 years
2	CER activities wrt COVID-19	Provision of <ul style="list-style-type: none"> • Large Sanitizers equipments ,Oximeters for pulse checking, • Thermal sensors, and • PPE suits to medical officers of hospital at Covid hospitals and schools at Indore 	Rs 2.50	Immediate ly after Clearance
3	Facilitation work for implementation of programme under Jal Jivan Mission	Contribution of fund or execution of plumbing network for implementation of Jal Jivan Scheme either to villagers houses or at school in at Khaupura, and Kabirkheri and Aganwadi etc. in consultation with the local administration.	2.0	
	Total		7 Lacs	

Hence It is decided to accept the recommendations of 433rd SEAC meeting dtd 19.05.20 and accord Prior Environmental Clearance for proposed Manufacturing of Bulk Drug & Intermediate at plot no. - 16, 17, 20 & 24, Sawer Road Industrial area, Sector A District Indore -452015(M.P)Total plot area of 11445.65 sq.m. Propsed Capacity – 26500kg/month Or 318 MTPA, 29.30kg/day of by-product by Partner, M/s Suneeta Chemicals Plot no. 24, Sector- A Industrial area Sawer Road, Indore -452015(M.P) subject to following specific conditions:-

1. The entire demand of fresh water should be met through MPAKVN. Fresh water should not be used for Irrigation and gardening purpose.

(Tejaswi S Naik)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

2. Waste water:

- (a) PP should ensure “Zero effluent discharge” from the unit by 100% recycling. The water softening reject, boiler blow down reject and cooling blow down will be treated in ETP. Further treated waste water will go through the RO and finally re used / recycled in the process and unused waste water evaporates in MEE.
- (b) RO and MEE should be provided for treatment of high COD waste streams and only in case of emergency/breakdown high COD wastes should be disposed off through CTSDf, Pithampur, Dhar.

3. For Air Pollution:

- (a) PP should ensure regular Stack monitoring & ambient air quality monitoring and should be carried out as per the guidelines/norms of MPPCB/CPCB.
- (b) In plant control measures for checking fugitive emission from all the vulnerable sources shall be provided. Fugitive emission shall be controlled by providing closed storage, closed handling & conveyance of chemicals/materials, multi cyclone separator/bag filters and water sprinkling system.
- (c) Company shall carry out the HAZOP study and report shall be submitted to ministry MoEF & CC Regional Office, Bhopal.
- (d) For control of fugitive emission and VOCs following steps should be followed:-
 - Chilled brine circulation system shall be provided and it should be ensured that the solvent recovery efficiency is not be less than 95%.
 - Reactor and solvent handling pump shall be provided with mechanical seal to prevent leakage.
 - Solvent shall be taken from underground storage tank to reactor through closed pipeline. Storage tank shall be vented through trap receiver and condenser operated on chilled water.

4. Hazardous Waste Management:

- (a) As proposed above, PP should ensure disposal of hazardous waste regularly and there should be no dumping of these materials in the premises/outside.
- (b) PP should ensure handling, disposal and management of hazardous waste as per the related prescribed rules.
- (c) PP should obtain Renewal of authorization regularly from MPPCB for collection storage and disposal of hazardous waste (Management, handling & transboundary Movement) Rules 2008 and its amendments. Membership of the TSDF should be obtained for hazardous waste disposal.
- (d) Hazardous chemicals should be stored in sealed tanks, drums etc. Flame arrestors shall be provided on tanks. To avoid the spillage from processing unit, Industry shall provide fully mechanized filling and packaging operation unit.

5. Green Belt Development:

- (a) PP should ensure plantation as proposed 1637.50 sq mt of area with 430 number of trees. Plantation in the project area of indigenous local varieties like Neem, Peepal, Kadam and Kachnaar.
- (b) Every effort should be made to protect the existing trees on the plot.
- (c) Green area including thick green-belt shall be developed in at least 33% of the plot area to mitigate the effect of fugitive emissions all around the plant in consultation with the forest department as per the guidelines of CPCB.

6. PP should ensure the implementation of CER activities to the extent of Rs. 7.0 lakh as committed during presentation on regular basis in consultation with Collector, Indore
7. Total quantity of runoff water generated and green belt area should be collected in underground tank & used for process in plant to minimize fresh water requirement.
8. All other conditions as laid in the consents of MPPCB shall be applicable.

15. Case No. 7520/2020; Prior Environmental Clearance for Stone Quarry (Opencast Manual/Semi Mechanized Method) in an area of 1.0 ha. for production capacity of 7500 cum per annum at Khasra No. 1728, 1729 at Village- Leemachauhan, Tehsil- Sarangpur, District- Rajgarh (MP) by Shri Ramesh Chandra Kalmodiya S/o Shri Siddhnath Kalmodiya, R/o Village - Leemachauhan, Tehsil - Sarangpur, Dist. Rajgarh, MP – 465687.

This case was recommended in 456th SEAC dated 17/9/2020 it was recorded that.....

"----- PP has submitted the response of above quarries same date vide letter dated 17.09.2020, which was placed before the committee and the same found satisfactory. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':

PP/Consultant made a presentation on all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 456th SEAC meeting dated 17.09.2020, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- V. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VI. Total 1200 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Gulmohar Amla etc. shall be planted in nearby Khasra No. -1728 of Village – Leemachauhan, Tehsil- Sarangpur, District- Rajgarh by PP under plantation programme in consultation with DM at identified revenue land of the district. - I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary and towards Kaccha road (E - direction).
- V. PP shall left 10m setback from both sides of Kachcha road excluding 7.5m of barrier zone in lease as non-mining zone
- VI. Controlled blasting with arrangements of sand bags towards Kaccha road (E - direction)
- VII. PP shall ensure that the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VIII. PP shall ensure to construct and maintained the approach road. Plantation will be carried out on both side of approach road.
- IX. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing road & as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- X. Total 2700 saplings of suitable tree species i.e. Neem, Pipal, Bargad, Mango, Amla, Amaltas, Drumstick etc. shall be planted by PP. 100 sapling planted in mine lease boundary, 2600 saplings (chunk of land) under plantation programme. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- XI. PP must ensure implementation of the following activities with separate budget provision of Rs 3.40 lakh for 5 years under CER.

1st , 2nd & 3rd Year at Badaurakalan Village (Rs 1,70,000)

- Development of grazing at suitable government land.
- - Organizing of traffic awareness camp
- Distribution of masks, sanitizers, mass sanitization programme in the project affected villages' w. r. t. COVID-19 pandemic.
- Distribution of furniture chair and table no. of table and chair sets 25x1600 Rs. in nearest school in Village.
- Distribution of sports kits (no. of kits 15x2000) in nearest school in Village

4th & 5th Year at Pehra and Chamraha Village (Rs 1,70,000)

- Repair of village anganwadi building at Pehra Village
- Conducting traffic awareness program (safety campaign on road) in consultation with Gram Panchayat and local Authority and distribution of helmets to selected villagers at Pehra Village
- Repair and maintenance of village drainage system at Chamraha Village.
- Developed playground in government schools and installation of solar energy and LED street light at Chamraha Village

PP shall ensure to construct toilet with proper plumbing in the school of above village and contribute on behalf of village in Jal Jeewan Mission

This case was recommended in 453 SEAC meeting 28.08.20. and PP was called for presentation but PP could not present in the meeting for presentation hence, case is deferred for upcoming SEIAA meeting.

- 31. Case No 7307/2020** Prior Environmental Clearance for Murrum Quarry (Opencast Manual / Semi Mechanized Method) in an area of 4.00 ha. for production capacity of 20000 cum/ year at Khasra No. 23 at Village- Puchhi, Tehsil- Chhatarpur, District- Chhatarpur (MP) by Shri Ashish Pathak S/o Shri Ramesh Pathak R/o Ward No. 07, Satai, Tehsil Bajawar, district Chhatarpur (MP)

This case was discussed in 630th SEIAA meeting dated 10.08.2020 and it was recorded that.....

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 446th SEAC meeting dated 06.07.2020, presentation made by the PP in SEIAA, it was decided to send the case back to SEAC for reappraisal considering environmental sensitivity as proposed mine is located in close vicinity of stop dam of the water reservoir.

This case was recommended in 446th SEAC meeting dated 06.07.2020 and 453rd SEAC meeting dated 28.08.2020 it was recorded that.....

“.....This case was placed before the committee in above context for re-appraisal. The committee observed through Google image that the stop dam embankment wall is approx 600 meters away from the lease. Moreover, water body at a distance of 250 meters. Being a case of Murrum “no blasting” proposed and the same can be confirmed from submitted mining plan (refer chapter 06 of Mining Plan point no. 6.2 & 6.3). Committee observed that PP has submitted the proposal for 02 nos. of settling tank as (3.0mW X 5.0mL X 3mD) with garland drain (980 m L X 1.5mW X 1.0mD) to address the issue of mine water discharge. Committee also observed that these facts were discussed in detail in the 630th SEIAA meeting dated 10/08/2020 and were minimized in the minutes. Since no blasting is proposed in this mining activity and PP has proposed garland drains and settling tanks committee decided to standby its earlier recommendations made in SEAC in the 446th SEAC meeting dated 06/7/2020 as these environmental sensitivities were discussed while appraising the case .”

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. **After detailed discussions and perusal of recommendations of 446th SEAC meeting dated 06.07.2020 & 453rd SEAC meeting dated 28.08.2020 , presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-**

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with

(Rakesh K. Shrivastava)
Chairman

A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written "no objection" by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.

After detailed discussions on the MoEF&CC Notification regarding transferability and perusal of the above information, it has been decided to transfer the Prior EC issued by SEIAA on 05.01.2016 in favour of M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001 in place of Shri Avdhesh Rajpur S/o Shri Shivnarayan Rajput, Biloni, Tehsil-Gadarwara, Narsinghpur (MP)-487551 for Sand Quarry in an area of 5.0 ha for production capacity of 1,47,000 cum/year at Khasra No. 305 at Village - Panagar, Tehsil - Gadarwara, District - Narsinghpur (MP) on the same terms & conditions and validity period under which the prior environmental clearance was initially granted. Copy to PP and all concerned.

53. **Case No. 2994/2015** Prior Environmental Clearance for Murgakheda **Sand Quarry** in an area of 5.00 ha. (1,47,000 cum/year) at Village - Murgakheda, Tehsil - Narsinghpur, District - Narsinghpur (MP) by Shri Foulad Singh Patel, Authorized Representative, M/s Vanshika Construction Company, Devri Rajmarg, Tehsil - Tendukheda, Dist. -Narsinghpur (MP) - 487770 – **Regarding transfer of EC in the name of M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001.**

The prior EC was issued by SEIAA to Shri Foulad Singh Patel, Authorized Representative, M/s Vanshika Construction Company, Devri Rajmarg, Tehsil - Tendukheda, Dist. - Narsinghpur (MP) – 487770 vide Letter No. 1514-15/SEIAA/16 dtd. 19.05.16 for an area of 5.0 ha at khasra no. 206/2, 209/2, 211/2, 212/2, 213/2, 220/2, 223/2, 224/2, 227/2, 270/2, 271/2, 272/2, 272/1 at Village - Murgakheda, Tehsil - Narsinghpur, District - Narsinghpur (MP).

Applicant M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001 has submitted the following documents in support of his request:-

1. **Application** for transfer of Prior EC in favour of M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001.
2. **No objection letter** (in form of affidavit) of previous Project Proponent (to whom prior EC was granted) issued by "OIC, Mining Division, Dist. - Narsinghpur (MP)" for transfer of prior EC on behalf of Shri Foulad Singh Patel, Authorized Representative, M/s Vanshika Construction Company, Devri Rajmarg, Tehsil - Tendukheda, Dist. -Narsinghpur (MP) – 487770.
3. **Notarised affidavit** of M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad

- (MP) - 461001 mentioning that no legal action/ credible action has been initiated against the mine till date and commitment to comply all the standard and specific conditions stipulated in the prior EC issued.
4. Copy of **Prior EC** issued by SEIAA, vide Letter No. 1514-15/SEIAA/16 dtd. 19.05.16.
 5. Copy of **Environmental Management Plan** of M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001.
 6. Copy of **Approved Mining Plan with Replenishment Plan** of M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001.
 7. **Lease transfer order** issued by Mineral Resource Department to M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001 vide letter No. 3487/132/2020/12/1/ dated 23.07.20.

As per the notification issued by MoEF&CC on 14.09.2006, the policy on transferability of EC is as follows:-

11. Transferability of Environmental Clearance (EC):

A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written “no objection” by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.

After detailed discussions on the MoEF&CC Notification regarding transferability and perusal of the above information, it has been decided to transfer the Prior EC issued by SEIAA on 19.05.2016 in favour of M/s Dhanlaxmi Merchandise Pvt. Ltd., Ward no. 16, Civil line, Kalika Nagar, Babai Road, Dist. – Hoshangabad (MP) - 461001 in place of Shri Foulad Singh Patel, Authorized Representative, M/s Vanshika Construction Company, Devri Rajmarg, Tehsil - Tendukheda, Dist. - Narsinghpur (MP) – 487770 for Sand Quarry in an area of 5.0 ha for production capacity of 1,47,000 cum/year at Khasra No. 206/2, 209/2, 211/2, 212/2, 213/2, 220/2, 223/2, 224/2, 227/2, 270/2, 271/2, 272/2, 272/1 at Village - Murgakheda, Tehsil - Narsinghpur, District - Narsinghpur (MP) on the same terms & conditions and validity period under which the prior environmental clearance was initially granted. Copy to PP and all concerned.

- 54. Case No. 2531/2015** Prior Environment Clearance for Basalt Stone Quarry in an area of 1.00 ha. (1,000 cum/year) at khasra no 404/1 at Village-Sekakhedi, Tehsil-Mahidpur, Dist-Ujjain (MP) by Shri Hitesh Banthiya S/o Shri K.M. Banthiya, Rajendra Marg, Town & Teh. - Mahidpur, Ujjain (MP)-456443. – **Regarding transfer of EC in the name of Shri Kishore Verma , S/o Shri Bherulal Verma, R/o 78/1, Jail Road, Mahidpur, District Ujjain, (MP)**

- (1) PP had applied in Form-I in SEIAA for Prior Environmental Clearance for Basalt Stone Quarry in an area of 1.00 ha. (1,000 cum/year) at khasra no 404/1 at Village-Sekakhedi, Tehsil-Mahidpur, Dist-Ujjain (MP) by Shri Hitesh Banthiya S/o Shri K.M. Banthiya, Rajendra Marg, Town & Teh. - Mahidpur, Ujjain (MP).
- (2) The Prior Environmental Clearance letter was issued vide L.No. 3845/ SEIAA/15 dated 17.07.2015 in the name of " **Shri Hitesh Banthiya S/o Shri K.M. Banthiya, Rajendra Marg, Town & Teh. - Mahidpur, Ujjain (MP)-456443**".
- (3) PP has requested vide no Nil dtd. 07.07.2020 received in SEIAA Office dtd. 07.07.2020 to make amendment in the Prior EC letter by changing the name of PP of the mining project namely " **Shri Kishore Verma , S/o Shri Bherulal Verma, R/o 78/1, Jail Road, Mahidpur, District Ujjain, (MP)**" in place of " **Shri Hitesh Banthiya S/o Shri K.M. Banthiya, Rajendra Marg, Town & Teh. - Mahidpur, Ujjain (MP)-456443**".
- (4) PP has submitted the following documents in support of his request :
 - i. No objection letter of previous Project Proponent (to whom prior EC was granted) for transfer of prior EC in the name of **Shri Kishore Verma , S/o Shri Bherulal Verma, R/o 78/1, Jail Road, Mahidpur, District Ujjain, (MP)**.
 - ii. Notarised affidavit of **Shri Hitesh Banthiya S/o Shri K.M. Banthiya, Rajendra Marg, Town & Teh. - Mahidpur, Ujjain (MP)-456443** mentioning that no legal action/ credible action has been initiated against the mine till date and commitment to comply all the standard and specific conditions stipulated in the prior EC issued.
 - iii. Copy of Prior EC issued by SEIAA, vide L.No. 3845/ SEIAA/15 dated 17.07.2015
 - iv. Copy of Lease order issued by Office of Collector (Mining Division) to **Shri Kishore Verma , S/o Shri Bherulal Verma, R/o 78/1, Jail Road, Mahidpur, District Ujjain, (MP)** vide endt letter No. 341 dated 20.02.2017 .
- (5) It is noted that in EIA Notification 2006 as per Para-11 Transferability of Environmental Clearance (EC) there is a provision of transferring the EC.

Para-11 :- *A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written "no objection" by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.*

In context of above it seems that PP has submitted adequate documents to make the change in the name of PP as per EIA Notification 2006 (Para-11). Hence, prior EC issued in SEIAA, in the name of " **Shri Hitesh Banthiya S/o Shri K.M. Banthiya, Rajendra Marg, Town & Teh. - Mahidpur, Ujjain (MP)-456443** " is hereby

(Tejaswi S Naik)

transferred to " **Shri Kishore Verma , S/o Shri Bherulal Verma, R/o 78/1, Jail Road, Mahidpur, District Ujjain, (MP),**". For Basalt Stone Quarry in an area of 1.00 ha. (1,000 cum/year) at khasra no 404/1 at Village-Sekakhedi, Tehsil-Mahidpur, Dist-Ujjain (MP) on the same terms & conditions and validity period under which the prior environmental clearance was initially granted. All concerned be informed accordingly.

55. Case No. 2378/2015 Prior Environment Clearance for Sand Quarry in an area of 8.00 ha. (9,000 cum/year) at Khasra no 1176 at Village-Nichma, Tehsil-Shajapur, District Shajapur (MP) by Sarpanch, Gram Panchayat , Nichhma, Tehsil & District Shajapur . **Regarding transfer of EC in the name of M/s Fortune Mines & Minerals, Authorized Person - Shri Ashish Kumar Shroti, Add. H.No, 15, , Chatrapati Shivaji Colony, Chuna Bhatti, Kolar Road, Tehsil Huzur , Bhopal (M.P).**

- (1) It was noted that the PP had applied in Form-I for Prior Environmental Clearance of 8.00 ha. (9,000 cum/year) at Khasra no 1176 at Village-Nichma, Tehsil-Shajapur, District Shajapur (MP) by Sarpanch, Gram Panchayat , Nichhma, Tehsil & District Shajapur.
- (2) The Prior Environmental Clearance letter was issued **SEIAA vide L.No. 2002/SEIAA/18 dtd.23.03.2018** in the name of " **Sarpanch, Gram Panchayat , Nichhma, Tehsil & District Shajapur**".
- (3) It is noted that PP has requested vide no nil dtd.nil received in SEIAA office 16.09.2020 to make amendment in the Prior EC letter by changing the name of PP of the mining project namely " **M/s Fortune Mines & Minerals, Authorized Person - Shri Ashish Kumar Shroti, Add. H.No, 15, , Chatrapati Shivaji Colony, Chuna Bhatti, Kolar Road, Tehsil Huzur , Bhopal (M.P)**" in place of "Sarpanch, Gram Panchayat , Nichhma, Tehsil & District Shajapur".
- (4) It is noted that in support of his request the PP has submitted the following documents
 - i. Notarised affidavit / No objection letter of previous Project Proponent (to whom prior EC was granted) issued by **CEO, Janpad Panchyat Shajapur MP** for transfer of prior EC on behalf of **Sarpanch, Gram Panchayat , Nichhma, Tehsil & District Shajapur** of prior EC in the name of **M/s Fortune Mines & Minerals, Authorized Person - Shri Ashish Kumar Shroti, Add. H.No, 15, , Chatrapati Shivaji Colony, Chuna Bhatti, Kolar Road, Tehsil Huzur , Bhopal (M.P)**
 - ii. Notarised affidavit of **M/s Fortune Mines & Minerals, Authorized Person - Shri Ashish Kumar Shroti, Add. H.No, 15, , Chatrapati Shivaji Colony, Chuna Bhatti, Kolar Road, Tehsil Huzur , Bhopal (M.P)**".mentioning that no legal action/ credible action has been initiated against the mine till date and commitment to comply all the standard and specific conditions stipulated in the prior EC issued.
 - iii. Copy of Prior EC issued by SEIAA. **vide L.No. 2002/SEIAA/18 dtd.23.03.2018.**

case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure A:

This case was recommended in 415th SEAC meeting dated 07.01.2020 and PP was called for presentation but PP could not present in the meeting for presentation hence, case is deferred for upcoming SEIAA meeting.

The case was discussed again in 608th SEIAA meeting dtd. 04.05.2020 and it was recorded that:-

The case was recommended in 415th SEAC meeting dtd. 07.01.2020, and PP was called for presentation but PP could not present in the 595 SEIAA meeting dtd. 30.01.2020 and 596th SEIAA meeting dated 03.02.2020. Since sufficient time was given for presentation hence it has been decided to delist the case on the condition that if PP intends to present the case in SEIAA, it will then be relisted for appraisal. Copy to PP and all concerned.

PP vide letter dated 23.09.2020 has requested to relist the case as PP is now keen to obtain the EC for this case and request to relist the case hence case is relisted and considered for EC appraisal.

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 415th SEAC meeting dated 07.01.2020, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- i. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- ii. PP shall not start mining activity before execution of lease agreement.
- iii. The depth of the pit shall be as per the Approved Mining Plan.
- iv. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- v. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- vi. PP shall ensure the controlled blasting with arrangements of sand bags and three rows of Plantation in this side (North-West) as recommended by SEAC.
- vii. PP shall ensure that the orientation from mine shall be from South to West as recommended by SEAC.
- viii. Total 2000 saplings of suitable tree species i.e. Neem, Pipal, Jamun, Mango, Gulmohar, Sissoo, Bargad, Guava, etc. shall be planted by PP in first three years under plantation programme at mine lease boundary, approach road and at khasra no. 1535 & 1526 in Dadar village in consultation with Gram Panchayat. Seed of Prosopis will sow in barrier zone. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.

(Tejaswi S Naik)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

- ix. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- x. PP must ensure implementation of the following activities with separate budget provision of total Rs. 3.0 lakh under CER:
 - a) 1st year:
 - ❖ Development of playground and installation of see saw, slides etc. for kids in Govt. High School, Dadar.
 - ❖ Development of grazing land in the village area (Charnoi Bhoomi).
 - b) 2nd year:
 - ❖ Repairing & construction of Boundary wall of Govt. High School, Dadar.

PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- xi. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Stone Quarry (opencast manual/semi mechanized method) in an area of 2.0 ha. (17228 cum per annum) (Khasra No. 1560/1, 1560/2, 1560/4, 1561/1, 1561/2), Village - Dadar, Tehsil - Huzur, Dist. - Rewa (MP) for the lease period to Shri Santosh Kumar Tiwari (Sohgaura) S/o Late Shri Rajendra Prasad Tiwari, Bankuiya, Huzur, Dist. - Rewa, MP - 486001, Email – sktdadar@gmail.com, Mobile - 9074870142.

- 57. Case No. 7194/2015 Case No. 7194/2020** Prior Environmental Clearance for **Expansion of Manganese Ore Mine** in an area of 6.159 ha. (3000 TPA to 12821 TPA) (Khasra No. 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 102), Village - Jarah Mohgaon, Tehsil - Katangi, Dist. - Balaghat (MP) by M/s Glowide Infrastructure Pvt. The case was scheduled for presentation, but neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Earlier PP was also absent in SEAC meeting 450th SEAC meeting dated 13-08-20 and 449nd meeting dated 24/07/2020. Committee decided that since sufficient opportunities has been given to the PP for appraisal of their case but PP remains absent thus committee decided that case shall be returned to SEIAA for delisting assuming that PP is not interested to continue with the project.

As per above observation of SEAC, it has been decided to delist the case on the condition that if PP intends to present the case in SEIAA, it will then be relisted for appraisal. Copy to PP and all concerned.

PP requested to relist the case. After discussion it was decided to relist the case and send the technical file to SEAC for appraisal.

Meeting ended with a vote of thanks to the Chair.
