in an area of 3.237 Ha with a proposed production quantity of Gravel - 1,00,000.81m³/annum, RM&BS -3,00,070.10m³/annum (as per the Approved mining plan in page no.12) with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The representative of proponent and their consultant Dr. P.Vijaya Kumar, RQPhave attended the meeting.

Earlier, the project proponent has obtained EC on 27.03.2022 with an extent of 3.237 Ha for the production capacity of Mining of Road metal and building stone- 83491.5 Cum/Annum & Gravel-20074.5 Cum/Annum. Now project proponent applied for EC expansion with production quantity of Gravel -1,00,000.81 m³/annum, RM&BS -3,00,070.10m³/annum and the project proponent submitted Dispatch particulars and status of quarry letter from ADMG, Anakapalli.

The Committee noted that as per cluster letter issued by the Assistant Director of Mines & Geology, Anakapalli has issued a letter vide dt. 31.05.2022 there 26 quarry lease existing within the radius of 500mts from the lease area. The total cluster area is 4,737 Ha which is < 5.0 Ha.

The Committee noted that the extent of proposed mine lease area is 3.237 Ha. The project falls under B2 category. Mine life 5 years.

The proponent volunteered to allocate funds at least 10% of the project cost for providing amenities to the local school / PHCs and development of village roads and to provide water treatment plant in the Rongalivanipalem Village as a part of Corporate Social Responsibility (CSR) activity.

Decision of SEIAA in 187th meeting:- Refer to SEAC to examine with the certified compliance report.

Accordingly, the committee reexamined the proposal and noted that the project proponent had obtained Environmental clearance on 27/03/2022 and submitted Dispatch particulars and status of quarry letter from ADMG, Anakapalli vide letter dt.31.05.2022.

The mine lease has not started production as per the letter issued by the ADMG letter dt.31.05.2022.

The committee opined that the six monthly certified compliance does not arise as the mine has not started working and the six months.

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended to issue Environmental Clearance for expansion with additional conditions.**

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt along road side and shall take dust suppression measures.
3. The proponent shall provide 1.05KM trench (1mx1m) all along the boundary of lease area.
4. The project proponent shall develop compensatory afforestation.
