27. Additional Agenda:

Proposal No.: 412391

Project Proponent: Sh. Jai Prakash Srivastva

Consultant: M/s Enkay Enviro

The Authority decided to **defer** this proposal for further detailed examination in the office. Various norms for parking requirement in commercial buildings like JDA and NBC may be examined, both from the perspective of BUA and visitor's population. In his latest representation, PP has reduced the visitor population from 11580 projected earlier to 2500. Justification for the same, may be sought from the PP. In addition, parking provided in similar kind of projects for which EC has been recently issued, may also be examined for reference.

Meeting ended with vote of thanks to the chair.
