

**MINUTES OF THE 50th MEETING OF
STATE EXPERT APPRAISAL COMMITTEE,
(SEAC), TELANGANA STATE
HELD ON 28.10.2019, 10:30 A.M.**

Minutes of the SEAC Meeting held on 28.10.2019

MINUTES OF THE 50th MEETING OF STATE EXPERT APPRISAL COMMITTEE (SEAC) HELD ON 28.10.2019 AT TSPCB, PARYAVARAN BHAVAN, A-3, I.E., SANATHNAGAR, HYDERABAD.

The following members were present:

S. No.	Name of the Expert	Position
1.	Prof.Ch.Krishna Reddy, H.No: 2-2-20/L/7, #401. Golden towers – II, Raja Rajeshwari BLPG, D.D. Colony, Hyderabad. Ph: 9866629265	Chairman.
2.	Dr.(Ms)Thatiparthi Vijayalakshmi Plot No.110, Siddartha Nagar, S.R. Nagar Post, Hyderabad-500038. Ph: 9440896661	Member
3.	Shri Ravindra Samaya Mantri H.No: 3-5-44/1, Flat No. 301, Areadia Apartments, Edengaden Road, Hyderabad- 500001. Ph:9491145160	Member
4.	Shri Suresh, B-106, Vertex prime, Nizampet Road, Kukatpalli, Hyderabad. Ph: 9177037785	Member
5.	Dr.Vemula Vinod Goud, H.No. 6-156, Sridurga Estates, Deepthisri Nagar, Madinaguda, Hyderabad-500049. Ph:9440386945	Member
6.	Dr.K.Shivakumar, Plot No. 328, Flat No: 302, Mehar Ninan, KPHB 6 th phase, Kukatpally, Hyderabad-500072 Ph: 9951701067	Member
7.	Prof.A.Panasa Reddy, H.No. 4-7-17/5/1, Ragharendra Nagar, Nacharam, Hyderabad-500076. Ph: 9849957268	Member
8.	Prof.C.Venkateshwar, Department of Botany, University College of Science. OU. Hyd. Flat No. 117, 'C' Block, Janapria castle, Ramnagar, Vidyanagar – Hyderabad Ph:9440487742 & 8096754604	Member
9.	Dr.P.Radha Krishna, H.No. 9/40, Bahar 'B', Sahara States, Mansoorabad, LB Nagar, Hyderabad-500068 Ph:9848555242	Member

After general introductory remarks by the Chairman, SEAC, the Committee took up items agenda-wise. The decisions of the SEAC on each case are recorded below.

Minutes of the SEAC Meeting held on 28.10.2019

DECLARATION

It is hereby declared that the Chairman and members of SEAC, T.S., do not have conflict of interest with any project proponent pertaining to the items discussed in the SEAC meeting held on 28.10.2019.

S. No.	Name of the Expert	Signature
1.	Prof.Ch.Krishna Reddy	Sd/-
2.	Dr.(Ms)Thatiparthi Vijayalakshmi	Sd/-
3.	Shri Ravindra Samaya Mantri	Sd/-
4.	Shri Suresh	Sd/-
5.	Dr.Vemula Vinod Goud	Sd/-
6.	Dr.K.Shivakumar,	Sd/-
7.	Prof.A.Panasa Reddy	Sd/-
8.	Prof.C.Venkateshwar	Sd/-
9.	Dr.P.Radha Krishna	Sd/-

Agenda Item:01	M/s. Divi's Laboratories Limited (Unit -1), Sy. No. 238, 247 to 250, 260 to 279, 289 to 293 & 302 of Lingojigudem (V), and 505 & 506 of Aregudem (hamlet of Pantnagi (V)), Lingojigudem (V), Choutuppall (M), Yadadri Bhuvanagiri District – Environmental Clearance - Reg.
-----------------------	--

The representative of the project proponent Sri Madhusudhan & Sri S. Balaji; and Sri Vijay Kumar of M/s. Ramky Enviro Engineers Ltd., Hyderabad, attended and made a presentation before the SEAC.

The proponent has submitted copies of EC order dt. 10.06.2008 issued by the MoE&F, GoI, and EC order dt.03.02.2017 & EC (Amendment) order dt.03.08.2017 issued by the SEIAA, Telangana for proposed expansion of unit for manufacturing 33 products of Bulk Drugs & Intermediates (Fixed 6 + Campaign 26) + R&D products)). It was also informed that they have subsequently obtained CFE (change of product mix) vide order dt.24.12.2018 for manufacturing 32 products of Bulk Drugs & Intermediates (Fixed 6 + Campaign 26) + R&D products)).

The SEAC noted that the proponent proposed expansion of the project from existing capacity of 2672.6 TPA & R&D Products (5.5 kg/day) to proposed capacity of 5806.04 TPA & R&D Products (5.5 kg/day). The total site area of the unit is 205.31 Ha. (Ac. 507.32), out of which green area is 95.82 Ha. (46.67 %).

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 of the EFS&T Dept., GoAP; G.O.Ms. No. 120, dt. 22.10.2013 of the I&C Dept., GoAP. The SEAC also noted the provisions of G.O.Ms.No.44, dt.08.09.2016 issued by the Industries & Commerce (IP&INF) Dept., GoTS, and Memo dt.05.06.2017 of the I&C (IP&INF) Dept., declaring the project site of the proponent as notified industrial areas in G.O.Ms.No. 120, I&C (IP) Dept., dt.22.10.2013. The project is located in a Notified Industrial Area existing since 1990's. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

During presentation, the proponent informed that they have collected the baseline data during the period from March 2019 to May 2019 based on the Standard Terms of Reference for Synthetic Organic Chemicals issued by the MoEF&CC, GoI and requested to consider the same for preparation of EIA report. But, the SEAC observed that additional study of ground water & surface streams around the project site for 2 km within the study area shall also be included in the baseline data collection for preparation of EIA report.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri Ch. Krishna Reddy
2. Sri K. Shiva Kumar
3. Sri P. Radha Krishna

Minutes of the SEAC Meeting held on 28.10.2019

Agenda Item: 02	M/s. SMS Lifesciences India Limited - Unit IV, Plot. No. 66/B, Phase-I, IDA Jeedimetla, Quthbullapur (M), Medchal District – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri G. Venkateshwar Rao; and Sri G.V. Reddy of M/s.Team Labs & Consultants, Hyderabad, attended and made a presentation before the SEAC.

The SEAC noted that the proponent obtained EC order dt. 25.06.2005 from the MoE&F, GoI. The unit is presently operating with the CFO order dt.10.04.2017 (valid upto 31.03.2021) issued by the TSPCB to manufacture 2 products (Acyclovir - 66.67 kg/day & Itraconazole – 16.67 kg/day) with total production capacity of 83.33 kg/day.

The SEAC noted that the proponent proposed expansion of the project from existing capacity of 83.33 kg/day to proposed capacity of 534 kg/day. The total site area of the unit is Ac. 0.94, out of which green area is Ac. 0.31 (33%).

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 & G.O. Ms. No. 24, dt. 24.04.2019 of the EFS&T Dept. The SEAC noted that the project is located in a notified Industrial Estate prior to 2006. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

During presentation, the proponent informed that they have collected the baseline data during the period from March 2019 to May 2019 based on the Standard Terms of Reference for Synthetic Organic Chemicals issued by the MoEF&CC, GoI and requested to consider the same for preparation of EIA report.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri P. Radha Krishna
2. Smt. T. Vijaya Lakshmi

Agenda Item: 03	M/s. SMS Lifesciences India Limited - Unit I, Sy. No. 180/2 & 180/6, IDA Kazipally, Jinnaram Mandal, Sangareddy District – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri T.S.M. Sekhar; and Sri G.V. Reddy of M/s.Team Labs & Consultants, Hyderabad, attended and made a presentation before the SEAC.

The SEAC noted that the proponent obtained EC order dt. 07.07.2005 from the MoE&F, GoI. The unit is presently operating with the CFO order dt.29.10.2018 (valid upto 30.09.2023) issued by the TSPCB to manufacture Bulk Drugs & Intermediates with total production capacity of 4785.88 kg/day.

Minutes of the SEAC Meeting held on 28.10.2019

The SEAC noted that the proponent proposed expansion of the project from existing capacity of 4785.88 kg/day to proposed capacity of 13162 kg/day & proposed 2 MW Co-generation Power Plant. The total site area of the unit is Ac. 11.85, out of which green area is Ac. 3.9 (33%).

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 of the EFS&T Dept., GoAP; G.O.Ms. No. 120, dt.22.10.2013 of the I&C Dept., GoAP; and G.O.Ms. No. 80, I&C(IP&INF) Dept., dt. 27.10.2015. The project is located in a Notified Industrial Area existing since 1990's. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

During presentation, the proponent informed that they don't manufacture any stage of Ranitidine which generates Mercaptans. However, they manufacture all other stages in the unit except the stage which generates Mercaptans. The proponent informed that they have collected the baseline data during the period from March 2019 to May 2019 based on the Standard Terms of Reference for Synthetic Organic Chemicals issued by the MoEF&CC, GoI and requested to consider the same for preparation of EIA report.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri R.S. Mantri
2. Sri P. Radha Krishna
3. Sri Ch. Krishna Reddy

Agenda Item: 04	M/s. Arene Life Science Ltd., Plot. No. 48-50 and 209-211, Phase-II, IDA, Pashamylaram, Patancheru (M), Sangareddy District – Environmental Clearance - Reg.
------------------------	---

The representative of the project proponent Sri M. Narasimha Reddy; and Sri G.V. Reddy of M/s.Team Labs & Consultants, Hyderabad, attended and made a presentation before the SEAC.

During presentation, the proponent informed that earlier M/s. Jaycynth Drugs & Pharmaceuticals Pvt. Ltd., obtained EC vide order dt. 07.07.2007 from the MoE&F, GoI for manufacture of 36 TPA of Rantidine & 360 TPA of Monomethyl Chloro Acetate. Subsequently, M/s. Arene Life Sciences Ltd., purchased the unit of M/s. Jaycynth Drugs & Pharmaceuticals Pvt. Ltd. Accordingly, M/s. Arene Life Sciences Ltd. (formerly M/s. Jaycynth Drugs & Pharmaceuticals Pvt. Ltd.) obtained EC vide order dt.15.03.2007 from the MoE&F, GoI for change of product mix. The unit is presently operating with the CFO order dt.17.05.2018 (valid upto 30.09.2020) issued by the TSPCB to manufacture Bulk Drugs & Intermediates with total production capacity of 386.33 kg/day.

The SEAC noted that the proponent proposed expansion of the project from existing capacity of 386.33 kg/day (11.59 TPM) to proposed capacity of 3,005 kg/day (90.15 TPM). The total site area of the unit is Ac. 5.0, out of which green area is Ac. 1.65 (33%).

Minutes of the SEAC Meeting held on 28.10.2019

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 & G.O. Ms. No. 24, dt. 24.04.2019 of the EFS&T Dept. The SEAC noted that the project is located in a notified Industrial Estate prior to 2006. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

During presentation, the proponent informed that they have collected the baseline data during the period from March 2019 to May 2019 based on the Standard Terms of Reference for Synthetic Organic Chemicals issued by the MoEF&CC, GoI and requested to consider the same for preparation of EIA report.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products: Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material: Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste: Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri Ch. Krishna Reddy
2. Sri P. Radha Krishna
3. Sri R.S. Mantri

Agenda Item:05	M/s. Aurore Life Sciences Private Limited, Plot No. 180/2, 180/3, Notified Industrial Area, IDA Khazipally, Jinnaram (M), Sangareddy District – Environmental Clearance - Reg.
-----------------------	---

The representative of the project proponent Sri S. Ravisankar Reddy; and Sri Thirumalesh of M/s. KKB Envirocare Consultants Pvt. Ltd., Hyderabad, attended and made a presentation before the SEAC.

During presentation, the proponent informed that earlier the industry was established in the name of M/s. Konar Organics Ltd., with CFE order issued in August 1996. Public Hearing was conducted by the APPCB on 12.04.2005 and EC was obtained from the MoE&F, GoI vide order dt. 10.11.2005. Subsequently, M/s. Konar Organics Ltd., sold its assets to M/s. Eshwar Pharmaceuticals Pvt. Ltd., on 22.04.2009. Again, M/s. Eshwar Pharmaceuticals Pvt. Ltd., sold its assets to M/s. Aurore Life Sciences Pvt. Ltd., on 05.02.2019. It was informed that currently, the industry is sick and not in operation.

The SEAC noted that the proponent submitted application for TOR at the MoEF&CC, GoI in the absence of the SEIAA, Telangana. Accordingly, the MoEF&CC, GoI issued TORs to the project on 17.05.2019. The proponent prepared draft EIA report and submitted the EIA report to the SEAC. The SEAC noted that the proponent proposed expansion of the project from existing capacity of 96 TPA to proposed capacity of 2163.6 TPA.

The SEAC noted the proponent has not submitted the Certified Compliance report issued by the Regional Office of the MoEF&CC, GoI. Hence, the proponent is requested to submit Certified Compliance report as per the Circular/OM dt.30.05.2012 & 07.09.2017.

Minutes of the SEAC Meeting held on 28.10.2019

Meanwhile, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri Ch. Krishna Reddy
2. Sri P. Radha Krishna
3. Sri R.S. Mantri

Agenda Item: 06	M/s. Aurobindo Pharma Limited, Unit-V, Plot No. 68 to 70, 73 to 91, 95, 96, 260 & 261, Phase-II of IDA, Pashamailaram, Patancheru (M), Sangareddy District – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri B.N.Murthy; and Sri Thirumalesh of M/s. KKB Envirocare Consultants Pvt. Ltd., Hyderabad, attended and made a presentation before the SEAC.

During presentation, the proponent informed that earlier the industry was established in the year 1998 to manufacture APIs of capacity 1080 TPA. Susequently, CFE was issued by APPCB vide order dt.16.08.2003 with production capacity of 7109.3 kg/day (2559.6 TPA) for change of product mix. Susequently, Public hearing was held on 13.04.2005 and Ex Post-facto EC was issued by the MoE&F, GoI vide order dt.21.06.2005 for a production capacity of 1080 TPA based on old Consent. CFE was again issued by APPCB vide order dt.05.11.2012 with production capacity of 2559.6 TPA for change of product mix.

The unit is presently operating with the CFO order dt.10.04.2019 (valid upto 30.04.2024) issued by the TSPCB to manufacture Bulk Drugs & Intermediates with total production capacity of 2559.6 TPA.

The SEAC noted that the proponent proposed expansion of the project from existing capacity of 2559.6 TPA to proposed capacity of 4754.8 TPA. The total site area of the unit is Ac. 21.52 (87,134.0 Sq.m.). It is proposed to develop greenery in an area of 6681.0 Sq.m. within the project site and in additional area of 20,243.0 Sq.m. allotted by TSIIC in addition to the greenbelt of area 1902.0 Sq.m. all along the boundary, such that the total area of greenbelt becomes 28,826.0 Sq.m. (33.08%).

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 & G.O. Ms. No. 24, dt. 24.04.2019 of the EFS&T Dept. The SEAC noted that the project is located in a notified Industrial Estate prior to 2006. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

During presentation, the proponent informed that they have collected the baseline data during the period from March 2019 to May 2019 based on the Standard Terms of Reference for Synthetic Organic Chemicals issued by the MoEF&CC, GoI and requested to consider the same for preparation of EIA report.

Minutes of the SEAC Meeting held on 28.10.2019

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri Ch. Krishna Reddy
2. Sri P. Radha Krishna
3. Sri R.S. Mantri

Agenda Item: 07	M/s. Sri Dhanalaxmi Chemical Industry, Plot No. 37 & 45 of IDA Bhongir, Bhongir (V&M), Yadadri Bhuvanagiri District – Environmental Clearance - Reg.
------------------------	---

The representative of the project proponent Sri Ch. P.N. Raju; and Sri Thirumalesh of M/s. KKB Envirocare Consultants Pvt. Ltd., Hyderabad, attended and made a presentation before the SEAC.

The proponent submitted a copy of CFE order dt. 31.12.2007 issued by the APPCB for manufacture of products Emulsion Polymer (1 TPD) and Adhesive (0.3 TPD). The proponent submitted a copy of latest combined CFO order dt. 23-06-2017 (valid upto 31-12-2021) issued by TSPCB for manufacture of products Emulsion Polymer (1 TPD) and Adhesive (0.3 TPD).

During presentation, the proponent informed that it is now proposed to manufacture Bulk Drug & Intermediates with any 2 products on campaign basis from the total 5 products with production capacity of 829.8 TPA (2305 Kg/day) and dropping the existing products Emulsion Polymer and Adhesive.

The SEAC noted that the proponent is proposing to withdraw the existing products and to manufacture other products of different category. As the industry is changing the category from manufacturing Emulsion Polymer & Adhesive to Bulk Drugs & intermediates in the proposed expansion, it has to be treated as a new activity / unit only.

In this regard, the SEAC noted that:

- The industry is located in IDA, Bhongir wherein the State Government vide G.O.Ms. No. 95, dt. 21.09.2007 imposed restrictions on Establishment / Expansion of certain categories of industries (which includes all types of Bulk Drug manufacturing units except formulation) in all the industrial estates / industrial development areas and 1 km around these industrial areas in the Districts of Medak, Ranga Reddy, Mahaboobnagar & Nalgonda, subject to outcome of W.P. 19661/02 pending in the Hon'ble High Court.
- The State Government issued G.O.Ms. No. 64, dt. 25.07.2013 amending the G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP. In the amendment order, it was mentioned that "provided that the expansion of production of all types of existing Bulk Drug & Bulk Drug intermediate manufacturing units are permitted, subject to the installation of Zero Liquid Discharge (ZLD) facilities by such units and subject to the outcome of cases pending in the National Green Tribunal, Southern Zone, Chennai or in any other court. The Pollution load of Industrial unit shall be assessed at the point of Discharge, as provided in Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981."

CHAIRMAN, SEAC

Minutes of the SEAC Meeting held on 28.10.2019

- The State Government issued G.O.Ms.No.24 dt.24.04.2019 further amending the G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP. In the amendment order, it was mentioned that
 - i) The expansion of production of all kinds of existing industrial units falling under the areas and categories covered by G.O.Ms.No.95 dt. 21.09.2007 are hereby permitted subject to compliance of the directions in the above mentioned orders of the Hon'ble NGT, dt.24.10.2017.
 - ii) The ban imposed on the establishment of new industries of the categories and in the areas as mentioned in the G.O.Ms.95, dt.21.09.2007 shall continue.

Keeping in view of the above GOs, it is observed that the present proposal has to be considered as new activity / industry but not under expansion of the existing activity / industry, which cannot be permitted.

After detailed discussions and keeping in view of the above mentioned Government Orders (G.Os), the SEAC recommends to reject the proposal of expansion.

Agenda Item: 08	M/s. Nakoda Chemicals Ltd., Plot No. 64/A and 65/B, Phase-I, IDA Jeedimetla, Medchal District – Environmental Clearance - Reg.
------------------------	---

The representative of the project proponent Sri R. K. Agarwal; and Sri P.V. Raju of M/s. Pridhvi Envirotech (P) Limited, Hyderabad, attended and made a presentation before the SEAC.

The SEAC noted that:

- Earlier, the SEAC observed that the project proponent had manufactured more than the permitted quantities and also the by-product without obtaining EC, as per the Certified Compliance report issued by the Regional Office of the MoEF&CC, GoI. Hence, the project was considered as violation case for taking action in accordance with the provisions laid under the OMs dt.12.12.2012 & 27.06.2013 issued by MoEF&CC, GOI, New Delhi.
- The State Government vide lr.dt.08.02.2017 informed the SEIAA that the credible action has been initiated against the proponent by invoking powers under section 19 of E(P) Act, 1986. Accordingly, the project was examined by the SEAC in its meeting held on 22.02.2017 and issued TORs for preparation of EIA report and also constituted a Sub-Committee.
- The Proponent submitted EIA report uploaded on 31.03.2017 (received on 10.04.2017). The Sub-Committee also inspected the site on 04.03.2017 and submitted the report.
- Meanwhile, the MoEF&CC, GoI, vide S.O. 804 (E) dt. 14.03.2017 issued Notification w.r.t. Process for appraisal of TOR/EC projects under violation of EIA Notification, 2006. As per the provisions laid under the said notification, all EC applications of projects involving violation for grant of EC has to be processed only by the Expert Appraisal Committee and environmental clearance will be granted at the Central level.
- Further, the SEIAA in its meeting held on 18.03.2017 decided to transfer all the pending EC applications of projects involving Violation to the MoEF&CC, GoI. Accordingly, the project proposal was transferred to the MoEF&CC, GoI, on 10.05.2017.
- The proponent also vide lr. dt.08.05.2017 informed that their case (filed by Govt. w.r.t. violation) came up hearing on 02.05.2017 at VI Metropolitan Magistrate, Medchal Court and fine of Rs. 50,000/- was imposed thus closing the credible action. The proponent submitted a copy of Counter Foil (Form of receipt granted by the Court) dt.02.05.2017 for an amount of Rs.50,000/- paid by the proponent as fine.
- But, keeping in view of the decision of the SEIAA for transferring all the violation projects to the MoEF&CC, GoI, the file was also transferred to the MoEF&CC, GoI vide lr.dt.10.05.2017.

Minutes of the SEAC Meeting held on 28.10.2019

- The proponent submitted the EIA report to the MoEF&CC, GoI vide lr.dt.07.06.2017. Subsequently, keeping in view of the S.O.1030 (E), dt.08.03.2018, the proponent applied online to the SEIAA, Telangana.

The proponent informed that the Credible action against violation has already been taken by the State Government prior to issue of S.O.804 (E), dt.14.03.2017 and the EIA report was also uploaded on 31.03.2017. Hence, it was requested to exempt their project from Public Consultation, on following grounds:

- The industry is located in IDA, Jeedimetla notified prior to EIA, 2006, as per OM dt.10.12.2014.
- The public consultation is not mentioned in procedure prescribed by the MoEF&CC, GoI in S.O.804(E), dt. 14.03.2017.
- Madras High Court case was filed by Puducherry Environmental Protection Association against the MoEF&CC, challenging the S.O.804(E) dt.14.03.2017 mainly to challenge the validity of provision of post facto clearance. Case was decided in favour of MoEF. It was informed that they also understand from Senior Advocate of Madras High Court that Court did not any directions for holding public hearing for category of units which otherwise donot require public hearing as per Act.

In this regard, the SEAC noted that the violation committee of the MoEF&CC, GoI during its 15th meeting held on 27th -29th November, 2018, while examining the project "Proposed expansion of M/s Shogun Organics Ltd at Plot No. D-18, MIDC Kurkumbh, Taluka Daund, District Pune (Maharashtra) by M/s Shogun Organics Limited" w.r.t. public hearing observed as following:

Public hearing: The committee noted that proposed project is located in the notified Industrial area. As per EIA notification 2006, the activities/projects located in the notified industrial areas are exempted from public hearing. However, the present proposal has been established as violation case. All such violation cases are required to undergo public hearing as per the orders of Hon'ble High court of Madras dated 13.10.2017 in WP NO.11189 of 2017 titled "Puducherry Environmental Protection Association Vs Union of India even though they are located in notified industrial areas. The committee also noted that as per the orders of Hon'ble High court of Madras dated 14.03.2018 W.M.P NoS.3361AND 3362 of 2018 and W.M.P.No 3721 of in WP NO.11189 of 2017, the public hearing in respect of category 8(a) only exempted as under; "24 In this view of this matter, considering that sub-clause (i) (d) of stage iii of paragraph 7(i) of parent notification as contained in item No. 8(a) of the schedule being housing projects, we deem it necessary to clarify that projects and project proponents falling under this category alone shall be governed by the 'public consultation' clause in the parent notification." In view of the above observations the committee recommended that M/s Shogun Organics Ltd. is required to undertake public hearing as per the provisions EIA notification, 2006.

In view of the above and after detailed discussions, the SEAC recommends to seek clarification from the MoEF&CC, GoI on exemption / requirement of Public Hearing to the violation projects located within the notified Industrial Estates / Parks / IDAs.

Agenda Item: 09	M/s. Devashree Ispat Pvt Ltd Unit-III, Sy.No 445,462 & 463, Ellikatta, Farooq Nagar, Rangareddy – Environmental Clearance - Reg.
------------------------	---

The representative of the project proponent Sri B. R. Jaisimha & Sri L. Ramachandra Reddy; and Sri P.V. Raju of M/s. Pridhvi Envirotech (P) Limited, Hyderabad, attended and made a presentation before the SEAC.

The proponent prepared draft EIA report and undergone the process of public hearing on 31.10.2018 at 2:30 PM within industry premises. Now, the proponent submitted the final EIA report to the SEAC.

The SEAC noted the contents of the final EIA Report and reviewed the issues emerged during the public hearing and commitments made by the proponent during public hearing.

CHAIRMAN, SEAC

Minutes of the SEAC Meeting held on 28.10.2019

The SEAC observed that total area of the plant is Ac. 13.03. Out of that, the area earmarked greenbelt development is Ac.4.3 (33%).

It is noted that the nearest habitation is Elikatta (V) located at distance of 0.6 km and nearest RF is Mysoora Kammadanam RF located at distance of 9.07 km from the unit.

The project proponents proposes to expand the project by replacing the existing 240 TPD Induction Furnace with 500 TPD Induction Furnace and to install an additional Induction Furnace of capacity 500 TPD so that the production of MS Billets would be increased from 72,000 TPA to 3,50,000 TPA. It is also proposed to upgrade existing CCM (Continuous Concast machine) with new 1200 TPD.

Total cost of the project for proposed expansion is Rs. 24.2 Crores. The proponent is proposing budget for Environmental protection towards capital cost: Rs. 176.5 Lakhs and recurring cost: Rs. 22.0 Lakhs/annum.

It is noted that the proponent has their two units i.e, Unit-I & Unit-III adjacent to each other and have the following Common facilities:

- Rolling mill of the plant I will be common facility between the two units.
- Concast machine is common for both units and is located in M/s. Devshree Ispat (P) Ltd., in unit III.
- Hot metal from induction furnace of Unit-I and Unit-III goes to Unit III to the CCM (Continuous Casting machine) for rolling into Billets.
- Hot billets are formed and they come back to Unit I which are fed to rolling mill in unit I.
- The slag stoage and crusher is inunit III which will serve for both units together.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit and submit report on present status of the project, existing environmental measures being practiced, adequacy of proposed EMP measures, impacts of the proposed expansion on nearest human habitation, surrounding environment, etc.,

Members of Sub-Committee:

1. Sri R. S. Mantri
2. Sri Vemula Vinod Goud
3. Sri K. Shiva Kumar

Agenda Item: 10	M/s. Devashree Ispat Pvt Ltd Unit-I, Sy.No 458,459 & 460 Ellikatta village, Farooq Nagar Mandal, Rangareddy District – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri B. R. Jaisimha & Sri L. Ramachandra Reddy; and Sri P.V. Raju of M/s. Pridhvi Envirotech (P) Limited, Hyderabad, attended and made a presentation before the SEAC.

The proponent prepared draft EIA report and undergone the process of public hearing on 31.10.2018 at 11:30 AM within industry premises. Now, the proponent submitted the final EIA report to the SEAC.

The SEAC noted the contents of the final EIA Report and reviewed the issues emerged during the public hearing and commitments made by the proponent during public hearing.

The SEAC observed that total area of the plant is Ac. 10.62. Out of that, the area earmarked greenbelt development is Ac.3.54 (33%).

It is noted that the nearest habitation is Elikatta (V) located at distance of 0.6 km and nearest RF is Mysoora Kammadanam RF located at distance of 9.07 km from the unit.

The project proponents proposes to expand the project by upgrading existing 100 TPD Induction Furnace to 200 TPD Induction Furnace and enhance the capacity of Rolling Mill from 300 TPD to 800 TPD so that the production of MS Billets would be increased from 30,000 TPA to 70,000 TPA and TMT Bars from 72,000 TPA to 2,80,000 TPA.

Minutes of the SEAC Meeting held on 28.10.2019

Total cost of the project for proposed expansion is Rs. 5.75 Crores. The proponent is proposing budget for Environmental protection towards capital cost: Rs. 75.0 Lakhs and recurring cost: Rs. 19.0 Lakhs/annum.

It is noted that the proponent has their two units i.e, Unit-I & Unit-III adjacent to each other and have the following Common facilities:

- Rolling mill of the plant I will be common facility between the two units.
- Concast machine is common for both units and is located in M/s. Devshree Ispat (P) Ltd., in unit III.
- Hot metal from induction furnace of Unit-I and Unit-III goes to Unit III to the CCM (Continuous Casting machine) for rolling into Billets.
- Hot billets are formed and they come back to Unit I which are fed to rolling mill in unit I.
- The slag stoage and crusher is inunit III which will serve for both units together.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit and submit report on present status of the project, existing environmental measures being practiced, adequacy of proposed EMP measures, impacts of the proposed expansion on nearest human habitation, surrounding environment, etc.,

Members of Sub-Committee:

1. Sri R. S. Mantri
2. Sri Vemula Vinod Goud
3. Sri K. Shiva Kumar

Agenda Item: 11	M/s. Chavadi Pharma Pvt. Ltd., Plot No. 22, Sy. No. 103, Plot No. 21, Shed No.7, Sy. No. 105,135, 142, 146, 155 and 156, IDA Kothur, Mahabubnagar District – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri D. Rajakumar; and Sri P.V. Raju of M/s. Pridhvi Envirotech (P) Limited, Hyderabad, attended and made a presentation before the SEAC.

The SEAC noted that TORs were issued to the proponent in the SEAC meeting held on 20.04.2018 and also noted that a Sub-Committee is to be constituted to inspect the unit after re-constitution of the SEIAA/SEAC, Telangana. Now, the proponent informed that they have acquired Ac.7.0 of land in Sy.No.105, 135, 142, 146, 155 & 156 in addition to the existing area of unit located in an area of Ac.2.57 at Sy.No.103, Shed No.7, Plot No.21 & 22/P. It was requested to include additional land and Survey Numbers in the proposed expansion activity.

After detailed discussions, the SEAC decided to consider the request of the proponent. The SEAC also decided to constitute a sub-committee with the following members to inspect the unit and submit report on present status of the project, existing environmental measures being practiced, adequacy of proposed EMP measures, impacts of the proposed expansion on the surrounding environment, etc.,

Members of Sub-Committee:

1. Smt. T. Vijaya Lakshmi
2. Sri Ch. Krishna Reddy
3. Sri A. Panasa Reddy

Agenda Item: 12	M/S Mahalakshmi Profiles Pvt. Ltd., Sy. No. 287, 288 & 289, Kallakal (V), Manoharabad (M), Medak District. – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri Vinod Kumar Agarwal & Sri Hitesh Kumar Agarwal; and Sri B. Harish Kumar & Smt. Meena Badhuri of M/s. Global Management and Engineering Consultants International, Jaipur attended and made a presentation before the SEAC.

The SEAC noted that the industry was established in the year 1995. The proponent proposed expansion of the unit submitted application for TOR at the MoEF&CC, GoI in the absence of the SEIAA, Telangana. Accordingly, the MoEF&CC, GoI issued TORs to the project for proposed Expansion on 03.05.2019.

Minutes of the SEAC Meeting held on 28.10.2019

The proponent prepared draft EIA report and undergone the process of public hearing on 10.07.2019, 11:00 AM in the open lands opposite to the existing unit. Now, the proponent submitted the final EIA report to the SEAC.

The SEAC noted the contents of the final EIA Report and reviewed the issues emerged during the public hearing and commitments made by the proponent during public hearing. The SEAC also noted from the Public Hearing Minutes that most of the people were against the project.

The SEAC observed that total area of the plant is 78,610.255 Sq.m. Out of that, the area earmarked for greenbelt development is 2,594.22 (35%).

It is noted that the nearest habitation is Kallakal (V) located at distance of 1.0 km and nearest water body is near Meenjipeta located at distance of 5.5 km from the unit and nearest RF is Yellampet RF located at distance of 2.0 km from the unit.

The details of the products after proposed expansion are as following:

S. No.	Product	Capacity		
		Existing	Expansion	After Expansion
1.	MS Billets through Induction Furnace	90 TPD	621 TPD	711 TPD
2.	MS Skelp through Strip mill	165 TPD	534 TPD	699 TPD
3.	Pipes through Tube Mill	165 TPD	835 TPD	1000 TPD
4.	Scaffolding	--	50 TPD	50 TPD
5.	Galvanized Strips/Coils	--	300 TPD	300 TPD
6.	Hot Dip Galvanizing of MS ERW Tubes	--	300 TPD	300 TPD

The details of the pollution load after proposed expansion are as following:

Description	Source	Quantity	Management
Slag	Induction furnace	20 TPD	Crushed for recovering iron for reuse in sand for brick manufacturing/sold to cement industry
Waste oil	DG sets	20 LPM	Sold to Authorized Vendors Waste oil Re-processors/Re-cycling units
Tarry Residue	Coal Gasifier	80 TPM	Lifted to M/s. HWMP(TSDF), Dundigal, Rangareddy Dist./Authorized Cement industries
Used Batteries	DG sets	3 NPA	Returned to manufacturers on buy back basis
Domestic waste	Canteen/plantation	20 kg/day	Composted and used as manure
Water	Domestic Waste	4 KLD	Septic tank followed by soak pit
Air pollutants	Induction Furnace	Continuous emission	During the entire process there will be emissions of CO ₂ , SO ₂ , Nox and particulate matter-Bag filters followed by stack of 30 m height
	Rolling Mill		
	DG Set	Emissions when in use	Stack of height 3.2 m above D.G. housing roof
Noise	Machineries	On floor shop	Ear Mufflers, Silencers, acoustic enclosure.

Total cost of the project is Rs. 150.0 Crores. The proponent is proposing budget for Environmental protection towards capital cost: Rs. 126.0 Lakhs and recurring cost: Rs. 14.25 Lakhs/annum. The proponent is proposing Rs.150 Lakhs towards budget for CER.

The industry informed that the HCl generated from galvanising unit has to be treated. But, ETP or any treatment system is not proposed. However, it was informed that they will send it to JETL. In this regard, the SEAC has not agreed for sending the same to the JETL and insisted to provide necessary treatment system.

Minutes of the SEAC Meeting held on 28.10.2019

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit and submit report on present status of the project, existing environmental measures being practiced, adequacy of proposed EMP measures, impacts of the proposed expansion on the surrounding environment, etc.,

Members of Sub-Committee:

1. Sri C. Venkateshwar
2. Sri K. Shiva Kumar
3. Sri Vemula Vinod Goud

Agenda Item: 13	M/s. RR Laboratories, Plot No: 205 & 206, Phase – II, IDA Pashamylaram, Patancheru (Mandal), Sangareddy (District) – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri S. Ganapathi Rao; and Sri Yarlagadda V. Prasad of M/s. Rightsource Industrial Solutions Pvt. Ltd., Hyderabad attended and made a presentation before the SEAC.

During presentation, the proponent informed that earlier the industry was established with 1st CFE issued by APPCB vide order dt.05.07.2004 to manufacture 3 Fine Chemicals and Recover Solvents. The industry did not obtained EC earlier, as it was not required prior to EIA, 2006.

The unit is presently operating with the CFO order dt.28.08.2019 (valid upto 30.09.2024) issued by the TSPCB to manufacture the products mentioned in the CFE except the distillation of Spent Solvents.

The proponent informed that they are proposing to expand the existing Drug Intermediates manufacturing unit (33.45 TPM) to Bulk Drugs & Intermediates manufacturing unit (62 TPM).

The total site area of the unit is 7800.0 Sq.m. Out of which, the area of greenbelt is 2666.72 Sq.m. (34.19%).

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 & G.O. Ms. No. 24, dt. 24.04.2019 of the EFS&T Dept. The SEAC noted that the project is located in an IDA notified prior to 2006. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri P. Radha Krishna
2. Sri Suresh
3. Sri Ch. Krishna Reddy

Agenda Item: 14	M/s. Vasant Chemicals Pvt. Ltd., Plot No. 91/C, 91/D, 91D/P, Phase-1, IDA, Jeedimetla, Qutubullapur (M), Medchal-Malkajgiri District – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri B. Venkata Siva; and Sri Yarlagadda V. Prasad of M/s. Rightsource Industrial Solutions Pvt. Ltd., Hyderabad attended and made a presentation before the SEAC.

During presentation, the proponent informed that they obtained EC vide order dt.07.08.2007 from the MoE&F, GoI to manufacture Fine Chemicals & Dye Intermediates. The proponent submitted a copy of 1st CFE vide order 10.03.2010 issued by APPCB to manufacture Fine Chemicals & Dye Intermediates. The unit is presently operating with the CFO order dt.28.05.2018 (valid upto 31.03.2022) issued by the TSPCB.

The proponent informed that they are proposing to expand the existing Drug Intermediates manufacturing unit (4.794 TPM) to Drugs Intermediates & Synthetic Organic Chemicals manufacturing unit (21.33 TPM).

The total site area of the unit is 7,060.4 Sq.m. Out of which, the area of greenbelt is only 425.0 Sq.m. (6.02%). The SEAC observed that the area of greenbelt is not sufficient as it is less than 33% of total site area. In this regard, the proponent informed that due to inadequate land for greenbelt development in the project site, they are proposing to develop greenery in an area of 1904.93 Sq.m. in Bahadurpally (V) in addition to the 425.0 Sq.m. of greenbelt in the plant site.

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 & G.O. Ms. No. 24, dt. 24.04.2019 of the EFS&T Dept. The SEAC noted that the project is located in an IDA notified prior to 2006. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Greenbelt development
- xii) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Smt. T.Vijaya Lakshmi
2. Sri P. Radha Krishna
3. Sri Ch. Krishna Reddy

Agenda Item: 15	M/s. Sanozen Pharma Private Limited, Plot No's. 170, 171 &172, Phase – II, IDA Pashamylaram, Patancheru (M), Sangareddy District – Environmental Clearance - Re
------------------------	--

The representative of the project proponent Sri J. Sanjeeva Reddy; and Sri Y.V. Prasad of M/s. Rightsource Industrial Solutions Pvt. Ltd., Hyderabad attended and made a presentation before the SEAC.

Minutes of the SEAC Meeting held on 28.10.2019

During presentation, the proponent informed that they obtained 1st CFE vide order 25.08.2004 issued by APPCB in the name of M/s. Saptagiri Chemicals to manufacture Potassium Acetate. The CFE order was issued with one of the condition that “under no circumstances, the industry manufacture Drug Intermediates (or) Bulk Drugs”. The unit is presently operating in the name of M/s. Sanozen Pharma Pvt. Ltd., (formerly, M/s. Saphthagiri Chemicals) with the CFO order dt.26.09.2017 (valid upto 31.08.2022) issued by the TSPCB.

The proponent informed that they are proposing to expand the existing Potassium Acetate manufacturing unit (1.959 TPM i.e., 65.3 kg/day) to Bulk Drugs manufacturing unit (23.885 TPM).

The total site area of the unit is 6,228.59 Sq.m. Out of which, the area of greenbelt is 2,474.17 Sq.m. (39.72%).

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 & G.O. Ms. No. 24, dt. 24.04.2019 of the EFS&T Dept. But, the SEAC observed that the existing product ‘Potassium Acetate’ is used as Reagent.

The SEAC noted that the project is located in an IDA notified prior to 2006. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

The SEAC noted that the proponent submitted application for TOR at the MoEF&CC, GoI in the absence of the SEIAA, Telangana. Accordingly, the MoEF&CC, GoI issued TORs to the project on 24.05.2019. Accordingly, the proponent prepared draft EIA report and submitted to the SEAC.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xiii) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri P. Radha Krishna
2. Smt. T.Vijaya Lakshmi
3. Sri Ch. Krishna Reddy

Agenda Item:16	M/s. Salicylates and Chemicals Pvt. Ltd., Plot No's: 133 to 142, Sy. No. 239/Part, Phase-II, Industrial Park, Pashamylaram (V), Patancheru (M), Sangareddy District – Environmental Clearance - Reg.
-----------------------	---

The representative of the project proponent Sri C.Jeevan Kumar; and Sri Y.V.Prasad of M/s. Rightsource Industrial Solutions Pvt. Ltd., Hyderabad attended and made a presentation before the SEAC.

During presentation, the proponent informed that they obtained 1st CFE vide order 20.08.2004 issued by APPCB in the name of M/s. Tejasri Intermediates Pvt. Ltd. to manufacture N-Butyl Lithium & Ethyl-2-Oxo-4-Phenyl Butyrate with Lithium Chloride as By-product. The CFE order was issued with one of the condition that “under no circumstances, the industry manufacture Drug Intermediates (or) Bulk Drugs”. The unit is presently operating in the name of M/s. Salicylates and Chemicals Pvt. Ltd., (formerly, M/s. Tejashri Intermediates Pvt. Ltd.) with the CFO order dt.11.07.2019 (valid upto 30.06.2021) issued by the TSPCB.

Minutes of the SEAC Meeting held on 28.10.2019

The proponent informed that they are proposing to expand the existing Drug Intermediates manufacturing unit (10.5 TPM) to Bulk Drugs manufacturing unit (85 TPM).

The total site area of the unit is 10191.51 Sq.m. Out of which, the area of greenbelt is 3374.88 Sq.m. (33.11%).

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 & G.O. Ms. No. 24, dt. 24.04.2019 of the EFS&T Dept. The SEAC noted that the project is located in an IDA notified prior to 2006. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xiv) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.

Members of Sub-Committee:

1. Sri P. Radha Krishna
2. Smt. T. Vijaya Lakshmi
3. Sri Ch. Krishna Reddy

Agenda Item: 17	M/s. KRS Pharmaceuticals Pvt. Ltd., Sy. No. 10 & its Part, IDA Gaddapotharam, Jinnaram (M), Sangareddy District. – Environmental Clearance - Reg.
------------------------	--

The representative of the project proponent Sri M.V.S.R. Prasad; and Sri Y.V.Prasad of M/s. Rightsource Industrial Solutions Pvt. Ltd., Hyderabad attended and made a presentation before the SEAC.

The SEAC noted that the proponent obtained NOC dt. -12-1992 in the name of M/s. vinay Chem Pvt. Ltd. issued by the APPCB based on the Inspection Report dt, 24.08.1992. Subsequently, M/s. KRS Pharmaceuticals acquired M/s. Vinay Chem Pvt. Ltd in the year 2002. The unit is operating with latest CFO order dt.11.01.2018 (valid upto 30.04.2018) issued by the TSPCB in the name of M/s. KRS Pharmaceuticals to manufacture Bulk Drugs & Intermediates with total production capacity of 65 kg/day.

The SEAC noted that the proponent proposed expansion of the project from existing capacity of 1.95 TPM (65 kg/day) to proposed capacity of 90 TPM to manufacture Bulk Drugs & Intermediates. The total site area of the unit is 8090 Sq.m., out of which green area is 982.54 (12.15%). It was informed that they purchased additional land around 1 Acre in Sy. No. 10 Parts of IDA, Gaddapotharam to develop Greenbelt in addition to 12.15% of greenbelt within the Plant site.

The SEAC noted the provisions of G.O.Ms. No. 95, dt. 21.09.2007 of the EFS&T Dept., GoAP; G.O.Ms. No. 64, dt. 25.07.2013 of the EFS&T Dept., GoAP; G.O.Ms. No. 120, dt.22.10.2013 of the I&C Dept., GoAP; and G.O.Ms. No. 80, I&C(IP&INF) Dept., dt. 27.10.2015. The project is located in a Notified Industrial Area existing since 1990's. Hence, the project is exempted from the process of Public Hearing as per OM dt.10.12.2014 issued by the MoE&F, GoI.

Minutes of the SEAC Meeting held on 28.10.2019

After detailed discussions, the SEAC decided to constitute a sub-committee with the following members to inspect the unit, verify records and submit a report on the following:

- i) Project modification
- ii) Project cost
- iii) ZLD System & its adequacy
- iv) ETP modifications
- v) Products : Comparison of existing and proposed (which are going for expansion)
- vi) Verify Production details w.r.t. permitted for the past one year, as per ER-I/GST.
- vii) Raw material : Comparison of existing and proposed (which are going for expansion)
- viii) Solid waste : Comparison of existing and proposed (which are going for expansion)
- ix) Impact on surroundings
- x) Applicability of S.O.804 (E), dt.14.03.2017 & S.O. 1030 (E) dt.08.03.2018 issued by the MoEF&CC, GoI.
- xi) Justification of project w.r.t. G.O.Ms. No. 95, dt. 21.09.2007; G.O.Ms. No. 64, dt. 25.07.2013; & G.O.Ms. No. 24, dt.24.04.2019.
- xii) Greenbelt Development.

Members of Sub-Committee:

1. Sri P. Radha Krishna
2. Sri Vemula Vinod Goud
3. Sri Ch. Krishna Reddy

Agenda Item: 18	M/s. Cellnoles Remedies Pvt. Ltd., Sy. No. 1125/A/2 & 1131/E, Chelmeda (V), Nizampet (M), Medak District. – Environmental Clearance - Reg.
------------------------	---

The SEAC deferred the project, as the proponent did not attend the meeting.

Hence, the SEAC decided to inform the proponent to submit a letter stating willingness to consider their proposal in the SEAC meeting.

Agenda Item: 19	M/s. Madhusheel Rasaayan Pvt. Ltd., Sy.No. 17/A/2 & 17/E/2, Mirzapur (V), Pudur (M), Vikarabad District - Environmental Clearance - Reg.
------------------------	---

The representative of the project proponent Sri Dheeraj Sankara; and Ms. Navya of M/s. Pragathi Labs & Consultants Private Limited, Hyderabad attended and made a presentation before the SEAC.

The SEAC noted that earlier, TORs were issued to the project on 16.02.2018. Accordingly, the proponent undergone the process of Public Hearing on 16.10.2018 and submitted the final EIA report to the SEAC.

It is noted that the nearest habitation is Manneguda (V) located at distance of 2.7 km and nearest water body is Shivareddypet Cheruvu located at distance of 6.3 km from the unit and nearest RF is Damagundam RF located at distance of 7.5 km from the unit.

The SEAC noted that the project is proposed in a total plot area of 1.425 Ha. out of which, the area earmarked for greenbelt is 0.485 Ha. (34%).

The SEAC noted that Corn cobs (Agro waste) are the principal raw material for manufacturing the following proposed products:

S.No.	Name of the Product	Production Capacity (TPD)
1	Furfuraldehyde	2.00
2	2-Methyl tetra hydro furan	1.38
3	2-Tetrahydrofurfuryl alcohol	0.77
	Total	4.15

CHAIRMAN, SEAC

Minutes of the SEAC Meeting held on 28.10.2019

The details of the air pollution sources and mitigative measures proposed in the project are as following:

S.No.	Emission	Stack height (m)	Control Mechanisms
1	3 TPH boiler	30, above ground level	Cyclone separator / bag filter (based on the specifications provided by the manufacture of boiler)
2	63 kVA D.G. Set	1.6, above reference level	Effective stack height will be provided

The details of the water requirement, effluent generation, treatment & disposal in the proposed project are as following:

Activity	Water input (KLD)	Recycled/reused (KLD)	Effluent (KLD)	Treatment unit proposed
Process	12.0	9	3.0	Will be treated in proposed MEE and followed by ETP.
Process washings	1.p	--	1.0	
Boiler blow down	1	--	1	
Cooling tower	0.4	--	--	
RO reject	--	--	2	
Green belt	2	--	--	
Drinking	0.6	--	--	
Industrial	17	--	7.0	Sent to septic tank followed by soak pit.
Domestic	1.0	--	1.0	
Total	18	--	8.0	

- The industry has obtained permission from the Competent Authority to extract ground water in the proposed site.
- Total effluent generated from the unit processes and operations will be treated in the proposed ETP and domestic effluents will be routed to septic tank followed by soak pit.
- No effluent will be discharged to the outside environment. Hence, no surface water bodies contamination is anticipated and '**Zero Liquid Discharge System**' will be adopted. No existing drainage pattern will be altered due to proposed activities.

The details of the solid waste generation & disposal in the proposed project are as following:

S. No.	Type of waste	Quantity	Disposal
1	ETP sludge (kg/day)	4	Will be used as a manure for green belt development
2	Forced Evaporation Salts (kg/day)	348	To secondary users like Soap & Detergent industries
3	Used containers (No./month)	400	Authorized recyclers
4	Distillation bottom residue/mixed spent solvent (LPD)	30	Authorized recyclers
5	Metal-catalyst (kg/day)	2	Authorized recyclers
6	Spent oil (LPA)	120	Authorized recyclers
7	Domestic waste (kg/day)	20	To recyclers
8	Ash (kg/day)	600	To brick manufacturers

Total cost of the project is Rs. 464 Lakhs. The proponent is proposing budget for Environmental protection towards capital cost: Rs. 40.0 Lakhs and recurring cost: Rs. 10.44 Lakhs/annum. The proponent is proposing Rs.9.28 Lakhs towards budget for CER.

Minutes of the SEAC Meeting held on 28.10.2019

The SEAC noted that earlier a sub-committee was constituted to inspect the site and submit report on present status of the project, existence of water body near the project site, impacts of proposed project on nearest water body, surrounding environment, etc., Accordingly, the Sub-Committee constituted by the SEAC inspected the site on 01.04.2018 and submitted report. It was reported as following:

- *The proposed site is a barren land without any constructions and water bodies.*
- *The proposed project site is located at a distance of 1.5 KM from Puduru village, thus may not have the impact of the proposed project on the human habitation.*
- *The area is sloping towards south and overall sloping is towards west. There is no water bodies found nearby, Along the South of the project area the drainage is flowing towards western side.*
- *The sub-committee recommends for construction of a check dam against the slope in NS direction so as to prevent the soil erosion and water seepage.*
- *It was advised to plant trees at least 10 M width along the southern part of the project area in compensation to the loss of vegetation due to the project development.*
- *As there is insignificant impact on environment in contrast to developmental activities, the EC permission be given for the proposed project subject to the fulfilling the terms and conditions in force.*

In view of the above and after detailed discussions, the SEAC recommended the project for issue of EC with following specific condition:

- The project proponent shall construct a check dam against the slope in NS direction so as to prevent the soil erosion and water seepage.

Agenda Item: 20	M/s. Jeevaka Industries Pvt Ltd., Sy.No. 145/1, 145/3A, 145/3, 145/11, Chegunta (V), Chegunta (M), Medak District - Environmental Clearance - Reg.
------------------------	---

The proponent vide mail. Dt. 26.10.2019 informed that their Consultants are having NABET Assessment on 28.10.2019 and will not be able to attend the meeting. Hence, it was requested to consider their proposal in the next meeting.

In view of the above, the SEAC deferred the project.

Agenda Item: 21	M/s. Sugna Metals Ltd., Sy. Nos. 142 & 143, Narayanpur (V), Pargi (M), Vikarabad District – Environmental Clearance - Reg.
------------------------	---

The proponent vide mail. Dt. 26.10.2019 informed that their Consultants are having NABET Assessment on 28.10.2019 and will not be able to attend the meeting. Hence, it was requested to consider their proposal in the next meeting.

In view of the above, the SEAC deferred the project.

Agenda Item: 22	M/s. Astha Power Corporation Private Limited, Sy.No. 280, 281, 282 & part of 256, Pashamylaram (V), Patancheru (M), Sangareddy District – Environmental Clearance - Reg.
------------------------	---

The representative of the project proponent Smt. A. Revathi; and Sri K.C. Sivaji attended and made a presentation before the SEAC.

The SEAC noted that earlier, the proponent obtained EC dt. 09.07.1999 from the EFS&T Dept for establishment of LSHS/ LSWR based Mini Thermal Power Plant of capacity 28.77 MW.

Minutes of the SEAC Meeting held on 28.10.2019

Subsequently, the proponent has proposed for expansion of already approved Power plant from 28.77 MW to 52.32 MW under the scheme of revival and Change of fuel from liquid fuel (LSHS/LSWR) to Natural Gas. But, as per the EIA Notification, 1994 and its amendments thereof, the validity period of the EC is 5 years only. Hence, the earlier EC dt. 09.07.1999 issued by the EFS&T Dept for establishment of LSHS/ LSWR based mini thermal power plant of capacity 28.77 MW was not valid then and hence, the project was considered afresh by the then SEAC. Accordingly, the SEIAA, AP (Combined State) issued EC order dt. 21.08.2012 was issued for 52.32 MW Natural Gas based Power Plant.

Now, the proponent informed that Astha Power is currently not connected to the Natural Gas Pipeline Network. To get the connectivity they need to lay the pipeline as per the approval received from PNGRB vide Letter No. Infra/PL/New/19(2)/APCPL/ APPL/01/12, dated 14th December, 2012. Astha received the ROU Approval on 13.04.2018 from Telangana State Government and commenced the work for laying of the Gas Pipeline. Astha is now awaiting clearance for inter connectivity scheme – tower foundation from TSIIC, completion of laying of gas pipeline and allocation of natural gas by MoP&NG and expect the commissioning of the project in 1st quarter of 2020. Hence, it was requested to extend the validity period of EC.

In this regard, the SEAC noted that the proponent has submitted the application for extension of validity period of EC on 30.05.2019 i.e., within the validity period. Hence, the SEAC considered the application.

During presentation, the SEAC observed that though the EC was granted to the project, greenbelt has not been developed in atleast 33% of the total area. Hence, after detailed discussions, the SEAC decided to constitute a Sub-Committee with the following members to inspect the site and submit report on area of greenbelt (proposed and developed), present status of the project, impacts of the project on surround environment.

Members of Sub-Committee:

1. Sri K. Shiva Kumar
2. Sri C. Venkateshwar
3. Sri Suresh

CHAIRMAN, SEAC.
