The Authority after detailed discussion and deliberation decided the following:

1. Serial No. 1, 2, 6, 8, 9, 12, 15, 16, 17, 18, 19, 20, 22, 28, 29, 30, 31, 32, 34, 35, 36, 37, 40, 42, 43, 44, 45, 47, 49, 50, 52: The Authority accepted the recommendations of SEAC and decided to grant EC to these proposals.

2. **Serial No. 3:** The LoI of this proposal has expired and Past Production Figures are not submitted. Hence the Authority decided to **defer this proposal** for additional information with a direction that the project proponent must submit revised LoI & authenticated Past Production Figures within 45 days.
3. **Serial No. 4, 41, 51:** The Authority accepted the recommendation of SEAC and decided to **close & delist these proposals.**
4. **Serial No. 5:** The Authority accepted the recommendations of SEAC and decided to **approve EIA/EMP and grant EC** to this proposal with the condition that all the lease holders of the cluster shall ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.
5. **Serial No. 7:** The Authority decided to **defer this proposal** on the following points:
  - Certificate from DCF Pratapgarh has to be submitted mentioning the distance from the nearest forest area.
  - EC Compliance report is one-year-old, valid EC compliance report has to be submitted.
  - Production figure for financial year 2021-2022 has to be submitted.
  - As per point no. 22 of Standard ToR issued by MoEF&CC, Baseline data should be collected in non-monsoon season i.e., March-May (Summer season); October-December (post monsoon season); December to February (winter season). In this proposal baseline season is taken as April-June which is considered under monsoon season. hence re-validation of baseline data is required.
6. **Serial No. 10:** The Authority accepted the recommendations of SEAC and **decided to grant EC to this proposal subject to submission of Baseline Monitoring Sheets.**
7. **Serial No. 11:** In this proposal Jawai Leopard Conservation Reserve falls at 7.15 km, for which conservation plan has not been submitted. Hence, the Authority decided to **defer this proposal** on account of Additional Information, which must be submitted within 45 days.
8. **Serial No. 13, 48:** The LoI of this proposal has expired. Hence the Authority decided to defer this proposal for additional information with a direction that the project proponent must submit revised LoI within 45 days.

9. **Serial No. 14:** The Authority decided to **defer this proposal** on account of Additional Information i.e, Land documents (Jamabandi) and Disclosure of Consultant, which must be submitted within 45 days.
10. **Serial No. 21:** The Authority accepted the recommendation of SEAC and decided to grant EC to this proposal **with the condition that Neem Trees should not be cut down at any stage of mining.**
11. **Serial No. 23:** In this proposal, the Disclosure of Consultant has not been submitted with the proposal. Hence, the Authority decided to defer this proposal for additional information, which must be submitted within 45 days.
12. **Serial No. 24, 25, 26 27:** The Authority was of the view that the applied area of these proposals belongs to same Project Proponent and are closely located. The coordinates (KML) provided by the project proponent with the applications at serial no. 24, 26 and 27 are not in synchronization with the applications. Moreover, the distance between these proposals is less than 500 m. Hence, the Authority decided to grant EC to serial no. 25. The Authority also decided to reject the proposals at serial no. 24, 26 and 27 for uploading incorrect KML and also to apply afresh in B1 Category with correct information.
13. **Serial No. 33:** The Authority was of the view that in this proposal the production is being carried out in 2012-2013 as per submitted Authenticated Production Figures certificate but as per the details given in the proposal, the QL was issued in 1993, hence production figures have to be submitted since 1993.
- Also, PP has never obtained EC till date. Moreover, there are no lease documents in the name of PP except Quarry License Hence, The Authority decided to **refer the proposal back to SEAC for clarification** why the case is not being considered under violation.
14. **Serial No. 38:** In this proposal, it has been mentioned that PP has obtained a NOC regarding village pond from AME, which is at distance of 45 m from applied area but copy of this NOC is not available in the proposal's documents. Hence, the Authority decided to **defer this proposal** on account of additional information, which must be submitted within 45 days.
15. **Serial No. 39:** The Authority accepted the recommendations of SEAC and decided to grant **Amendment in EC to this proposal.**
16. **Serial No. 46:** SEAC has resolved to recommend to SEIAA for grant of EC to this proposal. SEAC has further resolved that an amount of Rs. 17,80,000/- with reference to

Remediation Plan shall be deposited to RSPCB in the form of Bank Guarantee, in addition to this a penalty of Rs. 1.165 Lacs will also be deposited with the RSPCB, as per the provisions of the EIA Notification, 2006 and OM dated 28.07.2022 of the MoEF & CC, as the violation declaration is suo-moto.

**Hence, the Authority decided to accept the recommendations of SEAC and grant EC to this proposal subject to deposition of penalty as per MoEF&CC SOP dated 07.07.2021 of Rs. 1.165 Lacs by online/Demand Draft mode and also submit the Bank Guarantee of Rs. 17,80,000/- towards remediation plan with RSPCB within 15 days of the receipt of the letter in this regard failing which action shall be initiated to stop this project.**

17. **Serial No. 53 & 54:** The project proponent has applied 3 proposals for EC in the khasra numbers all adjacent to each other. The Authority has already decided to grant EC for 2.7059 ha mining project (Serial No. 52). The project proponent shall apply for ToR under B1 category for other 2 proposals at serial no. 53 & 54 as area is more than 5 ha. Hence, The Authority decided to **reject these proposals.**
18. **Serial No. 55, 57:** The Authority accepted the recommendations of SEAC and **decided to grant ToR to these proposals.**
19. **Serial No. 56:** The Authority decide to refer back the proposal to SEAC for the clarification and re-examination on following points:
  - As per EIA (page no. 63), Mining is shown outside the lease area.
  - As per cluster certificate there is no cluster, but PP informed that cluster is of 44.91703 ha, but EIA is being done for individual mine.
  - Cluster certificate expired on 07/10/2021
20. **Serial No. 58:** This proposal was considered in 5.45<sup>th</sup> meeting of the Authority and was deferred, as the LoI of the applied area had expired. Now, the PP has submitted the copy of Lease Agreement. Hence, **the Authority decided to grant EC to this proposal.**
21. **Serial No. 59:** This proposal was considered in 5.45<sup>th</sup> meeting of the Authority and was deferred, as the LoI of the applied area had expired. Now, the PP has submitted the copy of Lease Sanction Order. Hence, **the Authority decided to grant EC to this proposal.**
22. **Serial No. 60:** This proposal was considered in 5.35<sup>th</sup> meeting of the Authority and was deferred, as there was no mention of distance from nearest forest in form 1 or DCF Letter.

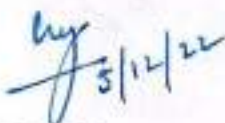

Now, the PP has submitted the revised DCF Certificate mentioning "Nearest forest is 1400 m from the applied area and No WLS/NP/CR falls in 10 km radius of applied area". Hence, **the Authority decided to grant EC to this proposal.**

- 23. Serial No. 61:** This proposal was considered in 5.45<sup>th</sup> meeting of the Authority and was deferred on account of non-availability of affidavit from consultant. Now, the PP has submitted the affidavit from the Consultant. Hence, **the Authority decided to grant EC to this proposal.**

Meeting ended with vote of thanks to the chair.
