33.	SEIAA TRF0173	Transfer of Environmental Clearance issued by SEIAA vide their letter no.- 14-15 dated 08.02.2019 (P-34) in favor of M/s Meenal Mines & Minerals for M.L. No.-35/2011, Area- 4.0 ha. for Lime Stone Mining Near Village- Manakpur, Tehsil- Nagaur (Raj.) (Proposal No. SIA/RJ/MIN3/287076/2022)

The Authority after detailed discussion and deliberation decided the following:

- Serial No. 1:** The Authority accepted the recommendations of SEAC and decided to grant EC to this proposal subject to condition that the applied area is at a distance of more than 50 meters but less than 100 meters from the boundary of the closest forest area, therefore the project proponent shall raise a pakka wall on the lease boundary facing the forest area.
- Serial No. 2, 3:** The Authority accepted the recommendations of SEAC and decided to grant EC to these proposals subject to the condition that the EC shall be effective only after valid CTO has been obtained.
- Serial No. 4 & 8:** The Authority accepted the recommendation of SEAC and decided to close & delist these proposals.
- Serial No. 6, 12, 13, 14, 16, 17, 18, 20, 23, 24, 27, 30, 31:** The Authority accepted the recommendations of SEAC and decided to grant EC to these proposals.
- Serial No. 25:** The Authority accepted the recommendations of SEAC and decided to grant EC subject to the condition that Khejri trees in the lease area shall not be cut.
- Serial No. 5, 7, 9, 10, 11, 15, 19, 21, 29:** The Authority accepted the recommendation of SEAC and decided to grant ToR to these proposals.

7. **Serial No. 26:** Considering the decision of SEAC, if the mention of TTZ had been omitted in Form 1 and PFR, the issue should have been resolved by SEAC with the PP. The formalities required for the projects in TTZ area, should have been followed. This has been done in earlier cases also, which were received from this area. Hence, the current recommendation of SEAC is in contradiction to the recommendations made earlier by SEAC for the similar situation and same area. Therefore, the Authority decided to refer back this proposal to SEAC-1.
8. **Serial No. 22:** The Authority accepted the recommendation of SEAC and decided to grant ToR subject to submission of distance of forest by concerned DCF and to provide the details of CTO at the time of submission of ToR compliance.
9. **Serial No. 28:** SEAC-1 has recommended to reject this proposal. However, the Authority is of the view that the PP shall be heard so as to explain in respect of recommendation made by SEAC. Hence the Authority decided to issue notice to the proponent and defer this proposal.
10. **Serial No. 32:** This proposal was deferred by the Authority in its 5.32 meeting as the distance from forest was not mentioned neither in Form 1 nor in DCF letter. The project proponent has now submitted the desired information. Hence the Authority decided to grant EC to this proposal.
11. **Serial No. 33:** The Authority decided to grant Transfer EC to this proposal.

Meeting ended with vote of thanks to the chair.

P. K. Upadhyay
