The Project Proponent has to provide rain water harvesting collection tank to the capacity of 450 cu.m in order to recover and reuse the rain water during normal rains.
2.	To consider the grant of Environmental Clearance under EIA Notification 2006 for the project of Proposed Construction of MSB Group Development by M/s. Casa Grande Homes Pvt.	6611	Discussed in detail, the Authority decided to recommend the proposal for the grant of Environmental Clearance subject to the following additional condition in addition to the normal conditions:

MEMBER SECRETARY MEMBER CHAIRMAN

	Ltd in S. No. 497/1C1A2, 2A1, 2B2, 4A, 4B, 3A3, 3A4, 505/8A, 9, 8B1, 508/37A2, of Sholinganallur village, Sholinganallur Taluk, Kanchipuram District, Tamil Nadu under Sl. No 8 (a) of the Schedule – Building and Construction Projects.		1. The proponent shall provide play area in consultation with Department of Youth Affair and Sports, Govt of Tamil Nadu considering the population of the project activity and accordingly the layout plan shall be revised. 2. The area for green belt shall be revised to 4379 sq.mt as suggested by SEAC. 3. The EMP cost of Rs. 110 Lakhs shall be deposited in a nationalized bank by opening separate account and the head wise expenses statement shall be submitted to TNPCB with a copy to SEIAA annually 4. The project proponent shall also explore the possibility of disposing the treated sewage into the water bodies owned by PWD/local body after satisfying the bathing quality by establishing proper pipe lines and monitor the quality through online monitoring for pH, TSS & BOD. 5. The project proponent has to provide rain water collection tank of 1120 cu.m capacity in order to recover and reuse the rain water during normal rains in addition to other structure proposed for rain water harvesting.

MEMBER SECRETARY MEMBER CHAIRMAN

3.	To consider the proposal for the grant of ToR under violation for the Construction of additional buildings for engineering college, hostel and bank in its existing college and software park campus By M/S. KGISL Trust at S.F.No. 353/1, 2, 354/1, 356/3A, 357/1D PT, 358/2A, 2C, 2 D, 359/1A, 1B, 360/1C, 1D PT, 361/3A, 362/1B PT,1C, 2A, 2B, 363/1B, 2, 3, 365/1A, 2, 366/1A, 1A1A2, 366/1A2, 1B & 372/2, Saravanampatti Village, Coimbatore North Taluk, Coimbatore District, Tamil Nadu.	371	Discussed in detail, the Authority decided to recommend the proposal for issue of Standard TOR for the preparation of EIA report along with the additional ToR as prescribed by SEAC in addition to the following: 1. Annual studies should be conducted on biodiversity and check list of all species of flora and fauna should be maintained. 2. The students should be involved in species assessment and awareness created on ecology of the campus and report shall be submitted. 3. The NCC, NSS, Green Corps students should be involved in creation of water bodies and conservation of the Natural water sources within the campus. 4. The project proponent shall have alternative options for disposal of excess treated sewage and effluent by identified the water bodies in consultation with competent authority. 5. The project activity shall not cause any adverse impact on the water bodies and other natural resources around.
4.	To consider the proposal for the grant of ToR under violation for the Construction of Residential Apartment project "KGISL Platina" by M/s. KGISL Technologies & infrastructure Private Limited at S.F.No. 375/5B pt, 376/1D pt,	372	Discussed in detail, the Authority decided to recommend the proposal for issue of Standard TOR for the preparation of EIA report along with the additional ToR as prescribed by SEAC in addition to the

MEMBER SECRETARY MEMBER CHAIRMAN

	376/2B pt & 377/3 pt, Keeranatham Village, Annur Taluk, Coimbatore District, Tamil Nadu.		following: 1. The proponent shall provide play area of 2000 sq.m in consultation with Department of Youth Affair and Sports considering the population of the project activity and accordingly the layout plan shall be revised 2. The project proponent shall explore the possibility of disposal of excess treated sewage into the nearby water bodies after getting prior permission from the competent authority and an affidavit in this regard shall be furnished.
5.	To consider the proposal for the grant of Amendment to the Environmental Clearance already issued for proposed expansion for the manufacturing of pigment and intermediate products at SIPCOT Industrial Complex by M/s. Clariant Chemicals (India) Limited at Kudikadu Village, Cuddalore Taluk, Cuddalore District.	6462	Discussed in detail, the Authority decided to issue amendment subject to the condition that "the industry shall establish acid recovery plant in order to recovery and recycle in the process within 2 years and bi-annual progress report shall be submitted to TNPCB with copy to SEIAA for record".
6.	To consider the grant of Environmental Clearance for the proposed construction of Multi-Storey Building by M/s. BBCL Constructions India Private Limited at S.No. 402/4A, 4B, 4C, 4D, 4E, 4F, 4G, 4H, 4I, 4J1, 4J2, 5, 6, 7A, 7B, 7C, 7D, 7E, 8A, 8B, 9A, 9B, 9C, 9D & 9E of Okkiyam Thoraipakkam Village, Sholinganallur Taluk, Kancheepuram District, Tamil Nadu.	6498	Discussed in detail, the Authority decided to recommend the proposal for the grant of Environmental Clearance subject to the following additional condition in addition to the normal conditions: 1. The proponent shall allocate play area of 4000 sq.m and the same shall be earmarked in the plan. 2. The EMP cost of Rs. 250 Lakhs shall be deposited in a

MEMBER SECRETARY MEMBER CHAIRMAN

			nationalized bank by opening separate account and the head wise expenses statement shall be submitted to TNPCB with a copy to SEIAA annually. 3. The project proponent has to provide rain water collection tank of 1500 cu.m capacity in order to recover and reuse the rain water during normal rains in addition to other structure proposed for rain water harvesting. 4. The proponent shall provide 65 numbers of rain water harvesting pit. 5. The proponent shall ensure that no impact on the biodiversity of Okkiyam Maduvu due to the project activity. 6. The proponent shall develop the green belt as per the plan furnished to SEIAA along with DGPS co-ordinates and area earmarked for the greenbelt shall not be alter at any point of time for any other purpose. 7. Storm water management plan shall be obtained by engaging the services of Anna University/IIT. 8. The project proponent has to furnish the certificate stating that the proposed site had not encroached any water body

MEMBER SECRETARY MEMBER CHAIRMAN

			(rivers, canals, lakes, ponds, tanks, etc) from its original boundary shall be obtained from the competent authority 9. The burial ground (okkiyumpettai graveyard) is located nearby the site in southwest direction. Hence, the proponent shall earmark the buffer zone of 30m as green belt with indigenous species so as to mitigate the emission and odour problem from the burial ground and revise the plan accordingly. 10. The project proponent shall ensure the level of basement shall be above maximum flood level.
7.	To consider the grant of Environmental Clearance for the proposed construction of Residential Building by M/s. Jeayam Shelters Private Limited at S.No. 251/1A, 251/2A, 251/3/2, 251/4/13, 252/1, 252/2A, 252/3A of Adambakkam Village, Alandur Taluk, Kancheepuram District, Tamil Nadu.	6522	Discussed in detail, the Authority decided to recommend the proposal for the grant of Environmental Clearance subject to the following additional condition in addition to the normal conditions: 1. The proponent should obtain NOC from the concerned Railway Authorities for the proposed construction project before issue of CTE from TNPCB. 2. The EMP cost of Rs. 138 Lakhs shall be deposited in a nationalized bank by opening separate account and the head wise expenses statement shall be submitted to TNPCB with a copy to SEIAA annually.

MEMBER SECRETARY MEMBER CHAIRMAN

			3. The project proponent has to provide rain water collection tank of 200 cu.m capacity in order to recover and reuse the rain water during normal rains in addition to other structure proposed for rain water harvesting. 4. The proponent shall develop the green belt of 20% and area earmarked for the greenbelt shall not be alter at any point of time for any other purpose. The green belt with indigenous species should be established and maintained. 5. The project activity shall not result to any adverse impact to biodiversity, water bodies and agriculture activities in the vicinity of the project site 6. Storm water management plan shall be obtained by engaging the services of Anna University/IIT. 7. The construction activity shall at no cost add to temperature raise, it should be energy efficient and ensure all sustainable environmental safety and security. 8. Natural vegetation listed particularly the trees shall not be removed during the construction/operation phase. In case any trees are likely to be

MEMBER SECRETARY MEMBER CHAIRMAN

			disturbed, shall be replanted 9. The building construction shall not cause soil erosion and damages to natural resources and other properties 10. The land earmarked for OSR shall be adjacent to the exit or entry in consultation with CMDA/Local body to enable the Government to have free access at all times. The land shall be exclusively fenced.
8.	To consider the proposal for the grant of Environmental Clearance for construction of residential development project "VGN STAFFORD" by M/s. VGN Property Developers Private Limited in Old S.F. No. 209/2 pt and 883 & T.S.No. 4 & 35B of Thirumullaivoyal Village, Block No. 46 & 42, Ambattur Taluk, Tiruvallur District, Tamil Nadu – Activity 8(b) & Category "B2"- Township and Area Development Projects.	487	Discussed in detail, the Authority decided to recommend the proposal for the grant of Environmental Clearance in addition to the following Conditions: 1. The proponent should construct additional roof run off storage to satisfy the norms, before getting CTO from the TNPCB. Also, the HT line should be relocated before obtaining the CTO from TNPCB 2. The EMP cost of Rs. 421 Lakhs shall be deposited in a nationalized bank by opening separate account and the head wise expenses statement shall be submitted to TNPCB with a copy to SEIAA annually. 3. The Project Proponent has to provide rain water harvesting collection tank to the capacity of 1330 cu.m in order to recover and reuse the rain water during

MEMBER SECRETARY MEMBER CHAIRMAN

			normal rains 4. The completion certificate shall be issued by the CMDA only, after a) Relocation of HT lines away from the residential area as communicated. b) Fulfilling the storm water management and rain water facilities. c) Commissioning of STP d) Water supply requirement 5. The project proponent shall ensure that the apartment is 'H' Block shall handed over to the owner only after shifting the HT line. 6. The proponent shall allocate adequate play area in consultation with Department of Youth Affair and Sports considering the population of the project activity and accordingly the layout plan shall be revised.
9.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Black Granite Quarry over an extent of 2.07.5 Ha at S.F. No. 36/1A & 35/1B at Malligarjunadurgam Village, Denkanikottai Taluk, Krishnagiri District, by M/s. Subiksha Granites.	4822	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished

MEMBER SECRETARY MEMBER CHAIRMAN

			to assess the ecological and other damages from the Department of Mining & Geology. 3. The EIA study report shall provide details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals.
10.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Multi-Coloured Granite Quarry over an extent of 0.20.0 Ha at S.F. No. 240 (Part) in Thogamalai Village, Kulithalai Taluk, Karur District, by Thiru. E. Rengar.	5702	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other

MEMBER SECRETARY MEMBER CHAIRMAN

			damages from the Department of Mining & Geology. 3. The EIA study report shall provide details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals.
11.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Multi-Coloured Granite Quarry over an extent of 1.04.5 Ha at S.F. No. 516/2B, 516/3A, 516/3B, 516/3C, 516/3D2 & 516/4 in Parambur Village, Illuppur Taluk, Pudukkottai District, by Thiru. P. Ravichandran.	5692	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of

MEMBER SECRETARY MEMBER CHAIRMAN

			Mining & Geology. 3. The EIA study report shall provide details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals.
12.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Black Granite Quarry over an extent of 1.05.5 Ha at S.F. No. 196/1C1B, 1C2, 1D, 1E, 1F, 1I1A, 1I1B, 5A1 and 196/5A2 in Kaduvanur Village, Sankarapuram Taluk, Villupuram District, by Tmt. J. Hajeera Banu.	6135	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of Mining & Geology.

MEMBER SECRETARY MEMBER CHAIRMAN

			3. The EIA study report shall provide details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals.
13.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Black Color Granite Quarry over an extent of 1.20.0 Ha at S.F. No. 312/1A, 312/1C1, 312/1D1A & 312/1D2 Kalugondanpalli Village of Denkanikottai Taluk & S.F.No: 387/1, Muduganapalli Village of Hosur Taluk,Krishnagiri District, by Mr. M.Chinnu.	6623	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of Mining & Geology. 3. The EIA study report shall provide

MEMBER SECRETARY MEMBER CHAIRMAN

			details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals.
14.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Black Granite in at S.F. No 3/1, 3/2 & 4/1, of Kakkambadi Village, Yercaud Taluk, Salem District by M/s. Gem Granites.	4811	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of Mining & Geology. 3. The EIA study report shall provide details of proposed and actual

MEMBER SECRETARY MEMBER CHAIRMAN

			mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals. 6. The ToR is issued subject to the outcome of the Appeal made by SEIAA-TN in Hon'ble Supreme Court of India vide Dairy No. 41473/2017.
15.	To consider the proposal for the grant of Terms of Reference under violation for the existing project for the mining of Grey Granite over an extent of 5.00.0 Ha at S.F. No. 629(P), Nagamangalam Village, Denkanikottai Taluk, Krishnagiri District by M/s. Global Trading Company.	5407	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other

MEMBER SECRETARY MEMBER CHAIRMAN

			damages from the Department of Mining & Geology. 3. The EIA study report shall provide details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals.
16.	To consider the proposal for the grant of Terms of Reference under violation for the existing project for the mining of Black Granite over an extent of 2.53.5 Ha at S.F. No. 879(P), 880/1A, 882/1, 890 (P) & 892 (P), Guttur Village, Krishnagiri Taluk, Krishnagiri District by Thiru J. Arularasu.	5408	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of

MEMBER SECRETARY MEMBER CHAIRMAN

			Mining & Geology. 3. The EIA study report shall provide details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals.
17.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Multi-Coloured Granite Quarrying in at S.F No. 25/2B, 26/2B & 33/3 of Devannagoundanur Village, Sankari Taluk, Salem District by Tvl. Gem Granites.	5519	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of Mining & Geology. 3. The EIA study report shall provide

MEMBER SECRETARY MEMBER CHAIRMAN

			details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals. 6. The ToR is issued subject to the outcome of the Appeal made by SEIAA-TN in Hon'ble Supreme Court of India vide Dairy No. 41473/2017.
18.	To consider the grant of Environmental Clearance under EIA Notification 2006 for the project by M/s. Dugar Housing Limited. Residential Cum Commercial Building Complex entitled "Lake Dugar at S. Nos: S. No. 779/2A, 2B, 2C, 2D, 2E & 2F, Korattur Village, Ambattur Taluk, Thiruvallur District under Category "B2" and Schedule S.No. 8(a) Building and Construction Projects	1342	Discussed in detail, the Authority decided to accept the recommendation of the SEAC and direct the proponent to 1. Furnish bank guarantee to Tamil Nadu Pollution Control Board as recommended by the SEAC and the proponent shall furnish an affidavit stating that the CER amount of Rs. 23.59 lakhs shall not be claimed at any point of time

MEMBER SECRETARY MEMBER CHAIRMAN

			from the environmental compensation of Rs. 1.50 Crores remitted to the TNPCB as per the Hon'ble NGT, PB, New Delhi order dated: 07.07.2015 2. TNPCB shall utilise the amount of Rs 23.59 Lakhs earmarked as CER for government activities/projects for the following purposes: i. Water Conservation, Strom water management, urban greening, Biodiversity conservation, Climate change studies and mitigation projects implementation
19.	To consider the proposal for the grant of Terms of Reference under violation for the existing project for mining Black Granite over an extent of 2.77.5 Ha at S.F. No. 540/1, Puligunda Village, Krishnagiri Taluk, Krishnagiri District by M/s. Imperial Granites (P) Ltd.	4809	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of Mining & Geology. 3. The EIA study report shall provide details of proposed and actual

MEMBER SECRETARY MEMBER CHAIRMAN

			mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals. 6. The ToR is issued subject to the outcome of the Appeal made by SEIAA-TN in Hon'ble Supreme Court of India vide Dairy No. 41473/2017.
20.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Multi colour Granite quarry over an extent of 4.64.5Ha at S.F. No. 483, Thevur Village, Sankari Taluk, Salem District by M/s. Imperial Granites (Pvt) Limited.	5518	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1. Issue of ToR is considered for the mining period 2018-19 onwards only. 2. Excess quantity mined during the mining period shall be furnished to assess the ecological and other damages from the Department of Mining & Geology.

MEMBER SECRETARY MEMBER CHAIRMAN

			3. The EIA study report shall provide details of proposed and actual mined quantity for the entire mining plan period from the competent Authority. 4. The project proponent shall enclose the approved District Survey Report (DSR) as directed by MoEF & CC in the letter dated 26.05.2018 addressed to Chief Secretaries of all States vide Lr.No. F.No.L-11011/26/2018-IA-II (M) Dated 22.05.2018 along with the EIA study report. 5. As per the order of the Hon'ble Madras High Court dated 13.10.2017 in WP.No.11189 of 2017, public hearing is mandatory for all violation proposals. 6. The ToR is issued subject to the outcome of the Appeal made by SEIAA-TN in Hon'ble Supreme Court of India vide Dairy No. 41473/2017.
21.	To consider the proposal for the grant of Terms of Reference under violation for the Existing Multi colour Granite quarry over an extent of 4.83.0 Ha at S.F. No. 569/1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 17 (P), 570/3A, 3B, 3C, 577/2 & 4, Arasiramani Bit-II Village, Sankari Taluk, Salem District by M/s. Imperial Granites (Pvt) Limited.	5517	Discussed in detail, the Authority decided to issue ToR for the preparation of EIA Report along with additional ToR as recommended by SEAC in addition to the following: 1.
