The Authority after detailed discussions and deliberations decided the following:

- Serial. No. 1 to 16:** The Authority accepted the recommendation of SEAC and decided to Grant EC to these proposals.
- Serial No. 17:** This proposal was discussed in 5.06 meeting of SEIAA held on 13<sup>th</sup> Jan 2022. The Authority was of the view that as per Govt of India OM dated 8<sup>th</sup> Aug 2019, prior clearance of Standing Committee of National Board

of Wildlife is required for the projects located within 10 km of National Park/Wildlife Sanctuary. Hence this proposal shall be granted environment clearance after clearance from Standing Committee of National Board of Wildlife. Hence the Authority had decided to defer this proposal for additional information. The project proponent has submitted that he has already applied for NBWL Clearance copy of which is attached.

In context of this case the Authority examined in detail the procedure for consideration of developmental projects located within 10 km of National Park/Wildlife Sanctuary seeking environmental clearance under the provisions of the Environmental Impact Assessment (EIA) Notification 2006 regarding as issued vide OM No. F No. 22-43/2018-IA.III, Dated 8<sup>th</sup> Aug, 2019 in light of the Hon'ble Supreme Court order dated 4/12/2006 in Writ Petition No 460/2004, and in supersession of earlier circulars and OM issued by MoEF& CC Govt of India in this regard.

MoEF vide its OM dated 8.08.2019 has stipulated that in the case of proposals of permitted developmental activities/projects within the notified ESZ as well as proposals involving developmental activity/project located within 10 Kms of National Park/Wildlife Sanctuary where the ESZ is not notified, the project proponent shall submit the application simultaneously for grant of ToR/EC as well as Wildlife Clearance. In those cases where such application is received all required procedures and formalities shall be completed upto the stage of final recommendation of SEAC. However at the stage of SEIAA the case would be kept pending till receipt of the clearance from Standing Committee of National Board of Wildlife is received, so that conditions if any suggested by NBWL may be incorporated in the EC, if it is to be issued. Also in such cases where ESZ is not notified EC shall be issued with the condition that it would remain valid subsequent to final

notification of ESZ only if defined area of the project is outside the notified boundary of the ESZ.

3. **Serial. No. 18 to 21:** These proposals fall in Taj Trapezium Zone (TTZ).
