			from the local body from handing over the access road.
5.	To consider the grant of Environmental Clearance for the proposed construction of Warehouse "Indospace Industrial Park" by M/s. IHAAN Industrial Logistics Park Private Limited at Venpakkam Village, Walajabad Taluk, Kancheepuram District.	6602	Discussed in detail, the authority decided to seek the following the following details: <ol style="list-style-type: none"> <li>1. The construction proposed is on wet land affecting agriculture and underground water table. Thus the proponent should justify the need for warehouse in such a sensitive tract.</li> <li>2. The proponent should provide documentary evidences to show that necessary approval have been obtained from the competent Authority for the proposed project. Neither the NoC from District collector, Kanchipuram nor DTCP approval furnished by the proponent fully support the project proposal. All 62 Survey Nos. proposed fall under wet land in Kanchipuram District as per the document furnished by the proponent. Hence, the proponent should ideally get conversion from the wetland to dry land covering all the survey Nos. proposed to use for the proposed project. Then, DTCP approval should be obtained for all the Survey Nos for the proposed project. District collector, Kanchipuram permission &amp; DTCP approvals should all be in the name</li> </ol>
