## Minutes of the

262<sup>nd</sup> MEETING

## STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY

Date: 20.12.2017

## MINUTES OF THE 262<sup>nd</sup> MEETING OF THE STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY HELD ON 20.12.2017

Agenda No.	Description	File No.	Minutes
a)	Confirmation of the minutes of the 261 <sup>st</sup> meeting of the Authority held on 19.12.2017		The minutes of the 261 <sup>st</sup> Meeting of the Authority held on 19.12.2017 was confirmed.
b)	The Action taken on the decisions of the 261 <sup>st</sup> meeting of the Authority held on 19.12.2017		The Member Secretary tabled the action taken report on the decisions of the 261 <sup>st</sup> meeting and discussed.
	To consider the proposal for the grant of	5193	Discussed in detail, the Authority decided
	Environmental Clearance for the proposed		to issue Environmental Clearance subject
	construction of Villa, Apartment, Club House		to the following additional conditions
	and Golf course- "CLOVER GREENS" by M/s. Hill		along with usual Terms and conditions:
	Ridge Estates Pvt. Ltd at S.F.No. (Annexure) of		1. The EMP Cost shall be printed
	Sevaganapally & Koosthanapally Village, Hosur		in the brochure / phamlets for
	Taluk, Krishnagiri District, Tamil Nadu –		the preparation of the sale of
	Category "B"-8(a) Building and constructions.		the property and should also mention the component
	Category B solar building and constructions.		involved.
			2. A certificate should be
			obtained from the local DFO
			(District Forest Officer) that
		000	the area of the site does not
1.			fall under ecologically sensitive area / Zone and
		5	elephant migrating path and
			shall be submitted to SEIAA-
			TN before applying CTE.
			3. Action envisaged should no
			way alter the natural grasses and native vegetation
			available.
			4. Action carried out in the area
			should no way affect the free
			movement of wildlife.
			5. Tourism activity should also
			include creating wildlife and conservation awareness
			programme. Sufficient,
			publicity material about the
