

STATE EXPERT APPRAISAL COMMITTEE (SEAC), ASSAM.
3RD FLOOR, STATE POLLUTION CONTROL
BOARD, ASSAM, BAMUNIMAIDAM,
GUWAHATI- 781021

Minutes of the 31th meeting of the State Expert Appraisal Committee (SEAC), Assam held in the Conference Hall of the Pollution Control Board, Assam, Guwahati-21 at 11-00 a.m. on 05 February, 2022.

List of the members present in the meeting:

<i>Sl no.</i>	<i>Name</i>	<i>Designation</i>	<i>Signature</i>
1	Sri S. K. Seal Sarma,	Chairman, SEAC	Sd/-
2	Prof. B.P. Duarah.	Member, SEAC	Sd/-
3	Prof. P. Saikia	Member, SEAC	Sd/-
4	Dr. G. C. Sarma..	Member, SEAC	Sd/-
5	Prof. S Phukan	Member, SEAC	Sd/-
6	Prof. R Mahanta	Member, SEAC	Sd/-
7	Sri N.N. Deka.	Member, SEAC	Sd/-
8	Dr. K. Bhuyan Saikia	Member, SEAC	Sd/-
9	Dr. S.K Dutta	Secretary, SEAC	Sd/-

Sri S K Seal Sarma, Chairman, SEAC, Assam presided over the meeting. Welcoming all the members the Chairman affirmed on the present cases pending with the SEIAA, Assam and stated for disposal of the proposals in hand following the prevailing notifications/guidelines issued from time to time by the Govt. The Chairman also briefed the recent O.M. notified by the Govt. on 17th January, 2022 relating to methodology /criteria for rating of SEIAA, and started the proceedings as per agenda item place on the table.

Agenda item- 1. Confirmation of the resolutions adopted the 30th meeting of SEAC, Assam.

Resolution 31/1:

The minutes of the 30th SEAC meeting held on 4th January 2022 is placed on the table for perusal of the Hon'ble Members and necessary deliberation. The minutes of the 30th SEAC meeting is approved unanimously after a brief discussion.

Agenda item- 2.

- 1. Proposal of EC for collection of P.P Land Ordinary Clay / River Silt from "Simalia P.P land clay/ River Silt MPA under North Kamrup Division, Rangia proposed by Sri Pradip Sarma. SEIAA. 1897/2021, (SIA/AS/MIN/233344/2021)**

Resolution 31/2:

The project proposal asking EC for mining of ordinary clay/river silt from "Simalia P.P land clay/ River Silt MPA under North Kamrup Division, Rangia proposed by Sri Pradip Sarma is appraised in the SEAC meeting. Documents submitted by the proponent in support of the proposal are

thoroughly scrutinized. Detail discussion is also held. It is observed that the proposed area covers entire river channel from bank to bank, the mining has possibility to result instability of the river course as well as river bank instability. Further, it is not understood how the active river channel become patta land and the report of the Circle officer, Borbhag Revenue Circle, Kamarkuchi as well as the JVR does not spell specifically on it. So, the project is difficult to recommend. However, the following additional information is required for reconsideration of the project proposal.

- *The opinion of the Executive Engineer, Nalbari Water Resource Division is required for taking decision.*
- *It is also noted that the project proposal is without the proper "trace map" which is required with due seal and signature of the concerned revenue authority.*
- *Certificate is required from the concerned Revenue Authority specifying that the proposed site in question under **Dag No. 96, 97 and 11 of Patta No. NK-2** is pataland falls in river for authentication and taking further needful action.*

Agenda item- 2.

2. **Proposal of EC for mining of P.P Land Stone from "Na-Pani P.P Land Stone MCA under Karbi Anglong East Division proposed by Sri Bronson Terang. SEIAA.1757/2021, (SIA/AS/MIN/191753/2021).**

Resolution 31/3:

The project proposal asking EC for mining of stone from **"Na-Pani P.P Land Stone MCA under Karbi Anglong East Division proposed by Sri Bronson Terang** is placed before the SEAC for appraisal and discussion. Necessary documents are scrutinized and appraised including the reply of EDS furnished by the proponent. Corrected GPS coordinates are seen in the report of the DFO, KA East Division dt. 17th Jan.2022. Approved mining plan and recommendation of the concerned DFO is discussed. After detail discussion the committee recommended the proposal to mine out **7000 cu.m stone from the proposed location within two years with the condition that utmost care should be taken by the proponent not to cause any damage to the natural source of water over the area. Further, local species native to the site may be chosen in consultation with the local forest staff to take up plantation as quoted in the approved mining plan. The proponent is allowed for mining of 3500 cu.m stone per annum within the proposed site strictly adhering to all other terms and condition laid down in the approved mining plan.**

The Divisional Forest Officer, Karbi Anglong East Division is requested for regular and strict monitoring on the mining operation to avoid occurrence of irregularities. He is also requested to see that the over burden of the mining activities is dumped systematically as approved in the mining plan. The DFO is requested to mark the approved mining site on the ground following the corrected GPS coordinates before allowing actual filed activities and mining is completely restricted outside the approved boundary. Violation of any terms and condition on the part of the proponent, if notice that has to be dealt with as per provision of prevailing Law.

Agenda item- 2.

3. **Proposal asking EC for mining of Ordinary Earth from the "Earth MPA at Solengi River (Plot 2B) under Sonitpur East Division" under Dhatarwal Construction Company Pvt. Ltd. SEIAA.1952/2021, (SIA/AS/MIN/245024/2021)**

Resolution 31/4:

The project proposal asking EC for mining of ordinary earth from “**Earth MPA at Solengi River (Plot 2B)**” under Sonitpur East Division proposed by **Dhatarwal Construction Company Pvt. Ltd.** is placed before the SEAC for appraisal and discussion. Appraised and necessary documents are scrutinized. Detail deliberation is held in the meeting. It is observed that the allotted area of the proposed site is 3.34 hect. whereas mining area is 2.96 hect. The reserve (mineable) is indicated to a depth of 3 mt. as 61308 cu.m which is targeted for two years. But the table of mineable depth indicates per year mineable material to a depth of 3 mt. is 30654 cu.m. The estimation shows that each year mining will be done to a depth of 3 mt. and hence annual extraction will be 61308 cu.m and not 30654 cu.m. In the second year also follow the same reserve estimation for extraction of mineable i.e 61308 cu.m. (which may be less if not completely filled up by river during wet season of the following year).

The committee needs clarification up to what depth mining will be done in the first year and from what depth mining will be done in the 2nd year. Further, mining area extends from bank to bank of the river that needs to reduce the size and new reserve estimation considering the new boundary is required.

The proponent is requested to furnish clarification the above discussed points through the concerned RQP for consideration of the proposal.

Agenda item- 2

4. **Proposal asking EC for mining of ordinary earth from “Jia Bharali River MPA No.2” under Sonitpur East Forest Division proposed by M/S MKCIL-RSM (JV).
SEIAA. 1856/2021, (SIA/AS/MIN/230185/2021)**

Resolution 31/5:

The project proposal asking EC for mining of ordinary earth from “**Jia Bharali River MPA No.2**” under Sonitpur East Forest Division proposed by **M/S MKCIL-RSM (JV)** is placed before the SEAC for appraisal and discussion. Scrutinized the documents furnished by the proponent. The approved mining plan and recommendation of the DFO, Sonitpur East Division is discussed in details. It is observed that the EC is sought to use the minable minerals for construction of NH- 715. After detailed discussion and considering all aspects the committee recommended the proposal approving to extract *100000 cu.m ordinary earth from the proposed location within a period of two years.* Accordingly the proponent is allowed to extract *50000 cu.m ordinary earth from the approved location per year* strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Sonitpur East Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that the mine out materials is used exclusively for construction the Jia Bharali Bridge on NH-715.

Agenda item- 2.

- 5. Proposal asking EC for mining of Ordinary Earth from “2.50Ha Earth MPA at Solengi River (Plot-1) under Sonitpur East Division proposed by Dhatarwal Construction Company Pvt. Ltd. SEIAA.1944/2021, (SIA/AS/MIN/244875/2021).**

Resolution 31/6:

The project proposal asking EC for mining of ordinary earth from “**2.50Ha Earth MPA at Solengi River (Plot-1)**” under Sonitpur East Division proposed by **Dhatarwal Construction Company Pvt. Ltd.** is placed before the SEAC for appraisal and detail deliberation. Scrutinized the documents furnished by the proponent. The approved mining plan and recommendation of the DFO, Sonitpur East Division is discussed in details. It is observed that the EC is sought to use the minable minerals in construction and 4- laning of NH-52 from Biswanath Chariali to Gohpur. After detailed discussion and considering all aspects the committee recommended the proposal approving to extract *40000 cu.m ordinary earth from the proposed location at Solegi River (Plot -1) within a period of two years.* Accordingly, the proponent be allowed to extract *20000 cu.m ordinary earth from the approved location per year* strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Sonitpur East Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that the mine out materials is used exclusively for 4-laning works from Biswanath Chariali to Gohpur on NH-52.

Agenda item- 2.

- 6. Proposal of EC for mining P.P Land Stone from “Deihori P.P land Stone M.C area under Karbi Anglong East Division proposed by Sri Kensing Singer. SEIAA.1893/2021, (SIA/AS/MIN/232690/2021).**

Resolution 31/7:

The project proposal requesting EC for mining of Stone from “**Deihori P.P land Stone M.C Area**” under Karbi Anglong East Division proposed by **Sri Kensing Singer** is placed before the SEAC for appraisal and detail discussion. Necessary scrutiny of the documents furnished by the proponent along with the reply of EDS has been made. Approved mining plan and recommendation of the DFO, K A East Division is discussed. The report of the DFO, K A East Division relating to correction of GPS coordinates and non existence of mining area within a radius of 500 mts from the proposed location is also discussed. After detailed deliberation the committee recommended the proposal to extract *7000 cu.m. Stone from the proposed location within a period of four years with the condition given below:*

- *Considerable quantity of overburden in the form soil and waste rock will yield which should be dumped systematically for backfilling as mentioned in the mining closure plan.*
- *The proponent should take extra care so the no natural water source over the area gets disturb and contaminated.*
- *Plantation must be taken up choosing indigenous /local species as proposed in the mining plan.*

The proponent is allowed to extract *1750 cu.m stone from the proposed location annually* strictly following all other terms and conditions laid down in the approved mining plan.

The Divisional Forest Officer, Karbi Anglong East Division is requested to ensure strict surveillance on the mining activities to check occurrences of irregularities during the mining period. The DFO is also requested to mark the proposed location on the ground fixing boundary pillars before allowing actual operation. He is also requested to ensure compliance of the all the terms and conditions by the proponent during the mining period and any violation thereon may be handled strictly and promptly as per existing Rule.

Agenda item- 2.

7. Proposal of EC for mining Stone and Sand & Gravel from “Pranpari Anglong P.P land stone & GSB Permit Area under Karbi Anglong East Division proposed by Executive Engineer SEIAA 1965/2021, (SIA/AS/MIN/247146/2021).

Resolution 31/8:

The project proposal requesting EC for mining of Stone and GBS from “**Pranpari Anglong P.P land Stone & GSB Permit Area**” under Karbi Anglong East Division proposed by **the Executive Engineer, PWD, Kohora Road Division** is placed before the SEAC for appraisal and discussion. Scrutinized the documents thoroughly including the reply of EDS. Detailed discussion is held. It is observed the presence of grasses and shrubs on the proposed mining site as shown in the *Plate 2* of the approved mining plan. However, the satellite images shows presence of primary forest over the proposed mining site. *Clarification is required from the Divisional Forest Officer, Karbi Anglong East Division stating the current status of Forests and felling of tree involves if any over the proposed site.*

The proponent be informed to furnish necessary rely on the points discussed above at the earliest for consideration of the project proposal.

Agenda item- 2.

8. Proposal asking EC for mining of Earth from “2.0Ha Earth MPA at Buroi River” under Sonitpur East Division proposed by Dhatarwal Construction Company Pvt. ltd SEIAA 1941/2021, (SIA/AS/MIN/244785/2021).

Resolution 31/9:

The proposal asking EC for mining of earth from “**2.0Ha Earth MPA at Buroi River**” under Sonitpur East Division proposed by **Dhatarwal Construction Company Pvt. ltd** is placed before the SEAC for appraisal and discussion. Appraised the proposal and necessary scrutiny of the documents submitted by the proponent is made. Approved mining plan and recommendation of the DFO, Sonitpur East Division is discussed. After thorough deliberation the committee recommended the proposal for extraction of *34176 cu. m earth from the proposed location within a period of two years.* It is also approved to extract *17088 cu.m earth annually* from the approved location strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Sonitpur East Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that the mine out materials is used exclusively for 4 laning works from Biswanath Chariali to Gohpur on NH-52.

Agenda item- 2.

- 9. Proposal of E.C for mining of river Sand from “Buridehing River Sand MPA” under Dibrugarh Forest Division proposed by Sri Suresh Buragohain, Prop. M/S Gohain Construction. SEIAA.1996/2022, (SIA/AS/MIN/251343/2021).**

Resolution 31/10:

The project proposal asking EC for mining of river sand from “**Buridehing River Sand MPA**” under Dibrugarh Forest Division proposed by **Sri Suresh Buragohain, Prop. M/S Gohain Construction** is placed before the SEAC for appraisal and discussion. Necessary scrutiny of the documents submitted by the proponent is done. Recommendation of the concerned DFO, LOI issued by him and the approved mining plan is discussed in details. After thread bare discussion the committee recommended the proposal to extract *20000 cu.m Sand from the proposed mining site at Buridihing River within a period of two years.* The proponent is allowed to extract per year 10000 cu.m sand strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Dibrugarh Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that due compliance is done by the proponent as per condition quoted in the EC during the mining period.

Agenda item- 2.

- 10. Proposal of E.C for mining of Sand from the “Buridehing River Sand MPA (Kulagora)” under Dibrugarh Forest Division proposed by Sri Suchan Gogoi. SEIAA.1975/2021, (SIA/AS/MIN/248507/2021)**

Resolution 31/11:

The project proposal asking EC for mining of river sand from “**Buridehing River Sand MPA (Kulagora)**” under Dibrugarh Forest Division proposed by **Sri Suchan Gogoi** is placed before the SEAC for appraisal and discussion. Necessary scrutiny of the documents submitted by the proponent along with proposal is done. Recommendation of the concerned DFO, LOI issued by him and the approved mining plan is discussed in details. After detailed discussion the committee recommended the proposal to extract *30000 cu. Sand m from the proposed mining site within a period of two years.* The proponent is allowed to extract per year 15000 cu.m sand strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Dibrugarh Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that due compliance is done by the proponent as per condition quoted in the EC during the mining period.

Agenda item- 2.

11. Proposal of TOR for “Establishment of a New Standalone Cement Grinding Unit with capacity of 2.0 MTPA at Chamata Pathar proposed by Star Cement North East Ltd. SEIAA.1995/2022, (SIA/AS/MIN/70471/2021)

Resolution 31/12:

The project proposal requesting for issuance of TOR for **“Establishment of a New Standalone Cement Grinding Unit with capacity of 2.0 MTPA at Chamata Pathar proposed by Star Cement North East Ltd.** is placed before the SEAC for appraisal and discussion. Appraised the proposal and necessary scrutiny of the documents furnished by the proponent in support of the project is scrutinized. Detailed discussion is held. After thorough deliberation the committee resolved to conduct a **site inspection to the proposed site** for taking onward requisite action.

The proposed site will be visited by a subcommittee of the SEAC Assam and date of site visit will be intimated separately.

Agenda item- 2.

12. Proposal of E.C for mining of Gravel from “Saraguri P.P Land Gravel MPA” under Kachugaon Forest Division proposed by Sri Bahaigya Basumatary. SEIAA.1851/2021, (SIA/AS/MIN/226417/2021)

Resolution 31/13:

The project proposal asking EC for mining of gravel from **“Saraguri P.P Land Gravel MPA”** under Kachugaon Forest Division proposed by **Sri Bahaigya Basumatary** is placed before the SEAC for appraisal and discussion. Scrutinized the documents including the reply furnished that sought as EDS. Detailed discussion is held and observed some discrepancies in the project proposal that needs clarification for consideration of the project proposal.

- *Need satisfactory answer as on how it is known that the trace map area is exactly the area shown inside the middle of the river. The coordinates of the trace map is determined by what means -need clarification.*
- *Trace map boundary and boundary of the mine area's shape are different. The trace map as well as the mine plan map should be of same scale.*
- *Orientation of trace map and the mine plan map does not match.*

The project map may be rejected if satisfactory answer is not received on the above points.

Agenda item- 2.

13. Proposal of E.C for mining of stone from “Stone MPA at Borgang River” under Sonitpur East Division proposed by Dhatarwal Construction Company Pvt. Ltd. SEIAA.1959/2021, (SIA/AS/MIN/245123/2021)

Resolution 31/14:

The proposal asking EC for mining of stone from **“Stone MPA at Borgang River”** under Sonitpur East Division proposed by **Dhatarwal Construction Company Pvt. Ltd** is placed before the SEAC for appraisal and discussion. Appraised the proposal and necessary scrutiny of the documents submitted by the proponent is made. Approved mining plan and recommendation of the DFO,

Sonitpur East Division is discussed. After thorough deliberation the committee recommended the proposal for extraction of *67522 cu. m river bed stone from the proposed location within a period of two years*. It is also approved to extract *33761 cu.m stone per year* from the approved location strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Sonitpur East Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that the mine out materials is used exclusively for 4-laning works from Biswanath Chariali to Gohpur on NH-52.

Agenda item- 2.

14. **Proposal of E.C for collection of Ordinary Clay from “Sarmarjuli Gaon Ordinary Clay MPA near Agyathuri on Brahmaputra River Bed” under N.K Division proposed by Sri Fatik Das. SEIAA.1994/2022, (SIA/AS/MIN/250961/2022)**

Resolution 31/15:

The project proposal asking EC for extraction of ordinary clay from **“Sarmarjuli Gaon Ordinary Clay MPA near Agyathuri on Brahmaputra River Bed”** under N.K Division proposed by **Sri Fatik Das** is placed before the SEAC for appraisal and detail discussion. Appraised the proposal and necessary scrutiny of the records are made. The recommendation made by the DFO, N K Division; report of the Addl. Deputy Commissioner, Kamrup and approved mining plan is discussed. After detailed deliberation the committee recommended the proposal to extract *20120 cu.m ordinary clay from the proposed site within a period of two years* on the basis of approved mining plan. The proponent is allowed to extract *10060 cu.m ordinary clay annually* strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, North Kamrup Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that mining be allowed strictly within the approved site and not beyond the limit of the same.

Agenda item- 2.

15. **Proposal of E.C for construction of “200 Bedded ESIC Hospital at Beltola” proposed by the Regional Director, ESIC Regional Office (N E region), Guwahati. SEIAA.1937/2022, (SIA/AS/MIN/241023/2021)**

Resolution 31/16:

The project proposal requesting EC for construction of **“200 Bedded ESIC Hospital at Beltola” proposed by the Regional Director, ESIC Regional Office (N E region), Guwahati, Asam** is placed before the SEAC for appraisal and discussion. Scrutinized the documents furnished along with the proposal. Necessary site visit has been conducted by the subcommittee of SEAC, Assam on 7th January, 2022. Certain clarification has been sought on the basis of the site visit report which is also discussed on 5th Feb.22. Presentation on the different activities proposed in the proposal has also been given by the proponent on 5th Feb, 2022. Detail deliberation is held in presence of the proponent and

the committee recommended the proposal for issuance of EC with the following conditions.

- *The project site is located inside the city limit, so sufficient care should be taken to minimize the disturbance in the surroundings.*
- *The rain water harvesting plan should effectively be functional.*

Agenda item- 2.

16. **Proposal of E.C for mining of Sand from “Kalo River MMU” under Dhubri Forest Division proposed by Mastaur Rahman SEIAA.1910/2022, (SIA/AS/MIN/232224/2021)**

Resolution 31/17:

The project proposal asking EC for mining of sand from “**Kalo River MMU**” under South Salmara-Mankachar District and Dhubri Forest Division proposed by **Mastaur Rahman** is placed before the SEAC for appraisal and discussion. Necessary records are verified. The approved mining plan, NOC issued by the Deputy Commissioner, South Salmara- Mankachar District and recommendation of the concerned DFO is discussed in detail. The committee after detailed discussion recommended the proposal to extract *20000 cu.m. sand from the proposed mining site within a period of 5 (Five) years.* The proponent is allowed to *extract 4000 cu. m. sand from the approved mining site per year* strictly following all the terms and condition lid down in the approved mining plan.

The Divisional Forest Officer, Dhubri Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that mining be allowed strictly within the approved site and not beyond the limit of the same.

Agenda item- 2.

17. **Proposal of E.C for mining of sand from “Disang River Sand MPA “I” (Bhojo)” under Sivasagar Division proposed by Sri Ranjan Dutta. SEIAA.1976/2021, (SIA/AS/MIN/250607/2022)**

Resolution 31/18:

The project proposal asking for EC against mining of sand from “**Disang River Sand MPA “I” (Bhojo)”** under Sivasagar Division proposed by **Sri Ranjan Dutta** is appraised in the meeting. Necessary scrutiny of the record is made. Approved mining plan, recommendation of the DFO is discussed. It is seen that the proposal is made as per demand of the EE, PWD, Charaideo TR Division. Considering all the above, the committee recommended the proposal for extraction of *500 cu.m sand from the proposed site within a period of one year.* The proponent shall have to strictly follow all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Sivasagar Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that mining be allowed strictly within the approved site and not beyond the limit of the same.

Agenda item- 2.

- 18. Proposal of EC for setting up of “Common Bio- Medical Waste Treatment and Disposal Facility at Kahar Pathar” in the District of Barpeta proposed by Ksepya Env. Management Pvt. Ltd. SEIAA.1178/2020, (SIA/AS/MIN/1976743/2021)**

Resolution 31/19

The proposal requesting EC for setting up of “Common Bio- Medical Waste Treatment and Disposal Facility at Kahar Pathar” in the District of Barpeta proposed by Ksepya Env. Management Pvt. Ltd. is placed before the SEAC for review and discussion. The subcommittee of the SEAC inspected the site on 31st Oct. 2021 and accordingly additional information is sought. In the mean time two times presentation is given by the proponent with assistance of his consultant. Scrutinized the required documents including the information submitted being EDS/ ADS. The committee after due deliberation *recommended the proposal for issuance of EC with the condition that all standard norms as proposed must be maintained to keep the environment in the surrounding clean and green.*

Agenda item- 2.

- 19. Proposal of E.C for mining of sand from “Dhansiri River Sand (Bam Singimari) under Golaghat Division proposed by Sri Ricky Borah. SEIAA.1998/2022, (SIA/AS/MIN/240465/2022)**

Resolution 31/20:

The project proposal asking EC for mining of sand from “Dhansiri River Sand (Bam Singimari)” under Golaghat Division proposed by Sri Ricky Borah is placed before the SEAC for appraisal and discussion. Required documents furnished by the proponent are scrutinized. The approved mining plan and recommendation of the concerned DFO is discussed. It is seen that the proposal is made as per demand of the BDO, Golaghat South Development Block for execution of works under P&RD. The committee after detailed discussion recommended the proposal to *extract 600 cu.m sand from the proposed site within a period of one year.* The proponent shall have to strictly follow all the terms and condition laid down in the approved mining plan. The mine out material shall have exclusively be used for execution of the works under P&RD.

The Divisional Forest Officer, Golaghat Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that mining be allowed strictly within the approved site and not beyond the limit of the same.

Agenda item- 2.

- 20. Proposal of E.C for mining of sand Gravel from “Hahaim P.P Land Sand Gravel MPA” under Kamrup West Division proposed by ABCI Infrastructure Pvt. Ltd. SEIAA.2004/2022, (SIA/AS/MIN/250787/2022)**

Resolution 31/21:

The project proposal asking EC for mining of sand-gravel from “Hahaim P.P Land Sand Gravel MPA” under Kamrup West Division proposed by ABCI Infrastructure Pvt. Ltd. is placed before the SEAC for appraisal and discussion. Necessary scrutiny of the records is made. The approved mining

plan, recommendation of the DFO, Kamrup West Division and request letter issued by the Deputy Chief Engineer, Railway Construction, Goalpara Division is discussed. The committee after due deliberation recommended the proposal to *extract 30334 cu.m. sand- gravel from the proposed site within a period of two years with the condition that no natural source of water should get disturbed due to proposed mining activities. Further, plantation should be taken up selecting native/local species suited to the land.* Accordingly the proponent is allowed to *extract 15172 cu.m. sand- gravel annually* strictly adhering to all terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Kamrup West Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that mining be allowed strictly within the approved site and not beyond the limit of the same.

Agenda item- 2.

21. Proposal of E.C for mining of Sand and Gravel from “Sand & Gravel MPA at Sankash Khoksaguri Sand –Gravel mahal” under Kachugaon Division proposed by Lasan & Toubro Ltd. SEIAA.2003/2022, (SIA/AS/MIN/249525/2022)

Resolution 31/22:

The project proposal asking EC for mining of sand & gravel from “**Sand & Gravel MPA at Sankash-Khoksaguri Sand–Gravel Mahal**” under Kachugaon Division proposed by **Lasan & Toubro Ltd.** is placed before the SEAC for appraisal and discussion. Due scrutiny of the documents are made. The approved mining plan, recommendation of the CCF Cum CHD, Bodoland Territorial Council and request letter issued by the Larson & Toubro is discussed. The committee after due deliberation recommended the proposal to *extract 99864 cu.m. Sand & gravel from the proposed location within a period of two years.* Accordingly the committee approved to *extract 49932 cu.m. Sand & gravel per year* strictly following all the terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Kachugaon Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that mining be allowed strictly within the approved site and not beyond the limit of the same.

Agenda item- 2.

22. Proposal of E.C for collection of Stone from “Chiri-II MMU (Stone)” under Cachar Division proposed by the DFO, Cachar Division, Silchar. SEIAA.1999/2022, (SIA/AS/MIN/251979/2021)

Resolution 31/23:

The project proposal asking EC for mining of stone from “**Chiri-II MMU (Stone)**” under Cachar Division proposed by the **DFO, Cachar Division, Silchar** is placed before the SEAC for appraisal and discussion. The requisite document submitted by the DFO, Cachar Division being proponent is verified. Approved mining plan is also discussed in detail. The committee after due deliberation

recommended the proposal to extract 40000 cu.m. Stone from the proposed mining site within a period of two years with the condition that adequate check dams and retaining walls shall be made to prevent any anticipated impact on water regime. The DFO, Cachar Division will ensure that the mined out minor minerals should exclusively be utilized by the Govt. department only against developmental works. The proponent is allowed to extract 20000 cu. m. stone annually from the approved location.

Further, the DFO, Cachar Division will ensure due compliance of all the terms and condition laid down in the approved mining plan during the pendency of the mining period.

Agenda item- 2.

23. Proposal of E.C for mining of stone from “Bheluguri Stone Mahal” under Nagaon Forest Division proposed by Md. Kamal Ahmed. SEIAA.1867/2021, (SIA/AS/MIN/232458/2021)

Resolution 31/24:

The project proposal requesting EC for mining of stone from “Bheluguri Stone Mahal” under Nagaon Forest Division proposed by **Md. Kamal Ahmed** is appraised in the SEAC meeting. The proposed site has been inspected by the subcommittee of SEAC, Assam on 9th January 2022 and submitted field inspection report on 17th Jan.2022. Accordingly certain additional information was sought which the proponent has furnished. Documents are scrutinized including the approved mining plan and report of the concerned DFO. The committee after due deliberation recommended the proposal for *mining of 350000 cu.m stone from the proposed location within a period of five (5) years subject to the condition that:*

- Existing water supply to the villages should not be disturbed, and sufficient care should be taken not to pollute the stream on which the villagers depend for potable water.
- The proponent be allowed to operate after receiving necessary Forest Clearance from the Govt.
- The proponent is allowed to extract 70000 cu.m stone from the approved mining site per year strictly following all other terms and condition laid down in the approved mining plan.

The Divisional Forest Officer, Nagaon Forest Division is requested to ensure strict surveillance on the mining activities to avoid occurrences of irregularities. The DFO is also requested to mark the proposed location on the ground fixing pillars before allowing actual mining activities and ensure that mining be allowed strictly within the approved site and not beyond the limit of the same.

Agenda item- 2.

24. Proposal for amendment with extension of EC for construction of “Residential Complex - Harmony Naturals” at Azara in the District Kamrup, Assam proposed by SKRE Building Future Pvt. Ltd. SEIAA.1949/2021, (SIA/AS/MIN/244917/2021)

Resolution 31/25:

The project proposal for amendment and extension of EC for construction of “Residential Complex - Harmony Naturals” at Azara in the District Kamrup, Assam proposed by **SKRE Building Future Pvt. Ltd.** is placed before the SEAC for appraisal and discussion. The proposal is appraised in the meeting and requisite documents are verified. A brief discussion is held and the committee resolved to

have site inspection before taking onward decision. The subcommittee of the SEAC will inspect the proposed site with shortest possible time and the programme of site visit will be intimated to the proponent separately. **Site visit proposed.**

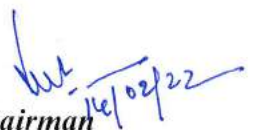

Agenda item- 2.

25. Proposal for extension of EC for Collection of Silt/ Earth from” NKD-B-12 of Nakhanda MCA” under N.K Division Rangia proposed by Sri Mrinal Jyoti Das. SEIAA.1974/2021, (SIA/AS/MIN/245321/2021)

Resolution 31/26:

The proposal for extension of EC against mining of silt/clay from “**NKD-B-12 of Nakhanda MCA**” under N.K Division Rangia proposed by **Sri Mrinal Jyoti Das** is placed before the SEAC for appraisal and discussion. Appraised the proposal and scrutinized the records. Due discussion is held. In course of verification some discrepancies is observed in the report submitted by the concerned DFO. *It is resolved to place the proposal in the next meeting of SEAC for review and disposal.*

The meeting is ended with vote of thanks from the Chair.
