Panna (MP) by Shri Devi Singh (Owner), Village - Kutarhiya, Tehsil - Pawai, Dist. Panna, MP – 488446

This is the case of Flag Stone Quarry. EC granted in 539th SEIAA meeting dated 23.04.2019. A copy of complaint letter dtd. nil received in SEIAA dtd. 31.05.2019 from Shri Om Prakash Pandey, Mohindra, District Panna regarding Lease Cancellation & Violation of environmental conditions given in Environmental Clearance letter issued by SEIAA vide no 544/ SEIAA/19 dtd. 14.05.2019. The complaint was sent to Regional Office, MoEF&CC, Gol vide letter No. 1539/SEIAA/19 dated 04.07.2019. In response to this letter, MoEF&CC has written letter to SEIAA vide No. 18-B-89/2019 (SEAC)/020 dated 03.01.2020 in which it is mentioned that complaint alleges that EC was obtained by the Project Proponent through discrepancy of the factual / background information and by erroneous method. The following are alleged in the complaint:

1. The Flag Staon Quarry is located at Khasra no. 284, 292. Towards the west of khasr no. 284 is forest land at 0 mt distance and towards east of khasra no. 292 is forest land at aprosimately 30 mts distance. However, forest boundary is incorrectly said to be located at 250 mts distance & approval for the same is also not obtained from the Commissioner, Sagar.
2. The Khasra no. 287 is situated in between above said khasra numbers throughwhich National Hihgway is passing. The approved area is adjacent to NH which connects pawai & mohandra. As per environment & mine policy, mine can not be approved within 50 mt to NH. Thus, EC was approved in appropriately by hiding the NH from the map.

After discussion, it is decided to send the complaint alongwith letter dated 03.01.2020 receivef from Righionl Office, MoEF&CC, Gol to Collector Panna to clarify and verify the factual status of the mine at the earliest possible so that necessary decision can be taken by SEIAA.
