The Authority after detailed discussion and deliberation decided the following:

1. **Serial No. 1:** The Authority is of the view that this case has been wrongly applied. It is a proposal of ToR hence; it is rejected and PP is advised to apply afresh under ToR Category.
2. **Serial No. 2, 3, 4, 6, 7, 8, 9, 11, 12, 17, 18, 24 to 27 and 31:** The Authority accepted the recommendation of SEAC and decided to grant ToR to these proposals.
3. **Serial No. 13, 14, 20, 21, 22, 23, 30, 32, 33:** The Authority accepted the recommendation of SEAC and decided to grant EC to these proposals.
4. **Serial No. 10:** The Mining lease in this proposal is in operation since 1991 and this is the first time that the EC has been applied. The Authority decided to refer this proposal back to SEAC with the direction that SEAC should specifically examine following two issues and give very specific comments:
 1. Is it a violation Case
 2. Does it fall under TTZ.
5. **Serial No. 15:** DSR is not enclosed and the NABET Certificate has expired. Hence, the Authority decided to defer this proposal for additional information.
6. **Serial No. 16:** There is no mention of distance from Forest Area in Form I as well as in certificate by DCF, Ajmer. Also, The disclosure of consultant is not enclosed. Hence, the Authority decided to defer this proposal for additional information.

7. **Serial No. 28:** The Authority accepted the recommendation of SEAC and decided to grant EC subject to the condition stating that Neem trees in the lease area shall not be cut at any point of time.
8. **Serial No. 19 & 29:** SEAC has recommended both these cases for Grant of EC but has failed to check the mandatory requirement of District Survey Report (DSR) w.r.t minor minerals. The DSR attached with the proposals is of Sand Mining while the application is for Masonary Stone. Hence, the Authority decided to refer back these cases to SEAC to re-examine and send to SEIAA after re-examination.
9. **Serial No. 5, 34:** The Authority accepted the recommendation of SEAC and decided to close & delist these proposals.
10. **Serial No. 35:** The PP has submitted revised parking plan with increased capacity along with stating that for certain offices proposed the lessee company would be engaging company transport for its staff for getting to office and dropping back, as per the standard practices for such organizations. All parking norms of RIICO/JDA have been fulfilled and examined by SEAC. Accordingly recommendation of SEAC was accepted and the Authority decided to Grant EC to this proposal.
11. **Serial No. 36:** The Project Proponent has submitted the additional information sought by SEIAA in its 5.39 Meeting. After examining the information submitted, the Authority decided to Grant EC to this proposal.

Meeting ended with vote of thanks to the chair.

CORRIGENDUM

5.40th Meeting of the State Level Environment Impact Assessment Authority was held on **16-9-2022 at 11.30 A.M.** in the Chamber of Chairman, SEIAA under the chairmanship of Sh. Rajeeva Swarup (IAS. Retd.). During the Meeting, SEIAA made the decision for Proposal No. 269456 and 269360 stating “SEAC has recommended both these cases for Grant of EC but has failed to check the mandatory requirement of District Survey Report (DSR) w.r.t minor minerals. The DSR attached with the proposals is of Sand Mining while the application is for Masonary Stone. Hence, the Authority decided to refer back these cases to SEAC to re-examine and send to SEIAA after re-examination”. However, it has been brought into notice of the Authority that DSR (Sand Mining) also deals with the Minor Minerals hence, The Authority decided to make following corrections in the Minutes of the **5.40th** Meeting of SEIAA issued vide this Authority letter No. F.8(5)/EIA/Env. /2006-V dated 16.09.2022: -

S.No.	As per issued Minutes dated 16.09.2022	Amended Minutes
1.	Serial No. 19 and 29 The Authority decided to refer back these proposals to SEAC to re-examine and send to SEIAA after re-examination	Serial No. 19 and 29 The Authority based on the recommendation of SEAC decided to Grant EC to these proposals.
