

29th July 2020.

143rd SEAC, A.P.

सत्यमेव जयते

143rd MEETING MINUTES
OF STATE EXPERT APPRAISAL COMMITTEE (SEAC),
ANDHRA PRADESH HELD ON
29th July 2020.

(day 2)

B. Sundar

29th July 2020.

Agenda Item No:143.14	2.3868 ha Proposed Ordinary Sand Mine, Kalludevanahalli Sand Reach of Hagari River at Sy.No. 296, Kalludevanahalli Village, Bommanahal Mandal, Anantapur District, Andhra Pradesh
SIA/AP/MIN/15 9955/2020	<p>Category : B2</p> <p>The representatives of the project proponent Asst, Director Mines and Geology Anantapur and their RQP attended the Online meeting.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining project for the production quantities: Ordinary sand – 23,868 m³/annum, duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p> <p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ol style="list-style-type: none">The nearest road is 575 meters, Kalludevanahalli roadThe project concerned is fulfilling all requirements of the WALTA.The proponent agreed to allocate Rs.3.5 Lakhs towards Environmental Budget.And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.The distance of the nearest village is Kalludevanahalli and 0.90 Kms
Agenda Item No:143.15	1.0 ha Proposed Ordinary Sand Mine, Dindi Sand Mine at Dindi Village Malkipuram Mandal, East Godavari District, Andhra Pradesh
SIA/AP/MIN/15 1069/2020	<p>Category : B2</p> <p>The representatives of the project proponent Assistant Director of Mines and Geology East Godavari and their RQP attended the Online meeting.</p> <p>The project proponent requested for Withdraw of the proposal. The committee accepted withdrawal of application.</p>
Agenda Item No:143.16	1.375 Ha. Ordinary Sand of Sajjapuram Sand Reach at Sajjapuram village, Nellore Mandal, SPSR Nellore District, Andhra Pradesh
SIA/AP/MIN/16 0871/2020	<p>Category : B2</p> <p>The representatives of the project proponent Assistant Director of Mines and Geology Nellore and their RQP attended the Online meeting.</p> <p>The project proponent requested for Withdraw of the proposal. The committee accepted withdrawal of application.</p>
Agenda Item No:143.17	4.451 Ha Proposed Ordinary Sand Mine, Padamati Khambampadu Sand Reach in Penna River at Padamati Khambampadu Village, Anantasagaram Mandal, SPSR Nellore Godavari District, Andhra Pradesh
SIA/AP/MIN/16 0863/2020	<p>Category : B2</p> <p>The representatives of the project proponent Assistant Director of Mines and Geology Nellore and their RQP attended the Online meeting.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining project for the production quantities: Ordinary sand – 12917 m³/annum(as per application), duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p>

RS

29th July 2020.

	<p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ol style="list-style-type: none">The nearest road is 1.76 Kms, Padamati Khambampadu roadThe project concerned is fulfilling all requirements of the WALTA.The proponent agreed to allocate Rs.4.04 Lakhs towards Environmental Budget.And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.The distance of the nearest village is Padamati Khambampadu and 2.5 Kms
Agenda Item: 143.18	3.85 Ha Proposed Ordinary Sand Mine, Tatapudi Sand Reach at Tatapudi Village, kapileswarapuram Mandal, East Godavari District, Andhra Pradesh
SIA/AP/MIN/16 5232/2020	<p>Category : B2</p> <p>The representatives of the project proponent Assistant Director of Mines and Geology East Godavari and their RQP attended the Online meeting.</p> <p>It was observed that there was one more mine whose EC is valid upto 28.02.2021 and a letter from the component authority shows that the sand mine is exhausted. Copies for the same were submitted. Hence, in this circumstance the mine doesn't have a cluster.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining project for the production quantities: Ordinary sand – 38500 m³/annum, duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p> <p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ol style="list-style-type: none">The nearest road is 480 meters, Tatapudi road.The project concerned is fulfilling all requirements of the WALTA.The proponent agreed to allocate Rs.3 Lakhs towards Environmental Budget.And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.The distance of the nearest village is Tatapudi and 1.38 Kms.
Agenda Item: 143.19	3.3711Ha Proposed De-casting of Ordinary Sand Mine, Prakkilanka Sand Mine at Sy.No:169 of Prakkilanka Village, Tallapudi Mandal, West Godavari District, Andhra Pradesh
SIA/AP/MIN/16 5122/2020	<p>Category : B2</p> <p>The representatives of the project proponent Assistant Director of Mines and Geology West Godavari and their RQP attended the Online meeting.</p> <p>It was observed that there was one more mine whose EC is valid upto 24.11.2020 and a letter from the component authority shows that the sand mine is exhausted. Copies for the same were submitted. Hence, in this circumstance the mine dosen't have a cluster.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining project for the production quantities: Ordinary sand – 33711 m³/annum, duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p>

RS

29th July 2020.

	<p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ul style="list-style-type: none">f) The nearest road is 1.13 Kms, Munikudali roadg) The project concerned is fulfilling all requirements of the WALTA.h) The proponent agreed to allocate Rs.3 Lakhs towards Environmental Budget.i) And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.j) The distance of the nearest village is Prakkilanka and 5 Kms.
Agenda Item: 143.20	4.950 Ha Proposed De-casting of Ordinary Sand Mine, Nadichagi Sand Reach -III in Tungabhara River at Sy No : 240, Nadichagi Village, Kowthalam Mandal, Kurnool District, Andhra Pradesh
SIA/AP/MIN/16 4489/2020	<p>Category : B2</p> <p>The representatives of the project proponent Asst, Director Mines and Geology Kurnool and their RQP attended the Online meeting.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining (de-casting) project for the production quantities: Ordinary sand – 49500 m³/annum, duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p> <p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ul style="list-style-type: none">k) The nearest road is 1.3 Kms, Nadichagi Road.l) The project concerned is fulfilling all requirements of the WALTA.m) The proponent agreed to allocate Rs.5.548 Lakhs towards Environmental Budget.n) And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.o) The distance of the nearest village is Nadichagi and 1.10 Kms
Agenda Item: 143.21	4.482 Ha. Ordinary Sand of Prakkilanka Sand Reach at Sy No.2, Prakkilanka village, Tallapudi Mandal, West Godavari District, Andhra Pradesh
SIA/AP/MIN/16 4271/2020	<p>Category : B2</p> <p>The representatives of the project proponent Asst, Director Mines and Geology West Godavari and their RQP attended the Online meeting. The Committee verified the Patta Land documents furnished by the proponent.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining project for the production quantities: Ordinary sand – 48,482 m³/annum, duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p> <p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ul style="list-style-type: none">a) The nearest road is 1 Km, Muggaulla roadb) The project concerned is fulfilling all requirements of the WALTA.c) The proponent agreed to allocate Rs.3 Lakhs towards Environmental Budget.d) And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.e) The distance of the nearest village is Prakkilanka and 3.85 Kms

AS

29th July 2020.

Agenda Item: 143.22	4.960 Ha. Ordinary Sand, Nagaladinne sand Reach - II in Thungabhadra River at sy no.154, Nagaladinne village, Nandavaram Mandal, Kurnool District, Andhra Pradesh
SIA/AP/MIN/16 3144/2020	<p>Category : B2</p> <p>The representatives of the project proponent Asst, Director Mines and Geology Kurnool and their RQP attended the Online meeting.</p> <p>It is observed that there is shallow water, if any water exists in the mining area the mining should be done only after the water recedes completely. While excavation it should be ensured that there is no water.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining project for the production quantities: Ordinary sand – 49,600 m³/annum, duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p> <p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ol style="list-style-type: none">The nearest road is 900 meters, Nagaladinne road.The project concerned is fulfilling all requirements of the WALTA.The proponent agreed to allocate Rs.5.67 Lakhs towards Environmental Budget.And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.The distance of the nearest village is Nagaladinne and 0.75 Kms
Agenda Item: 143.23	4.940 Ha. Ordinary Sand Mine, Gudikambali Reach- IV in Thungabhadra River at Sy No.286, Gudikambali village, Kowthalam Mandal, Kurnool District, Andhra Pradesh
SIA/AP/MIN/16 3132/2020	<p>Category : B2</p> <p>The representatives of the project proponent Asst, Director Mines and Geology Kurnool and their RQP attended the Online meeting.</p> <p>The Committee recommended for issue of Environmental Clearance for one year to this proposed sand mining project for the production quantities: Ordinary sand – 49,400 m³/annum, duly stipulating a condition that the project proponent shall carryout mining only one meter depth sand from the top manually and no underwater mining is undertaken. The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the representative along with the EMP.</p> <p>Under any circumstances under water sand mining shall not be carried out.</p> <p>The following salient points were noted:</p> <ol style="list-style-type: none">The nearest road is 1.25 Kms, Gudikambali & Marali roadThe project concerned is fulfilling all requirements of the WALTA.The proponent agreed to allocate Rs. 5.67 Lakhs towards Environmental Budget.And the proposed site has been verified for its distance from River Bank/1/3rd width of the River.The distance of the nearest village is Gudikambali and 2.43 Kms
Agenda Item: 143.24	4.694 Ha. Ordinary Sand of Pottepalem-2 Sand Reach in Penna River, Sy No. 395/2, Pottepalem Village, Nellore Rural Mandal, SPSR Nellore District, Andhra Pradesh
SIA/AP/MIN/15 9879/2020	<p>Category : B2</p>

29th July 2020.

	<p>The representatives of the project proponent Asst, Director Mines and Geology, Nellore and their RQP attended the Online meeting.</p> <p>The Committee observed that, the proponent has not submitted the Cluster letter. The Committee recommended to issue Environmental Clearance subject to submission of cluster letter.</p> <p>Now the proponent submitted the cluster certificate vide Letter No. 576/sand/2019-1, dt:29.07.2020.</p> <p>It is observed that the proponent is for Extension of Validity of EC.</p> <p>They have obtained EC vide order No: DEIAA/AP/NLR-1519/2016-15, Dt: 20.03.2016 for a period of 1 Year.</p> <p>The ADMG, Nellore vide letter dated: 13.06.2017 requested the DEIAA to extend the validity of EC.</p> <p>Accordingly, the request was examined by the DEAC in its meeting held on 16.06.2017 and recommended extension of EC Validity for a further period of three years.</p> <p>The DEIAA, in its meeting held on 11.07.2017 examined the proposal and the recommendations of DEAC and decided to extend the Environmental Clearance to the project as recommended by the DEAC for further period of three years. The DEIAA, SPSR Nellore District is hereby extended the EC order issued vide Order No. DEIAA/AP/NLR-1519/2016-15 for a further period of three years from the date of expiry of EC order.</p> <p>They have obtained EC vide order No: DEIAA/AP/NLR/5-12/2017-26, Dt: 19.07.2017 for a Further period of three years from the date of expiry of EC order for 1 Year i.e., 20.03.2016.</p> <p>Now the project proponent submitted the EC application through online on 23.06.2020 seeking for the Extension of Validity Environmental Clearance (EC).</p> <p>It is observed that, the application is not submitted within 90 days from the date of expiry of EC validity. The application is made after 95 days of the expiry date of EC validity.</p> <p>As per the MoEF&CC, GoI, S.O.2944(E) dated:14.09.2016 for delay in application the following is mentioned:</p> <p>“Provided that no condonation for delay shall be granted for any application for extension filed beyond ninety days after the validity period of Environmental Clearance”.</p> <p>Hence, the Committee rejected the proposal.</p>
Agenda Item: 143.25	3.804 Ha. Ordinary Sand of Gollalakandukuru Sand Reach in Penna River, Sy No. Un-Surveyed of Gollalakandukuru Village, Nellore Rural Mandal, SPSR Nellore District, Andhra Pradesh
SIA/AP/MIN/15 9791/2020	<p>Category : B2</p> <p>The representatives of the project proponent Asst, Director Mines and Geology, Nellore and their RQP attended the Online meeting.</p> <p>The Committee observed that, the proponent has not submitted the Cluster letter. The Committee recommended to issue Environmental Clearance subject to submission of cluster letter.</p> <p>They have obtained EC vide order No: DEIAA/AP/NLR-1519/2016-2, Dt: 20.03.2016 for a period of 1 Year.</p>

BS

29th July 2020.

	<p>The ADMG, Nellore vide letter dated: 13.06.2017 requested the DEIAA to extend the validity of EC.</p> <p>Accordingly, the request was examined by the DEAC in its meeting held on 16.06.2017 and recommended extension of EC Validity for a further period of three years.</p> <p>The DEIAA, in its meeting held on 11.07.2017 examined the proposal and the recommendations of DEAC and decided to extend the Environmental Clearance to the project as recommended by the DEAC for further period of three years. The DEIAA, SPSR Nellore District is hereby extended the EC order issued vide Order No. DEIAA/AP/NLR-1519/2016-2 for a further period of three years from the date of expiry of EC order.</p> <p>They have obtained EC vide order No: DEIAA/AP/NLR/5-12/2017-28, Dt: 19.07.2017 for a Further period of three years from the date of expiry of EC order for 1 Year i.e., 20.03.2016.</p> <p>Now the project proponent submitted the EC application through online on 23.06.2020 seeking for the Extension of Validity Environmental Clearance (EC).</p> <p>It is observed that, the application is not submitted within 90 days from the date of expiry of EC validity. The application is made after 95 days of the expiry date of EC validity.</p> <p>As per the MoEF&CC, GoI, S.O.2944(E) dated:14.09.2016 for delay in application the following is mentioned:</p> <p>“Provided that no condonation for delay shall be granted for any application for extension filed beyond ninety days after the validity period of Environmental Clearance”.</p> <p>Hence, the Committee rejected the proposal.</p>
Agenda Item: 143.26	1.570 Ha. Ordinary Sand of Lingamgunta Sand Reach Area in Penna River, Sy No. 390, Lingamgunta Village, Anantasagaram Mandal, SPSR Nellore District, Andhra Pradesh
SIA/AP/MIN/15 9784/2020	<p>Category : B2</p> <p>The representatives of the project proponent Asst, Director Mines and Geology, Nellore and their RQP attended the Online meeting.</p> <p>The Committee observed that, the proponent has not submitted the Cluster letter. The Committee recommended to issue Environmental Clearance subject to submission of cluster letter.</p> <p>They have obtained EC vide order No: DEIAA/AP/NLR-1519/2016-4, Dt: 20.03.2016 for a period of 1 year.</p> <p>The ADMG, Nellore vide letter dated: 13.06.2017 requested the DEIAA to extend the validity of EC.</p> <p>Accordingly, the request was examined by the DEAC in its meeting held on 16.06.2017 and recommended extension of EC Validity for a further period of three years.</p> <p>The DEIAA, in its meeting held on 11.07.2017 examined the proposal and the recommendations of DEAC and decided to extend the Environmental Clearance to the project as recommended by the DEAC for further period of three years. The DEIAA, SPSR Nellore District is hereby extended the EC order issued vide Order No. DEIAA/AP/NLR-1519/2016-4 for a further period of three years from the date of expiry of EC order.</p> <p>They have obtained EC vide order No: DEIAA/AP/NLR-5-12/2017-33, Dt:</p>

29th July 2020.

19.07.2017 for a Further period of three years from the date of expiry of EC order for 1 Year i.e., 20.03.2016.

Now the project proponent submitted the EC application through online on 23.06.2020 seeking for the Extension of Validity Environmental Clearance (EC).

It is observed that, the application is not submitted within 90 days from the date of expiry of EC validity. The application is made after 95 days of the expiry date of EC validity.

As per the MoEF&CC, GoI, S.O.2944(E) dated:14.09.2016 for delay in application the following is mentioned:

“Provided that no condonation for delay shall be granted for any application for extension filed beyond ninety days after the validity period of Environmental Clearance”.

Hence, the Committee rejected the proposal.
