

Minutes of the 665th Meeting of SEIAA dated 06.03.2021

The 665th meeting of the State Level Environment Impact Assessment Authority was convened on 06.03.2021 at the Authority's Office in Environmental Planning and Co-Ordination Organization (EPCO), Paryavaran Parisar, Bhopal. The meeting was chaired by Shri Rakesh K. Shrivastava, Chairman, SEIAA. The following members attended the meeting:-

- | | |
|-----------------------|------------------|
| 1. Shri R.K. Sharma | Member |
| 2. Shri B.Vijay Datta | Member Secretary |

Following mining cases and other than mining cases have been considered:-

S.No	Case No.	Category	No. & date of latest SEAC & SEIAA meeting
1.	5772/2018	1 (c)	485 SEAC meeting dated 25.02.21
2.	8153/2021	8 (a)	481 SEAC meeting dtd. 16.02.2021.
3.	7472/2020	8 (a)	485 SEAC meeting dated 25.02.21
4.	8187/2021	1 (a)	485 SEAC meeting dated 25.02.21
5.	8188/2021	1 (a)	485 SEAC meeting dated 25.02.21
6.	8209/2021	1 (a)	485 SEAC meeting dated 25.02.21
7.	8210/2021	1 (a)	485 SEAC meeting dated 25.02.21
8.	8211/2021	1 (a)	485 SEAC meeting dated 25.02.21
9.	8212/2021	1 (a)	485 SEAC meeting dated 25.02.21
10.	8169/2021	1 (a)	485 SEAC meeting dated 25.02.21
11.	8038/2020	1 (a)	485 SEAC meeting dated 25.02.21
12.	6927/2020	1 (a)	486 SEAC meeting dated 26.02.21
13.	6590/2019	1 (a)	486 SEAC meeting dated 26.02.21
14.	6282/2019	1 (a)	486 SEAC meeting dated 26.02.21
15.	6673/2019	1 (a)	486 SEAC meeting dated 26.02.21
16.	8191/2021	1 (a)	486 SEAC meeting dated 26.02.21
17.	8222/2021	1 (a)	486 SEAC meeting dated 26.02.21
18.	8223/2021	1 (a)	486 SEAC meeting dated 26.02.21
19.	8224/2021	1 (a)	486 SEAC meeting dated 26.02.21

Minutes of the 665th Meeting of SEIAA dated 06.03.2021

36.	8189/2021	1 (a)	485 SEAC meeting dated 25.02.21.
37.	8236/2021	1 (a)	486 SEAC meeting dated 26.02.21
38.	5557/2017	2(b)	486 SEAC meeting dated 26.02.21
39.	5608/2017	5(f)	486 SEAC meeting dated 26.02.21
40.	5630/2017	6(b)	486 SEAC meeting dated 26.02.21
41.	DEIAA Case	1(a)	Policy Decision

- 1. Case No.5772/2018:** Prior Environment Clearance for Sitanagar Irrigation Project in an command area 16200 ha, Catchment area 3896.97 sq.mtr. (Dam length 1671 m, Spillway 204 m, Maximum height of Dam 27.50 m) for live capacity 59.59 Mcm at Village Summer & Bijori Sirsiya District Damoh by Executive Engineer, Panchamnagar Survey Div Hatta Damoh (MP)-470661 email:panchamnagar01@gmail.com

The case was recommended in 485 SEAC meeting dtd. 25.02.2021 and PP was called for presentation but PP could not present in the meeting for presentation hence, case is deferred for upcoming SEIAA meeting.

- 2. Case No 8153/2021:** Prior Environmental Clearance for Proposed ORCHARD MAJESTY at Khasra no. 507/2/1/1/1/2, 517/1/2 Village - Gondermau, Tehsil-Huzur, District- Bhopal (M.P.) Total Plot Area - 40490.00 sq.m, Built up Area – 35878.25 sq.m by Shri Naman Agrawal, Partner, M/S Mantra Infrastructure, 1 Mount View Chuna Bhatti Kolar Road Bhopal MP-462016 E-mail: orchardec2021@gmail.com, Telephone no. 5935930 Environment Consultant: IN SITU ENVIRO CARE, BHOPAL (M.P.)

The case was considered in 663rd SEIAA meeting dtd. 26.02.2021 and recorded that:-

« The case was recommended in 481 SEAC meeting dtd. 16.02.2021. After the recommendation today case was scheduled for the presentation. but PP has requested that due to unavoidable circumstances, they are unable to come for presentation and be given another chance. Hence considering the request of PP, and decided to call PP for next upcoming meetings of SEIAA ».

On the request of PP today the case is scheduled for presentation and recorded that:

- (1) The proposed project is a Building & Construction Residential Project " ORCHARD MAJESTY " at Khasra No.- 507/2/1/1/1/2, 517/1/2 Village - Gondermau, Tehsil-Huzur, District- Bhopal (M.P.) The project includes plotted development 222 Nos. Plots, construction of Housing (14 Nos. LIG, 21 Nos. EWS, 20 Nos.) Convenient shops, Club House etc
- (2) The project is located between Latitude: **23°18'0.35"N** & Longitude: **77°20'58.78**.
- (3) As per the T & CP Bhopal (BPLLP7007/L.P 205/29/NGRANI/GKA 2020 Bhopal dated 08/01/2021) layout plan the total Plot Area - 40490.00 sq.m. The total built up area proposed by PP is 35878.25 sq.m. The project comes under 8 (a) category (B) of schedule of EIA Notification, 2006 because total construction is between 20,000 sq.mt. & 1, 50,000 sq mt. and plot area is less than 50 ha.

(B. Vijay Datta)

(Rakesh K. Shrivastava)
Chairman

- (4) The case was discussed in SEAC meetings 481st SEAC meeting dated 16/02/2021 and is recommended for grant of prior EC subject to special conditions.
- (5) After examine the case in detail and recorded that:-
- i. Regarding land documents PP has submitted Registration Certificate and KHASRA Panchsal 2019-20. As per the land documents land is the name of Chawla Associates through Partner Shri Roshan Chawla S/o Shri Ramula Chawla.
 - ii. Total water required for the proposed project is estimated around 210 KLD, out of which fresh water requirement is about 114 KLD. The Main source of water supply will be Municipal water supply. It will cater the domestic requirement whereas additional water requirement will be fulfilled by treated water from STP. For construction phase PP has proposed water supply form the private tanker suppliers. PP has submitted letter (271/S. YANTRI/ JALKARYA / ZONE 01/NA.NI. BHO DATED 27/01/2021) from Municipal Corporation for supply of water
 - iii. During operational phase around 155 KLD waste water will be generated which gets treated into 160 KLD State of Art design STP and utilized within site for flushing (58.20 KLD of using dual plumbing system) and horticultural & road washing around 37.69 KLD extra treated 43 KLD will be discharged into the municipal sewer line. **PP has submitted letter** (sewage prakoshtha/2020 dated 27/01/2021) **from Municipal Corporation for disposal of waste water.**
 - iv. Approximately **0.547 TPD** Municipal Solid waste shall be generated. The generated biodegradable and non biodegradable waste will be collected in twin Bin system at within campus and final disposal through Municipal Corporation Bhopal. The sewage sludge generated from STP will be also disposed off with municipal waste. PP has submitted copy of letter 439/SWA.SHA.ZONE KRA01/2021 DATED 27/01/2021 from Municipal Corporation, Bhopal for disposal of solid waste.
 - v. It is noted that a drain which is originating from the adjacent plot towards south east direction with the contour level of 98 meters. This is not flowing with the project site. However a small seasonal drain passing through project site SW to NE direction and ultimately meets the existing drains on the east side of the project.
 - Total Length of the drain passing through the project is 254 meters.
 - For the development of the project, PP has proposed to channelize the drain to allow free flow of water

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

Using pipe of 1.21 M dia and the length of the channelization would be 304 m with the capacity of 37.53 M³ which will suffice to handle the natural flow throughout the year.

- vi. The maximum height of the building is 14.40 M + Basement. The project complex will have traffic entry and exit from 18 wide road. Roads for internal circulation having width of about 9 m, 7.5 m and 7.0 m will be provided within the complex for smooth circulation of the traffic.
- vii. Bhopal Airport is located 1.59 Km (SW) away from site. PP has obtained NOC (Bhavipra/N.P.N.O.C./2020/Nov/05 dated 06/11/2020) from airport authority of India.
- viii. PP has proposed to provide underground water storage tank, External Fire Hydrant System, Wet Riser System, Portable Fire extinguisher, Sprinkler System, & Fire Alarm system etc. as per NBC 2005.
- ix. PP has proposed 6 Nos. of RWH pits of 16 cu.m. each recharge capacity. Proposed recharge potential to be created by the project would improve ground water regime of the area and would contribute to positive groundwater environment.
- x. The storm water drainage planning is integral part of the proposed project. Adequate storm water channels at the site is provided in drainage design to ensure that the storm water runoff flow direction and drainage pattern remains unaffected during post construction/ operational phase.
- xi. Total Power Requirement is 857 KVA. The source of electricity is Madhya Pradesh Kshetra Vidyut Vitran Company Limited. common area lighting @25% of Total Power load 215 kVA. Proposed on grid Solar System-15 KW. PP has also provided power back up DG Set = 62.5 KVA (D.G. Set –1 x 62.5 KVA. For control of energy PP has proposed Level controller for pumps, Timer for street & Common lighting, Designing of peak & non peak circuits for common area, Reduced in load due to using the LED Lights, Distribution Transformer are 3 star Rated as per BEE norms, Solar powered street lights shall be used to conserve energy.
- xii. PP has proposed to provide Individual parking in each plot 222 ECS. 16 ECS parking provided in lower basement and 39 ECS open parking.
- xiii. As a part of green belt development 4539.86 Sq.mt. of total land area will be devoted for landscaping by planting 393 trees of native species. Additional plantation on periphery (955.4 m) road side & other open area.
- xiv. As per suggestion of Authority PP has submitted revised EMP and CER activities as per office memorandum dtd 25.02.2021 as follows:-

Total	Rs. 86.70 Lakhs	Rs. 8.00 Lakhs / Year

The submissions made by the PP were found to be satisfactory and acceptable hence it is decided to accept the recommendations of 481st SEAC meeting dated 16.02.21 with special conditions and accord Prior Environmental Clearance for proposed "ORCHARD MAJESTY at Khasra no. 507/2/1/1/1/2, 517/1/2 Village - Gondermau, Tehsil-Huzur, District- Bhopal (M.P.) Total Plot Area - 40490.00 sq.m, Built up Area – 35878.25 sq.m by Shri Naman Agrawal, Partner, M/S Mantra Infrastructure, 1 Mount View Chuna Bhatti Kolar Road Bhopal MP-462016 subject to following specific conditions imposed by SEIAA:-

1. The fresh water supply arrangement should be met through Municipal Corporation Bhopal as per NOC (271/S. YANTRI/ JALKARYA / ZONE 01/NA.NI. BHO DATED 27/01/2021).
2. The inlet and outlet point of natural drain system should be maintained with adequate size of channel for ensuring unrestricted flow of water.
3. **Disposal of waste water.**
 - a. PP should ensure disposal of waste water arrangement should be done in such a manner that water supply sources are not impaired.
 - b. PP should ensure linkage with municipal sewer line (sewage prakoshtha /2020 dated 27/01/2021) for disposal of extra treated waste water.
4. **Solid Waste Management:**
 - a. Separate wet and dry bins must be provided at the ground level for facilitating segregation of waste.
 - b. The solid waste generated should be properly collected and segregated. Wet garbage should be composted and dry inert solid waste should be disposed off to the approved sites for land filling after recovering recyclable material.
 - c. Ensure linkage with Municipal Corporation for final disposal of MSW.
5. PP should ensure road width, front MOS and side / rear as per MPBVR 2012.
6. **For firefighting:-**

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

- a. PP should ensure distance of fire station approachable from the project site.
- b. PP should ensure to provide underground water storage tank, External Fire Hydrant System, Wet Riser System, Portable Fire extinguisher, Sprinkler System, & Fire Alarm system etc. as per NBC 2005.
- c. PP should submit necessary drawings and details to the Authority (Nagar Nigam, Bhopal) incorporating all the fire fighting measures recommended in National Building Code 2005. The occupancy permit shall be issued by Nagar Nigam only after ensuring that all fire fighting measures are physically in place.

7. For Rain Water Harvesting, and Ground water recharge:-

- a. PP should ensure the rain water harvesting with **06** no. of recharging pits and these pits should be connected laterally to consume the surplus runoff. In addition, PP should provide recharging trenches. The base of the trenches should be Kachha with pebbles.
 - b. The storm water from roof – top, paved surfaces and landscaped surfaces should be properly channelized to the rain water harvesting sumps through efficient storm water network as proposed. The budget should be included in EMP plan for storm water management.
 - c. Rain water harvesting for roof run- off and surface run- off, as plan submitted should be implemented. Before recharging the surface run off, pre-treatment must be done to remove suspended matter, oil and grease.
8. PP should ensure to provide car parking 277 ECs (Individual parking in each plot 222 ECS. 16 ECS parking provided in lower basement and 39 ECS open parking) and also make additional provision of parking for club house & convenient shops. Parking area will be not allowed to divert for other activities.

9. Green belt :-

- a. PP should ensure plantation in an area of 4539.86. sq.mt of total land area by planting 393 trees in two rows in periphery, besides, this Additional plantation on periphery (955.4 m) road side , other open area, parking area and other amenities. Trees of indigenous local varieties like Neem, Peepal, Kadam, Karanj, Kachnaar, Saltree, Gulmohar etc.should be planted.
 - b. The green belt of the adequate width and density preferably with local species along the periphery of the plot shall be raised so as to provide protection against particulates and noise.
 - c. PP should create buffer zone in both side of the drain passing adjacent to the project site.
10. The project proponent shall comply with the provisions contained in this Ministry's OM issued vide F.No. 22-65/2017-IA.III dated: 25 February 2021, as applicable, regarding Corporate Environment Responsibility and Environmental Management Plan.
11. PP should ensure to implement all activities as proposed in CER & EMP

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

12. PP should ensure to submit half yearly compliance report and CER activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

3. Case No 7472/2020, Prior Environment Clearance for **Stone Quarry** in an area of 3.15530 ha for production capacity of 200000 Cum per Annum and Murrum – 101429 Cum per Annum at Khasra No. 4157P, 4158P at Village – Parsen, Tehsil – Gwalior, Distt.- Gwalior (M.P.) by Smt. Reena Sharma W/o Shri Vadant Sharma, L-1, Side-1 City Centre, Distt. - Gwalior M.P.

- (1) This is a project pertaining to mining of **Stone Quarry** in MLA of 3.15530 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions by virtue of its location and mining lease area. There is no forest boundary in less than 250 m distance from the ML area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environmental clearance for the project. It was submitted that this is a fresh grant issued in the year of 2018 for 10 years.
- (2) The mining lease was granted to Smt. Reena Sharma W/o Shri Vadant Sharma, L-1, Side-1 City Centre, Distt. - Gwalior M.P. in the year of 2018 for 10 years, which is applicable after lease agreement. This is a case of fresh grant. The Mining Plan with progressive mine closure plan has been approved by DGM, M.P. Vide Letter No. – 7664/ Mining Plan Cell-7/Gwalior / Na.Kra. 25/2020 dated 13.08.2020.
- (3) SEAC in its 485th SEAC Meeting dated 25/02/2021 has recommended the case with 36 special conditions for issuance of EC.
- (4) It was noted that as per DFO, Gwalior L.No. 10094 Gwalior, dtd. 15.12.2017, the National Park /Sanctuary is not located within 10 Km. radius from the mining site. Hence, the General Conditions are not attracted. There is no forest boundary in less than 250 m distance from the ML area.
- (5) PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that the water requirement is 4.815 KLD (0.69 KLD for Domestic use + 3.0 KLD for Dust suppression + 1.125 KLPD for Green Belt). The water requirement will met through nearby water source/ accumulated rain water in mined out pits.
- (7) The proposed plantation programme was examined and it was found that total 5680 saplings shall be planted under plantation program.

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

- (8) It was also noted that the Public Hearing was carried out on 30.12.2020 at Government School Village - Parsen, Tehsil - Gwalior, Dist. - Gwalior (MP) under the Chairmanship of Additional Collector, Gwalior.

After detailed discussions and perusal of recommendations of 485th SEAC Meeting dated 25/02/2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Lease agreement shall be carried out before execution of mining operation.
- III. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- IV. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three rows plantation shall be carried out in the greenbelt area in current year with proper watering arrangement.
- V. PP shall ensure that existing trees not to be uprooted within the ML area.
- VI. PP will plant 3 years old 5680 saplings in 03 years of suitable tree species i.e. Neem, Peepal, Bargad, Amaltas, Guava, Mango, Karanj, Imli, Jamun etc. will be planted along the lease Boundary in mine premises and transportation route and at identified revenue land of the district in consultation with DM/ Gram Panchayat. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VII. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VIII. The overburden and waste will be stacked within ML area and simultaneously backfilled in the mined out area where plantation will be raised on it.
- IX. PP shall ensure that waste material shall not be stacked long time in ML area.
- X. No overburden will be dumped outside the mine lease area.
- XI. Regular water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MP PCB. Regular air and noise quality monitoring shall also be carried out from authorized laboratory in consultation with Regional Officer, MP PCB at regular interval.

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

- XII. PP shall ensure the generation of employment opportunities nearby Village on priority basis.
- XIII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XIV. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XV. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields.
- XVI. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XVII. PP shall ensure the proper water supply arrangements for plantation especially in summer season.
- XVIII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIX. PP must ensure the implementation of compliance of the commitment made in Public Hearing in addition to these following activities with separate budget provision under CER as committed.
 - ❖ Construction of 1 km road from bus stand to Gram panchayat and Mohalla of Village – Parsen, Tehsil.**PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**
- XX. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Prior Environment Clearance for Stone Quarry (Manual / Semi-Mechanised Method) in an area of 3.15530 ha for production capacity of 200000 Cum per Annum and Murrum – 101429 Cum per Annum at Khasra No. 4157P, 4158P at Village – Parsen, Tehsil – Gwalior, Distt.- Gwalior (M.P.) for the lease period to Smt. Reena Sharma W/o Shri Vadant Sharma, L-1, Side-1 City Centre, Distt. - Gwalior M.P.

4. **Case No 8187/2021** Prior Environment Clearance for **Basalt Stone Quarry** (opencast semi mechanized method) in an area of 2.0 ha. for production capacity of 39900 cum per annum at Khasra No. 53/1 at Village - Sindhi Khodari, Tehsil - Pati, Dist. Badwani (MP) by M/s Ravi Infrabuild Projects Pvt. Ltd, Camp Singhi, Khodari, Dist. Badwani, MP

This case was recommended in 485th SEAC meeting dated 25.02.21 and it was recorded that.....

..... PP has submitted the response of above quarries same date vide letter dated 25.02.2021, which was placed before the committee and the same found satisfactory. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 485th SEAC meeting dated 25.02.21, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary and dense plantation to be carried out towards the nearby kaccha road side.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. PP shall ensure compliance of the commitment made in SEAC for compensatory plantation of 20 trees in consultation with forest department.
- VIII. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- IX. Total 3000 saplings of suitable tree species i.e. Neem, Pipal, Sissoo, Mango, Guava, Bamboo, Imli etc. shall be planted by PP in first three years under plantation programme in barrier zone, no mining area and khasra no. 53 parts in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.

- XI. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Stone Quarry (opencast semi mechanized method) in an area of 2.0 ha. for production capacity of 20000 cum per annum at Khasra No. 1289/1344/1/GA/1 at Village - Ramnagar, Tehsil - Rampur Baghelan, Dist. Satna (MP) for the lease period to Shri Ambuj Dwivedi S/o Shri Manoj Kumar Dwivedi, Gram & Post - Janardan, Tehsil - Rampur Baghelan, Dist. Satna, MP - 485881.

- 11. Case No 8038/2020, Prior Environment Clearance for Stone Quarry (Opencast Manual/ Semi-Mechanised Method) in an area of 3.0 ha. for production capacity of 39900 cum per annum at Khasra No. 620 at Village - Amankua, Tehsil - Bhabhra, Dist. - Alirajpur (MP) by Shri Hemant Bariya, R/o, Main Road, Bhabhra, Dist. - Alirajpur, MP – 457882.**

This case was recommended in 485th SEAC Meeting dated 25/02/2021 and it was recorded that.....

"-----Vide PP letter dated 17/02/2021 submitted query reply which was placed before the committee. The committee observed that condition for CER was non- complied, issued by MoEF&CC. Hence, asked PP to submit commitment that non- complied condition for CER shall be done within 04 months and shall be submitted along with 06 monthly compliance reports. PP vide letter dated 25/02/21 submitted that they will conduct the scheduled activities within 04 months and submit the compliance report with 06 monthly compliance report. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':"

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of

recommendations of 485th SEAC Meeting dated 25/02/2021, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VIII. Total 5400 saplings of suitable tree species i.e. Neem, Pipal, Dalbargia sissoo, Bargad, Amaltas, Khirni, Mango, Guava, Bamboo, Imli etc. shall be planted by PP in first three years under plantation programme in barrier zone, no mining zone and Khsara No. 620 in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- IX. PP shall ensure compliance as the lease area where rock outcrop is exposed only that patch shall be allowed for mining and rest of the area keep intact and shall be protected and dealt as no- mining area due to trenches as recommended by SEAC.
- X. PP shall ensure not to be disturbed flow of water from natural drain passing within the lease area and plantation shall be carried out both side of the natural drain.
- XI. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XII. PP must ensure implementation of the following activities in under CER as committed:

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)

- ❖ Repairing & renovation of Govt. Primary School Building at village **AMANKUA**.

PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XIII. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Stone Quarry (Opencast Manual/ Semi-Mechanised Method) in an area of 3.0 ha. for production capacity of 39900 cum per annum at Khasra No. 620 at Village - Amankua, Tehsil - Bhabhra, Dist. - Alirajpur (MP) for the lease period to Shri Hemant Bariya, R/o Main Road, Bhabhra, Dist. - Alirajpur (MP) – 457882.

- 12. Case No 6927/2020, Prior Environment Clearance for Stone Quarry (Opencast/ Semi- Mechanised Method) in an area of 1.359 ha for production capacity of 42838.74 cum per annum at Khasra No. 4167 at Village - Parsen, Tehsil - Gwalior, Dist. – Gwalior by Shri Banwari Lal Gurjar S/o Shri Jagdish Gurjar, Sheetla Mata Mandir Road, Naogaon, Dist. - Gwalior (MP).**

- (1) This is a project pertaining to mining of **Stone Quarry** in MLA of 1.359 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions by virtue of its location and mining lease area. There is no forest boundary in less than 250 m distance from the ML area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environmental clearance for the project. It was submitted that this is a fresh grant issued in the year of 2018 for 10 years.
- (2) The mining lease was granted to Shri Banwari Lal Gurjar S/o Shri Jagdish Gurjar, Sheetla Mata Mandir Road, Naogaon, Dist. - Gwalior in the year of 2018 for 10 years, which is applicable after lease agreement. This is a case of fresh grant. The Mining Plan with progressive mine closure plan has been approved by DGM, Regional Office, Gwalior Vide Letter No. – 350/Mining Plan Cell/Na.Kra. 01/2018-19 dated 29.02.2020.
- (3) SEAC in its 486th SEAC Meeting dated 26/02/2021 has recommended the case with 35 special conditions for issuance of EC.

- (4) It was noted that as per DFO L.No. 7302 Chhatarpur, dtd. 01.09.2017, the National Park /Sanctuary is not located within 10 Km. radius from the mining site. Hence, the General Conditions are not attracted. There is no forest boundary in less than 250 m distance from the ML area.
- (5) PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that the water requirement is 4.815 KLD (0.69 KLPD for Domestic use + 3.0 KLPD for Dust suppression + 1.125 KLPD for Green Belt). The water requirement will met from tanker supply from nearby Gram Panchyat after getting the NoC, from Sarpanch.
- (7) The proposed plantation programme was examined and it was found that total 2110 saplings shall be covered under plantation program.
- (8) It was also noted that the Public Hearing was carried out on 30.12.2020 at Mine Parisar Village - Parsen, Tehsil - Gwalior, Dist. – Gwalior (MP) under the Chairmanship of Additional Collector, Gwalior.

After detailed discussions and perusal of recommendations of 486th SEAC Meeting dated 26/02/2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Lease agreement shall be carried out before execution of mining operation.
- III. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- IV. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three rows plantation shall be carried out in the greenbelt area in current year with proper watering arrangement.
- V. PP shall ensure that existing trees not to be uprooted within the ML area.
- VI. PP will plant 3 years old 2110 saplings of suitable tree species i.e. Neem, Pipal, Sissoo, Bargad, Amaltas, Khirni, Mango, Guava, Mahua, Imli etc. will be planted along the lease Boundary in mine premises and transportation route and at identified revenue land of the district in consultation with DM/ Gram Panchayat. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VII. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.

- VIII. The overburden and waste will be stacked within ML area and simultaneously backfilled in the mined out area where plantation will be raised on it.
- IX. PP shall ensure that waste material shall not be stacked long time in ML area.
- X. No overburden will be dumped outside the mine lease area.
- XI. Regular water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MPPCB. Regular air and noise quality monitoring shall also be carried out from authorized laboratory in consultation with Regional Officer, MPPCB at regular interval.
- XII. PP shall ensure the generation of employment opportunities nearby Village on priority basis.
- XIII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XIV. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XV. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields.
- XVI. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XVII. PP shall ensure the proper water supply arrangements for plantation especially in summer season.
- XVIII. PP shall ensure to construction of garland drain & settling tank with proper maintainance.
- XIX. PP shall ensure curtaining on lease boundary with dens plantation to protect the nearest habitation falling at 200 m distance in north direction from the lease area.
- XX. PP has committed during presentation that there are 09 trees falling within the lease area and out of them 07 will be uprooted, hence additional 70 trees shall be planted as compensatory plantation apart from the proposed plantation of 1500 trees in consultation with forest department.
- XXI. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XXII. PP must ensure the implementation of compliance of the commitment made in Public Hearing in addition to this following activities with separate budget provision under CER as committed.

15. Case No. –6673/2019: Prior Environmental Clearance for Stone (Granite Rock) (opencast manual/mechanized method) in an area of 5.0 ha. for production capacity of 1,00,000 cum per annum at Khasra No. 1104 at Village - Sakooli, Tehsil - Niwari, Dist. **Niwari** (MP) by M/s Eastern Mining, R/o 35, Vivekanand Marg, Cantonment, Dist. Jhansi, UP – 284001,

- (1) This is a project pertaining to mining of Stone (Granite Rock) in an area of 5,0 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions and falls by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine having valid lease period that is upto 10 years with production capacity of 1,00,000 cum per annum.
- (2) It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office letter No. 11891-39 dated: 18/07/2016 has reported that there is 05 more mine operating or proposed within 500 meters around the said mine with total area of 24.50 ha., including this mine.
- (3) The Mining Lease has been granted in favour of M/s Eastern Mining for a 10 years over an area of 5.0 Ha. The Mining Plan with progressive mine closure plan has been approved by DGM, Jabalpur vide L.No. **138 dtd. 13/01/2016** .
- (4) SEAC in its 486th SEAC meeting dtd 26.2..2021 has recommended the case with 34 special conditions for issuance of EC.
- (5) It was noted that as per DFO Letter vide L.No. 516 Tikamgarh dtd.3.02.2014, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
- (6) It was noted that the water requirement is 7.5 KLD KLD (5.0 KLD Dust Suppression +1.0 KLD Drinking and Domestic activity+1.5 KLD Green Belt) which shall be met from Pond/Mine pit.
- (1) It was also noted that the Public Hearing was carried out on **15/12/2020** at Gram Panchayat Bhavan District-Niwari under Chairmanship of **Additional Collector** , District- Niwari The issues raised during public hearing shall be complied by PP.

After detailed discussions and perusal of recommendations of 486th SEAC meeting dtd 26.2..2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be

(B. Vijay Datta)

(Rakesh K. Shrivastava)
Chairman

made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.

- II. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantations shall be carried out in the greenbelt area in current year with proper watering arrangement.
- III. PP shall not start mining activity before execution of lease agreement.
- IV. The depth of the pit shall be as per the Approved Mining Plan.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. Commitment made by PP that trees exist in the two stretched area towards the North and South side of the lease and a natural drain is also exist in Southern side of lease area, these two patches shall be dealt as No Mining Area.
- VIII. Total 5000 saplings of suitable tree species i.e. Pipal, Bargad, Sissoo, Neem, Aam, Amla, Mahua etc. shall be planted by PP under plantation programme at Khasra No. in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- IX. PP shall ensure to construct pakka approach road and maintained it. Plantation will be carried out on both side of the approach road.
- X. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XI. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- XII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIII. PP must ensure implementation of the following activities under CER :
 - ❖ **Repairing of school building at Village Sakooli**
 - ❖ **Compactions of Village Road**
 - ❖ **02 Nos Hand pump in Sakooli and Dabar Khas Village**

PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aganwadies of above villages The modification to the

above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

XIV. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA..

Hence, Prior Environmental Clearance is granted for Stone (Granite Rock) (opencast manual/mechanized method) in an area of 5.0 ha. for production capacity of 1,00,000 cum per annuma at Khasra No. 1104 at Village - Sakooli, Tehsil - Niwari, Dist. Niwari (MP) for the lease period to M/s Eastern Mining, 35, Vivekanand Marg, Cantonment, Dist. Jhansi, UP – 284001,

16. Case No 8191/2021, Prior Environmental Clearance for Stone Mine (Opencast Manual/Semi-Mechanised) in an area of 2.0 ha. for production capacity of 25000 cum per annum at Khasra No. 42/1 at Village - Jethana, Tehsil - Piploda, Dist. Ratlam (MP) by Shri Karan Singh S/o Shri Bherulal Anjana, R/o Village - 96, Jethana, Tehsil - Piploda, Dist. – Ratlam (MP) - 457001.

This case was recommended in 486th SEAC Meeting dated 26/02/2021 and it was recorded that.....

“-----PP has submitted the response of above quarries same date vide letter dated 26.02.21 which was placed before the committee and the query reply submitted by PP was found satisfactory. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':”

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 486th SEAC Meeting dated 26/02/2021, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below

(B. Vijay Datta)
Member Secretary

the ground water table, approval of the Central Ground Water Board shall be obtained.

- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VIII. Total 3000 saplings of suitable tree species i.e. Neem, Peepal, Aam, Gulmohar, Jamun, Amrud, Bargad, Sisoo, Kathal etc. shall be planted by PP in first three years under plantation programme in barrier zone, no mining zone and Khsara No. 42/1, 7 in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- IX. PP shall ensure compliance of the commitment made in SEAC regarding existing trees within the lease area will not be uprooted and area occupied by trees shall be left as non-mining area.
- X. The crusher will not be installed within the lease area.
- XI. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XII. PP must ensure implementation of the following activities in under CER as committed:
 - ❖ Construction & maintenance of aanganwadi at village Jethana.
 - ❖ Construction & maintenance of govt. school at village Doodha Kheri, Jhajha Kheri.

PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XIII. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

- VI. Total 2550 saplings of suitable tree species i.e. Neem, Pipal, Sissoo, Bargad, Amaltas, Khirni, Mango, Guava, Bamboo, Imli etc. shall be planted by PP in first three years under plantation programme at Khasra No. 315, at Village - Itayali, Tehsil - Palera, Dist. Tikamgarh MP in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VII. PP shall ensure to construct pakka approach road and maintained it. Plantation will be carried out on both side of the approach road.
- VIII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- IX. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- X. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XI. PP must ensure implementation of the following activities under CER :-

❖ **First year: To provide construct two classroom in Govt. primary school Itayali.**

PP shall give preference to develop/provide infrastructural facilities in schools or aganwadies of above villages The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XII. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA..

Hence, Prior Environmental Clearance is granted for Stone Quarry (opencast semi mechanized method) in an area of 1.70 ha. for production capacity of 22498 cum per annum at Khasra No. 1035/1 at Village - Itayali, Tehsil - Palera, Dist. Tikamgarh (MP) for the lease period to M/s S.S.Enterprises, Partner, Shri Shailendra Kumar Tiwari, R/o, Village & Post - Barana Thar, Tehsil - Palera, Dist. Tikamgarh, MP – 472221.

23. Case No 8228/2021: Prior Environmental Clearance for Sand Quarry in an area of 5.0 ha. for production capacity of 1197 cum per annum at Khasra No. 1 at Village - Parasia, Tehsil - Damoh, Dist. Damoh (MP) by M/s Musa Construction, Shri Murim Azam Khan, R/o 232, New Market No. 2, Dist. Damoh, MP – 470661.

This case was recommended in 486th SEAC meeting dated 26.02.2021 and it was recorded that.....

PP has submitted the response of above quarries same date vide letter dated 26.02.2021, which was placed before the committee. Committee observed that even after deducting the volume of sand in the submerged area, the sanctioned volume of sand can be evacuated from the available dry area as per the revised plan submitted by PP. The mining shall be done as per the approved mine plan by concerned DGMS. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B':

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 486th SEAC meeting dated 26.02.2021, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC.
- III. The mining shall be carried out strictly as per the approved mining plan and ensure that the annual replenishment of sand in the mining lease area is sufficient to sustain the mining operations at levels prescribed in the mining plan.
- IV. No ramp will be allowed within the river basin to transport sand to the other bank. Transportation will be allowed on the bank side where the mineral is being excavated.
- V. The entire lease area should be properly fenced and boundary stones marked at the site.
- VI. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion where sand is exposed.
- VII. Leaving the submerged area as non-mining zone as committed in PP.
- VIII. The depth of the pit shall be as per Approved Mining Plan.
- IX. Transportation of sand not allowed during opening & closing timing of the school located in village area.
- X. Transportation of sand shall be strictly carried out from outside the village area.

- XI. If the stream is dry, the excavation must not proceed beyond the lowest undisturbed elevation of the stream both which is a function of local hydraulics, hydrology and geomorphology.
- XII. No Mining shall be carried out during Monsoon season.
- XIII. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- XIV. Total 7500 saplings of suitable tree species i.e. Neem, Peepal, Bargad, Karanj, Kadam, Arjun etc. shall be planted by PP under plantation programme at Khasra No. 1 Dist. Damoh in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- XV. Over loading will be strictly prohibited.
- XVI. Water sprinkling will be done on the approach road on the regular basis.
- XVII. PP must ensure the implementation of following activities under CER with all budgatory provision as committed in SEIAA :

Village Name: *Parasai.*

❖ *Construction of Boundary wall in Govt. middle school in village Parasai.*

❖ *Contribution for Jal Jeewan Mission to janpad panchayat Parasai.*

PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XVIII. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Sand Quarry in an area of 5.0 ha. for production capacity of 1197 cum per annum at Khasra No. 1 at Village - Parasia, Tehsil - Damoh, Dist. Damoh (MP) for the lease period to M/s Musa Construction, Shri Murim Azam Khan, R/o 232, New Market No. 2, Dist. Damoh, MP – 470661.

28. Case No 8238/2021 Prior Environment Clearance for Stone Quarry (opencast semi mechanized method) in an area of 2.0 ha. for production capacity of 10229 cum per annum at Khasra No. 342/1/1K at Village - Kajlash, Tehsil - Ashta, Dist. Sehore (MP) by Shri Narendra Singh Thakur S/o Shri Mohan Singh Thakur, Gram - Arniyaram, Tehsil - Ashta, Dist. Sehore, MP - 466001

This case was recommended in 486th SEAC meeting dated 26.02.21 and it was recorded that.....

..... The case was presented by the PP and their consultant wherein during appraisal it was observed by the committee that a pit is in existence for which PP submitted that they got the lease in this condition and have shown the same on surface map. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 486th SEAC meeting dated 26.02.21, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VIII. Total 3000 saplings of suitable tree species i.e. Peepal, Karanj, Neem, Saptarni, Gulmohar, Bargad, Khirni, Mango, Kalasiris, Amla, Imli etc. shall be planted by PP in first three years under plantation programme in barrier zone, no mining area and khasra no. 342/1/1k in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.

- IX. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- X. PP must ensure implementation of the following activities under CER as committed:
- ❖ Construction of boundary wall in govt. middle school in village Kajlash.
 - ❖ Development of play ground with slides in govt middle school village Kajlash.

PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XI. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Stone Quarry (opencast semi mechanized method) in an area of 2.0 ha. for production capacity of 10229 cum per annum at Khasra No. 342/1/1K at Village - Kajlash, Tehsil - Ashta, Dist. Sehore (MP) for the lease period to Shri Narendra Singh Thakur S/o Shri Mohan Singh Thakur, Gram - Arniyaram, Tehsil - Ashta, Dist. Sehore, MP - 466001.

- 29. Case No 8233/2021** Prior Environment Clearance for Sand Quarry (opencast manual method) in an area of 1.0 ha. for production capacity of 36975 cum per annum at Khasra No. 25, 26/1, 26/2 at Village - Saliwada, Tehsil - Shahpura, Dist. Jabalpur (MP) by M/s Aaradhya Logistics Solution Pvt. Ltd, Shri Ranjeet Singh Thakur, Director, 1967/1, Opp. Stadium Gate No. 4, Wright Town, Dist. Jabalpur, MP - 482001

This case was recommended in 486th SEAC meeting dated 26.02.21 and it was recorded that.....

".....The case was presented by the PP and their consultant wherein PP submitted that its khodu-bharu sand mining and are very old deposits of sand on agricultural field and needs to clear the sand to create land for agricultural practices. During appraisal it was observed by the committee that some trees are in existence for which PP submitted that tree uprooting will not be done as the mining will be carried out manually. After presentation, PP was asked to submit written commitment for no tree uprooting and revised EMP as suggested by committee. PP has submitted the response of above quarries same date vide letter dated 26.02.2021, which was placed before the committee which was found satisfactory. The mining shall be done as per the

approved mine plan by concerned DGMs. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B':

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 486th SEAC meeting dated 26.02.21, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC.
- III. The mining shall be carried out strictly as per the approved annual replenishment of sand in the mining lease area is sufficient to sustain the mining operations at levels prescribed in the mining plan.
- IV. No ramp will be allowed within the river basin to transport sand to the other bank. Transportation will be allowed on the bank side where the mineral is being excavated.
- V. The entire lease area should be properly fenced and boundary stones marked at the site.
- VI. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion where sand is exposed.
- VII. PP shall ensure leaving 10 m. distance from narmada river shall be maintained as no mining zone and also to leave the submerged area as non-mining zone.
- VIII. PP shall ensure compliance of the direction and provision made for sand mining methodology up to 5 ha. lease area as per the Notification 30.08.2019 issued by MP Mineral Resource Department, GoMP.
- IX. The depth of the pit shall be as per Approved Mining Plan.
- X. No transportation shall be permitted within the village.
- XI. PP shall ensure existing trees shall not be uprooted within ML area.
- XII. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- XIII. Total 1500 saplings of suitable tree species i.e. Neem, Pipal, Dalbargia Sissoo, Bargad, Amaltas, Khirni, Mango, Guava etc. shall be planted by PP in first two years under plantation programme at River Ban and Khasra No. 26/1, 26/2, 25 at village Saliwada in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.

- XIV. Over loading will be strictly prohibited.
- XV. Water sprinkling will be done on the approach road on the regular basis.
- XVI. PP must ensure the implementation of following CER as committed :
- ❖ Construction of separate toilets for girls & boys in govt. primary school **Saliwada**
 - ❖ **To provide** water filter and repairing/coloring boundary wall in govt. primary schools Saliwada and other suggestion from village head will also be included for future planning.

PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XVII. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC,GoI,Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Sand Quarry (opencast manual method) in an area of 1.0 ha. for production capacity of 36975 cum per annum at Khasra No. 25, 26/1, 26/2 at Village - Saliwada, Tehsil - Shahpura, Dist. Jabalpur (MP) for the lease period to M/s Aaradhya Logistics Solution Pvt. Ltd, Shri Ranjeet Singh Thakur, Director, 1967/1, Opp. Stadium Gate No. 4, Wright Town, Dist. Jabalpur, MP - 482001.

- 30. Case No 8165/2021, Prior Environment Clearance for Stone & Murrum Quarry** (opencast semi mechanized method) in an area of 4.11 ha for production capacity of Murrum - 9996 cum per annum and Stone - 29870 cum per annum at Khasra No. 362, 363, 365/1/1, 366, 367/3 at Village - Dhanwahi, Tehsil - Kundam, Dist. - Jabalpur (MP) by Shri Atishay Jain S/o Shri Ajay Kumar Jain R/o Mukam, Post - Baghraj, Tehsil - Kundam, Dist. Jabalpur, MP – 482001.

This case was recommended in 486th SEAC Meeting dated 26/02/2021 and it was recorded that.....

“-----PP submitted the reply vide letter dated 19/02/21 which was placed before the committee. Committee observed that as per ekal praman patra no national park etc is within 10 km radius. However, forest is 06 meters away for which PP has obtained approval of DCLC in their meeting dated 14/12/20. PP has also submitted inventory of trees and commitment that no tree uprooting is proposed. Committee observed that PP has submitted the response of above quarries vide letter dated 19.02.21, which was placed before the committee and the same found

satisfactory. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':"

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 486th SEAC Meeting dated 26/02/2021, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per the Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- VIII. Total 7500 saplings of suitable tree species i.e. Peepal, Khirni, Neem, Saptparni, Gulmohar, Bargad, Kalasiris, Mango, Karanj, Amla, Imli etc. shall be planted by PP in first three years under plantation programme in barrier zone, no mining zone and Khsara No. 161/k in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- IX. PP shall ensure to left 25 m. setback from forest area and construction of chainlink fencing towards the forest side and leaving the above setback area as no mining zone as per the direction made in meeting dated 14.12.2020 under the chairmanship of Divisional Commissioner Jabalpur.
- X. PP committed during the presentation that existing 13 trees in the lease area will not be uprooted. The area occupied by trees shall be left as non-mining area.
- XI. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as

(B. Vijay Datta)

part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.

- XII. PP must ensure implementation of the following activities in under CER as committed:

- ❖ Construction of Drainage system in village Dhanwahi.
- ❖ Construction of Boundary wall and 1 classroom in Govt. middle school in village Dhanwahi.

PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XIII. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Stone Mine (opencast semi mechanized method) in an area of 4.11 ha for production capacity of Murrum - 9996 cum per annum and Stone - 29870 cum per annum at Khasra No. 362, 363, 365/1/1, 366, 367/3 at Village - Dhanwahi, Tehsil - Kundam, Dist. - Jabalpur (MP) for the lease period to Shri Atishay Jain S/o Shri Ajay Kumar Jain R/o Mukam, Post - Baghraj, Tehsil - Kundam, Dist. Jabalpur, MP – 482001.

- 31. Case No 7651/2020, Prior Environment Clearance for Stone Quarry (Opencast/ Semi- Mechanised Method) in an area of 7.818 ha for production capacity of 4,46,782 cum per annum at Khasra No. 2394, 2396, 2397/1, 2397/2, 2388, 2390/min-1, 2390/min-2, 2391, 2392/1, 2392/3, 2392/min-2, 2392/min-3, 2392/min-4, 2392/min-5, 2393 at Village - Bilaua, Tehsil - Dabra, Dist. - Gwalior (MP) by Shri Amarnath Sharma, 46, Shanti Vihar, Darpan Colony, Thathipur, Dist. - Gwalior (MP) - 474011 (MP).**

- (1) This is a project pertaining to mining of **Stone Quarry** in MLA of 7.818 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions by virtue of its location and mining lease area. There is no forest boundary in less than 250 m distance from the ML area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environmental clearance

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)

for the project. It was submitted that this is a fresh grant issued in the year of 2018 for 10 years.

- (2) The mining lease was granted to Shri Amarnath Sharma, 46, Shanti Vihar, Darpan Colony, Thathipur, Dist. - Gwalior in the year of 2020 for 10 years, which is applicable after lease agreement. This is a case of fresh grant. The Mining Plan with progressive mine closure plan has been approved by DGM, M.P. Vide Letter No. – 9246-47/ Mining Plan Cell-7/Gwalior / Na.Kra. 34/2020 dated 08.09.2020.
- (3) SEAC in its 486th SEAC Meeting dated 26/02/2021 has recommended the case with 36 special conditions for issuance of EC.
- (4) It was noted that as per Ekal Praman Patra of Office of the Collector (Mining Division), Gwalior L.No. QL-03/2020 Gwalior, dtd. 07.09.2020, the National Park /Sanctuary is not located within 10 Km. radius from the mining site. Hence, the General Conditions are not attracted. There is no forest boundary in less than 250 m distance from the ML area.
- (5) PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that the water requirement is 8.0 KLD (1.0 KLD for Domestic use + 3.0 KLD for Dust suppression + 4.0 KLPD for Green Belt). The water requirement will met through nearby water source/ accumulated rain water in mined out pits.
- (7) The proposed plantation programme was examined and it was found that total 11800 saplings shall be planted under plantation program @ 2400 for first year and 2350 per year from second year. Plantation of 50 nos will be done additionally during 1st year in compensation to the uprooting of existing 05 trees within the lease area.
- (8) It was also noted that the Public Hearing was carried out on 12.01.2021 in front of Steel Plant, Main Road, Village - Bilaua, Tehsil - Dabra, Dist. - Gwalior (MP) under the Chairmanship of Additional Collector, Gwalior.

After detailed discussions and perusal of recommendations of 486th SEAC Meeting dated 26/02/2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Lease agreement shall be carried out before execution of mining operation.

(B. Vijay Datta)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

- III. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- IV. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three rows plantation shall be carried out in the greenbelt area in current year with proper watering arrangement.
- V. PP committed that the compensatory plantation of 50 tree species shall be carried against the uprooting of existing 05 trees in the ML area. PP shall ensure that existing trees shall be uprooted with due permission of competent authority and compensatory plantation shall be carried out in the first year.
- VI. PP will plant 3 years old 11800 saplings in 03 years of suitable tree species i.e. Amla, Neem, Peepal, Bargad, Sisso, Amaltas, Karanj, Jamun etc. will be planted along the lease Boundary in mine premises and transportation route and at identified revenue land of the district in consultation with DM/ Gram Panchayat. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VII. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VIII. The overburden and waste will be stacked within ML area and simultaneously backfilled in the mined out area where plantation will be raised on it.
- IX. PP shall ensure that waste material shall not be stacked long time in ML area.
- X. No overburden will be dumped outside the mine lease area.
- XI. Regular water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MP PCB. Regular air and noise quality monitoring shall also be carried out from authorized laboratory in consultation with Regional Officer, MP PCB at regular interval.
- XII. PP shall ensure the generation of employment opportunities nearby Village on priority basis.
- XIII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.

- XIV. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XV. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields.
- XVI. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XVII. PP shall ensure the proper water supply arrangements for plantation especially in summer season.
- XVIII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIX. PP must ensure the implementation of compliance of the commitment made in Public Hearing in addition to these following activities with separate budget provision under CER as committed.

Village - Billaua :-

- ❖ Renovation & upgradation of govt. school building and aaganwadi campus at village Billaua.
- ❖ Construction of the 2 new classrooms & 2 toilets at village secondary govt school Billaua with proper water supply facility via overhead tank.
- ❖ To provide basic school furniture of govt. primary school Beragarh and other items as needed including sports kit.
- ❖ Repairing & whitewash of existing classrooms at govt. secondary school building and installation of new windows & doors & in addition leveling of its playground.
- ❖ Construction of the boundary wall of govt secondary school.
- ❖ Conducting half yearly health checkup program for the nearby villagers in consultation with village panchayat & providing medical equipments to the local health centers.
- ❖ Development and maintenance of grassland on a nearby suitable government land at villages Billaua and Beragarh (for 1st, 2nd, 3rd, 4th and 5th year).

PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP

shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.

- XX. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

Hence, Prior Environmental Clearance is granted for Prior Environment Clearance for Stone Quarry (Opencast/Semi- Mechanised Method) in an area of 7.818 ha for production capacity of 4,46,782 cum per annum at Khasra No. 2394, 2396, 2397/1, 2397/2, 2388, 2390/min-1, 2390/min-2, 2391, 2392/1, 2392/3, 2392/min-2, 2392/min-3, 2392/min-4, 2392/min-5, 2393 at Village - Bilaua, Tehsil - Dabra, Dist. - Gwalior (MP) for the lease period to Shri Amarnath Sharma, 46, Shanti Vihar, Darpan Colony, Thathipur, Dist. - Gwalior (MP) – 474011.

32. **Case No 6794/2020** Prior Environment Clearance for Stone Quarry (opencast semi mechanized method) in an area of 4.00 ha. for production capacity of 24,832 cum per annum at Khasra No. 68 at Village - Tejpura, Tehsil - Thandla, Dist. Jhabua (MP) by Shri Santosh Nayak, Village - Gudali, Tehsil - Meghnagar, Dist. Jhabua, MP – 457772

This case was recommended in 486th SEAC meeting dated 26.02.21 and it was recorded that.....

..... The case was scheduled for presentation, but neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Earlier PP was also absent in the SEAC 479th meeting dated 11/02/2021 SEAC & 477th meeting dated 30/01/2021. Committee decided that since sufficient opportunities has been given to the PP for appraisal of their case but PP remains absent thus committee decided that case shall be returned to SEIAA for delisting assuming that PP is not interested to continue with the project

As per above observation of SEAC, it has been decided to delist the case on the condition that if PP intends to present the case in SEIAA, it will then be relisted for appraisal. Copy to PP and all concerned.

33. **Case No 8098/2021** Prior Environment Clearance for Stone Quarry in an area of 3.917 ha. (200000 cum per annum) (Khasra No. 1640), Village - Prakash Bamhour, Tehsil - Gaurihar, Dist. Chhatarpur, (MP) by Shri Bhuwanchandra Pandey, Kabrai, Dist. Mahoba, UP,

- TOR recommended in 306 SEAC meeting dated 27-01-18. TOR issued on 21-02-2018 valid upto 26-01-2021

Ministry of Environment, Forests and Climate Change vide notification dated 18/01/21 has made following provisions under sub-heading II "Stage (2) - Scoping:

"Notwithstanding anything contained above, the period from the 1st April, 2020 to the 31st March, 2021 shall not be considered for the purpose of calculation of the period of validity of Terms of Reference granted under the provisions of this notification in view of outbreak of Corona Virus (COVID-19) and subsequent lockdowns (total or partial) declared for its control, however, all activities undertaken during this period in respect of the said Terms of Reference shall be treated as valid".

In context of above SEAC recommends to extend the validity period of ToR as per Ministry of Environment, Forests and Climate Change notification dated 18/01/21.

As per the above observation of SEAC, **it is decided to accept the recommendation of 486th SEAC meeting dtd. 26.02.21 and extend the ToR validity** as per Ministry of Environment, Forests and Climate Change notification dated 18/01/21. **Accordingly copy to SEAC along with technical file of PP for information and necessary action and inform to PP for extension of validity.**

As per the above observation of SEAC, it is decided to accept the recommendation of 486th SEAC meeting dtd. 26.02.21 and extend the ToR validity as per Ministry of Environment, Forests and Climate Change notification dated 18/01/21. Accordingly copy to SEAC along with technical file of PP for information and necessary action and inform to PP for extension of validity.

41. Policy Decision

Director, Geology and Mining, Govt. of M.P. vide letter No. 3761/खनिज/उ.प./न.क. 04/2021 dated 1.03.2021 has requested to seek direction from SEIAA regarding validity of EC issued by DEIAA on renewal of mining lease. Similarly applications of Mr. Neel Jain, Mr. Darshan Singh, Mr. Chander Singh, Mr. Tej Singh Thakur & Mr. Vijendra Singh Thakur of Sehore and Mr. Dilip Rai of Damoh have been received seeking clarification whether fresh environmental clearance is required at the time of renewal of mining lease if prior EC is already granted by DEIAA for particular mining lease.

After detail discussion, it has been decided to take the following policy decision on validity of prior EC issued by DEIAA on renewal of mining lease as per prevailing provisions of notification and OM of MoEF&CC, GoI

As per Point No. 9—Validity of Environmental Clearance of EIA notification 14th September 2006, it is mentioned that

"The prior environmental clearance granted for a project or activity shall be valid for a period of ten years in the case of River Valley projects (item 1(c) of the Schedule), project life as estimated by Expert Appraisal Committee or State Level Expert Appraisal Committee subject to a maximum of thirty years for mining projects and five years in the case of all other projects and activities".

As per MoEF&CC, GoI OM No. J-11011/15/2012-IA-II(M) dated 20.03.2015, it is mentioned that

"It is clarified that the Project Proponent which has valid and substituting EC for their Mining Project i.e under EIA Notification 1994 or EIA Notification 2006 will not be required to obtain fresh EC at the time of renewal of lease. This is subject to the maximum period of validity of EC being for mining for 30 years."

As per above procedure, environmental clearance is normally granted for mining lease period and as per MoEF&CC, GoI Office Memorandum No. J-11011/15/2012-IA-II(M) dated 20.3.2015, policy decision has been taken that the Project Proponent which has valid and subsisting EC issued by DEIAA for their mining project under EIA Notification 2006 will not be required to obtain fresh EC at the time of renewal of mining lease subject to the maximum period of validity of EC being for mining for 30 years. Letter to DGM and copy to above applicants/project proponent.

Meeting ended with a vote of thanks to the Chair.
