| 3. Shri Lalan Prasad Singh | - | Member Secretary. |

Agenda:- Environmental Clearance to proposed Hospital Building at Indira Gandhi Institute of Medical Sciences, Patna, Bihar.

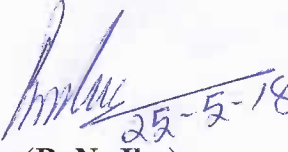

This is a construction project falling under 8(a) of EIA Notification, 2006 & applicant (PP) is Executive Engineer, IGIMS Patna. The application was received in SEIAA on 9th May and appraisal by SEAC has been done on its meeting 19th May, 2018. SEAC has recommended the proposal for Environmental Clearance after submission of certain wanting information (Layout plan of ETP on scale, provisions of solar panels on roof top and Bio-composting units) by the project proponent.

The SEIAA resolved to grant Environmental Clearance to this project with usual as well as a specific condition that

- "The project proponent shall establish a fresh Bio-medical waste Treatment plant as far as possible within the campus if the capacity of existing one common Bio-Medical Waste treatment plant (within campus) is under full utilization or the same is shifted elsewhere.
- Project proponent shall submit a plan regarding Bio-Composting (specifically food-waste) which shall form a part of Environment Management Plan (EMP) of present proposal.
- Provision of double plumbing for re-use of treated water for garden, fountain and similar uses.
