<b>Agenda Item: 144.07</b>	Proposed for expansion to Bulk Drugs & Drug Intermediates manufacturing unit of M/s. SIFLON DRUGS at Sy. No.25/4, Rachanapalli Village, Ananthapur District, Andhra Pradesh
SIA/AP /IND2/1 56414/2 020	<p>Category : B2</p> <p>The project proponent and their Consultant M/s. Right Source Consultants have attended the Online meeting.</p> <p>The committee observed that the Compliance report of EC and CFO not uploaded, The case is deferred for submission of compliance and presentation.</p>
<b>Agenda Item: 144.08</b>	Proposed to expand the existing Bulk Drugs & Drug Intermediates manufacturing unit of M/s.GMK Labs Pvt. Ltd at Plot No.: 27/B, Road No. 02, IDA, Kondapalli (V), Ibrahimpatnam (M), Krishna District, Andhra Pradesh
SIA/AP /IND2/1 57183/2 020	<p>Category : B2</p> <p>The project proponent and their Consultant M/s. Right Source Consultants have attended the Online meeting.</p> <p>The committee observed that the Compliance report of EC and CFO not uploaded, The case is deferred for submission of compliance and presentation.</p>

<b>Agenda Item:14 4.09</b>	M/s. Venkata Narayana Active Ingredients Private Limited, Sy.No.69, Chandrapadiya Village, Vinjamur Mandal, Nellore District, Andhra Pradesh
SIA/AP /IND2/1 51499/2 020	<p>Category : B2</p> <p>The project proponent and their Consultant M/s. SV Enviro Labs &amp; Consultants have attended the Online meeting. The consultant made a presentation on the project and EMP. It was informed that a fire accident has occurred and the APPCB is in the process of initiating action against the Industry.</p> <p>The committee verified the Certified Compliance report of EC. It was observed that the proponent has not uploaded the Risk Analysis report for the industrial activity. After deliberations the committee recommended for deferring the proposal for want of Risk Analysis Report and details about the action being taken by the APPCB.</p> <p>It was instructed to raise an ADS to the industry for uploading risk analysis and CFO compliance report.</p>
<b>Agenda Item:14 4.10</b>	M/s. Popular Molecules Private Limited unit-I at Shed No 83 D, APIIC Industrial Park, Gajulamandyam, Renigunta Mandal, Chittoor District, Andhra Pradesh
SIA/AP /IND2/1 51455/2 020 (EC)	<p>Category : B2</p> <p>The project proponent and their Consultant M/s Pridhvi Envirotech Pvt. Ltd have attended the Online meeting. The industry has obtained TOR for some products vide letter dt:12.08.2019. It is informed that the proponent is also proposing another unit with in 150mts distance and the Effluent Treatment system &amp; solvent recovery system will be shared by both the units by installing Effluent treatment system in one unit and Solvent Recovery System in the other unit. The effluent will be transported by a pipeline and solvents by tankers.</p> <p>The committee observed that the layout of the industry premises is not indicating the systems locations. Further it was opined that the sharing of control systems between the units will pose environmental issues and also mishandling of waste.</p> <p>The proponent informed that, the proposal will be revised by providing treatment systems individually for the units and apply afresh. They requested the committee for withdrawal of the application and also the previous TOR.</p> <p>The committee recommended for withdrawal of TOR and the application.</p>
<b>Agenda Item:14 4.11</b>	M/s. Popular Molecules private limited, Unit-II is proposed to manufacture Bulk Drugs and Drug Intermediates at shed no. 83(Part), and 84 (Part B), APIIC Industrial Park, Gajulamandyam, Renigunta(M), Chittoor (D), Andhra Pradesh
SIA/AP /IND2/1 51684/2 020 (EC)	<p>Category : B2</p> <p>The project proponent and their Consultant M/s Pridhvi Envirotech Pvt. Ltd have attended the Online meeting. **Minutes of 144<sup>th</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P., HELD ON  
12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup> August 2020.**

<b>Agenda Item:14 4.15</b>	Proposed API, Fine Chemicals, Bulk Drugs Intermediates Manufacturing Unit” by M/s. Amma Life Sciences at Survey Nos. 480, 481, 584, 585 & 966 Minchalapadu, Kakirala Village, Durgi Mandal, Guntur District, Andhra Pradesh.
SIA/AP /IND2/1 52640/2 020	<p>Category : B2</p> <p>The project proponent and their Consultant M/s. Hubert Enviro Care Systems Pvt Ltd have attended the Online meeting. The representative informed that they have not obtained CFE and CFO and at present the land is vacant.</p> <p>The committee observed that the industry has made application including fine chemicals along with API, which cannot be appraised as per the MoEF&amp;CC O.M. 1223 dt:13.04.2020.</p> <p>The applicant requested the committee for withdrawal of application. They informed that the products list will be changed and a fresh application for EC will be applied.</p> <p>The committee recommended for withdrawal of application.</p>
<b>Agenda Item:14 4.16</b>	Proposed API & Bulk drug Intermediates within the existing manufacturing facility along with existing natural products of M/s. Manasvi Pharma LLP P. No: 219 & 220, APHC Growth Centre, Thumakunta, Hindupur, Anantapur District, Andhra Pradesh
SIA/AP /IND2/1 64318/2 020	<p>Category : B2</p> <p>The project proponent and their Consultant M/s. Hubert Enviro Care Systems Pvt Ltd have attended the Online meeting. It is informed that the APPCB has issued Stop production Order dt: 06.01.2020 for production of unconsented products and discharge of effluents outside the premises violating the Air and Water Acts.</p> <p>The committee observed that the industry has violated the EP Act, Air &amp; Water Acts. They have also not uploaded the Certified Compliance.</p> <p>The committee recommended to reject the proposal and initiate credible action for the violation.</p>
<b>Agenda Item:14 4.17</b>	M/s Divi's Laboratories Limited at survey no. 397, 401, 402, 403, 446, 676, 681, 682, 683, 700 to 709, Krishnapatnam Industrial Area, Kothapatnam (V), Kota (M), SPSR Nellore (D), Andhra Pradesh.
SIA/AP /IND2/1 53518/2 020	<p>Category : B2</p> <p>The project proponent and their Consultant M/s. Ramky Enviro Services Pvt Ltd have attended the Online meeting and made presentation. The proponent informed that the proposal is for APIs and they are proposing for marine discharge of effluents after treatment.</p> <p>The committee observed that, the proponent has not obtained CRZ approval for marine discharge of their treated effluents, the industry layout is not properly indexed to identify the different facilities being considered by the industry, permissions are to be obtained from competent Authority for source of water, incinerator is proposed for hazardous incineration.</p> <p>After detailed deliberations the committee opined to defer the proposal for CRZ approval for marine discharge of their treated effluents, the industry layout not properly indexed to identify the different facilities being considered by the industry, permissions to be obtained from competent Authority for source of water, incinerator proposed for hazardous incineration, Forest Dept NOC. It was informed to industry to furnish an affidavit in this regard, clarification regarding the patent of COVID-19 drug.</p> <p>The Committee deferred the proposal for want of the information and also raise an ADS letter.</p> <p style="text-align: right;"></p>

**Minutes of 144<sup>th</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P., HELD ON 12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup> August 2020.**

<b>Agenda Item:14 4.18</b>	<b>Proposed Change in production mix and Production Expansion of M/s Divi's Laboratories Limited (Unit-2) – Bulk drug unit at Sy No. 52, 134, 138, 139, 140, 159, 160 to 168, 168/1 183 and 184 of Chippada Village and Sy No. 1, to 4, 6, 45, and 46 of Annavaram Village and Sy.Nos.107,158, 168 to 172 Of Chippada and Annavaram villages, Annavaram (T), Bheemunipatnam (M), Visakhapatnam, Andhra Pradesh.</b>
SIA/AP /IND2/1 52706/2 020	Category : B2  The project proponent and their Consultant M/s. Ramky Enviro Services Pvt Ltd have attended the Online meeting and made the presentation. The proponent informed that the proposal is for expansion of the industry for enhanced products and there is no change in water consumption and no increase in infrastructure.  The Committee observed that the proponent has not submitted the Certified Compliance for EC and CFO. Hence Deferred for next meeting.  The Committee deferred the proposal for want of the information and also raise an ADS letter.
<b>Agenda Item:14 4.19</b>	<b>Expansion of Bulk Drugs and Intermediates Manufacturing Unit and Inclusion of Captive power plant of 2 x 2 MW by M/s. SMS Pharmaceuticals Limited, Unit VII at Sy.Nos. 160, 161, 163 to 168 and 170 (Kandivalasa Village), Sy. No. 72 (Kovvada Agraharam Village), Pusapatirega Mandal, Vizianagaram District, Andhra Pradesh.</b>
SIA/AP /IND2/1 51794/2 020	Category : B2  The project proponent and their Consultant M/s. Team Labs and Consultants have attended the Online meeting and made presentation. The proponent informed that they are proposing for enhanced production with capacities and with increased water consumption.  The committee observed that, there is increased water consumption and waste water generation. The industry has not obtained the CRZ permission for marine disposal of the treated effluents. The industry has not furnished the latest certified compliance for EC , CFO and CRZ.  The committee after detailed deliberations recommended to defer the proposal for non submission of Certified Compliance and CRZ permission. The industry was also informed to furnish approvals for source of water, green belt details.  The Committee deferred the proposal for want of the information and also raise an ADS letter.
<b>Agenda Item:14 4.20</b>	<b>Establishment of Active Pharma Ingredients (Bulk drug and intermediates) manufacturing unit by M/s. CSD Labs at Sy. No. 989/A1, A2, B, Gangolu Village, Gopalapuram Mandal, West Godavari District, Andhra Pradesh.</b>
SIA/AP /IND2/1 54605/2 020	Category : B2  The project proponent and their Consultant M/s. Team Labs and Consultants have attended the Online meeting and made the presentation. The proponent informed that the proposed land is agriculture land and land conversion for industrial land is to be obtained. The proponent informed that the source of water is borewell and tankers, Zero Liquid system will be adopted, the hazardous waste generated will be disposed as per the norms.  The committee observed that the industry has to convert the land from agriculture to Industrial land. After detailed deliberations the committee recommended for EC without any prejudice to the conditions that will be levied in the CFE/CFO if any.  EC will be valid only when the land conversion is completed. The proponent has to obtain permission from the ground water department.

<b>Agenda Item:14 4.21</b>	<b>Proposed Bulk Drug Intermediates Project M/s. Saketh Laboratory, Located at Sy. No. 172, Obulapuram Village, D. Hirehal Mandal, Anantapuramu District, Andhra Pradesh.</b>
SIA/AP /IND2/1 65365/2 020	<p>Category : B2</p> <p>The project proponent and their Consultant M/s. Team Labs and Consultants have attended the Online meeting and made the presentation. The proponent informed that the proposed land is agriculture land and land conversion for industrial land is to be obtained. <b>Agend No : 144. 22</b>	<b>The report of the subcommittee formed for study on the mining of Anantagiri hills near Borra caves.</b>
	<p>M/s. The Aiswarya Tribal labour Contract Mutually Aided Cooperative Society has applied online for prior Environmental Clearance for their 2.16 Ha. Calcite and Mica Mine situated at Sy. No: 14 Kwaitiguda Village, Ananthagiri Mandal, Visakhapatnam District, Andhra Pradesh, on 20.10.2019 (Vide Proposal No.SIA/AP/MIN/45146/2019). The said proposal was appraised in the APSEAC meeting held on 04-12-2019, and recommended for a visit of the Sub-committee as the committee opined that the area where the mine was proposed is the catchment area for two rivers originating in the Eastern Ghats.</p> <p>After a detailed discussion and based on the Sub-Committee recommendations, the SEAC recommends for issuing the EC with the following Special conditions to the proposed mine.</p> <p><b>A. The mine should leave a buffer area of 10 m (7.5 m + additional 2.5 m) along the borders of its geo-coordinates of the western boundary (P3; P2; P1 and P9). This area shall be developed with native species of land and soil stabilizing plant species before the mine work is initiated.</b></p> <p><b>B. The area East to the straight line drawn from P3 to P8 should not be mined and this area also need to be developed with native species of land and soil stabilizing plant species before the mine work is initiated.</b></p> <p>As per the application the production quantities are Calcite - 120480 TPA, Mica 6341 TPA. After leaving the buffer areas as per A &amp; B above, the committee recommends for 40% reduction in the production quantities. The production recommended is Calcite - 72,288 TPA, Mica 3,804.6 TPA.</p>
<b>Agenda Item No. 144.23</b>	<b>1.5 Ha Road Metal, Gravel &amp; Boulders Mine of Sri M.Venkata Prasad Sy. No. 801 of Paritala Village, Kanchikacherla Mandal, Krishna District, Andhra Pradesh.</b>
SIA/AP /MIN/1 35085/2 020	<p>The issue was examined by the SEAC in its meeting held on 31.01.2020. The Committee observed the following:</p> <p>The proposed project is for mining of Road Metal, Gravel &amp; Boulders in an area of 1.5 Ha. with a maximum production quantity of Road metal of 127752 tons per year, and Gravel and boulders of 144250 tonnes per annum and with a condition that the scheme total production should be limited to the Mining scheme approved quantities.</p> <p>The project falls under B2 category. The proponent and their RQP attended the meeting. Cluster formation certificate from the Assistant Director of Mines &amp; Geology (ADMG) has</p>

**Minutes of 144<sup>th</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P., HELD ON  
12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup> August 2020.**

	<p>been submitted and it is found to be under B2 category. After detailed deliberations on the proposal, the committee recommends to issue Environmental Clearance to the project. The proponent volunteered to allocate sufficient funds for providing Digital lab for two schools situated in for children for the school situated in Kanchikacherla village and also mini ambulance for PHC situated in Kanchikacherla village as a part of Corporate Social Responsibility (CSR) activity for the school.</p> <p>SEIAA, A.P. Mail dated. : 24.06.2020 communicated the SEAC, A.P. to examine the Life of Mine.</p> <p>The committee observed that the proponent made an application for renewal of lease to the ADMG for a period of 15 years. After deliberations the committee recommends life of mine as 15 years, that shall be counted from the date of agreement with the DDMG (refer: MMDR and Mineral Concession Rule No. 7, Subrule (13)).</p>
<p><i>Agenda Item No:</i> 144. 24</p>	<p><b>2.0 Ha Gravel Quarry of Sri D.Venkata Siva Ramarao at SY. NO. 121/3 &amp; 122/3,4 Gollanapalli(V),Gannavaram(M), Krishna District, Andhra Pradesh.</b></p>
<p>SIA/AP /MIN/1 35854/2 020</p>	<p>The issue was examined by the SEAC in its meeting held on 31.01.2020. The Committee observed the following: The proposed project is for mining of Gravel in an area of 2.0 Ha. with a maximum production quantity of 72239 tonnes per annum with a condition that the scheme total production should be limited to the Mining scheme approved quantities. The project falls under B2 category. The proponent and their RQP attended the meeting. Cluster formation certificate from the Assistant Director of Mines &amp; Geology (ADMG) has been submitted and it is found to be under B2 category. The committee observed that the land is patta land. After detail deliberations on the application, the committee recommends to issue Environmental Clearance. The proponent volunteered to allocate sufficient funds for providing two computers, to ZP high school situated in Gollanapalli village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>SEIAA, A.P. Mail dated. : 24.06.2020 communicated the SEAC, A.P. to examine the Life of Mine.</p> <p>The committee observed that the proponent made an application for renewal of lease to the ADMG for a period of 5 years. After deliberations the committee recommends life of mine as 5 years, that shall be counted from the date of agreement with the DDMG (refer: MMDR and Mineral Concession Rule No. 7, Subrule (13)).</p>
<p><i>Agenda Item:</i> 144.25</p>	<p><b>10.761 Ha. Black Galaxy Granite of M/s Midwest Granite Pvt limited at Sy. No. 103/P, 59/P &amp; 55/5 (P), RL puram (V), Chimakurthy (M), Prakasam District, Andhra Pradesh.</b></p>
<p>SIA/AP /MIN/1 36371/2 020</p>	<p><b>The issue was examined by the SEAC in its meeting held 20.07.2019.</b> The Committee observed the following: Category : B2 at par with B1 ( expansion). The representative of the project proponent and their consultant M/s. Pridhvi Envirotech (P) Ltd have attended the meeting. The Committee recommended for issue of Standard Terms of Reference (TOR) with public hearing for the proposed expansion of Black Galaxy Granite mining project for the product: Black Galaxy Granite from 31,157 m<sup>3</sup> /Annum to 65,230.20 m<sup>3</sup> /annum.</p> <p><b>The issue was examined by the SEIAA in its meeting held on 14.08.2019. The Authority Agreed with recommendation of the SEAC, A.P., for issue of Standard Terms of Reference with public hearing with additional TOR: The project proponent shall submit the year-wise production details.</b></p> <p><b>The project proponent submitted the EIA report with public hearing minutes through</b></p>

	<p><b>online on 12.01.2020.</b></p> <p>The issue was examined by the SEAC in its meeting held on 01.02.2020. The Committee observed the following: The proposed project is for mining of Black Galaxy granite in an area of 10.716 Ha. with a maximum production quantity of 31157 cum per year of Black Galaxy Granite with a condition that the scheme total production should be limited to the Mining scheme approved quantities. The authorized representative of the proponent along with their consultant M/s. Prithvi Enviro tech Private Limited attended the meeting. The project falls under Violation category. It is observed that the proponent completed credible action, conducted public hearing, an also submitted EIA report. After detail deliberations the committee recommended to issue Environmental Clearance. The proponent volunteered to allocate sufficient funds for providing a hospital in the Chimakurthy village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>SEIAA, A.P. Mail dated. : 24.06.2020 communicated the SEAC, A.P. for correction of production quantity.</p> <p><b>The committee has gone through the agenda and the minutes and observed that due to typographical error the production quantity is mentioned as 31,157 m3/annum.</b></p> <p><b>After deliberation the committee recommended for the correction of the production quantity and recommended for expansion with increase in production quantity from 31,157 m3/annum to 65,230.20 m3/annum.</b></p>
<p><i>Agenda Item No:</i> 144. 26</p>	<p><b>0.83 Ha. Gravel Mine of Sri Veerapaneni Prabhakar at Sy. No. 522/F(P), 522/G &amp; 523/B of Velagaleru (V),G.Konduru (M), Krishna District, Andhra Pradesh.</b></p>
<p>SIA/AP /MIN/4 6270/20 19</p>	<p>The issue was examined by the SEAC in its meeting held 19.12.2019. The Committee observed the following: The proposed project is for mining of Gravel Mine in an area of 3.946 Ha. and the production quantity is Gravel- 34,139.25 Tons /annum. The proponent did not attend the meeting. Hence deferred. The issue was examined by the SEIAA in its meeting held 07.01.2020. The Authority Noted with the recommendations of the SEAC.</p> <p>The issue was examined by the SEAC in its meeting held on 01.02.2020. The Committee observed the following: The proposed project is for mining of Gravel in an area of 0.83 Ha. with a maximum production quantity of Gravel of 34139 tonnes per annum with a condition that the scheme total production should be limited to the Mining scheme approved quantities. The land is a patta land. The project falls under B2 category. The proponent and RQP attended the meeting. Cluster formation certificate from the Assistant Director of Mines &amp; Geology (ADMG) has been submitted and it is found to be under B2 category. The committee observed that the land is Patta land and the documents are observed to be in order. After detail deliberations on the application, the committee recommended for Environmental Clearance with the following additional condition.</p> <p>a. The South West corner area of the lease has to be provided with water settlement pit, which will allow clean water to further flow down.</p> <p>The proponent volunteered to allocate sufficient funds for providing digital class room with furniture for the upper primary school situated in Velagaleru village as a part of Corporate Social Responsibility (CSR) activity.</p> <p>SEIAA, A.P.
