The Authority after detailed discussion and deliberation decided the following:

1. **Serial No. 1:** The proposal was deferred in the 5.106th meeting of SEIAA for submission of correct Khasra numbers duly authenticated from the competent Authority. Now, PP has submitted the requisite documents.

However, as the case is also of Re-appraisal of DEIAA EC, the Authority decided to **close and delist** the proposal in light of the O.M. No. IA-22/01/2021-IA-III- Part (1) dated 15.01.2024 issued by MoEF&CC regarding following the SOP for dealing mining proposals under Ministry's OM dated 28.04.2023 on PARIVESH Portal 2.0.

2. **Serial No. 2:** The proposal was deferred in the 5.110th meeting of SEIAA for submission of receipt of Conservation Plan. Now, PP has submitted the requisite document. Hence, the Authority accepted the recommendations and additional conditions of SEAC and decided to **grant EC** to this proposal.
3. **Serial No. 3:** The Authority accepted the recommendations of SEAC and decided to **grant corrigendum in earlier EC** to this proposal.
4. **Serial No.: 4, 5, 7, 8, 9, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 22, 24, 31, 34, 35, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 72, 73, 75, 85, 88, 90** : The Authority decided to **close and delist** these proposals in light of the O.M. No. IA-22/01/2021-IA-III- Part (1) dated 15.01.2024 issued by MoEF&CC regarding following the SOP for dealing mining proposals under Ministry's OM dated 28.04.2023 on PARIVESH portal 2.0.
5. **Serial No. 6, 37:** The Authority decided to accept the recommendations of SEAC and decided to **close and delist** this proposal.
6. **Serial No. 21:** The Authority accepted the recommendations and additional conditions of SEAC and decided to **grant TOR** to this proposal.
7. **Serial No. 23:** In this proposal, there is no dispatch number and date on Aravalli Certificate and affidavit regarding implementation of cluster EMP has not been submitted. Hence, the Authority decided to **defer** this proposal for additional information i.e., submission of revised Aravalli Certificate and Affidavit regarding implementation of Cluster EMP in next 45 days.

8. **Serial No. 25:** In this proposal, EC has not been obtained till date and the PP has exceeded production from the base year. While SEAC has stated that it is not a case a violation, the Authority is of the view that production had not started prior to EIA Notification 2006 and, therefore this may be a case of violation. Hence, the Authority decided to defer this proposal in light of the O.M. No. IA3-3/4/2024-IA.III [E 230791] dated 08.01.2024 and to **await further instructions from MoEFF&CC in this regard.**
9. **Serial No. 26, 28, 32, 71, 76:** The Authority accepted the recommendations and additional conditions of SEAC and decided to approve EIA/EMP and grant EC to these proposals with the condition that PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.
10. **Serial no. 27, 29, 30, 33, 70, 74, 86, 87, 89:** The Authority accepted the recommendations and additional conditions of SEAC and decided to grant EC to these proposals.
11. **Serial no. 36:** In this proposal, lease area is mentioned as 11.5899 Ha. in the minutes of Public hearing conducted and the Cluster Certificate but the EIA/EMP, Affidavit and Cluster Mining Plan have been submitted for 11.5411 ha. Moreover, Conservation Plan submission receipt is not submitted. Hence, the Authority decided to defer this proposal for additional information i.e., submission of Clarification regarding the cluster area and conservation plan submission receipt in next 45 days.
12. **Serial no. 10, 77, 78, 79, 82, 83, 84:** These are violation cases. The Authority decided to defer these proposals in light of the O.M. No. IA3-3/4/2024-IA.III [E 230791] dated 08.01.2024 issued by MoEF&CC regarding stay imposed by Hon'ble Supreme Court in W.P.(C) No. 1394/2023 titled Vanshakti vs. Union of India, with reference to the SOP dated 7th July 2021 and OM dated 28th January 2022.
13. **Serial no. 80:** The Authority accepted the recommendations of SEAC to grant EC to the project with the change that the proviso suggested by SEAC for air quality monitoring that "PP shall install 24x7 CAQMS as soon as the existing plant exceeds the threshold of 200 TPD" not be incorporated since PP himself has applied for permission for 300 TPD plant.
14. **Serial no. 81:** The Authority decided to defer this proposal and decided to call PP for personal hearing to get detailed presentation on parking provisions as well as Solid Waste Management of the project.

15. Hon'ble Supreme court, in W.P.(C) No. 1394/2023 titled Vanshakti vs. Union of India, has stayed the OM's dated 07.07.2021 and 28-01-2022 issued by MoEF&CC wherein provisions of penalty and remediation plan were provided to regularize violation cases. In view of the direction of the Hon'ble SC and O.M. No. IA3-3/4/2024-IA.III [E 230791] dated 08.01.2024 issued by MoEF&CC in this regard, all such violation cases are being deferred by SEIAA till further orders are received in this regard.

In the PIL filed before the Hon'ble Supreme court, the issue raised is that if **prior EC is required**, and work is done without it, why should there be regularization of violation cases. In view of the matter being sub judice **it is important that in all such violation cases wherein SEIAA has deferred them till further orders**, on account of aforementioned directions, **PP shall not be permitted to continue with the activities in respect of such violation on the plea that EC has been applied for**, since it defeats the very purpose for which the PIL has been filed i.e., "Prior EC" under the provisions of EIA Notification, 2006.

Therefore, in all above category **Building & Constructions projects**, directions be issued to RSPCB to ensure that **construction is halted at its current stage of violation**. Similarly, for **mining and other projects**, the **project activities are restricted to the production capacity and other conditions as specified in the EC** issued earlier. **In all projects where no EC has been issued, project activities be halted completely at its present stage.**

A list of all such cases in which SEIAA has deferred the cases on account of violation be sent to RSPCB and case wise compliance be obtained within next 15 days. The same may be done in future for all such deferred cases.

Meeting ended with vote of thanks to the chair.
