

STATE EXPERT APPRAISAL COMMITTEE
(SEAC), ASSAM.

3RD FLOOR, POLLUTION CONTROL BOARD,
ASSAM. BAMUNIMAIDAM, GUWAHATI- 781021

Minutes of the 8th meeting of the State Expert Appraisal Committee (SEAC), Assam held at 11-00 a.m. on 19th Oct, 2020 at the Conference Hall of the Pollution Control Board, Assam, Guwahati-21.

List of the members present in the meeting:

Sl no.	Name	Designation	Signature
1	Sri S. K. Seal Sarma,	Chairman, SEAC	Sd/-
2	Prof. Sarat Phukan	Member, SEAC	Sd/-
3	Prof. B.P . Duarah	Member, SEAC	Sd/-
4	Dr. G. C. Sarma.	Member, SEAC	Sd/-
5	Prof. Ratul Mahanta	Member, SEAC	Sd/-
6	Dr. D. N. Das.	Secretary, SEAC	Sd/-
7	Prof. Prasanta Kr. Saikia	Member, SEAC	Sd/-

The Chairman, SEAC, Assam, presided the meeting and welcoming all the members started the proceedings.

The meeting opened for discussion on the agenda items:

Agenda item- 1.Conformation of the resolutions adopted the 7th meeting of SEAC, Assam

Resolution 7/1: The minutes of the 7th meeting of SEAC, Assam held on 03rd Oct, 2020 was placed on the table for perusal and after a brief discussion the resolutions adopted there in are unanimously approved.

Agenda item- 2.

- 1. EC for collection of brick earth from “Ratanpur Miri Pathar Brick earth MPA (P.P Land)” Under Majuli (T) Division by Sri Nitul Senapati. SEIAA.1393/2020 (Proposal no. SIA/AS/MIS/149223/2020)**

Resolution 8/2:

The Project Proposal submitted by Sri Nitul Senapati requesting of EC for collection of Brick Earth from Ratanpur Miri Pathar Brick Earth MPA has been discussed. The Committee approved the project for extraction of 7354cu.m of Brick Earth for 2 (Two) Years time @ 3677cu.m per year strictly following the terms & conditions laid down in the Mining Plan approved by the Geology and Mining Deptt. Assam.

The DFO, Majuli Division will ensure that the Mining is done in the proposed site and no irregularities can take place during the mining process.

Agenda item- 2.

- 2. EC for collection of Sand & Gravel from “Champa Sand And Gravel river Mahal No.6” Under Chirang Dvn by Anjan Basumatary. SEIAA.1380/2020 (Proposal no. SIA/AS/MIN/158723/2020)**

Resolution 8/3:

The project proposal submitted by Sri Anjan Basumatry requesting EC for collection of Sand & Gravel from the Champa Sand & Gravel River Bed Mahal No. 6 under Chirang Division is discussed in the meeting. The Committee after discussion approved the proposal for collection of 7526cu.m of Sand, 20,125cu.m of Gravel for 5(Five) years time i.e. annual extraction target is allowed 1505cu.m of Sand and 4025cu.m of Gravel respectively. The project proponent has to strictly adhere to the terms & conditions laid down the Mining Plan approved by the Geology & Mining Deptt. Assam.

The DFO, Chirang Division is requested to ensure regular monitoring of the mining process to check occurrences of irregularities during the mining operation period.

Agenda item- 2.

- 3. EC for collection of ordinary earth from “4.48 Ha Jiabharali river Bed ordinary MPA” under Sonitpur East Dvn by M/S Simplex Infrastructure ltd. SEIAA.1376/2020 (Proposal no. SIA/AS/MIS/165071/2020)**

Resolution 8/4:

The project submitted by Simplex Infrastructures Ltd. For EC from “4.48 Ha Jiabharali river Bed ordinary MPA” under Sonitpur East Division has been discussed. The committee observed that the project proponent requested for 1,00,000 cu.m of ordinary earth from 4.48 Ha Mining area for Two years. On the other hand the approved Mining Plan estimated that the annual extraction quantity of ordinary earth is available 41425cu.m. The committee after discussion approved the project proposal allowing to extract 82,850cu.m of ordinary earth for 2 (two) years period. Annual extraction quantity is fixed 41,425cu.m. The P.P. has to adhere all terms & conditions laid down in the MP approved by the Geology & Mining Deptt. Assam in this respect.

The DFO, Sonitpur East Division is requested to ensure monitoring of the mining operation to avoid occurrences of irregularities.

Agenda item- 2.

- 4. EC for collection of river Bed Sand from “Selected sand extraction Permit area” under Dibrugarh Division by M/S Manab Jyoti Gogoi & Co. (SEIAA.1382/2020 (Proposal No. SIA/AS/MIN/123925/2020)**

Resolution 8/5

The Project Proposal submitted by Sri Manab Jyoti Gogoi requesting EC against collection of River bed Sand from “Selected sand extraction Permit area” under Dibrugarh Division. The committee after due discussion approved the project allowing to issue EC for collection of 11,418cu.m of Sand from purposed area for two (2) years time. Thus annual extraction quantity of Sand is fixed at 5709cu.m and mining has to be done strictly following all the terms & conditions laid down in the Mining Plan approved by the Geology and Mining Deptt. Assam.

The DFO, Dibrugarh Division will ensure strict monitoring of the mining operation to avoid any irregularities.

Agenda item- 2.

5. **Proposal for collection of sand from “NKD-B-17 Ghilajari MCA” under N.K Dvn, Rangia by Ratul Das. SEIAA.1394/2020 (Proposal No. SIA/AS/MIN/175841/2020)**

Resolution 8/6:

The project proposal submitted by Sri Ratul Das asking for EC against extraction of Sand from 5.0 ha mining area under Ghilajari MCA of N.K. Dvn is reviewed in the meeting. After detail deliberation and in consultation with the MOEF& CC notification S.O. 3977(E) dt.14th August/ 2018, and as the area is equal to 5 hect., the committee approved the project for issue of E.C. for extraction of 52,840 cum of sand for 5(five) years period . Annual extraction quantity is fixed 10,568 cum of sand. The Project proponent has to follow strictly all the terms & conditions laid down in the Mining Plan approved by the Geology & Mining Deptt, Assam.

The DFO, N.K. Dvn will ensure monitoring of the mining operation to avoid occurrence of irregularities.

Agenda item- 2.

6. **EC for collection of Sand & Gravel from “Buroi Sand and Gravel MPA” Under Sonitpur (East) Dvn by Sri Bistiram Basumatary. SEIAA.1026/2019 (Proposal No. SIA/AS/MIS/1220582020)**

Resolution 8/7:

The Project proposal submitted by Sri Bistiram Basumatary asking for extraction of Sand & Gravel from the Buroi Sand and Gravel MPA under Sonitpur East Division is discussed. After due deliberation and considering the approved Mining Plan, the committee approved the project recommending to issue E.C. for collection of 60,000 cum of Sand and Gravel in 2 (two) years period. Thus the annual extraction target of mineral is fixed at 30,000 cum. The P.P. has to strictly follow all the terms & conditions laid down in the Mining Plan approved by the Geology & Mining Deptt, Assam.

The DFO, Sonitpur East Division is requested to mount regular monitoring to avoid irregularities during the mining process.

Agenda item- 2.

7. **EC for collection of Sand & Gravel from “Buroi Sand and Gravel MPA” under Sonitpur (East) Dvn by Sri Lenin Brahma. SEIAA.1025/2019 (Proposal No. SIA/AS/MIN/177402/2019)**

Resoution 8/8:

The project proposal submitted by Sri Lenin Brahma asking EC for extraction of Sand & Gravel from Buroi River mining permit area under Sonitpur East Division is discussed in the meeting. The committee after due discussion approved the project allowing to extract 55,000 cum of Sand & Gravel for 2 (Two) years time. The annual extraction of mining material is allowed 27,500 cum. The P.P. has to strictly follow all the terms & conditions laid down in the mining plan approved by the Geology and Mining Deptt, Assam.

The DFO, Sonitpur East Division will ensure regular monitoring of the mining operation to avoid irregularities during the mining process.

Agenda item- 2.

- 8. EC for collection of Sand from River Bed “Diviliacherra Minor Mineral-II (Sand)” under Cachar Division, Silchar by Sri Dulal Banik. SEIAA.1037/2019 (Proposal no. SIA/AS/MIS/120735/2019)**

Resolution 8/9:

The project proposal submitted by Sri Dulal Banik requesting E.C. for collection of Sand from the river bed of Diviliacherra Minor Mineral Unit-II (Sand) under Cachar Division is discussed. The committee after detail discussion approved the project allowing to extract 4000 cum of Sand till expiring of the Mining Plan on 30/08/2021. The annual quantity of extraction is fixed 2000 cum. The P.P. has to strictly follow all the terms & conditions laid down in the mining plan approved by the Geology and Mining Deptt, Assam.

To check occurrence of any irregularities the DFO, Cachar will ensure regular monitoring during the mining operation.

Agenda item- 2.

- 9. EC for collection of Sand from River Bed “Diviliacherra Minor Mineral-I (Sand)” under Cachar Division, Silchar by Sri Dulal Banik. SEIAA.1039/2019 (Proposal no. SIA/AS/MIS/120729/2019)**

Resolution 8/10:

The project proposal submitted by Sri Dulal Banik asking E.C. for mining of Sand from the river bed of Diviliacherra Minor Mineral Unit-I (Sand) under Cachar Division is discussed. The committee approved the project allowing to extract 4000 cum of Sand till expiring of the validity of Mining Plan on 30/08/2021. The annual extraction quantity of Sand is fixed 2000 cum. The P.P has to strictly follow the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Cachar Division is requested to monitor the mining operation from time to time to avoid occurrence of any irregularities.

Agenda item- 2.

- 10. EC for collection of ordinary earth from “4.11 Ha Jiabharali river Bed ordinary MPA” under Sonitpur East Dvn by M/S Simplex Infrastructure Ltd. SEIAA.1390/2020 (Proposal no. SIA/AS/ MIS/165203/2020)**

Resolution 8/11:

The project proposal submitted by Simplex Infrastructures Ltd asking EC for extraction of ordinary earth from 4.11 ha area of Jiabharali river bed ordinary earth MPA under Sonitpur East Division is discussed. It is observed in the meeting that the P.P. requested for 1,00,000 cum of ordinary earth. But the concerned mining plan calculated available quantity of ordinary earth would be **38,003 cum** per year in the proposed site. The committee approved the project for extraction of 76,006 cum of ordinary earth for 2 (Two) years period. The annual extraction quantity is fixed 38,003 cum of ordinary earth. The P.P. has to follow the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Sonitpur East Division will ensure regular monitoring of the mining operation.

Agenda item- 2.

- 11. EC for collection of Sand from “4.86 Ha Jiabharali river Bed ordinary MPA” under Sonitpur East Dvn by M/S Simplex Infrastructure Ltd. SEIAA.1397/2020 (Proposal no. SIA/AS/MIS/162802/2020)**

Resolution 8/12:

The project proposal submitted by Simplex Infrastructures Ltd requesting EC against mining of 4.86 ha area of Jiabharali river bed sand MPA under Sonitpur East Division is discussed. On scrutiny and due discussion it is observed that total available quantity of Sand estimated in the mining plan **44,938 cum** per year. The committee approved the project allowing to extract 44,938 cum of Sand per year for a period of 2 (Two) years. Quantity to be extracted in two years would be **89,876 cum**. The P.P. has to strictly follow the terms and conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Sonitpur East Division will ensure regular monitoring of the mining operation to check irregularities.

Agenda item- 2.

- 12. EC for extraction of stone from “Parkup Pahar (Pranpi) P.P Land MPA” under Karbi Anglong East Dvn by M/S Simplex Infrastructure Ltd. SEIAA1264/2020(ProposalNoSIA/AS/MIS/148734/2020)**

Resolution 8/13:

The project proposal submitted by M/s Simplex Infrastructures Ltd for extraction of Stone from Parkup Pahar P.P. land mining permit area under Karbi Anglong East Division is reviewed in the meeting including the report submitted by the DFO, Karbi Anglong East, Dvn vide letter B/KAE/E Clearance /2020-21 dt 28/09/2020. The report of the DFO and maps furnished thereby are contradictory as the proposed site is shown in the forest area. The committee desires suitable clarification from the DFO, Karbi Anglong East Division on the aforesaid issue along with fresh map for consideration of the project proposal.

The P.P. be informed accordingly for his early response.

Agenda item- 2.

- 13. EC for collection of Brick Earth from “Sreegram Part-I Sreegram Part-IV Brick Earth MPA” under Dhubri Forest Division by M/S Sarala Bricks Industry. SEIAA.1227/2020 (Proposal No. SIA/AS/MIS/135952/2020)**

Resolution 8/14:

The Project proposal submitted by M/s Sarala Bricks Industry asking EC for extraction of brick earth from Sreegram Part-I & Sreegram Part-IV Brick earth MPA under Dhubri Division is discussed. On scrutiny of the proposal the followings are observed and the SEAC needs clarification for consideration of the project.

(1) The mining plan is prepared for 2.7295 ha of area where as the enclosed maps/ KML file indicated that the area is 1.21 ha.

(2) Ground distance between the two proposed sites be informed.

(3) Certificate from the concerned authority is needed to the effect that the proposed land is not suitable for any type of agricultural practice.

(4) Certificate from the DFO, Dhubri Division is required stating that the proposed sites does not fall within the limit of the nearest WLS/ESZ

Agenda item- 2.

- 14. EC for Collection of Sand From “Kanaighat Sand Mahal No.1/2 MPA” under Golaghat Dvn by Brojen Gogoi. SEIAA.1347/2020 (Proposal no. SIA/AS/MIS/1604652020)**

Resolution 8/15:

The project proposal for extraction of Sand from Kanaighat Sand Mahal No.1/2 MPA under Golaghat Division submitted by Sri Brojen Gogoi is discussed. The committee approved the project for extraction of 1000 cum of Sand from the proposed 0.35 ha area for 2 (Two) years. The annual extraction target is approved 500 cum. The P.P. has to strictly follow the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Golaghat Division is requested to ensure monitoring of the mining operation from time to time to avoid occurrence of irregularities.

Agenda item-2.

- 15. EC for Collection of Sand from “Jaanji River sand MPA. D(Amguri)” Under Sivsagar Division by Sri Mousoom Borah .SEIAA 1386/2020 (Proposal No. SIA/AS/MIS/170634/2020)**

Resolution 8/16:

The project proposal asking EC for extraction of Sand from Jhanji River Sand MPA-D (Amguri) under Sivsagar Division submitted by Sri Mousoom Borah is discussed. The committee after deliberation in the meeting approved the proposal for extraction of 4300 cum of Sand from the proposed location allowing 1(One) year period as proposed by the P.P.

The P.P. has to follow all the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Sivsagar Division is requested to ensure monitoring of the mining process from time to time to check irregularities if any.

Agenda item- 2

- 16. EC for Collection of sand & Gravel from “Upper Subansiri Manika sand & Gravel MCA” Under Dhemaji Division by Bishnu Kr. Bansal. SEIAA.1348/2020(Proposal No. SIA/AS/MIS/157934/2020)**

Resolution 8/17:

The project proposal asking EC for extraction of Sand and Gravel from 4.90 ha. area of Upper Subansiri Manika Sand & Gravel MCA (Revenue portion) under Dhemaji Division submitted by Sri Bishnu Kr. Bansal is discussed in the meeting. The committee approved the project allowing issuance of EC against mining of 45,000 cum of gravel and 30,000 cum of Sand from the proposed location within 2 (Two) years period. The annual extraction quantity is allowed 22,500 cum of gravel and 15,000 cum of sand respectively. The P.P. has to strictly follow all the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Dhemaji will ensure monitoring of the mining operation to avoid occurrence of irregularities.

Agenda item- 2

17. EC for Brick Earth from “Chirakuta Brick Earth MPA” Under Dhubri Division by Chittya Ranjan Paul. SEIAA.1302 /2020 (Proposal No. SIA/AS/MIS/146526/2020)

Resolution 8/18:

The project proponent M/s Maa Mahamaya Bricks submitted for extraction of brick earth over 0.2274 ha area under Chirakuta Brick Earth MPA of Dhubri Division is discussed in the meeting. On scrutiny the committee observed the following discrepancies which are to be clarified by the P.P. for reconsideration of the project.

(1) The approved mining plan estimated available quantity of bricks earth per year 2029 cu m. i.e 4058 cum for two year, where as the DFO, Dhubri approved 8000 Cu.m. for two years. On the other hand in the JVR it is mentioned 4000 Cu M. without mentioning the duration of mining period.

The P.P. is needed to specify the above noted point with suitable clarification for consideration of the project. A fresh copy of JVR has to be furnished for reconsideration.
P.P. please be informed for early response.

Agenda item- 2

18. EC for collection of Sand from “Numaligarh Sand Mahal No.1 under Golaghat Division by Hemanta Borah. SEIAA.1329/2020 (Proposal no. SIA/AS/MIN/169696/2020)

Resolution 8/19:

The project proposal submitted by Sri Hemanta Borah asking EC for collection of Sand from Numaligarh Sand Mahal No.1 under Golaghat Forest Division is discussed in the meeting. The committee approved the mining project for extraction of 1000 cum of Sand from the proposed site in one year time.

The P.P. has to strictly follow all the terms & conditions laid down in the mining plan approved by the Geology and Mining Deptt, Assam.

The DFO, Golaghat Division ensure monitoring of the mining operation from time to time to avoid occurrence of irregularities.

Agenda item- 2

19. EC FOR Collection of Sand Gravel & boulder From “2.25 Ha Bhimajuli Sand Sand Gravel & Boulder MPA” Under Sonitpur East Division by Diganta Barthakur. SEIAA.1401/2020 (Proposal no. SIA/AS/MIN /167785/2020)

Resolution 8/20:

The project proposal submitted by Sri Diganta Barthakur asking EC for collection of Sand, gravel and boulder from 2.25 ha area in Bhimajuli Sand Gravel and boulder MPA under Sonitpur East Division is discussed in the meeting. The committee after deliberation approved the project allowing extracting 15,000 cum of Sand, 15,000 cum of sand and Gravel and 10,000 cum of boulder from the proposed location in two years period. The annual extraction quantity is allowed 7500 cum of Sand, 7500 cum of sand & gravel and 5000 cum of boulder adhering to all the terms and conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Sonitpur Division will ensure monitoring the mining operation from time to time to check occurrence of irregularities.

Agenda item- 2

20. Proposal for “Onshore Oil and Gas exploration and appraisal project in AA- ONHP- 2017/4 HYDRO CARBON BLOCK FALLING by M/S VEDANTA LTD. SEIAA.1252/2020 (proposal no. SIA/AS/IND2/142005/2020)

Resolution 8/21:

The SEAC committee reviewed and discussed the project proposal submitted by M/s Vedanta Ltd for onshore oil and Gas Exploration. The subcommittee of the SEAC, Assam as constituted in the earlier SEAC meeting has already inspected the proposed site in the District of Jorhat with the assistance of the authorized people of M/s Vedanta Ltd. The subcommittee after their field visit submitted their report whereby it is desired to have certain information from the P.P. for consideration of the project. It is resolved in the meeting that the aforesaid points (indicated below) be communicated to the P.P. with a request to furnish the same at an early date for consideration of the project.

1. The locations of the well sites have to be provided and the EIA study will address the environmental issues separately for each well site locations within the Block requested for permission.
2. The EIA study will provide the details about treatment and disposal of well drilling fluid, mud and drill cuttings.
3. The details about blowout prevention measures are to be included.
4. The contingency plan of environmental restoration for any accidental release of the drilling fluid and mud to the surroundings has to be included along with details about compensation to the affected people.
5. The detailed land use/land cover maps are to be prepared for an area of 1km radius around each of the well sites on the basis of analysis of 5m resolution multispectral satellite images. The relief map for the same are also to be prepared based on 1 suitable stereo image.
6. For the Environmental Management Plan (EMP) the aforesaid thematic map must have to be considered.
7. The shape files of the land use/land cover plan are to be provided.
8. As the habitations and several schools are very near to the well sites, the noise suppression measures are to be included in the EIA.
9. The company shall have to submit 6 monthly compliance reports to the SEIAA.

Agenda item- 2

21. EC for collection of Sand and Silt from Dhansiri Par Gaon P.P Land sand & Silt MPA” under Golaghat Division by Sri Horen Bora SEIAA. 1400/2020 (Proposal No. SIA/AS/MIS/173191/2020)

Resolution 8/22:

The Project proposal submitted by Sri Horen Bora for extraction of Sand and Silt from Dhansiri Par Gaon P.P. land Sand & Silt MPA under Golaghat Division is discussed. The committee after detail discussion the following objections raised and clarification sought.

- (1) How Sand and silt reserves are estimated from a single mine?
- (2) Justification require how sand and silt composed area can hold water of the planned fishery.
- (3) The depth wise reserve estimation needs to consider volume reduction due to considered benches.

The P.P. be informed to arrange to furnish clarification with justification to the above noted points at his earliest for consideration of the project.

Agenda item- 2

22. EC for Collection Of sand From “Muduki P.P Land Sand MPA” under Kamrup West Division by Monin Rabha. (SEIAA 1269/2020) (Proposal No. SIA/AS/MIS/1490242020)

Resolution 8/23:

The fresh proposal submitted by Sri Monin Rabha for extraction of Sand from Muduki P.P. land Sand MPA under Kamrup West Division is discussed. Since the P.P. has furnished fresh proposal as desired from this end, so after deliberation the committee approved the project for extraction of 6500 cum of Sand from the proposed location within 2 (Two) years time. Annual extraction quantity is allowed 3250 cum and the P.P. has to follow all the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, Kamrup West Division will ensure regular monitoring of the mining operation to avoid occurrence of irregularities.

Agenda item- 3

23. Proposed manufacturing of Resin at Vill: Kekenikuchi, Rangia, Kamrup by Jayashree Assam Industries. (SEIAA 1142/2020) (Proposal No.SIA/AS/IND2/54156/2020)

Resolution 8/24:

The project proposal for manufacturing of Resin submitted by Jayashree Assam Industries at Kekenikuchi in Kamrup District is reviewed in the meeting. The committee discussed on the EIA Report as well as additional TOR furnished by the P.P. After due deliberation the committee resolved to approve the project proposal and EC may be issued accordingly.

The P.P. has to follow strictly all the terms & conditions contained therein and half yearly compliance report has to be submitted regularly to SEIAA.

Agenda item-3

- 24. EC for collection of Stone From “Arang Stone MMU No.1 for Minor Mineral (Stone) Under Karmganj Dvn by Abdul Munim Borbhuiya. (SEIAA 1324/2020) (Proposal No. SIA/AS/MIS/1594872020)**

Resolution 8/25:

The EC validity extension proposal submitted by Sri Abdul Munim Barbhuiya against Arang Stone Minor Mineral Unit No.1 under Karimganj Division is reviewed in the SEAC meeting. The status of mining has been reviewed by the DFO, Karimganj Division and furnished report accordingly. The committee after due deliberation approved for extension of the EC for another 2 (Two) years. Since the validity of the mining contract will expire on 30/08/2021, so the committee approved to extract 6000 cum of Stone from the proposed mining site in 2 years @ 3000 cum per year till expiry of the mining contract on 30/08/2020.

The P.P. has to strictly follow all the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam along with submission of half yearly compliance report.

The DFO, Karimganj will ensure regular monitoring of the mining operation to avoid occurrences of irregularities.

Agenda item-3

- 25. Extension of EC for Collection of Sand & Gravel From MPA-NKD-B-8 at Salmara In Beki River under North Kamrup Division by Mizanur Rahman SEIAA.924/2019**

Resolution 8/26:

The project proposal submitted by Sri Mizanur Rahman asking extraction of validity of the EC issued for extraction of Sand and Gravel from Beki River under N.K. Division is discussed and reviewed in the meeting. The committee after deliberation approved the proposal for extension of validity of EC for another two years till expiry of the mining period on 30/08/2021 to extract 6750 cum of Sand and 2250 cum of Stone. Annual extraction quantity is approved 3375 cum of sand and 1125 cum of stone respectively till 31/08/2021. The P.P. has to strictly follow all the terms & conditions laid down in the mining plan approved by the Geology & Mining Deptt, Assam.

The DFO, NK Division will ensure monitoring of the mining operation to check occurrence of irregularities.

The meeting of the SEAC is ended with vote of thanks from the chair.
