1. **Case No 8264/2021**, Prior Environment Clearance for **Murum Quarry** in an area of 1.0 ha. for production capacity of 8000 cum per annum at Khasra No. 694 at Village - Undeli, Tehsil - Sardarpur, Dist. - Dhar (MP) by Shri Bheru Lal Wasuniya S/o Shri Balu Wasuniya, R/o Village - Bamankhedi, Tehsil - Sardarpur, Dist. - Dhar (MP).

This case was recommended in 489<sup>th</sup> SEAC meeting dated 12.03.2021 and it was recorded that.....

*" ..... PP has submitted the response of above quarries same date vide letter dated 12.03.2021. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':*

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 489<sup>th</sup> SEAC meeting dated 12.03.2021, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall not start mining activity before execution of lease agreement.
- III. The depth of the pit shall be as per Approved Mining Plan.
- IV. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. PP shall ensure no blasting and no drilling.

(Tanvi Sundriyal)  
Member Secretary

(R.K. Sharma)  
Member

(Rakesh K. Shrivastava)  
Chairman

- VIII. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- IX. Total 1500 saplings of suitable tree species i.e. Neem , Pipal, Aam, Gulmohar , Jamun, Bargad, Amrud, Sissoo etc. shall be planted by PP in first three years under plantation programme in barrier zone, no mining area and khasra no. 694 in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- X. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XI. PP must ensure implementation of the following activities under CER as committed:
- ❖ Construction/maintenance of govt. school building at village Undeli
- PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.
- XII. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

**Hence, Prior Environmental Clearance is granted for Murrum Quarry (opencast semi -mechanized method) in an area of 1.0 ha. for production capacity of 8000 cum per annum at Khasra No. 694 at Village - Undeli, Tehsil - Sardarpur, Dist. - Dhar (MP) for the lease period to Shri Bheru Lal Wasuniya S/o Shri Balu Wasuniya, R/o Village - Bamankhedhi, Tehsil - Sardarpur, Dist. - Dhar (MP).**

2. **Case No. - 8265/2021**, Prior Environmental Clearance for **Stone Quarry** (opencast manual/semi mechanized method) in an area of 1.0 ha. for production capacity of Stone - 10000 cum per annum, Murrum - 4000 cum per annum at Khasra No. 229/2/2, 229/2/3 at Village - Susari, Tehsil - Kukshi, Dist. Dhar (MP) by Shri Kailash Patidar S/o Shri Bhagwati Prasad Patidar, R/o Village - Susari, tehsil - Kukshi, Dist. Dhar (MP).

This case was recommended in 489th SEAC meeting dated 12.03.2021 and it was recorded that.....

9. **Case No. –7542/2020** : Prior Environmental Clearance for **Sand Quarry** in an area of 10.0 ha. for production capacity of 25,200 cum per annum at Khasra No. 1288, 1339 at Village - Bahadurpura, Tehsil - Raun, Dist. Bhind (MP) by M/s Power Mech Projects Limited, Executive Director, Shri Krishna Praveen Kota, Flat No. 248, Sector-2, Shakti Nagar, Habibganj, Dist. Bhopal, MP.

- (1) This is a project pertaining to mining of Sand Quarry in an area of 10.0 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions and falls under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine having valid lease period as per the provisions of M.P. State Sand Mining Policy – 2019 with production capacity of 25,200 cum per annum.
- (2) It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office (Ekal Praman-Patr) letter no. 672 dated: 18/08/2020 has reported that there are no more mines operating or proposed within 500 meters around the said mine.
- (3) The Mining Lease has been granted in favour of M/s Power Mech Projects Limited, by the Madhya Pradesh State Mining Corporation Limited, Bhopal vide letter no. vide letter no. kramank/ret/2020/546 Bhopal, dated -01/02/2020 as per the provisions of M.P. State Sand Mining Policy – 2019 over an area of 10.0 ha. The Mining Plan and Replenishment Study has been approved by DGM, Bhopal vide L.No. P. Kramank7811-13 Mining Plan Cell 1/ N.K. 48/2020 Bhopal, dated 14/8/2020.
- (4) SEAC in its 490<sup>th</sup> SEAC meeting dtd. 16.3.2021 has recommended the case with 16 special conditions for issuance of EC.
- (5) It was noted that as per Collector Office, (Ekal Praman-Patr) Bhind vide letter no. 672 dated: 18/08/2020, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not

attracted. There is no forest boundary in less than 250 m distance from the ML area.

- (6) It was noted that the water requirement is 5 KLD (1 KLD Sprinkling+1KLD Drinking + 2 KLD Plantation + washing & other 1 KLD which shall be met from Ground Water.
- (7) It was noted that the Public Hearing was held on 11.01.2021 at Near Govt. Primary School Village Bahadurpura, Tehsil - Raun, Dist. Bhind MP under the Chairmanship of ADM, Bhind .

**After detailed discussions and perusal of recommendations of 488<sup>th</sup> SEAC meeting dtd. 10.3.2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC.
- III. The mining shall be carried out strictly as per the approved mining plan and ensure that the annual replenishment of sand in the mining lease area is sufficient to sustain the mining operations at levels prescribed in the mining plan.
- IV. No ramp will be allowed within the river basin to transport sand to the other bank. Transportation will be allowed on the bank side where the mineral is being excavated.
- V. The entire lease area should be properly fenced and boundary stones marked at the site.
- VI. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion where sand is exposed.
- VII. Leaving the submerged area as non-mining zone as committed in PP.
- VIII. The depth of the pit shall be as per Approved Mining Plan.
- IX. Transportation of sand not allowed during opening & closing timing of the school located in village area.
- X. Transportation of sand shall be strictly carried out from outside the village area.
- XI. The mining shall be carried out strictly in accordance with the Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 issued by the MoEF&CC.
- XII. If the stream is dry, the excavation must not proceed beyond the lowest undisturbed elevation of the stream both which is a function of local hydraulics, hydrology and geomorphology.

- (3) The Mining Lease has been granted in favour of M/s Power Mech Projects Limited, by the Madhya Pradesh State Mining Corporation Limited, Bhopal vide letter no. vide letter no. kramank/ret/2020/546 Bhopal, dated -01/02/2020 as per the provisions of M.P. State Sand Mining Policy – 2019 over an area of 1.702 ha. The Mining Plan and Replenishment Study has been approved by DGM, Bhopal vide L.No. Kramank 6954/Mining Plan Cell-1/N. K.-39/2020 Bhopal dated 25/07/2020.
- (4) SEAC in its 490<sup>th</sup> SEAC meeting dtd. 16.3.2021 has recommended the case with 26 special conditions for issuance of EC.
- (5) It was noted that as per Collector Office, (Ekal Praman-Patr) Bhind vide letter no. 518 dated: 05/08/2020, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted. There is no forest boundary in less than 250 m distance from the ML area.
- (6) It was noted that the water requirement is 4 KLD (1 KLD Sprinkling+ 1KLD Drinking + 1KLD Plantation + washing & other 1 KLD which shall be met from Ground Water.
- (7) It was noted that the Public Hearing was held on 11.01.2021 at Near Govt. Primary School Village Kheira Shyampura, Tehsil - Bhind, Dist. Bhind under the Chairmanship of ADM, Bhind .

**After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dtd. 16.3.2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC.
- III. The mining shall be carried out strictly as per the approved mining plan and ensure that the annual replenishment of sand in the mining lease area is sufficient to sustain the mining operations at levels prescribed in the mining plan.
- IV. No ramp will be allowed within the river basin to transport sand to the other bank. Transportation will be allowed on the bank side where the mineral is being excavated.
- V. The entire lease area should be properly fenced and boundary stones marked at the site.
- VI. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion where sand is exposed.
- VII. Leaving the submerged area as non-mining zone as committed in PP.
- VIII. The depth of the pit shall be as per Approved Mining Plan.

DGM, Bhopal vide L.No. . P. Kramank 6942/Mining Plan cell-1/N. K.-38/2020 Bhopal dated 25/7/2020.

- (4) SEAC in its 490<sup>th</sup> SEAC meeting dtd. 16.3.2021 has recommended the case with 26 special conditions for issuance of EC.
- (5) It was noted that as per Collector Office, (Ekal Praman-Patr) Bhind vide letter no. 444 dated: 24/07/2020, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted. There is no forest boundary in less than 250 m distance from the ML area.
- (6) It was noted that the water requirement is 6 KLD (2 KLD Sprinkling+1 KLD Drinking + 1 KLD Plantation + washing & other 2 KLD which shall be met from Ground Water.
- (7) It was noted that the Public Hearing was held on 13.01.2021 at Near Govt. Primary School at Village – Niwsai Ridiya-2, Tehsil - Raun, Dist. Bhind under the Chairmanship of ADM, Bhind .

**After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dtd. 16.3.2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC.
- III. The mining shall be carried out strictly as per the approved mining plan and ensure that the annual replenishment of sand in the mining lease area is sufficient to sustain the mining operations at levels prescribed in the mining plan.
- IV. No ramp will be allowed within the river basin to transport sand to the other bank. Transportation will be allowed on the bank side where the mineral is being excavated.
- V. The entire lease area should be properly fenced and boundary stones marked at the site.
- VI. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion where sand is exposed.
- VII. Leaving the submerged area as non-mining zone as committed in PP.
- VIII. The depth of the pit shall be as per Approved Mining Plan.
- IX. Transportation of sand not allowed during opening & closing timing of the school located in village area.
- X. Transportation of sand shall be strictly carried out from outside the village area.

- XI. The mining shall be carried out strictly in accordance with the Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 issued by the MoEF&CC.
- XII. If the stream is dry, the excavation must not proceed beyond the lowest undisturbed elevation of the stream both which is a function of local hydraulics, hydrology and geomorphology.
- XIII. PP shall ensure to compliance of all the commitments made during public hearing and submit compliance report in every six month of the year.
- XIV. No Mining shall be carried out during Monsoon season.
- XV. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- XVI. Total 11500 saplings of suitable tree species i.e. Neem, Peepal, Bargad, Karanj, Kadam, Arjun etc. shall be planted by PP under plantation programme at Khasra No.410 Dist – Bhind in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- XVII. Over loading will be strictly prohibited.
- XVIII. Water sprinkling will be done on the approach road on the regular basis.
- XIX. PP must ensure the implementation of following activities under CER with all budgatory provision as committed in SEIAA :
  - ❖ Construction of Toilet (Male & Female) in Village Niwsai 2nos
  - ❖ Construction of CC Road in Village 900 sqm (300 length & 3m width)

**PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**
- XX. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC,Gol,Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

This is a case of renewal of mining lease. The Mining Plan with progressive mine closure plan has been approved by IBM vide Letter No. – MP/Jabalpur/Iron Ore/MPLN/MOD-36/2016-17/1261 dated 24.03.2017.
- (3) SEAC in its 490<sup>th</sup> SEAC meeting dtd. 16.03.2021 has recommended the case with 34 special conditions for issuance of EC.
- (4) It was noted that as per DFO L.No. 7448 Satna, dtd. 06.11.2015, the National Park /Sanctuary is not located within 10 Km. radius from the mining site. Hence, the General Conditions are not attracted.
- (5) PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that the water requirement is 10.00 KLD (2.0 KLD for Domestic use/ Drinking + 4.0 KLPD for Dust suppression + 4.0 KLD for Green Belt. The water requirement will met from own mine quarry and for drinking bore well at office.
- (7) The proposed plantation programme was examined and it was found that total 30250 saplings shall be covered under plantation program.
- (8) It was also noted that the Public Hearing was carried out on 04.11.2020 at Mine Parisar Village -Agariya, Tehsil - Sihora, Dist. - Jabalpur (MP) under the Chairmanship of ADM, Jabalpur. The issues raised during public hearing shall be committed and complied by PP.

**After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dated 16.03.2021, it was decided to accept the recommendation of**

**SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Lease agreement shall be carried out before execution of mining operation.
- III. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- IV. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three rows plantation shall be carried out in the greenbelt area in current year with proper watering arrangement towards the habitation located near ML area.
- V. PP shall ensure that existing trees not to be uprooted within the ML area.
- VI. PP shall ensure for compliance of all the conditions recommended by Divisional Committee during mining activities.
- VII. PP will plant 3 years old 23550 saplings of suitable tree species i.e. Bel , Bamboo, kachnar, jack fruit , Mango , Karanj , Jamun , Gulmohar , Munga , Bargad , Mahua , Amla , Pipal , Neem , Khmer , Palash , Dalbergia , sissoo etc. will be planted along the BF area, No mining zone, Green belt area, lease boundary, transportation route and identified revenue land of the district in consultation with DM/ Gram Panchayat. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VIII. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- IX. The overburden and waste will be stacked within ML area and simultaneously backfilled in the mined out area where plantation will be raised on it.
- X. PP shall ensure that waste material shall not be stacked long time in ML area.
- XI. No overburden will be dumped outside the mine lease area.
- XII. PP shall ensure to leave 150 m as No Mining Zone from the natural drain passing near ML area.
- XIII. Drilling & blasting not allowed in ML area towards the habitation site.
- XIV. Regular water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MPPCB. Regular air and noise quality

(Tanvi Sundriyal)

(R.K. Sharma)  
Member

(Rakesh K. Shrivastava)  
Chairman

monitoring shall also be carried out from authorized laboratory in consultation with Regional Officer, MPPCB at regular interval.

- XV. PP shall ensure the generation of employment opportunities nearby Village on priority basis.
- XVI. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XVII. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XVIII. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields.
- XIX. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XX. PP shall ensure the proper water supply arrangements for plantation especially in summer season.
- XXI. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XXII. PP must ensure the implementation of compliance of the commitment made in Public Hearing in addition to this following activity with separate budget provision under CER as committed.
  - ❖ To provide water for drinking purposes by tanker during summer season at village Agaria
  - ❖ Dredging and beautification of Agaria tank (beneficiary 300 people) will be done by Dec 2021.
  - ❖ Organized health camps(Once in a year) in Agaria and Ghutna village.
  - ❖ Distribution of mask, hand gloves and sanitizer for village Agaria and Ghutna( 300 no.)
  - ❖ A pond will be developed in village Agariya as committed given during public hearing.
  - ❖ Installation of 5 no. solar street light in the Agaria village by Dec 2021.
  - ❖ Development of charnoi land in village Agaria, Ghutna, Nindora, Tikariya, Sindursi and total land developed will be equal to the lease area
  - ❖ Distribution of food item/ ration to poor people in Village Agaria
  - ❖ Hired ambulance will continue to be provided as and when required for needy people.

**PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**

- XXIII. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

**Hence, Prior Environmental Clearance is granted for Prior Environment Clearance for Iron ore Mine in an area of 20.141 ha. for expansion in production capacity from 50,000 to 500000 Tonne per annum at Khasra No. 1093P (New), 680P (old) at Village - Agaria, Tehsil - Sihora, Dist. – Jabalpur (MP) for the lease period to M/s Nirmala Minerals, Pathak Ward, Dist. Katni, MP – 483501.**

- 20. Case No 7211/2020, Prior Environment Clearance for Limestone and Reject Stone Mine** in an area of 7.331 ha. for production capacity of 300000 Tonne per annum at Khasra No. 951/1, 972/2 at Village - Goraiya, Tehsil - Kotar (Rampur Baghelan), Dist. - Satna (MP) by Shri Jagdish Singh, Friends Colony, Behind F.C.I. Godawn, Birla Road, PO & Dist. - Satna, MP - 485005.

- (1) This is a project pertaining to mining of **Limestone and Reject Stone Mine** in MLA of 7.331 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environmental clearance for the project.
- (2) The mining lease was granted to Shri Jagdish Singh, Friends Colony, Behind F.C.I. Godawn, Birla Road, PO & Dist. - Satna, MP - 485005 in the year 2006 for 50 years up to 02.06.2056, which is applicable after lease agreement. This is a case of renewal of mining lease. The Mining Plan with progressive mine closure plan has been approved by IBM vide Letter No. – MP/Satna/Limestone/MPLN/MOD-01/2020/21/920 dated 21.08.2020.
- (3) SEAC in its 490<sup>th</sup> SEAC meeting dtd. 16.03.2021 has recommended the case with 40 special conditions for issuance of EC.
- (4) It was noted that as per DFO L.No. 3082 Satna, dtd. 16.03.2020, the National Park /Sanctuary is not located within 10 Km. radius from the mining site. Hence, the General Conditions are not attracted.

- IX. The overburden and waste will be stacked within ML area and simultaneously backfilled in the mined out area where plantation will be raised on it.
- X. PP shall ensure that waste material shall not be stacked long time in ML area.
- XI. It seems that a kachha road passing within the lease area shall be diverted in consultation with local body for local people.
- XII. No overburden will be dumped outside the mine lease area.
- XIII. Regular water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MP PCB. Regular air and noise quality monitoring shall also be carried out from authorized laboratory in consultation with Regional Officer, MP PCB at regular interval.
- XIV. PP shall ensure the generation of employment opportunities nearby Village on priority basis.
- XV. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XVI. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XVII. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields.
- XVIII. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XIX. PP shall ensure the proper water supply arrangements for plantation especially in summer season.
- XX. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XXI. PP must ensure the implementation of compliance of the commitment made in Public Hearing in addition to this following activities with separate budget provision under CER as committed.
  - ❖ Construction of 2 toilet at public place at village Goraiya.
  - ❖ Development/improvement of drainage system in village Goraiya.
  - ❖ Beautification of (putty, whitewash/painting of rooms & walls) in anganwadi center and govt. school of village goraiya.
  - ❖ Development of grazing land at village Goraiya.

reported that there is 01 more mines operating or proposed within 500 meters around the said mine with total area of 8.00 ha including this mine.

- (3) The Mining Lease has been granted in favour of Shri Ahivaran Singh Narwaria, Keeratpur Gohad Choraha, Tehsil - Gohad, Dist. Bhind, for a 10 years over an area of 4 ha Ha. The Mining Plan with progressive mine closure plan has been approved by DGM, Gwalior vide L.No. **154 dtd. 5/02/2020** .
- (4) SEAC in its 490<sup>th</sup> SEAC meeting dtd 16.3. 2021 has recommended the case with 36 special conditions for issuance of EC.
- (5) It was noted that as per Collector Officer, (Ekal Praman Patr), Gwalior vide L.No. 1427 dated: 02/01/2020, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
- (6) It was noted that the water requirement is 6 KLD KLD (2 KLD Dust Suppression +0.5 KLD Drinking and Domestic activity+3.5 KLD Green Belt) which shall be met from Pond/Mine pit.
- (7) It was also noted that the Public Hearing was carried out on **25/2/2021** at Pahad, Tehsil - Gohad, Dist. Bhind MP under Chairmanship of **Additional District Magistrate**, District- Bhind MP.

**After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dtd 16.3..2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantations shall be carried out in the greenbelt area in current year with proper watering arrangement.
- III. PP shall not start mining activity before execution of lease agreement.
- IV. The depth of the pit shall be as per the Approved Mining Plan.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. Commitment made by PP that trees exist in the two stretched area towards the North and South side of the lease and a natural drain is also

(Tanvi Sundriyal)  
Member Secretary

(R.K. Sharma)  
Member

(Rakesh K. Shrivastava)  
Chairman

exist in Southern side of lease area, these two patches shall be dealt as No Mining Area.

- VIII. Total 6000 saplings of suitable tree species i.e. Pipal, Bargad, Sissoo, Neem, Aam, Amla, Mahua etc. shall be planted by PP in first three year under plantation programme at Khasra No. 14 District- Bhind MP in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- IX. PP shall ensure to construct pakka approach road and maintained it. Plantation will be carried out on both side of the approach road.
- X. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XI. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- XII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIII. PP must ensure implementation of the following activities under CER :

Village Name: Pahad, ( 1<sup>st</sup> to 2<sup>th</sup> Year):

- ❖ Installation of pipeline in village primary school of Pahad for water supply facility under Jal Jeevan mission in consultation with local panchayat.
- ❖ Repair & whitewash of Pahad village Primary school & Construction of a new toilet (1 Nos.) in village primary school with proper water supply facility via overhead water tank.
- ❖ Distribution of the 2 Nos of sports kit in the village primary school of Pahad .
- ❖ Organizing half yearly medical health checkup programme for villagers of Pahad

**PP shall ensure contribution of funds on behalf of village under Jal Jeevan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aganwadies of above villages The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**

- XIV. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed

to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA..

**Hence, Prior Environmental Clearance is granted for Stone (opencast semi mechanized method) in an area of 4 ha, for production capacity of 1,49,999 cum per annum at Khasra No. 4 at Village - Pahad, Tehsil - Gohad, Dist. Bhind (MP) for the lease period to Shri Ahivaran Singh Narwaria, Keeratpur Gohad Choraha, Tehsil - Gohad, Dist. Bhind, MP – 477116.**

**23. Case No. –7909/2020 : Prior Environmental Clearance for Stone Quarry (opencast semi mechanized method) in an area 13.20 ha, for production capacity of 610290 cum per annum at Khasra No. 1045, 1046, 1047, 1062, 1063, 1065, 1066, 1067, 1068, 1069, 1075, 1076, 1077, 1112, 1113/1, 1113/2 at Village - Dirman, Tehsil - Gohad, Dist. Bhind (MP) by M/s Siddh Vinayak Stone Aggregate, Partner, Shri Shailendra Singh Yadav, Kushwah Colony, Itawa Road, Dist. Bhind, MP – 477001.**

- (1) This is a project pertaining to mining of Stone Quarry in an area of 13.20 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions and falls by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine having valid lease period that is upto 10 years with production capacity of 610290 cum per annum.
- (2) **It was noted that** PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office (Pramanpatra) letter no. 872 dated: 28/9/20 has reported that there are 01 more mines operating or proposed within 500 meters around the said mine with total area of 14.54 ha., including this mine.
- (3) **The Mining Lease has been granted in favour of M/s Siddh Vinayak Stone Aggregate, Partner, Shri Shailendra Singh Yadav, Kushwah Colony, Itawa Road, Dist. Bhind, MP – 477001 for a 10 years over an area of 13.20 Ha. The Mining Plan with progressive mine closure plan has been approved by DGM, Gwalior vide L.No. 10544-45 dated. 28.04.2020 .**
- (4) **SEAC in its 490<sup>th</sup> SEAC meeting dtd 16.3. 2021 has recommended the case with 35 special conditions for issuance of EC.**
- (5) **It was noted that as per Collector Officer, (Ekal Praman Patr), Gwalior vide L.No. 872 Bhind dtd. 28.09.2020, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.**

- (6) It was noted that the water requirement is 10 KLD KLD (2 KLD Dust Suppression +1.0 KLD Drinking and Domestic activity+ 7 KLD Green Belt) which shall be met from Mine pit.
- (7) It was also noted that the Public Hearing was carried out on 25.2.2021 at Village- Dirman, Tehsil - Gohad, Dist. Bhind MP under Chairmanship of ADM, District- Bhind MP.

After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dtd 16.3..2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantations shall be carried out in the greenbelt area in current year with proper watering arrangement.
- III. PP shall not start mining activity before execution of lease agreement.
- IV. The depth of the pit shall be as per the Approved Mining Plan.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table approval of the Central Ground Water Board shall be obtained.
- VI. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- VII. Commitment made by PP that trees exist in the two stretched area towards the North and South side of the lease and a natural drain is also exist in Southern side of lease area, these two patches shall be dealt as No Mining Area.
- VIII. Total 19860 saplings of suitable tree species i.e. Pipal, Bargad, Sissoo, Neem, Aam, Amla, Mahua etc. shall be planted by PP in first three year under plantation programme at Khasra No. 585,598 in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- IX. PP shall ensure to construct pakka approach road and maintained it. Plantation will be carried out on both side of the approach road.
- X. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.

- XI. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- XII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIII. PP must ensure implementation of the following activities under CER :

**Village Name: Dirman, ( 1<sup>st</sup> to 5<sup>th</sup> Year):**

- ❖ Construction of 2 new classrooms (15X20ft) in village Primary school of Pali Dirman
- ❖ Construction of 1 new toilet in the village primary school with Installation of pipeline there for water supply facility under Jal Jeevan mission in consultation with local panchayat
- ❖ Providing basic school furniture 50nos of bench & desk in village Primary school.
- ❖ Providing basic medical equipments as per need to primary health center in village Dirman.
- ❖ Distribution of the 4 Nos of sports kit in the village primary school with leveling of its playground.

**PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aganwadies of above villages The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**

- XIV. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC,Gol,Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA..

**Hence, Prior Environmental Clearance is granted for Stone (opencast semi mechanized method) in an area 13.20 ha, for production capacity of 610290 cum per annum at Khasra No. 1045, 1046, 1047, 1062, 1063, 1065, 1066, 1067, 1068, 1069, 1075, 1076, 1077, 1112, 1113/1, 1113/2 at Village - Dirman, Tehsil - Gohad, Dist. Bhind (MP) for the lease period to M/s Siddh Vinayak Stone Aggregate, Partner, Shri Shailendra Singh Yadav, Kushwah Colony, Itawa Road, Dist. Bhind, MP – 477001.**

- 24. Case No 7864/2020**, Prior Environment Clearance for Sand Quarry in an area of 6.0 ha. for production capacity of 120000 cum per annum at Khasra No. 546 at Village - Kamkomohniya, Tehsil - Dindori, Dist.- Dindori (MP) by M/s K.P.Singh Bhadoria Contractor, E-46 A, Balvant Nagar, Thatipur, Dist. Gwalior, MP – 474002.

**This case was recommended in 490<sup>th</sup> SEAC Meeting dated 16.03.21 and PP was called for presentation but PP could not present in the meeting for presentation hence, case is hereby deferred for upcoming SEIAA meeting.**

- 25. Case No. –7012/2020** : Prior Environmental Clearance for Stone Quarry in an area 4.80 ha, for production capacity of 2,07,584 cum per annum at Khasra No. 1057, 1058, 1059, 1060, 1061, 1122/1, 1122/2, 1123/1, 1123/2 at Village - Dirman, Tehsil - Gohad, Dist. Bhind (MP) by M/s Yashstar Stones Pvt. Ltd, Opp AM, 95 Bhagat Singh Nagar, DD Nagar, Dist. Gwalior, MP – 474020.

- (1) This is a project pertaining to mining of Stone Quarry in an area of 4.80 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions and falls by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine having valid lease period that is upto 30 years with production capacity of 2,07,584 cum per annum.
- (2) It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office letter no. 1798 dated: 02/3/2020 has reported that there are 02 more mines operating or proposed within 500 meters around the said mine with total area of 9.14 ha., including this mine.
- (3) The Mining Lease has been granted in favour of M/s Yashstar Stones Pvt. Ltd for a 10 years over an area of 4.80 Ha. The Mining Plan with progressive mine closure plan has been approved by DGM, Bhind vide L.No. 278 dtd. 20/02/2020 .
- (4) SEAC in its 490<sup>th</sup> SEAC meeting dtd 16.3. 2021 has recommended the case with 35 special conditions for issuance of EC.
- (5) It was noted that as per Collector Officer, (Ekal Praman Patr), Gwalior vide L.No. 1798 Bhind dtd.2.03.2020, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
- (6) It was noted that the water requirement is 5.5 KLD (2.5 KLD Dust Suppression +0.5 KLD Drinking and Domestic activity+2.5 KLD Green Belt) which shall be met from /Mine pit.
- (7) It was also noted that the Public Hearing was carried out on 25/2/2021 at Dirman, Tehsil - Gohad, Dist. Bhind under Chairmanship of Additional District Magistrate, District- Bhind .The issues raised during public hearing shall be complied by PP.

XIII. PP must ensure implementation of the following activities under CER :

**Village Name: Dirman ( 1<sup>st</sup> to 5<sup>th</sup> Year):**

- ❖ Installation of pipeline at village Panchayat for water supply facility under Jal Jeevan mission in consultation with local panchayat.
- ❖ Organizing Medical health check up programme for the villagers in consultation with panchayat.
- ❖ Construction of 2 nos of common toilets (Sulabh Souchalay) at village panchayat bhavan in consultation with the local governance whose maintenance will be taken care of by the same governance.
- ❖ Installation of a Handpump with borewell & proper concreting around it at Dirman village common area for villagers.
- ❖ Distribution of the 2 nos of bed in Primary health centre of village Dirman.

**PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aganwadies of above villages The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**

XIV. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA..

**Hence, Prior Environmental Clearance is granted for Stone (opencast fully mechanized method) in an area 4.80 ha, for production capacity of 2,07,584 cum per annum at Khasra No. 1057, 1058, 1059, 1060, 1061, 1122/1, 1122/2, 1123/1, 1123/2 at Village - Dirman, Tehsil - Gohad, Dist. Bhind (MP) for the lease period to M/s Yashstar Stones Pvt. Ltd, Opp AM, 95 Bhagat Singh Nagar, DD Nagar, Dist. Gwalior, MP – 474020.**

**26. Case No. 8123/2021 :** Prior Environmental Clearance for proposed project Manufacturing of Dyes & Dyes Intermediates at Plot No. 74-75, Meghnagar Industrial Area, AKVN, Meghnagar- 457779, Dist. Jhabua, M.P. Total Project area – 4536 sq. m. & Production Capacity: 202 MTPA by Director, M/s. Ambey Chemtech Pvt. Ltd. Plot No. 74-75, Meghnagar Industrial Area, AKVN, Meghnagar- 457779 Ph-7987735400 Email- riteshpadiya@gmail.com

1. The proposed project is Manufacturing of Dyes & Dyes Intermediates to be used mainly in direct dyes in the form of liquid as well as powder with production capacity of 202 MTPA.

(Tanvi Sundriyal)  
Member Secretary

(R.K. Sharma)

2. The topography of the area is undulated and reported to lie between 22°54'41.22"N to 22°54'43.34"N Latitude and 74°33'23.05"E to 74°33'24.25" E Longitude.
3. The company had obtained CTE fresh for manufacturing of Di Calcium Phosphate and granted the same by Pollution Control Board with consent no. 23448 inward dated 18/12/2013, accordingly the company started construction of shed and also purchased some equipment. But due to financial constraints stopped the construction activities and everything was put on hold.
4. Salient feature of the project is as follows:-

Details	Project Details
Site Address	at Plot No. 74-75, Meghnagar Industrial Area, AKVN, Meghnagar- 457779, Dist. Jhabua, M.P.
Land available <b>(No new land will be purchased)</b>	4536 Sq.mt. or 0.4536 Hectare
Proposed Production Capacity	202 MT/ Month.
Cost of Project	1.3 Cr
Manpower Requirement	20 Nos.
Power requirement	200 KVA
Water Requirement & Source	18 KLD MPAKVN
Boiler capacity	0.6 TPH, Biocoal, Coal based
DG Set	1 no. 90 KVA
Plantation (Green belt development)	1497 Sq.mt.
EMP Cost (Capital)	14.30 Lacs
EMP cost ( recurring)	9.66 lacs

5. Now, due to change in market scenario, the company propose to use the same available infrastructure, with addition of more equipment and machines. PP has now applied for Prior Environmental Clearance for Manufacturing of Dyes & Dyes Intermediates with a production capacity 202 MT/ month as follows :-

S. No.	Product list	Production Quantity(MT/Month)
1	Bronner's Acid	10 MT
2	Aniline 2:4 Disulphonic Acid	10 MT
3	Aniline 2:5 Disulphonic Acid	10 MT
4	G-Salt	20 MT
5	4 sulphoHydrozone	15 MT
6	5 sulphoHydrozone	10 MT
7	Sulpho OAVS	10 MT
8	N-Methyl J-Acid	12 MT
9	4 SulphoAnthranilic Acid	20 MT
10	Dichlone	10 MT
11	4 Chlorophthalic acid	20 MT
12	Nitro mass of PNCBOSA	10 MT
13	1-Phenyl 3-Methyl 5-pyrazone	15 MT

## Minutes of the 669<sup>th</sup> Meeting of SEIAA dated 26.03.2021

14	5- chloro 8 Hydroxyquinone	05 MT
15	Meta nitro para toluene	15 MT
16	Broadax GP Base	10 MT
<b>TOTAL</b>		<b>202 MT/Month</b>

6. The proposed project is covered under 5 (f) category (B) of the schedule of EIA Notification issued by the Ministry of Environment & Forests vide S.O.1533 (E), dtd. 14.09.2006 and its amendments, hence is required to obtain prior EC.
7. There is no interstate boundary within 05 km and no National park, Sanctuary and Eco-sensitive areas within 05 km of the project area hence General condition are not attracted.
8. The case was discussed in 478<sup>th</sup> SEAC dated 01/02/2021 wherein ToR was recommended. PP has submitted the EIA report vide letter dated 23.02.2021 which was forwarded to SEAC vide letter no. 7104 dated 09.03.2021. Accordingly the case was considered in SEAC meetings 490<sup>th</sup> SEAC meeting dtd. 16.03.21 and is recommended for grant of prior EC subject to special conditions.
9. After the recommendation today the case was scheduled for presentation and after deliberation is recorded that:--
  - (i) The total land area available is 4536 Sq. Mt. Regarding land documents PP has submitted lease deed dtd. 2013 executed between Managing Director, MPAKVN (Indore) Ltd. and Director, M/s. Ambey Chemtech Pvt. Ltd. through for the period of 30 years. Area breajup for the proposed site is as follows:-

S.No	Description	Existing Area (Sq. mt)	Proposed Area (Sq. mt)	Total Area (Sq. mt)
1.	Working Area	180.4	0	180.4
2.	Store for finished Goods	214.02	0	214.02
3.	Raw material storage	358.68	0	358.68
4.	For office and Lab	37.16	0	37.16
5.	E.T.P. and Solid waste storage area	0	30.6	30.6
6.	Utility Area (Boiler, Cooling Tower, Electric room, water tank)	235.62	29.5	265.12
7.	Rest Room	35.7	0	35.7
8.	Area reserved for plantation	0	1497	1497
	Open Area	3474.42	0	1917.32
<b>Total</b>		<b>4536</b>	<b>-</b>	<b>4536</b>

- (ii) The source of water supply for the project is MPAKVN (permission letter dtd. 15.01.2021). The total water requirement for the proposed project is 18 KLD. The rejected water will be reused for gardening/green belt.
- (iii) 0.8KLD domestic wastewater shall be generated which will send to soak pit. 0.2 KLD from boiler blow down, cooling tower 0.1 KLD, process 13KLD waste water is generated which will be sent to ETP plant for primary treatment

(Tanvi Sundriyal)  
Member Secretary

(R.K. Sharma)  
Member

(Rakesh K. Shrivastava)  
Chairman

inside the plant and further to CETP Meghnagar. PP has obtained permission from MPIDC, Indore. (dtd. 15.01.21)

- (iv) Boiler of 0.6 TPH capacities is proposed which will be Bio coal fired and will have bag filter as APCE and then connected to chimney of 30 m height. The outgoing flue gases quality will be monitored on a regular interval within the prescribed parameters, in-order to meet the CPCB norms. Consumption of coal per Annum in boiler- 72,000 Kg/Hr = 72 Metric tons per annum
- (v) As per the Indian standard specification of coal, ash content will be (20-25%). considering the maximum content, Ash % in coal used =  $72 \times 25\% = 18$  Metric tons per annum . PP has proposed to manage the ash which will be generated from the process by stored at designated area, Regular water Sprinkling, Ash will be sent to nearby brick manufacturing industries.
- (vi) Comparing the maximum discharge in the worst case, PP has submitted the existing design and infrastructure is capable of handling the maximum discharge during worst case.

S. No	Particular	Worst Case
1	Machineries/Instruments	There is no worst case in this scenario as the proposed capacity of machineries /instruments are sufficient to meet the requirement.
2	Water	There is no worst case in the water consumption scenario.
3	Effluent	The ETP capacity is sufficient to meet the worst case scenario.
4	Spent acid	Spent acid generated will be sold to Madhya Bharat Phosphates private limited, Jhabua (M.P) and Agro Phos India Limited, Indore (M.P)

- (vii) The main sources of air emission expected Due to boiler, DG set and manufacturing processes. For which PP has installed Acoustic Enclosure in DG and Stack height as per CPCB Norms, Bio coal will be used as a fuel in boiler.
- (viii) Solid / Hazardous waste shall be generated from the process. Solid waste will be disposed off through authorize vendors. The details of source of Hazardous waste generation & their proposed disposal are as follows :

S. No.	Type of Waste	Category	Quantity MTPA	Disposal facility
1	Used or spent oil	5.1	2	Registered Recycler or TSDF
2	Wastes or residues containing oil	5.2	5	TSDF
3	Process waste sludge/residues containing acid, toxic metals, organic compounds	26.1	150	TSDF
4	Dust from air filtration system	26.2	2	TSDF
5	Spent acid	26.3	10000	Sellable to other Industry
6	Spent solvent	26.4	3	Registered Recycler or TSDF
7	Spent catalyst	26.5	5	TSDF

(Tanvi Sundriyal)  
Member Secretary

(R.K. Sharma)  
Member

(Rakesh K. Shrivastava)  
Chairman

8	Empty barrels/containers/liners contaminated with hazardous chemicals /wastes	33.1	15	TSDF
9	Chemical sludge from waste water treatment	35.3	150	TSDF

- (ix) Vehicular movement will be regulated inside the site with adequate roads and parking shall be provided.
- (x) PP has included disaster management plan, fire fighting plan on-site, off-site emergency plan in the EIA report.
- (xi) The power requirement for the project is 200 KVA which will be Sourced from MPPKV.
- (xii) Out of the total plot area 4536 sq. m. 1497 square meters i.e. 33% of the total area will be developed for green belt. The green belt of 5-10 m width will be developed mainly along the periphery and road side
- (xiii) Under CER activities PP has proposed Infrastrucure development of Surrounding villages by providing As library, (Table 20nos. Chair 20 nos.), Toilets for girls - 1 no., fans in classroom (5 nos.) in **Saraswati Shishu Mandir, Kcchar today, Meghnagar, Saraswati Shishu Mandir, Meghnagar school.**
- (xiv) The total project cost will be Rs. 1.3 Crores.

**The submissions made by the PP were found to be satisfactory and acceptable hence it is decided to accept the recommendations of 490<sup>th</sup> SEAC meeting dtd. 16.03.21 and grant Prior Environmental Clearance for proposed project Manufacturing of Dyes & Dyes Intermediates at Plot No. 74-75, Meghnagar Industrial Area, AKVN, Meghnagar- 457779, Dist. Jhabua, M.P. Total Project area – 4536 sq. m. & Production Capacity: 202 MTPA by Director, M/s. Ambey Chemtech Pvt. Ltd. Plot No. 74-75, Meghnagar Industrial Area, AKVN, Meghnagar- 457779, subject to the following specific conditions:-**

1. The entire demand of fresh water should be met through MPIDC as committed in letter dtd. 15.01.21
2. Fresh water should not be used for Irrigation and gardening purpose.
3. **Waste water:**
  - (a) PP should ensure “Zero effluent discharge” from the unit by 100% recycling. The water softening reject, boiler blow down reject and cooling blow down will be treated in ETP. Further treated waste water will go to CETP.
  - (b) RO and MEE should be provided for treatment of high COD waste streams and only in case of emergency/breakdown high COD wastes should be disposed off through CTSDf, Pithampur, Dhar.
4. **For Air Pollution:**
  - (a) PP should ensure install Bag house in stack for control of air pollution and stack height as proposed in the EIA/ EMP.

- (b) The performance of air pollution control system should be regularly monitored and maintained.
- (c) PP should ensure regular Stack monitoring & Ambient air quality monitoring and should be carried out as per the guidelines/norms of MPPCB/CPCB.
- (d) In plant control measures for checking fugitive emission from all the vulnerable sources shall be provided. Fugitive emission shall be controlled by providing closed storage, closed handling & conveyance of chemicals/materials, multi cyclone separator/bag filters and water sprinkling system.
- (e) Dust suppression system including water sprinkler system/ fogging arrangement shall be provided at loading and unloading areas to control dust emission.
- (f) Fugitive emission in the work zone environment, product, raw material storage areas etc. shall be regularly monitored.
- (g) High efficient four stage ventury scrubber should be provided.
- (h) Transportation of raw material and finished goods should be carried out in covered trucks.
- (i) Company shall carry out the HAZOP study and report shall be submitted to ministry MoEF & CC Regional Office, Bhopal.
- (j) For control of fugitive emission and VOCs following steps should be followed:-
  - Chilled brine circulation system shall be provided and it should be ensured that the solvent recovery efficiency is not be less than 95%.
  - Reactor and solvent handling pump shall be provided with mechanical seal to prevent leakage.
  - Closed handling system should be provided for chemicals.
  - System of leak detection and repair of pump/pipeline should be based on preventive maintenance.
  - Solvent shall be taken from underground storage tank to reactor through closed pipeline. Storage tank shall be vented through trap receiver and condenser operated on chilled water.

**5. Hazardous Waste Management:**

- (a) As proposed above, PP should ensure disposal of hazardous waste regularly and there should be no dumping of these materials in the premises/outside.
- (b) PP should ensure handling, disposal and management of hazardous waste as per the related prescribed rules.
- (c) PP should obtain Renewal of authorization regularly from MPPCB for collection storage and disposal of hazardous waste (Management, handling

(Tanvi Sundriyal)

& transboundary Movement) Rules 2008 and its amendments. Membership of the TSDF should be obtained for hazardous waste disposal.

- (d) Hazardous chemicals should be stored in sealed tanks, drums etc. Flame arrestors shall be provided on tanks. To avoid the spillage from processing unit, Industry shall provide fully mechanized filling and packaging operation unit.
- (e) Ensure the transportation of raw / finished material only by covered vehicles.
- (f) Ensure the storage and handling of all the chemicals in a proper and safe manner to avoid any spillages and also to prevent runoff contamination in monsoon.
- (g) Ensure collection & treatment of spillages, if any.
- (h) All necessary precautionary measures shall be taken to avoid any kind of accident during storage and handling of hazardous chemicals.

**6. Green Belt Development:**

- (a) PP should ensure plantation as proposed plot area 1497 square meters i.e. 33% of the total area of indigenous local varieties like Neem, Peepal, Kadam and Kachnaar.
  - (b) Every effort should be made to protect the existing trees on the plot.
  - (c) Green area including thick green-belt shall be developed in at least 33% of the plot area to mitigate the effect of fugitive emissions all around the plant in consultation with the forest department as per the guidelines of CPCB.
7. PP should obtain NOC /approval from competent authority for health & safety measure, Onsite & Offsite disaster management, and Risk management plan before commencing the operation of the unit.
8. PP should obtain fire NOC from the competent authority before commencing the operation of the unit.
9. PP should ensure installation of photovoltaic cells (solar energy) for lighting in common areas, LED light fixtures and energy efficient equipments.
10. PP should ensure the implementation of CER activities in consultation with village Sarpanch / District Collector, Jhabua.
11. In the event of failure of any pollution control system adopted by the unit, the unit shall be safely closed down and shall not be restarted until the desired efficiency of the control equipment has been achieved.
12. Total quantity of runoff water generated and green belt area should be collected in underground tank & used for process in plant to minimize fresh water requirement.

**27. Case No. –8315/2021::** Prior Environmental Clearance for Stone Quarry (Opencast Semi Mechanized Method) in an area of 1.268 ha. for production capacity of 10003 cum per annum at Khasra No. 101/1 at Village - Beldongri, Tehsil - Pushprajgarh, Dist. Anuppur (MP) by Smt. Sangya Jaiswal W/o Shri Rajendra Kumar Jaiswal, Village & Post - Beldongri Tehsil - Pushprajgarh, Dist. Anuppur (MP).

This case was recommended in 490<sup>th</sup> SEAC meeting dated 16.03.2021 and it was recorded that.....

*The case was presented by the PP and their consultant wherein it was observed by the committee that it's a case of Stone mining. During presentation it was observed by committee that a kachha road is existed at a distance of 20 meters in the NE side, a natural drain at 120 m in Western side of the lease. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':*

**PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dated 16.03.2021, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-**

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantations shall be carried out in the greenbelt area in current year with proper watering arrangement.
- III. PP shall not start mining activity before execution of lease agreement.
- IV. The depth of the pit shall be as per the Approved Mining Plan.
- V. PP shall ensure no cutting of any existing trees within the lease area.
- VI. Total 1900 saplings of suitable tree species i.e. Neem, Pipal, Sissoo, Bargad, Amaltas, Khirni, Mango, Guava, Bamboo, Imli etc. shall be planted by PP in first three years under plantation programme at Khasra No. 102/1/2 at Village - Beldongri, Tehsil - Pushprajgarh, Dist. Anuppur MP in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VII. PP shall ensure to construct pakka approach road and maintained it. Plantation will be carried out on both side of the approach road.
- VIII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- IX. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- X. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.

Hence, Prior Environmental Clearance is granted for Stone Quarry (opencast manual/semi mechanized method) in an area of 11.00 ha. for production capacity of 11400 cum per annum at Khasra No. 566 at Village - Sardaman, Tehsil - Hanumana, Dist. Rewa (MP) for the lease period to Shri Ramnivas Village - Gadoli, PO - Haminpur, Tehsil - Surajgarh, Dist. Jhunjhunu, Rajasthan - 333029 (MP).

33. **Case No 8325/2021**, Prior Environment Clearance for **Stone Quarry** (Opencast manual/ semi-mechanised) in an area of 2.0 ha for production capacity of 24909 cum per annum at Khasra No. 107/2 at Village - Sardaman, Tehsil - Hanumana, Dist. - Rewa (MP) by Shri Kamalbhan Singh, Village - Harraipratap Singh, Tehsil - Hanumana, Dist. Rewa, MP – 486553.

This case was recommended in 490<sup>th</sup> SEAC meeting dated 16.03.2021 and it was recorded that.....

*“-----PP has submitted the response of above quarries same date vide letter dated 16.03.2021. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure ‘A’.”*

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dated 16.03.2021, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- i. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- ii. PP shall not start mining activity before execution of lease agreement.
- iii. The depth of the pit shall be as per the Approved Mining Plan.
- iv. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary and dense plantation shall be carried out towards the habitation.
- v. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- vi. PP shall ensure to construct garland drain with settling tank all around the lease area and regular cleaning & maintenance shall also be carried out by PP.
- vii. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- viii. Total 3000 saplings of suitable tree species i.e. Pipal, Amla, Mango, Karanj, Neem, Dalbargia- Sissoo, Gulmohar, Bargad etc. shall be planted by PP in

- (1) This is a project pertaining to mining of **Bauxite and Fireclay Mine** in MLA of 6.03 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park and Son Ghariyal Sanctuary is 6 km from mine site. thus it is not attracted by the general conditions by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environmental clearance for the project.
- (2) The mining lease was granted to M/s Shrikishnadas Tikaram, Civil Lines, Post Box No. 156, Dist. Katni (MP) in the year 1977 for 50 years up to 06.09.2027, which is applicable of lease agreement. This is a case of renewal of mining lease. The Mining Plan with progressive mine closure plan has been approved by IBM vide letter no. MP/Sidhi/Bauxite/MPLN/MOD-60/2017-18/3361 dated 12.10.2017.
- (3) SEAC in its 490<sup>th</sup> SEAC meeting dated 16.03.2021 has recommended the case with 33 special conditions for issuance of EC.
- (4) It was noted that as per DFO L.No. 4263 Satna, dtd. 29.06.2019, the National Park is not located within 10 Km. and Son Ghariyal Sanctuary is 6 km. from the mining site. Hence, the General Conditions are not attracted.
- (5) PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that the water requirement is 6.125 KLD (1.125 KLD for Domestic use/ Drinking + 2.4 KLD for Dust suppression + 2.6 KLD for Green Belt. The water requirement will met mine quarry and drinking water from bore well.
- (7) The proposed plantation programme was examined and it was found that total 9200 saplings shall be covered under plantation program.
- (8) It was also noted that the Public Hearing was carried out on 04.11.2020 at Mine Parisar Village - Bhatoora, Tehsil - Maihar, Dist. - Satna (MP) under the Chairmanship of Additional Collector, Satna.

**After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dated 16.03.2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. **Before commencing any mining activity fencing shall be carried** out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Lease agreement shall be carried out before execution of mining operation.
- III. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- IV. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three rows

(Tanvi Sundriyal)

plantation shall be carried out in the greenbelt area in current year with proper watering arrangement.

- V. PP shall ensure that existing trees not to be uprooted within the ML area.
- VI. PP will plant 3 years old 9200 saplings of suitable tree species i.e. Neem, Mango , Amla , Karanj , Khamer , Pipal , Dalbergia Sissoo , Gulmohar , Jamun , , Semal , Mahua , Bargad etc. will be planted along the lease Boundary in mine premises, transportation route and khasra no. 46 & 47 shall be planted by PP in consultation with DM/ Gram Panchayat. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VII. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VIII. The overburden and waste will be stacked within ML area and simultaneously backfilled in the mined out area where plantation will be raised on it.
- IX. PP shall ensure that waste material shall not be stacked long time in ML area.
- X. No overburden will be dumped outside the mine lease area.
- XI. Regular water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MPPCB. Regular air and noise quality monitoring shall also be carried out from authorized laboratory in consultation with Regional Officer, MPPCB at regular interval.
- XII. PP shall ensure the generation of employment opportunities nearby Village on priority basis.
- XIII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XIV. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XV. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields.
- XVI. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XVII. PP shall ensure to carry out dense plantation towards the canal passing near ml area with the proper water supply arrangements for plantation especially in summer season.

- XVIII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIX. PP must ensure the implementation of compliance of the commitment made in Public Hearing in addition to this following activities with separate budget provision under CER as committed.
- ❖ To provide water for drinking purposes by tanker during summer season at village Birpur and Naikin.
  - ❖ Organized health camps and distribution of medicine as per suggestion of Doctors at village Birpur.
  - ❖ Construction of internal village road as CC road (length 500 m. and width 3 m.) in consultation with gram panchayat.
  - ❖ To provide furniture, painting and repair govt. primary school building at village Birpur.
  - ❖ Development of grazing land at village Birpur.
  - ❖ Development of water reservoir (2.60 ha.) area at village Birpur.

**PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**

- XX. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

**Hence, Prior Environmental Clearance is granted for Prior Environment Clearance for Bauxite and Fireclay Mine in an area of 6.03 ha. for expansion in production capacity from 5,500 to 45,000 (Bauxite - 38000 tonne per annum, Fireclay - 7000 tonne per annum at Khasra No. 48, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 61, 63, 64, 75, 76 at Village - Birpur, Tehsil - Rampur Naikin, Dist. - Sidhi (MP) for the lease period to M/s Shrikishnadas Tikaram, Civil Lines, Post Box No. 156, Dist. Katni, MP – 483501.**

- 35. Case No 7629/2020** Prior Environment Clearance for Sand Quarry (opencast manual method) in an area of 20.242 ha. for production capacity of 91,450 cum per annum at Khasra No. 149/1 at Village - Joshipur, Tehsil - Budhni, Dist. Sehore (MP) by M/s

Power Mech Projects Limited, Executive Director, Shri Krishna Praveen Kota, Flat No. 248, Sector-2, Shakti Nagar, Habibganj, Dist. Bhopal, MP

- (1) This is a project pertaining to mining of Sand Quarry in an area of 20.242 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions and falls under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine having valid lease period as per the provisions of M.P. State Sand Mining Policy – 2019 with production capacity of 91,450 cum per annum.
- (2) It was noted that PP has submitted a copy of approved Mining Plan, DSR report, information in the lease's within 500 meters radius around the site and other requisite information in the prescribed format duly verified in the Collector Office (Ekal Praman-Patr) letter no. 1524 dated: 03/09/2020 has reported that there are 02 more mines operating or proposed within 500 meters around the said mine with total area of 53.016 ha., including this mine.
- (3) The Mining Lease has been granted in favour of M/s Power Mech Projects Limited, by the Madhya Pradesh State Mining Corporation Limited, Bhopal vide letter no. /ret/2020/588 Bhopal, dated -10/02/2020 as per the provisions of M.P. State Sand Mining Policy – 2019 over an area of 20.242 ha. The Mining Plan and Replenishment Study has been approved by DGM, Bhopal vide L.No. P. Kramank 7868-70/Mining Plan cell-8/N. K.-42/2020 Bhopal dated 14/08/2020.
- (4) SEAC in its 490<sup>th</sup> SEAC meeting dtd. 16.3.2021 has recommended the case with 26 special conditions for issuance of EC.
- (5) It was noted that as per Collector Office, (Ekal Praman-Patr) Sehore vide letter no. 1524 dated: 03/09/2020, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted. There is no forest boundary in less than 250 m distance from the ML area.
- (6) It was noted that the water requirement is 20 KLD (08 KLD Dust Suppression +04 KLD Domestic activity+ 08 KLD Green Belt which shall be met from Gram Panchayat through tanker.
- (7) It was noted that the Public Hearing was held on 09.01.2021 at Near Govt. Public School Village Joshipur under the Chairmanship of ADM, Sehore. The issues raised during public hearing shall be committed and complied by PP.

**After detailed discussions and perusal of recommendations of 490<sup>th</sup> SEAC meeting dtd. 16.3.2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC.

(Tanvi Sundriyal)

- III. The mining shall be carried out strictly as per the approved mining plan and ensure that the annual replenishment of sand in the mining lease area is sufficient to sustain the mining operations at levels prescribed in the mining plan.
- IV. No ramp will be allowed within the river basin to transport sand to the other bank. Transportation will be allowed on the bank side where the mineral is being excavated.
- V. The entire lease area should be properly fenced and boundary stones marked at the site.
- VI. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion where sand is exposed.
- VII. Leaving the submerged area as non-mining zone as committed in PP.
- VIII. The depth of the pit shall be as per Approved Mining Plan.
- IX. Transportation of sand not allowed during opening & closing timing of the school located in village area.
- X. Transportation of sand shall be strictly carried out from outside the village area.
- XI. Only manual mining shall be carried out by PP.
- XII. The mining shall be carried out strictly in accordance with the Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 issued by the MoEF&CC.
- XIII. If the stream is dry, the excavation must not proceed beyond the lowest undisturbed elevation of the stream both which is a function of local hydraulics, hydrology and geomorphology.
- XIV. PP shall ensure to compliance of all the commitments made during public hearing and submit compliance report in every six month of the year.
- XV. No Mining shall be carried out during Monsoon season.
- XVI. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- XVII. Total 30360 saplings of suitable tree species i.e. Neem, Peepal, Bargad, Karanj, Kadam, Arjun, Jamun, Mango etc. shall be planted by PP in first two years under plantation programme at river bank, approach road, school boundary, aaganwadi, Panchayat Bhavan and Khasra No. 87/3 in consultation with Gram Panchayat/ District Administration. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- XVIII. Over loading will be strictly prohibited.
- XIX. Water sprinkling will be done on the approach road on the regular basis.

- xi. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, GoI, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

**Hence, Prior Environmental Clearance is granted for Stone Quarry (opencast manual/ semi-mechanized method) in an area of 2.890 ha. for production capacity of 20520 cum per annum at Khasra No. 315, 316, 317 at Village - Semari Bazayft, Tehsil - Huzur, Dist. -Bhopal (MP) for the lease period to Shri Jairam S/o Shri Nannulal, Village - Semari Bazayft, Post - Ratibad, Tehsil - Huzur, Dist. - Bhopal, MP – 462042.**

**39. Case No. 6590/2019**, Prior Environment Clearance for **Stone Quarry** in an area of 3.0 ha. for production capacity of 20667 cum per annum at Khasra No. 112 at Village - Golpura, Tehsil - Gandhwani, Dist. - Dhar (MP) by Shri Kuldeep Choudhary S/o Shri Ramchandra Choudhary, Village - 1/6 Bandichhod Marg, Dist.- Dhar (MP).

- (1) This is a project pertaining to mining of **Iron ore Mine** in MLA of 3.00 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environmental clearance for the project.
- (2) The mining lease was granted to Shri Kuldeep Choudhary S/o Shri Ramchandra Choudhary, Village - 1/6 Bandichhod Marg, Dist.- Dhar (MP) in the year 2020 for 10 years, which is applicable after lease agreement. This is a case of renewal of mining lease. The Mining Plan with progressive mine closure plan has been approved by DGM vide letter no. 949 dated 25.06.2019.
- (3) SEAC in its 486<sup>th</sup> SEAC meeting dtd. 26.02.2021 has recommended the case with 26 special conditions for issuance of EC.
- (4) It was noted that as per DFO L.No. 3114 Dhar, dtd. 10.07.2015, the National Park /Sanctuary is not located within 10 Km. radius from the mining site. Hence, the General Conditions are not attracted.
- (5) PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that the water requirement is 4.0 KLD (0.6 KLD for Domestic use/ Drinking + 2.2 KLD for Dust suppression + 1.2 KLD for Green Belt. The water requirement will met from hired tanker supply.
- (7) The proposed plantation programme was examined and it was found that total 5100 saplings shall be covered under plantation program.

- (8) It was also noted that the Public Hearing was carried out on 03.10.2020 at Mine Parisar Village - Golpura, Tehsil - Gandhwani, Dist. - Dhar (MP) under the Chairmanship of Upper Collector, Dhar.

**After detailed discussions and perusal of recommendations of 486<sup>th</sup> SEAC meeting dated 26.02.2021, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:**

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Lease agreement shall be carried out before execution of mining operation.
- III. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- IV. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three rows plantation shall be carried out in the greenbelt area in current year with proper watering arrangement.
- V. PP shall ensure that existing trees not to be uprooted within the ML area.
- VI. PP will plant 3 years old 5100 saplings of suitable tree species i.e. Neem, Pipal, Sissoo, Bargad, Amaltas, Khirni, Mango, Kathal etc. will be planted by PP in first five years at lease Boundary in mine premises and khasra no. 112 in consultation with DM/ Gram Panchayat. PP shall also explore and identify the chunk of land in the area from revenue record to carry out plantation programme as proposed.
- VII. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table, approval of the Central Ground Water Board shall be obtained.
- VIII. The overburden and waste will be stacked within ML area and simultaneously backfilled in the mined out area where plantation will be raised on it.
- IX. PP shall ensure that waste material shall not be stacked long time in ML area.
- X. No overburden will be dumped outside the mine lease area.
- XI. Regular water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MP PCB. Regular air and noise quality monitoring shall also be carried out from authorized laboratory in consultation with Regional Officer, MP PCB at regular interval.

(Tanvi Sundriyal)

- XII. PP shall ensure the generation of employment opportunities nearby Village on priority basis.
- XIII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XIV. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XV. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields.
- XVI. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XVII. PP shall ensure the proper water supply arrangements for plantation especially in summer season.
- XVIII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIX. PP must ensure the implementation of compliance of the commitment made in Public Hearing in addition to this following activity with separate budget provision under CER as committed.
- ❖ Repairing/renovation of boundary wall (30mX2m) of Govt. Primary school at village Golpura.
  - ❖ To provide 04 no. of roof fan in Govt. School at village Golpura.
  - ❖ Organized health camp for villagers for Twice in a year at village Golpura.

**PP shall ensure contribution of funds on behalf of village under Jal Jeewan Mission in consultation with Janpad Panchayat and PHED. PP shall give preference to develop/provide infrastructural facilities in schools or aanganwadies of above villages. The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Gram Panchayat.**

- XX. PP should ensure to submit half yearly compliance report, Plantation and CER activity report along with photographs of all activities in MP-SEIAA. If PP is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal) than prior environmental clearance issued to PP will automatically be treated as cancelled/ revoked as per OM No. 930/SEIAA/2019 dated 30.05.2019 issued by MPSEIAA.

No Objection Certificate in the form of Notarised Affidavit submitted by **Shri Jai Singh s/o Shri Sher Singh R/o Chhilar, Tehsil – Charkhi Dadri, District – Bhiwani (Haryana)** for transfer of prior EC in the name of **M/s Shiv Shakti Construction, Shri Surendra Singh, Partner, Village - Kathari, Tehsil - Sarai, Dist. - Singrauli, MP – 486881.**
  - ii. Notarised affidavit of **M/s Shiv Shakti Construction, Shri Surendra Singh, Partner, Village - Kathari, Tehsil - Sarai, Dist. - Singrauli, MP – 486881** mentioning that no legal action/ credible action has been initiated against the mine till date and commitment to comply all the standard and specific conditions stipulated in the prior EC issued..
  - iii. Copy of Prior EC issued by DEIAA vide letter No. 113/DEIAA/Parya. Anumati/ 2016 dated 24.08.16.
  - iv. Copy of Environmental Management Plan of M/s Shiv Shakti Construction, Shri Surendra Singh, Partner, Village - Kathari, Tehsil - Sarai, Dist. Singrauli, MP – 486881.
  - v. Copy of Approved Mining Plan of M/s Shiv Shakti Construction, Shri Surendra Singh, Partner, Village - Kathari, Tehsil - Sarai, Dist. - Singrauli, (MP).
  - vi. Lease transfer order issued by **Office of Collector (Mining Division), Singrauli** to M/s Shiv Shakti Construction, Shri Surendra Singh (Partner), Village - Kathari, Tehsil - Sarai, Dist. – Singrauli (MP) vide letter No. 2034/Khanij/QL/Hastan./ 2017 **dated 13.06.2017.**
- (4) It is noted that in EIA Notification 2006 as per **Para-11 Transferability of Environmental Clearance (EC)** there is a provision of transferring the EC.

***Para-11 :- A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written "no objection" by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.***

In context of above it seems that PP has submitted adequate documents to make the change in the name of PP as per EIA Notification 2006 (Para-11). Hence, prior EC issued on 24.08.16 in the name of " Shri Jai Singh s/o Shri Sher Singh R/o Chhilar, Tehsil – Charkhi Dadri, District – Bhiwani (Haryana) is **hereby transferred to M/s Shiv Shakti Construction, Shri Surendra Singh, Partner, Village - Kathari, Tehsil**
