The Authority after detailed discussion and deliberation decided the following:

1. **Serial No. 1:** The Authority had granted ToR with public consultation to this proposal in the 5.88<sup>th</sup> meeting held on 27.07.23. PP has submitted a letter dated 17.8.23 from Chief Airport Officer with a request *"to grant ToR corrigendum and include the reference of para 7 III (ii) (b) of EIA, 2006 along with a public consultation statement"*. The Authority was of the view that this proposal requires further examination in respect of the grounds on which the application has been made and precedents given.

**Hence the Authority decided to defer this proposal.**

2. **Serial No. 2:** This proposal was deferred in 5.88<sup>th</sup> meeting of the Authority for submission of revised DCF Mandsaur certificate mentioning distance of lease area from the ESZ boundary of Gandhi Sagar WLS and additional information on conservation plan submitted to DCF Kota only, not to DCF Mandsaur. PP has submitted a certificate from DCF Mandsaur which mentions that the lease area is at a distance of 5 km from the boundary of ESZ. PP has also submitted a receipt of conservation plan which has been submitted to DCF Kota with enclosure to DCF Mandsaur and seal of the same. Hence, the Authority decided to **approve EIA/ EMP and grant EC** to this proposal. PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects along with the conditions laid down by SEAC.
3. **Serial No. 3:** This proposal was deferred in 5.88<sup>th</sup> meeting of the Authority regarding clarification on khasra no. being 32, 877/31 mentioned in form 1 and affidavit of cluster EMP implementation. PP in his reply dated 17.8.23 admitted it as a typographical mistake and submitted the corrected form 1 and affidavit. Hence, the Authority decided to **approve EIA/ EMP and grant EC** to this proposal. PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects along with the conditions laid down by SEAC.

4. **Serial No. 4:** This proposal was deferred in 5.80<sup>th</sup> meeting of the Authority as the WRD certificate dated 10.4.23 didn't state anything on whether lease area is infringing upon with the directions of Hon'ble High court of Rajasthan or not. Now, PP has submitted a WRD certificate dated 21.7.23 which says, "*Lease are will not infringe the directions of Hon'ble High court of Rajasthan in the matter of Abdul Rehman*". Hence the Authority decided to **grant EC** to this proposal.
5. **Serial No. 5:** This proposal was deferred in 5.81<sup>st</sup> meeting of the Authority for submission of authenticated DSR, certified production figures for 2022-23 and 5.87<sup>th</sup> meeting subsequently for certified production figures for 2022-23 duly authenticated by Mining Department. The matter has been pending for more than 75 days on account of required information. PP has still not submitted the production figures for 2022-23 duly authenticated by Mining Department. The Authority decided to accord a last opportunity to PP to submit the required information within 30 days failing which project will be closed & delisted. The matter is **deferred** till such time.
6. **Serial No. 6:** This proposal was deferred in 5.84<sup>th</sup> meeting of the Authority for submission of authenticated DSR of the proposed mineral. Now, PP has submitted the required document. Hence, the Authority decided to **grant EC** (Expansion & Inclusion) to this proposal.
7. **Serial No. 7:** This proposal was deferred in 5.88<sup>th</sup> meeting of the Authority for clarification on reference number and revised cluster certificate. PP has submitted a revised cluster certificate dated 8.7.23 but has not submitted clarification on reference number. The Authority decided to accord a last opportunity to PP in this meeting. PP is required to ascertain the correct ML reference no. 20221000052410 as per Lol which is also recorded in Form 1, DCF certificate, Affidavit and Mining plan. However, there has been a typographical error in recording the ML Reference no. in the Aravali certificate, Cluster certificate and Simankan report. PP is directed to get the typographical error rectified in the above mentioned documents and submit the same within 45 days. The matter is **deferred** till such time.
8. **Serial No. 8:** This proposal was deferred in 5.72<sup>nd</sup> meeting of the Authority for submission of latest Certified Compliance Report. Now, PP has submitted the certified compliance report dated 18.8.23. Hence, the Authority decided to **grant EC** to this proposal.
9. **Serial No. 9:** This proposal was closed & delisted in 5.79<sup>th</sup> meeting of the Authority. PP requested relisting of the proposal vide his letter dated 19.6.23 along with

Proposal was considered in 5.87<sup>th</sup> meeting of the Authority and deferred since the PP has not submitted the latest certificate. Now, PP vide his letter dated 27.7.23 has submitted latest cluster certificate dated 27.7.23. Hence, the Authority decided to re-list and refer back this proposal to SEAC for examination on technical grounds.

10. **Serial No. 10:** This proposal was deferred in 5.90<sup>th</sup> meeting of the Authority for submission of CA certified turnover figures, undertaking with respect to mechanical parking and PHED application for water requirement of the proposal.
