The Chairman welcomed all the members and informed the house about the Solid Waste Management Project at Ringdang, North Sikkim.

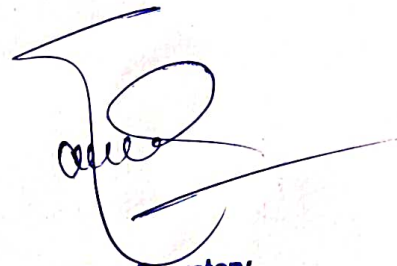

During the Meeting Chaired by Hon'ble Chairman SEIAA on dated 22/10/2021, the following observation have been recorded which needs to be complied by the project Proponent for granting Environmental Clearance for the said project.

The following are the observations:

1. Require EMP. from the User Agency.
2. TOR needs to be submitted by the User Agency.
3. If it is Forest Land and if FCA has been applied, Forest land checkpoint should be 'YES' in serial number 24.

Member Secretary
SEIAA, Sikkim

4. Whether Garbage generation from Lachen, Lachung areas of tourist hot spots and Chungthang sub-division have also been considered or not.
5. Before execution, there should be field visit to hilly areas where such project has been carried out successfully.
6. User Agency cannot discharge the water on surface from Project area. Proper water treatment plan required
7. Before implementing the Project, User Agency has to apply for the Forest Clearance.
8. Environmental Clearance may be granted subject to all of above.
