

State Level Environment Impact Assessment Authority-Karnataka

(Constituted by MoEF, Government of India, under section 3(3) of E(P) Act, 1986)

Proceedings of 200th SEIAA Meeting held on 2nd August 2021 at 11:00 AM

at Room No. 709, 7th Floor, 4th Gate, M.S Building, Bangalore.

Members present: -

- | | | |
|---------------------------------|---|-------------------------|
| 1. Dr. K. R. Sree Harsha, | - | Chairman, SEIAA |
| 2. Shri. K. N. Shivalinge Gowda | - | Member, SEIAA |
| 3. Sri. Brijesh Kumar, IFS | - | Member Secretary, SEIAA |

The Chairman welcomed the members and initiated the discussion. The subjects discussed and the decisions made on each of the agenda points are as follows:

200.1. Fresh Projects (Recommended for EC) :

Industrial Projects:

- 200.1.1. Proposed Expansion of the Distillery from 60 KLPD to 100 KLPD Project at Chadchan Village, Indi Taluk, Vijayapura District by M/s. Indian Sugar Manufacturing Co. Ltd. [SEIAA 33 IND 2021] (SIA/KA/IND2/172658/2020)**

M/s. Indian Sugar Manufacturing Co. Ltd. have applied for Environmental clearance from SEIAA for Expansion of existing distillery from 60 to 100 KLPD A/p Havinal, Tal. Indi, Dist. Vijayapur, Karnataka.

Details of the project are as follows:

S N	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Indian Sugar Manufacturing Company Limited Havinal, Sy.Nos.221, 223/1A, 222/1, 223/1, 223/1B of Chadchan Village Tal. Indi, Dist. Vijayapura, Karnataka.
2	Name & Location of the Project	Expansion of existing distillery from 60 to 100 KLPD A/p Havinal, Tal. Indi, Dist. Vijayapur, Karnataka
3	Co-ordinates of the Project Site	Latitude: 17°19'40.34"N Longitude 75°40'49.88"E
4	Environmental Sensitivity	
A	Distance From nearest	River Boris flowing at 0.6 kmin SE.

		Lake/ River/ Nala	River Bhima 8.84 km
	B	Distance from Protected area notified under wildlife protection act	Not in within 10 km of project Study area
	C	whether located in critically /severally polluted area as per the CPCB norms	No
5		New/Expansion/Modification/ Product mix change	Expansion
6		Plot Area (Sq m)	429695.215
7		Built Up area (Sq m)	72592.5
8		Component of developments	Fermentation section, Distillation section, finished product storage, CPU, boiler and evaporation section etc.
9		Project cost (Rs. In Crores)	56.34 (EMP cost: 1.5 Cr)
10		Details of Land Use (Sq m)	
	a	Sugar activity including open area	130106.43 Sq. m.
	b	Power Generation Switch Yard	15580.4 Sq. m.
	c	Diesel Pump	24483.48 Sq. m.
	d	ETP And West Water Management	49371.65 Sq. m.
	e	Total Distillery activity area	48886.026 Sq. m.
	e	Existing Greenbelt area	72843.4 Sq. m.
	f	Proposed Greenbelt area	70253.427 Sq. m.
		Total industrial activity area	
	G	Residential colony	25171.45 Sq. m.
		Total	429695.215 Sq. m.
11		Products and By-Products with quantity	Product 60 KLPD RS/ENA/Ethanol 40 KLPD anhydrous alcohol/ Ethanol
12		Raw material with quantity and their source (enclose as Annexure if necessary)	B heavy molasses : 51304 MTA C - Molasses/Final Molasses: 59160 MTA Sugarcane juice: 1500 MTD
13		Mode of transportation of Raw material and storage facility	Molasses: Through pipeline from own sugar unit and by road from nearby sugar mill, it will be stored in molasses storage tank Nutrients N, P and TRO: Transportation by

		road as per requirement
14	Transportation and storage facility for coal /fuel in case of thermal power plant	Fuel used for proposed distillery unit: Conc. Spent wash + coal/bagasse as supplementary fuel Spent wash will be stored in impermeable storage tank, coal will be store in covered storage and existing bagasse storage yard will be used to store bagasse
Environment Management Plan (EMP)		
15	WATER POLLUTION	
	I	Operation Phase
	a.	Source of water Surface Water from Bhima River
	b.	Total Requirement of Water KLD 910
	c.	Requirement of water for industrial purpose /production in KLD 900
	d.	Requirement of water for domestic purpose in KLD 10
	e.	Waste water generation in KLD 1. Spent wash: 175 2. Spent lees, condensate of MEE and other low strength effluent: 1085
	f.	ETP/ STP capacity CPU: 600 m ³ /day
	g.	Technology employed for Treatment 1. Spent wash: Multi-effect evaporation followed by incineration boiler 2. For spent lees, condensate of MEE and other effluent: Condensate polishing unit
	h.	Scheme of disposal of excess treated water if any ZLD base plant (treated water will be reused/recycle for molasses dilution, cooling tower makeup etc.)
16	AIR POLLUTION	
	a.	Sources of Air pollution Flue gasses from boilers due to burning of spent wash with coal/bagasse
	b.	Composition of Emissions PM and SO ₂ , NO _x
	c.	Air pollution control measures proposed and technology employed Existing sugar unit Stack with 65 m height with Wet scrubber and existing Distillery stack 59 m with ESP with 99.99% efficiency will be provided

17	NOISE POLLUTION					
	a.	Sources of Noise pollution	Boiler, STG, plant machinery etc.			
	b.	Expected levels of Noise pollution	65 - 85 dB within factory premises			
	c.	Noise pollution control measures proposed	Boiler, TG, machineries will be within industrial shed (covered area). Greenbelt development, PPE for employees			
18	WASTE MANAGEMENT					
	Operational Phase					
	a.	Quantity of Solid waste generated per day and their disposal	Waste	Qty	Disposal	
			Yeast sludge (TPD)	5	Dried sludge will be used as manure.	
			CPU sludge TPD	20	Dried sludge will be used as manure.	
			Concentrated spent wash ash (TPD)	22.7	Bagasse ash and spent wash ash will be sold to farmer as manure as it is rich in Potash.	
			Bagasse ash(TPD)	4	Used as fuel	
			Spent Oil (kg/day)	5-7	Given to authorized recycler	
			Coal ash(TPD)	26	Used as additive in brick manufacturing.	
19	POWER					
	a.	Total Power Requirement in the Operational Phase with source	Requirement: 2.6 MW Source: Captive through 3.3 MW TG Alternate source: State electricity board			
	b.	Numbers of DG set and capacity in KVA for Standby Power Supply	Existing in sugar unit three DG set of 1) 320 kVA 2) 750 KVA			
	c.	Details of Fuel used with purpose such as boilers, DG, Furnace, TFFI, Incinerator etc.,	Conc. Spent wash: 7.3 TPH; Bagasse: 8.5 TPH, Coal 3.1 TPH			
	Financial provision for CER activities for next 3 years: 56. Lakhs (1% total Project cost)					
		CER activity	2021-22 (Lacs)	2022-23 (Lacs)	2023-24 (Lacs)	Total (Lacs)

	Lighting by LED/ Solar panels	5	3	3	11
	Watershed programs	7	4	4	15
	Providing Water filters/Drinking water facilities/storage tanks	7	4	4	15
	Tree plantation in the vicinity along road side	7	4	4	15
	Total	26	15	15	56

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

This proposal is for expansion from 60KLPD to 100KLPD distillery unit. Earlier EC was issued on 11.09.2009 for 60KLPD distillery unit by MoEF&CC, GoI. The compliance to earlier EC conditions was certified by Regional Office, MoEF&CC on 11.02.2021. As per the certified compliance report, the status of compliance to earlier EC conditions is satisfactory. In the CCR it is mentioned that two conditions have not been complied: - (1) submission of six monthly compliances to earlier EC conditions and (2) publication of EC letter at least in two local newspapers. The proponent informed that he will comply with these conditions.

This project is appraised as B2 category as per the MoEF&CC, GoI Notification No. S.O.980(E) dated 02.03.2021, where in it is mentioned that proposals involving expansion of sugar manufacturing units or distilleries having prior EC shall be appraised as B2 projects if it is for production of ethanol to be used as fuel for blending only, as certified by the competent authority.

The proponent informed that the Ethanol produced in this unit will be used as fuel for blending only and submitted undertaking in this regard. The proponent also informed that 80% of the local villagers will be given employment facilities in this unit.

The committee decided to recommend the proposal to SEIAA for issue of EC.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

- 1) If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).

- 2) Precaution taken for storage of molasses shall be detailed along with recently conducted leak tests.
- 3) Detailed scheme of existing ETP (ZLD) along with its proposed and design details.
- 4) Facilities envisaged in the ETP for handling of Solids from MEE.
- 5) A time bound action plan for implementation of proposed CER activities as a part of EMP.

Mining Projects

200.1.2. Ordinary Sand Quarry Project at Gudur Village, Karatgi Taluk, Koppala District (3-00 Acres) by Sri Venkatesh Kulkarni [SEIAA 138 MIN 2021](SIA/KA/MIN/204033/2021)

Sri. Venkatesh Kulkarni have applied for Environmental clearance from SEIAA for quarrying of "Ordinary Sand Quarry" in patta land at Sy. No.74/1 of Gudur Village, Karatgi Taluk, Koppal District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Venkatesh Kulkarni, Gudur Village, Karatgi Taluk, Koppal District, Karnataka
2	Name & Location of the Project	"Ordinary Sand Quarry" in patta land of Sri. Venkatesh Kulkarni at Sy. No.74/1 of Gudur Village, Karatgi Taluk, Koppal District, Karnataka.
3	Type of Mineral	Ordinary Sand Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta land
6	Area in Ha	1.214 Ha
7	Annual production (metric ton / Cum) per annum	12,249 tonnes for first year, 18,369 tonnes/ annum for 2nd, 3rd and 4th years and 5,746 tonnes for 5th year of the plan period
8	Project Cost (Rs. In Crores)	0.97 Crores
9	Proved quantity of mine/ quarry- Cu.m/ Tons	73,100 Tons
10	Permitted quantity per annum- Cum/ Ton	12,249 tonnes for first year, 18,369 tonnes/ annum for 2nd, 3rd and 4th years and 5,746 tonnes for 5th year of the plan period

11 CER Action Plan:

Year	Corporate Environmental Responsibility (CER)	Budget (Rs.)
1st	Enhancing Ground water through construction of Check Dams	39,000/-
2nd	Rain water harvesting pits to GLPS at Gudur village	39,000/-
3rd	Solar Power Panels in GLPS school at Gudur village	39,000/-
4th	Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages	39,000/-
5th	Health camp in nearby community places	39,000/-

12 EMP Budget Rs. 5.23 Lakhs (Capital Cost) & Rs. 9.41 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest, Revenue Department and obtained land conversion order on 06.03.2021. The lease was approved by District Task Force and notified by C&I dept on 09.09.2020. The lease area is at a distance of 100meters from Hirehalla.

There is an existing cart track road of length 400meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 3-00Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 73,100tonnes as per the approved quarry plan, the committee estimated the life of the mine as 5 years, the committee decided to recommend the proposal to SEIAA for issue of Environment Clearance for an annual production of 12,249 tonnes for first year, 18,369tonnes/annum for 2nd, 3rd and 4th years and 5,746 tonnes for 5th year of the plan period with quarry pit depth of 5.5meters including 0.5meters of top soil.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to send the proposal to SEAC for reconsideration and reappraisal in view of the further observations.

1. Latitude and Longitude details are tampered in Survey Sketch

2. The proximity of the adjoining nala is to be re-verified in-view of the effects of proposed sand mining on it.
3. Sketches and plans submitted has to be signed by concerned Senior Geologist/Deputy Director of Department of Mines and Geology whereas the document submitted by the proponent has signatures of Junior Engineer, Dept. of Mines and Geology, Koppal .
4. Depth proposed is 5 meter. Therefore Ground water level from Ground water department must be checked and NOC must be submitted from Ground water department.
5. As per village map there is a nala towards south in the same survey number. Exact location of the site earmarked in Survey Sketch from ADLR is required to ascertain distance from the nala. HFL (High Flood level) of the nala must be determined from Water Resource Department and NOC from the water Resource Department is also required.
6. In the Photos attached in the approved Quarry plan there is already workings to a depth of 3-5 m. Site inspection from the committee may be conducted (if necessary) to assertion the level of mining inside the site at present.

200.1.3. Pink Granite Quarry Project at Antharthana Village, Kushtagi Taluk, Koppala District (5-15 Acres) (2.1754 Ha) by Sri ShivanandBasappaAppaji [SEIAA 140 MIN 2021] (SIA/KA/MIN/203845/2021)

Sri. Shivanand Basappa Appaji have applied for Environmental clearance from SEIAA for quarrying of Pink Granite Quarry, AQL falling in at Part of Survey no's45/2&45/6 in Antharthana Village, Kushtagi Taluk ,Koppal District, Karnataka State.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. ShivanandBasappaAppaji, # 38, ChikkaBannigol, Hire Bannigol, KustagiTaluk, Koppal District, Karnataka -583277.
2	Name & Location of the Project	Pink Granite Quarry, AQL falling in at Part of Survey no's45/2&45/6 in Antharthana Village, KushtagiTaluk ,Koppal District, Karnataka State.
3	Type of Mineral	Pink Granite
4	New /expansion/modification /renewal	New
5	Type of Land [Forest,	Patta land

	Government Revenue, Gomal, Private/Patta, Other]	
6	Area in Ha	5 Acres 15 Guntas (2.1754 Ha).
7	Annual production (metric ton /Cum) per annum	15,038cum(max) (Blocks 30%-4511.57cum and waste 70%- 10,527cum) Waste will be utilised as building stone after approval from DMG.
8	Project Cost (Rs. In Crores)	0.99Crores
9	Proved quantity of mine/quarry-Cu.m/Tons	1,88,150.36cum (Blocks 30%-56,445.11cum and waste 70%- 1,31,705.25cum) Waste will be utilised as building stone after approval from DMG.
10	permitted quantity per annum- Cu.m/Ton	15,038cum(max) (Blocks 30%-4511.57cum and waste 70%- 10,527cum) Waste will be utilised as building stone after approval from DMG.
11	CER Action Plan:	
	Year	Budget (Rs.)
	Corporate Environmental Responsibility (CER)	
	1st	40,000/-
	2nd	40,000 /-
	3rd	40,000 /-
	4th	40,000 /-
	5th	40,000 /-
12	EMP Budget	Rs. 9.10 lakhs (Capital Cost) &Rs. 11.54 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest and Revenue Dept and obtained land conversion order on 31.12.2018. The lease was approved by District Task Force and C&I notification is under process.

There is an existing cart track road of length 2.0KM connecting lease area to the all-weather black topped road.

As per the Cluster sketch there are 3 other leases including this lease within 500 meter radius from the lease area. All these are exempted from cluster effect, as either the leases have been granted prior to 09.09.2013 or ECs have been issued prior to 15.01.2016. The area of the subject lease is 05-15Acres and hence the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the

permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits. The committee suggested that top soil should be preserved and reutilized within the site.

Committee based on the proved quantity estimated the life of the mine as 13 years and recommended the proposal to SEIAA for issue of EC with an annual maximum production of 15,038cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

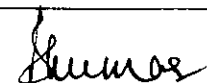

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.
5. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.

200.1.4. Pink Granite Quarry Project at Kadur Village, Kushtagi Taluk, Koppala District (3-6 Acres) (1.2748 Ha) by Sri Ravigouda S Patil [SEIAA 142 MIN 2021] (SIA/KA/MIN/203841/2021)

Sri. Ravigouda. have applied for Environmental clearance from SEIAA for quarrying of Pink Granite Quarry, AQL falling in at Part of Survey no's 8/1, 8/5 & 8/6 in Kadur Village, Kushtagi Taluk, Koppal District, Karnataka State..

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Ravigouda. S. Patil, # 18, Kadur Yerigonal, Koppal District, Karnataka -583281

2	Name & Location of the Project	Pink Granite Quarry, AQL falling in at Part of Survey no's 8/1, 8/5 & 8/6 in Kadur Village, Kushtagi Taluk, Koppal District, Karnataka State..	
3	Type of Mineral	Pink Granite	
4	New / expansion / modification / renewal	New	
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta land	
6	Area in Ha	3 Acres 6 Guntas (1.2748 Ha).	
7	Annual production (metric ton / Cum) per annum	11,759.50 cum(max) (Blocks 30%-3,527.85cum and waste 70%- 8,231.65cum) Waste will be utilised as building stone after approval from DMG.	
8	Project Cost (Rs. In Crores)	0.97 Crores	
9	Proved quantity of mine/quarry-Cu.m/Tons	88,924.98cum(max) (Blocks 30%-26,677.49cum and waste 70%- 62,247.48cum) Waste will be utilised as building stone after approval from DMG.	
10	permitted quantity per annum- Cu.m/Ton	11,759.50 cum(max) (Blocks 30%-3,527.85cum and waste 70%- 8,231.65cum) Waste will be utilised as building stone after approval from DMG.	
11	CER Action Plan:		
	Year	Corporate Environmental Responsibility (CER)	Budget (Rs.)
	1st	The proponent proposes to distribute nursery plants at Kadur Village & Strengthening of approach road.	39,000 /-
	2nd	Rain water harvesting pits to high school at Kadur Village will be carried out.	39,000 /-
	3rd	Provision of Solar Power Panels in Government higher primary school at Kadur Village will be made.	39,000 /-
	4th	We shall commit for Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages.	39,000 /-
	5th	We shall undertake lake rejuvenation of Purthagere Kere	39,000 /-
12	EMP Budget	Rs. 6.93 lakhs (Capital Cost) & Rs. 9.93 lakhs (Recurring cost)	

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest and Revenue Dept and obtained land conversion order. Committee observed that in the District Task Force proceedings

dated. 29.11.2019, there is a mention about penalty of Rs 87,16,050.00 imposed for illegal mining of 498.060cum. Further in the District Task Force meeting it has been decided to consider the application after payment of penalty and submission of affidavit. The proponent informed that after receipt of penalty and affidavit, DMG issued letter of intent. The proponent has also informed that the C&I notification is under process.

As far as approach road is concerned, the proponent has stated that, there is an existing cart track road of length 1.6KM connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 12 leases including this lease within 500 meter radius from the lease area. The total area of all these leases is 29-16Acres, out of which 9 leases were granted prior to 09.09.2013 or ECs have been issued prior to 15.01.2016. The total area of the remaining 3 leases including the subject lease is 7-34Acres and hence the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Committee based on the proved quantity estimated the life of the mine as 8years and recommended the proposal to SEIAA for issue of EC with an annual production of 11759.50cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.5. Pink Granite Quarry Project at Hoolagera Village, Kushtagi Taluk, Koppala District (3.75 Acres) by Sri G.S. Shankarnarayan [SEIAA 148 MIN 2021](SIA/KA/MIN/203697/2021)

Sri. G.S Shankarnarayan have applied for Environmental clearance from SEIAA for quarrying of "Pink Granite Quarry" over an extent of 3.75 Acres of Patta land in Survey No.181/1 of Hoolgeri Village, Kushtagi Taluk & Koppal District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. G.S Shankarnarayan S/o. Subbarayappa, No. 406/1, Gandinagar, Kuknoor Taluk, Koppal-583281, Karnataka State.
2	Name & Location of the Project	"Pink Granite Quarry" of Sri. G.S Shankarnarayan over an extent of 3.75 Acres of Patta land in Survey No.181/1 of Hoolgeri Village, Kushtagi Taluk & Koppal District, Karnataka.
3	Type of Mineral	Pink Granite Quarry
4	New /expansion/modification /renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta land
6	Area in Ha	1.52 Ha (3.75 Acre)
7	Annual production (metric ton /Cum) per annum	9,275 cum(max) (Blocks 30%-3,500 cum and waste 70%- 8,167 cum) Waste will be utilised as building stone after approval from DMG.
8	Project Cost (Rs. In Crores)	0.22 Cr (22.00 Lakhs)
9	Proved quantity of mine/quarry- Cu.m/Tons	2,43,255 cum (Blocks 30%-72,976 cum and waste 70%- 1,70,278 cum) Waste will be utilised as building stone after approval from DMG.
10	permitted quantity per annum- Cu.m/Ton	9,275 cum(max) (Blocks 30%-3,500 cum and waste 70%- 8,167 cum) Waste will be utilised as building stone after approval from DMG.
11	<p>CER Activities</p> <ul style="list-style-type: none"> ➤ An amount of Rs. 2.00 Lakh/annum shall be spent towards Construction of two toilets along with overhead water tank with bore well with power connection & yearly maintenance of the same & Anganwadi kitchen, at Govt. Primary Schools in Purthegeeri Village. ➤ An amount of Rs.2.00 lakh/annum in 1st year & Rs. 1.00 lakh/annum in 2nd to 5th year shall be spend towards CER activities like desilting & rejuvenation a Kadurdam, Drinking water etc.. ➤ Procurement of oxygen Cylinder for public health centre for Covid-19 patients (up to 	

	Rs. 3.00 lakhs) shall be done in first year.	
13	EMP Budget	Rs. 16.00 lakhs (Capital Cost) & Rs. 8.50 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest, Revenue Dept and obtained land conversion order on 12.12.2019. The lease was approved by District Task Force and C&I notification is under process.

There is an existing cart track road of length 1.75KM connecting lease area to the all weather black topped road.

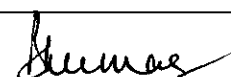

As per the Cluster sketch there are no other leases within 500 meter radius from the lease area. The area of the subject lease is 3.75Acres and hence the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Committee based on the proved quantity estimated the life of the mine as 21years and recommended the proposal to SEIAA for issue of EC with an annual production of 9,275cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.6. Ordinary Sand Quarry Project at Hebballi Village, Badami Taluk, Bagalkote District (5-02 Acres) by Sri Gangappa B. Gudlamani [SEIAA 149 MIN 2021] (SIA/KA/MIN/203769/2021)

Sri. Gangappa B. Gudlamani have applied for Environmental clearance from SEIAA for quarrying of "Ordinary Sand Quarry" over an extent 5-02 Acres (2.043 Hectares) in Patta Land at Sy. No.72/1, 72/4, 72/7, 72/8, 72/9, 73/3 & 73/4 of Hebballi Village, Badami Taluk, Bagalkote District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Gangappa B. Gudlamani S/o Balachandra, Kosti Galli, Jamakhandi, Jamakhandi Taluk, Bagalkot District, Karnataka - 587301
2	Name & Location of the Project	"Ordinary Sand Quarry" over an extent 5-02 Acres (2.043 Hectares) in Patta Land at Sy. No.72/1, 72/4, 72/7, 72/8, 72/9, 73/3 & 73/4 of Hebballi Village, Badami Taluk, Bagalkote District, Karnataka
3	Type of Mineral	Ordinary Sand Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta land
6	Area in Ha	2.043 Ha
7	Annual production (metric ton / Cum) per annum	31,106 tons per annum for 1st & 2nd year and 15,554 tons for 3rd year Plan Period
8	Project Cost (Rs. In Crores)	0.93 Crores
9	Proved quantity of mine / quarry - Cu.m / Tons	77,766 Tons
10	permitted quantity per annum - Cu.m / Ton	31,106 tons per annum for 1st & 2nd year and 15,554 tons for 3rd year Plan Period
11	CER Action Plan:	
	Year	Budget (Rs.)
	1st	39,000/-
	2nd	39,000/-
	3rd	39,000/-
12	EMP Budget	Rs. 8.45 Lakhs (Capital Cost) & Rs. 10.43 lakhs per annum (Recurring cost)

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest, Revenue Department and applied for land conversion order. The lease was approved by District Task Force and notified by C & I Dept on 31.12.2020. The lease area is at a distance of 200meters from Malaprabha River.

There is an existing cart track road of length 320meters connecting lease area to the all weather black topped road.

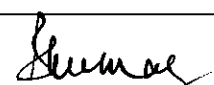

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 5-02 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 77,766tonnes as per the approved quarry plan, the committee estimated the life of the mine as 3 years. The committee decided to recommend the proposal to SEIAA for issue of Environment Clearance for an annual maximum production of 31,106tonneswith quarry pit depth of 4.5 meters including 1.5meters of top soil, with the condition that the land conversion order will be submitted to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. The proponent shall furnish a certificate that there is no sand quarry within 5 KM of project site.
2. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
3. Safety measures proposed shall be submitted.
4. The PP shall submit land conversion Order.

5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.7. Ornamental Stone (Black Granite & Multi-Colour) Granite Quarry Project at Sy.Nos.262/3 & 266/3 of Yeliyuru Village, Channapatna Taluk, Ramanagara District (2-28 Acres) by M/s. Kriyashila Granite [SEIAA 150 MIN 2021] (SIA/KA/MIN/202685/2021)

M/s. Kriyashila Granites have applied for Environmental clearance from SEIAA for quarrying of Black & Multi-colour Granite in 2-28 Acres of Patta Land bearing Sy. Nos. 262/3 & 266/3 of Yeliyuru Village, Channapatna Taluk, Ramanagara District, Karnataka

Details of the project are as follows:

Sl.No.	PARTICULARS	INFORMATION
1.	Name of the project proponent	M/s. Kriyashila Granites Prop. Sri. H M Anand Kumar Halagur (JPM Extension) Malavalli Taluk Mandya District
2.	Name & Location of the project	Black & Multi-colour Granite Quarry in 2-28 Acres of Patta Land bearing Sy. Nos. 262/3 & 266/3 of Yeliyuru Village, Channapatna Taluk, Ramanagara District, Karnataka.
3.	Type of mineral	Black & Multi-colour Granite
4.	New/ expansion /modification /renewal	New Quarry
5.	Type of land- Forest/ Revenue/Gomal/ Private/Patta/others	Patta Land
6.	Area in Ha / Acres	2-28 Acres
7.	Annual production (metric ton /Cum) per annum	Black Granite (Avg.) 2,788 cum (Blocks 60%-1673cum and waste 40%- 1,115cum) Waste will be utilised as building stone after approval from DMG. Multi-colour Granite (Avg.) 3,352 cum(max) (Blocks 60%- 2,011cum and waste 40%- 1,341cum) Waste will be utilised as building stone after approval from DMG.
8.	Project cost -in crores	0.40 (Rs. 40 Lakhs)

9.	Proved quantity of mine/quarry- Cu.m/Tons	Black Granite: 41,831Cum(Blocks 60%-25,098cum and waste 40%-16,773cum) Multi-colour Granite: 50,274Cum (Blocks 60%-30,164cum and waste 40%- 20,110cum)
10.	Permitted quantity per annum- Cum/Ton	Black Granite (Avg.) 2,788 cum (Blocks 60%-1673cum and waste 40%- 1,115cum) Waste will be utilised as building stone after approval from DMG. Multi-colour Granite (Avg.) 3,352cum(max) (Blocks 60%-2,011cum and waste 40%- 1,341cum) Waste will be utilised as building stone after approval from DMG.
11.	<u>Corporate Environment Responsibility (CER)</u> Propose to carry out Roof Top Rain Water Harvesting system with ground water recharging facility, at the Govt. School, in the nearby Yeliyuru Village, with an approx. cost of Rs. 1,50,000.00	
12	EMP Budget	Rs. 2.10 lakhs (Capital Cost) & Rs. 16.54 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest and Revenue Dept and obtained land conversion order on 25.04.2019. The lease was notified by C&I Dept on 05.01.2021

As far as approach road is concerned, the proponent has stated that, there is an existing cart track road to a length of 500 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 2-28 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Committee based on the proved quantity estimated the life of the mine as 15 years and recommended the proposal to SEIAA for issue of EC with an annual production of 2788cum black granite and 3352cum of multi colour granite (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information.

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.8. Building Stone Quarry Project at Shettibeddu Village, Kunigal Taluk, Tumkur District (4-35 Acres) by M/s. Ganesh Stone Crusher [SEIAA 155 MIN 2021] (SIA/KA/MIN/204397/2021)

M/s. Ganesh Stone Crusher, have applied for Environmental clearance from SEIAA for quarrying of "Building Stone Quarry" Sy No: 57, Shettibeddu Village, Kunigal Taluk, Tumkur District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	M/s. Ganesh Stone Crusher, Managing Partner: Sri. H. Rajanna, S/o Late. Honnappa, #377, Adharsh Nagar, Arishinakunte Post, Nelamangala Taluk, Bangalore Rural, Karnataka

5 th	Scientific support and awareness to local farmers to increase yield of crop and fodder	58,000/-																		
12	EMP Budget	Rs. 18.85lakhs (Capital Cost) & Rs. 12.38 lakhs (Recurring cost)																		

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest Dept. The lease was notified on 07.06.2018. In Form-S (inspection report) submitted by proponent, it is recorded that earlier illegally worked pit exists in the site of approximately 3 to 4 mtrs depth. As per the S-report, there are office records regarding payment of Rs. 16.50Lakhs as penalty for illegal quarrying. The lease has been notified on 07.06.2018.

There is an existing cart track road of length 740meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 4-30 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 17,42,981 tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 2,10,526 tonnes (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.9. Building Stone Quarry Project at Nannivala Village, Challakee Taluk, Chitradurga District (2-00 Acres) by Sri Nagaraja Reddy [SEIAA 161 MIN 2021] (SIA/KA/MIN/203518/2021)

Sri Nagaraj reddy M V have applied for Environmental clearance from SEIAA for quarrying of "Building Stone Quarry" by S/o Vasudevareddy M H at Sy No: 350/4 & 350/5 Nannivala village Challakere Taluk Chitradurga district Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri Nagarajreddy M VS/o Vasudevareddy M H, Near High School,Ramajogihalli Chitradurga-577522
2	Name & Location of the Project	"Building Stone Quarry" of Sri Nagarajreddy M V S/o Vasudevareddy M H at Sy No: 350/4 & 350/5 Nannivala village Challakere Taluk Chitradurga district Karnataka.
3	Type of Mineral	Building stone
4	New /expansion/modification /renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta Land
6	Area in Ha	2.00 Acre(0.8097 Ha)
7	Annual production (metric ton /Cum) per annum	Max -55,973 Tons,Min-30,773 Tons
8	Project Cost (Rs. In Crores)	1.0 Crores

9	Proved quantity of mine/quarry- Cu.m/Tons	3,51,325 tons
10	permitted quantity per annum- Cu.m/Ton	Max -55,973 Tons,Min-30,773 Tons
11	CER Action Plan: Desilting ofNannivala Nala,Plantations both side of nala-Rs 2,50,000.00	
12	EMP Budget	Rs.3.00 lakhs (Capital Cost) & Rs. 11.50 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and applied for land conversion order. The lease was notified on 09.12.2020.

There is an existing cart track road to a length of 350meters connecting lease area to the all weather black topped road.

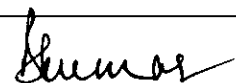

As per the Cluster sketch there are 2 leases including this lease within 500 meter radius from the lease area, the total area 4-00Acresand the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 3,51,325 tons(including waste) as per the approved quarry plan, the committee estimated the life of the mine as 5 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual maximum production of 55,973tons (including waste) with a condition that the proponent has to submit land conversion order and revised EMP incorporating the settling ponds & silt traps to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.

3. The project proponent shall submit revised EMP incorporating the settling ponds & silt traps
4. The project proponent shall submit land conversion order
5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.10. Ordinary Sand Quarry Project at Kittali Village, Badami Taluk, Bagalkote District (6-24 Acres) by Sri Hanamantappa K Yattinamani [SEIAA 162 MIN 2021] (SIA/KA/MIN/205488/2021)

Sri. Hanamantappa K Yattinamani have applied for Environmental clearance from SEIAA for quarrying of Ordinary Sand Quarry over an extent 6-24 Acres (2.671 Hectares) in Patta Land at Sy. No. 218/1, 218/3, 219/4, 219/6, 219/7, 288/1 & 288/2 of Kittali Village, Badami Taluk, Bagalkote District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Hanamantappa K Yattinamani S/o Kakappa, # 975, Ward No 6, Shirol Post, Naragund Taluk, Gadag District, Karnataka - 582207
2	Name & Location of the Project	Ordinary Sand Quarry over an extent 6-24 Acres (2.671 Hectares) in Patta Land at Sy. No. 218/1, 218/3, 219/4, 219/6, 219/7, 288/1 & 288/2 of Kittali Village, Badami Taluk, Bagalkote District, Karnataka.
3	Type of Mineral	Ordinary Sand Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta land
6	Area in Ha	2.671 Ha
7	Annual production (metric ton / Cum) per annum	Production is 45,976 tons for 1st year & 30,000 tons per annum next two years of plan period
8	Project Cost (Rs. In Crores)	1.45 Crores
9	Proved quantity of mine / quarry - Cu.m / Tons	1,05,976 Tons
10	permitted quantity per annum - Cu.m / Ton	Production is 45,976 tons for 1st year & 30,000 tons per annum next two years of plan period

11	CER Action Plan:		
	Year	Corporate Environmental Responsibility (CER)	Budget (Rs.)
	1st	Enhancing Ground water through construction of Check Dams	96,000/-
	2nd	Improving Infrastructure for local health center	96,000/-
	3rd	Solar Power Panels in GHPS school at Kittalivillage	96,000/-
12	EMP Budget	Rs. 8.70 Lakhs (Capital Cost) & Rs. 13.35 lakhs (Recurring cost)	

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest, Revenue Department and applied for land conversion order. The lease was approved by District Task Force and notified by C&I Dept on 15.02.2021. The lease area is at a distance of 60meters from Malaprabha River.

There is an existing cart track road of length 1.21Km connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 6-24 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 1,05,976 tonnes as per the approved quarry plan, the committee estimated the life of the mine as 3 years. The committee decided to recommend the proposal to SEIAA for issue of Environment Clearance for an annual Maximum production of 45,976tonnes with quarry pit depth of 4.5 meters including 1.5meters of top soil with a condition that the proponent has to submit land conversion order and revised EMP incorporating the Gully-plugs & silt traps to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a

certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).

2. Safety measures proposed shall be submitted.
3. The project proponent shall submit land conversion order
4. The project proponent shall submit revised EMP incorporating the methods to control soil erosion
5. The proponent shall furnish a certificate that there is no sand quarry within 5 KM of project site.
6. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.11. Building Stone Quarry Project at Kollangi Village, Arakalgudu Taluk, Hassan District (1-25 Acres) by Sri K.B. Gangadhara [SEIAA 163 MIN 2021] (SIA/KA/MIN/205085/2021)

Sri. K. B. Gangadhara have applied for Environmental clearance from SEIAA for quarrying of "Building Stone Quarry" at Sy No. 205/3 & 205/4, Kollangi Village, Arakalgudu Taluk, Hassan District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. K. B. Gangadhara C/o K S Basappa, #12 Brahmins Street, Kote, Ward No 02, Arakalgudu Taluk, Hassan District, Karnataka - 573102
2	Name & Location of the Project	"Building Stone Quarry" of Sri. K. B. Gangadhara, Sy No. 205/3 & 205/4, Kollangi Village, Arakalgudu Taluk, Hassan District, Karnataka
3	Type of Mineral	Building Stone Quarry
4	New /expansion/modification /renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta Land
6	Area in Ha	0.657 Ha
7	Annual production (metric ton /Cum) per annum	73,684 Tons per annum
8	Project Cost (Rs. In Crores)	1.06 Crores
9	Proved quantity of mine/ quarry- Cu.m/Tons	4,56,374 tons

10	permitted quantity per annum- Cu.m/Ton	73,684Tons per annum
11	CER Action Plan:	
	Year	Budget (Rs.)
	Corporate Environmental Responsibility (CER)	
	1st	Enhancing Ground water through construction of Check Dams
	2 nd	Developing infrastructure for local health center
	3 rd	Rain water harvesting pits to GLPS at Kollangi village
	4 th	Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages
	5 th	Cleaning out and deepening of Kollangi Pond
12	EMP Budget	Rs. 7.89lakhs (Capital Cost) & Rs. 7.13 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and applied for land conversion order. The lease was notified on 09.02.2021.

There is an existing cart track road to a length of 750meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 1-25 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 4,56,374tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 7 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 73,684tonnes (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).

2. Safety measures proposed shall be submitted.
3. The project proponent shall submit land conversion order
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.12. Shahabad Stone Quarry Project at Sy.No.68/2 of Wadi Village, Chittapur Taluk, Kalburgi District (1-00 Acre) by Sri Mohammed BaktiyarElahi [SEIAA 164 MIN 2021] (SIA/KA/MIN/206772/2021)

Sri. Mohammed Baktiyar Elahi, have applied for Environmental clearance from SEIAA for quarrying of Shahabad Stone Quarry in 1-00 Acres of Patta Land bearing Sy. No. 68/2, Wadi Village, Chittapur Taluk, Kalaburagi Dist, Karnataka

Details of the project are as follows:

Sl.No.	PARTICULARS	INFORMATION
1.	Name of the project proponent	Sri. Mohammed Baktiyar Elahi S/o Sri.Abdul Khalik, R/o Balaram Chowk Wadi, Chittapur Taluk, Kalburgi District, Karnataka
2.	Name & Location of the project	Shahabad Stone Quarry in 1-00 Acres of Patta Land bearing Sy. No. 68/2, Wadi Village, Chittapur Taluk, Kalaburagi Dist, Karnataka
3.	Type of mineral	Shahabad Stone
4.	New/ expansion /modification /renewal	New Quarry
5.	Type of land- Forest/ Revenue/Gomal/ Private/Patta/others	Patta Land
6.	Area in Ha / Acres	1-00 Acres
7.	Annual production (metric ton /Cum) per annum	1622.5 cum (Blocks 60%-973.5cum and waste 40%- 649cum) Waste will be utilised for bunding allround the quarry, construction of farm sheds, cow/ sheep sheds etc.
8.	Project cost -in crores	0.20 (Rs. 20 Lakhs)
9.	Proved quantity of mine/quarry- Cu.m/Tons	33,584 cum (Blocks 60%-20,150cum and waste 40%- 649cum)
10.	Permitted quantity per annum- Cu.m/Ton	1622.5 cum (Blocks 60%-973.5cum and waste 40%- 13,433cum)
11.	<u>Corporate Environment Responsibility (CER)</u> Proposed to take up 100 No. of additional plantation on either side of the approach road from quarry location to Basavankani Village Road with an	

	approximate cost of Rs. 50,000.00	
12	EMP Budget	Rs. 1.28 lakhs (Capital cost) & Rs. 7.36 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 29.01.2019. The lease was notified on 10.09.2020.

There is an existing cart track road to a length of 400meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 5 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 8-07Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 33,584 cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 17 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 1622.5 cum (including waste) with a condition that the proponent has to submit the waste disposal plan to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.

5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.13. Building Stone Quarry Project at Sy.No.45/*/2 of Kachapura Village, Devadurga Taluk, Raichur District (2-00 Acres) by Sri Gaddeppa [SEIAA 165 MIN 2021] (SIA/KA/MIN/205945/2021)

Sri Gaddeppa have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry in 2-00 Acre of Patta Land bearing Sy. No. 45/*/2, Kachapura Village, Devadurga Taluk, Raichur District, Karnataka

Details of the project are as follows:

Sl.No.	PARTICULARS	INFORMATION
1.	Name of the project proponent	Sri Gaddeppa S/o. Shivappa Kardigudda village, Jerabandi Post, Devadurga Taluk, Raichur District
2.	Name & Location of the project	Building Stone Quarry in 2-00 Acre of Patta Land bearing Sy. No. 45/*/2, Kachapura Village, Devadurga Taluk, Raichur District, Karnataka
3.	Type of mineral	Building Stone
4.	New/ expansion /modification /renewal	New Quarry
5.	Type of land- Forest/ Revenue/Gomal/ Private/Patta/others	Patta Land
6.	Area in Ha / Acres	2-00 Acres
7.	Annual production (metric ton /Cum) per annum	41,028Tons/ Annum
8.	Project cost -in crores	0.25 (Rs. 25 Lakhs)
9.	Proved quantity of mine/quarry- Cu.m/Tons	4,89,601Tons
10.	Permitted quantity per annum- Cu.m/Ton	41,028Tons/ Annum
11.	<u>Corporate Environment Responsibility (CER)</u> Approach road strengthening works-Rs 2.0lakhs	
12.	EMP Budget	Rs. 1.80 lakhs (Capital Cost) & Rs. 10.75 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 24.01.2019. The letter of intent was issued by DMG on 21.01.2021.

There is an existing cart track road to a length of 252meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 2-00 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits. Committee suggested the proponent to take up strengthening of approach road as a part of CER activity and the proponent agreed to take up.

Considering the proved mineable reserve of 4,89,601 tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 12 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 41,028tonnes (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.14. Building Stone Quarry Project at Workanahalli Village, Yadgir Taluk & District (1-32 Acres) by Sri Mallayya [SEIAA 171 MIN 2021] (SIA/KA/MIN/196567/2021)

Sri. Mallayya S/O Yankappa Mallikeri. have applied for Environmental clearance from SEIAA for quarrying of "Building Stone Quarry" at Sy No:36/2Workanahalli village Yadgir Taluk Yadgir district Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Mallayya S/o Yankappa Mallikeri. H.No.33 , Near Durgamma Temple Workanahalli, Taluk: Yadgir, Dist : Yadgir State : Karnataka.
2	Name & Location of the Project	"Building Stone Quarry" of Sri. Mallayya S/O Yankappa Mallikeri. at Sy No:36/2Workanahalli village Yadgir Taluk Yadgir district Karnataka.
3	Type of Mineral	Building stone
4	New /expansion/modification /renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta Land.
6	Area in Ha	1 A-32 G (0.7287Ha)
7	Annual production (metric ton /Cum) per annum	47,368 tons/annum
8	Project Cost (Rs. In Crores) including machineries.	1.0 Crores
9	Proved quantity of mine/quarry- Cu.m/Tons	2,39,382 tons
10	permitted quantity per annum- Cu.m/Ton	47,368tons/annum
11	CER Action Plan:Desilting of Workanahalli nala,Plantations both side of Nala-Rs 2.5lakhs	
12	EMP Budget	Rs.3.65 lakhs (Capital Cost) & Rs. 11.60 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and applied for land conversion order. The lease was notified on 30.12.2020.

There is an existing cart track road to a length of 225meters connecting lease area to the all weather black topped road.

As per the extended cluster sketch there are 4 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 12-03Acresand the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 2,39,382tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 6 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 47,368 tonnes (including waste) with the condition that the proponent to submit the land conversion order to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. The project proponent shall submit land conversion order
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.15. Building Stone Quarry Project at Workanahalli Village, Yadgir Taluk & District (1-31 Acres) by M/s. Samruddi Stone Crusher / Smt. Radha [SEIAA172MIN2021](SIA/KA/MIN/196574/2021)

Smt. Radha W/O Linga reddy have applied for Environmental clearance from SEIAA for quarrying of "Building Stone Quarry" at Sy No:36/1Workanahalli, village, Yadgir Taluk, Yadgir district Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	M/s Samruddi Stone Crusher Smt. Radha W/O LingareddyManegar. R/O # 3/38 , Near BajaraYargol Taluk: Yadgir, Dist :Yadgir State : Karnataka.
2	Name & Location of the Project	"Building Stone Quarry" ofSmt. Radha W/O LingareddyManegar. at Sy No:36/1Workanahalli villageYadgirTaluk Yadgir district Karnataka.

3	Type of Mineral	Building stone
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta Land.
6	Area in Ha	1 A-31 G (0.7186Ha)
7	Annual production (metric ton /Cum) per annum	46,000 tons/ annum
8	Project Cost (Rs. In Crores) including machineries.	1.0 Crores
9	Proved quantity of mine/quarry- Cu.m/Tons	3,08,295tons
10	permitted quantity per annum- Cu.m/Ton	46,316 tons/ annum
11	CER Action Plan: Desilting of Mallapurnala, Plantations both side of Nala- Rs 2.5 Lakhs	
12	EMP Budget	Rs.3.65 lakhs (Capital Cost) & Rs. 11.60 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and applied for land conversion order. The lease was notified on 30.12.2020.

There is an existing cart track road to a length of 255 meters connecting lease area to the all weather black topped road.

As per the extended cluster sketch there are 4 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 12-03 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 3,08,295 tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 6 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 46,316 tonnes (including waste) with the condition that the proponent to submit the land conversion order to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. The project proponent shall submit land conversion order
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.16. Building Stone Quarry Project at Halekote Village, Siraguppa Taluk, Ballari District (3-00 Acres) (Q.L.No.BLR-324) by Sri M. Sai Baba [SEIAA 174 MIN 2021] (SIA/KA/MIN/206019/2021)

Sri M. Sai Baba have applied for Environmental clearance from SEIAA for quarrying of "Building Stone Quarry" at Sy No. 528,Halekote village, Siraguppa Taluk, Ballari District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri M. Sai BabaS/o Venkateswaralu, Bhuvanagiri Colony, Door No. 2, Havambavi, Siraguppa Road, Ballari District,Karnataka
2	Name & Location of the Project	"Building Stone Quarry" of Sri M. Sai Baba Sy No. 528,Halekote village,Siraguppa Taluk, Ballari District,Karnataka.
3	Type of Mineral	Building Stone Quarry
4	New /expansion/modification /renewal	Renewal (QL No. BLR - 324)
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Government Revenue land
6	Area in Ha	1.214 Ha
7	Annual production (metric ton /Cum) per annum	45,762 Tons per annum
8	Project Cost (Rs. In Crores)	1.34 Crores
9	Proved quantity of mine/quarry-	3,05,808tons

	Cu.m/Tons	
10	permitted quantity per annum- Cu.m/Ton	45,762Tons per annum
11	CER Action Plan:	
	Year	Budget (Rs.)
	Corporate Environmental Responsibility (CER)	
	1st	Enhancing Ground water through construction of Check Dams
	2 nd	Developing infrastructure for local health center
	3 rd	Rain water harvesting pits to GHPS at Halekote village
	4 th	Providing solar lights to common public places
	5 th	The proponent proposes to distribute nursery plants at Halekote village & Strengthening of approach road
12	EMP Budget	Rs. 11.11lakhs (Capital Cost) & Rs. 11.24 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The lease was granted on 29.06.2009 and renewal notification has been issued on 18.12.2020. As per the audit report certified by DMG the proponent has carried out mining from 2009-10 to 2014-15 and further no mining activity has been carried out till 2020-21. The proponent has obtained NOCs from Forest and Revenue Dept. As per the notice issued by DMG on 22.01.2019, there has been illegal mining involving 5045.655tonnes, for which the proponent confirmed that he has paid the penalty.

There is an existing cart track road to a length of 550 meters connecting lease area to the all weather black topped road.

This lease granted prior to 09.09.2013 and hence the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that all the parameters be maintained within the permissible limits.

Considering the proved mineable reserve of 3,05,808tonnes (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 7 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 45,762tonnes (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.17. Building Stone Quarry Project at Burhanpur Village, Manvi Taluk, Raichur District (5-00 Acres) by Sri M.Eranna [SEIAA 176 MIN 2021] (SIA/KA/MIN/206253/2021)

Sri. M. Eranna have applied for Environmental clearance from SEIAA for quarrying of "Building Stone Quarry" at Sy No: 14/1 & 15, Burhanpur Village, Manvi Taluk, Raichur District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. M. Eranna S/o. Malleshappa, 15-6-5975/32, Near f s t, Manvi Taluk, Raichur District, Karnataka
2	Name & Location of the Project	"Building Stone Quarry" of Sri. M. Eranna Sy No: 14/1 & 15, Burhanpur Village, Manvi Taluk, Raichur District, Karnataka.
3	Type of Mineral	Building Stone Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta Land
6	Area in Ha	2.023 Ha
7	Annual production (metric ton / Cum) per annum	51,020 Tons per annum
8	Project Cost (Rs. In Crores)	1.52 Crores
9	Proved quantity of mine / quarry - Cu.m / Tons	11,11,058 tons
10	permitted quantity per annum - Cu.m / Ton	51,020 Tons per annum
11	CER Action Plan:	
	Year	Budget (Rs.)
	Corporate Environmental Responsibility (CER)	

	1st	Enhancing Ground water through construction of Check Dams	60,000/-
	2 nd	Rain water harvesting pits to GLPS school at Burhanpur village	60,000/-
	3 rd	Providing solar lights to common public places	60,000/-
	4 th	Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages	60,000/-
	5 th	Cleaning out and deepening of Burhanpur Pond	60,000/-
12	EMP Budget	Rs. 20.81 lakhs (Capital Cost) & Rs. 11.29 lakhs (Recurring cost)	

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 18-12-2019 for sy. no. 15 and on 26.06.2014 for sy.no 14/1. The proponent informed that there is no kharab land in the proposed project site. The lease was approved by District Task Force in the meeting dated:13.01.2021 and letter of intent was issued on 21.01.2021.

There is an existing cart track road to a length of 260meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are three leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 7-00Acresand the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 11,11,058 tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 22 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 51,020tonnes (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).

2. Safety measures proposed shall be submitted.
3. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.18. Shahabad Stone Quarry Project at Taranalli Village, Shahabad Taluk, Kalaburagi District (1-03 Acres) by Sri Abid Ahmed [SEIAA 177 MIN 2021] (SIA/KA/MIN/206790/2021)

Sri. Abid Ahmed S/o Bashir Ahmed have applied for Environmental clearance from SEIAA for quarrying of "Shahabad stone Quarry" at Sy No. 17/1, Taranalli Village, Shahabad Taluk, Kalaburagi District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Abid Ahmed S/o Bashir Ahmed, #5/40, Old Shahabad, Near Sunni Masjid, Shahabad, Shahabad Taluk, Kalaburagi District, Karnataka
2	Name & Location of the Project	"Shahabad stone Quarry" of Sri. Abid Ahmed S/o Bashir Ahmed, Sy No. 17/1, Taranalli Village, Shahabad Taluk, Kalaburagi District, Karnataka.
3	Type of Mineral	Shahabad stone Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta Land
6	Area in Ha	0.435 Ha
7	Annual production (metric ton / Cum) per annum	1,738cum/annum (Blocks 60%-1042.8cum and waste 40% -695.20cum) Waste will be utilised for bunding allround the quarry, construction of farm sheds, cow/sheep sheds etc.
8	Project Cost (Rs. In Crores)	1.05 Crores
9	Proved quantity of mine/quarry- Cu.m/Tons	15,029 Cum (Blocks 60%-9,017cum and waste 40% -6,012cum)
10	permitted quantity per annum- Cu.m/Ton	1,738cum/annum (Blocks 60%-1042.8cum and waste 40% -695.20cum)
11	CER Action Plan:	
	Year	Budget (Rs.)
	1st	42,000/-
	2nd	42,000/-

	3 rd	Setting up Solar lights in public places	42,000/-
	4 th	Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages	42,000/-
	5 th	The proponent proposes to distribute nursery plants at Taranallivillage & Strengthening of approach road	42,000/-
12	EMP Budget	Rs. 9.86lakhs (Capital Cost) & Rs. 6.63 lakhs (Recurring cost)	

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 25.11.2019. The lease was notified on 18.02.2021.

There is an existing cart track road to a length of 2.58KM connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 7 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 12-13Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 15,029cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 1,738cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).

2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.19. Building Stone Quarry Project at Kuradbore Kaval Village, Hassan Taluk & District (1-00Acre) Sri. Chandrashekar B.H. [SEIAA 178 MIN 2021] (SIA/KA/MIN/205494/2021)

Sri. Chandrashekar B.H. have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry in 1-00 Acre of Patta Land bearing Sy. No. 46/2 & 46/4, Kuradbore Kaval Village, Hassan Taluk, & District, Karnataka

Details of the project are as follows:

Sl.No.	PARTICULARS	INFORMATION
1.	Name of the project proponent	Sri. Chandrashekar B.H S/o Huttappa, Bachihalli Village, Hassan Taluk, Hassan District
2.	Name & Location of the project	Building Stone Quarry in 1-00 Acre of Patta Land bearing Sy. No. 46/2 & 46/4, Kuradbore Kaval Village, Hassan Taluk, & District, Karnataka
3.	Type of mineral	Building Stone
4.	New/ expansion / modification /renewal	New Quarry
5.	Type of land- Forest/ Revenue/Gomal/ Private/Patta/others	Patta Land
6.	Area in Ha / Acres	1-00 Acres
7.	Annual production (metric ton /Cum) per annum	23,625 Tons/ Annum
8.	Project cost -in crores	0.20 (Rs. 20 Lakhs)
9.	Proved quantity of mine/quarry- Cu.m/Tons	1,57,800Tons
10.	Permitted quantity per annum- Cu.m/Ton	23,625 Tons/ Annum
11.	<u>Corporate Environment Responsibility (CER)</u> Propose to carry out Roof Top Rain Water Harvesting system with ground	

	water recharging facility, at the Govt. School, in the nearby Chennangihalli Village, with an approximate cost of Rs.50,000.	
12	EMP Budget	Rs. 1.28 lakhs (Capital Cost) & Rs. 6.81lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOC from Revenue Dept and obtained land conversion order on 17.05.2020. The lease was notified on 09.02.2021. In letter dated 18.11.2019 of DCF regarding land conversion, it is certified that the project site does not fall in the forest area.

There is an existing cart track road to a length of 250 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 1-00 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 1,57,800 tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 7 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 23,625 tonnes (including waste) with the condition that the proponent has to submit Forest NOC to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/ Biosphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/ Biosphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. The project proponent shall submit NOC from DCF.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.20. Ornamental Stone (Grey Granite) Quarry Project at Sy.No.18 of Byadarahalli Village, Devanahalli Taluk, Bangalore Rural District (3-05Acres) by Sri S Eshwar [SEIAA 179 MIN 2021](SIA/KA/MIN/207426/2021)

Sri S Eshwar have applied for Environmental clearance from SEIAA for quarrying of - Grey Granite Quarry in 3-05Acres of Govt. Gomala Land bearing Sy. No. 18, Byadarahalli Village, Devanahalli Taluk & Bangalore Rural District Karnataka

Details of the project are as follows:

Sl.No.	PARTICULARS	INFORMATION
1.	Name of the project proponent	Sri S Eshwar S/o A Subramani, Jyothipura Grama, Koira Post, Devanahalli Taluk, Bangalore Rural District
2.	Name & Location of the project	Grey Granite Quarry in 3-05Acres of Govt. Gomala Land bearing Sy. No. 18,Byadarahalli Village, Devanahalli Taluk & Bangalore Rural District Karnataka
3.	Type of mineral	Grey Granite
4.	New/ expansion /modification /renewal	New Quarry
5.	Type of land- Forest/ Revenue/Gomal/ Private/Patta/others	Govt. Gomala Land
6.	Area in Ha / Acres	3-05 Acres
7.	Annual production (metric ton /Cum) per annum	21,251CuM/ Annum(Blocks 60%- 12,751cum and waste 40%- 8,500cum)
8.	Project cost -in crores	0.40 (Rs. 40 Lakhs) waste will be used as building stone
9.	Proved quantity of mine/quarry- Cu.m/Tons	1,79,728 cum(Blocks 60%-1,07,837cum and waste 40%- 71,891cum)
10.	Permitted quantity per annum- Cu.m/Ton	21,251cum/ Annum(Blocks 60%- 12,751cum and waste 40%- 8,500cum)
11.	<u>Corporate Environment Responsibility (CER)</u> Propose to provide Roof top Rain water Harvesting facility and water tank to nearby Govt. Primary School Byadarahalli Village, with an approximate cost of Rs.1,50,000.	
12	EMP Budget	Rs. 2.20lakhs (Capital Cost) & Rs. 14.30lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest and Revenue Dept. The lease was notified by C&I Dept on 25.01.2021.

As far as approach road is concerned, the proponent has stated that, there is an existing cart track road of length 150 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 2 leases including this lease within 500 meter radius from the lease area. The total area of all these leases is 6-05 Acres and hence the project is categorized as B2. The proponent informed that all mitigating measures will be taken to ensure that the baseline data of air, noise, water and soil will be maintained within the permissible limits.

Committee based on the proved quantity estimated the life of the mine as 9 years and recommended the proposal to SEIAA for issue of EC with an annual production of 21,251 cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
4. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.21. Ordinary Sand Quarry Project at Naregal Village, Koppala Taluk & District (5-02 Acres) by Sri Prakash Maned [SEIAA 181 MIN 2021] (SIA/KA/MIN/207515/2021)

Sri Prakash Maned have applied for Environmental clearance from SEIAA for quarrying of "Ordinary Sand Quarry" over an extent of 5-02Acres (2.024 Hectares) in Patta Land at Sy. No. 61/1Naregal Village, Koppal Taluk, Koppal District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Prakash ManedS/o. Shivappa, H.no.4860, Husiganakati Oni, Betageri Village, Gadag District, Karnataka-582102
2	Name & Location of the Project	"Ordinary Sand Quarry" over an extent of 5-02Acres (2.024 Hectares) in Patta Land at Sy. No. 61/1Naregal Village, Koppal Taluk, Koppal District, Karnataka
3	Type of Mineral	Ordinary Sand Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta land
6	Area in Ha	2.024 Ha
7	Annual production (metric ton /Cum) per annum	14,100 tonnes per annum for 5 years of plan period
8	Project Cost (Rs. In Crores)	1.39Crores
9	Proved quantity of mine/quarry- Cu.m/Tons	70,500 Tons
10	permitted quantity per annum- Cum/Ton	14,100 tonnes per annum for 5 years of plan period
11	CER Action Plan:	
	Year	Budget (Rs.)
	1st	55,000/-
	2nd	55,000/-
	3rd	55,000/-
	4 th	55,000/-
	5 th	55,000/-
12	EMP Budget	Rs. 7.90 Lakhs (Capital Cost) & Rs. 11.01 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest, Revenue Department and obtained land conversion order on 18.09.2020. The lease was approved by District Task Force and notified by C&I Dept on 05.03.2021. The lease area is at a distance of 120meters from Hirehalla.

There is an existing cart track road of length 1.3KM connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are 2 leases including this lease within the 500 meter radius from this lease area. The total area of all these leases is 12-03Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 70,500tonnes as per the approved quarry plan, the committee estimated the life of the mine as 5 years. The committee decided to recommend the proposal to SEIAA for issue of Environment Clearance for an annual production of 14,100tonnes with quarry pit depth of 3.5 meters including 0.5meters of top soil.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. The proponent shall furnish a certificate that there is no sand quarry within 5 KM of project site.
3. Safety measures proposed shall be submitted.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.22. Building Stone Quarry Project at Kurki Village, Davanagere Taluk, Davanagere District (1-00 Acres) by M/s. Sri Shaneshwara Swamy Stone

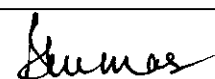

**Crusher & M-Sand Unit / Sri Sushil Kumar [SEIAA 182 MIN 2021]
(SIA/KA/MIN/207564/2021)**

Sri Shaneshwara Swamy Stone Crusher & M-Sand Unit, have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry in 1-00 Acres of Patta Land bearing Sy. No. 29/2 of Kurki Village, Davanagere Taluk & District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri Shaneshwara Swamy Stone Crusher & M-Sand Unit, Prop. Sri. Sushil Kumar Bin Ramaswamy, Chottobanahalli Village Kurki Post, Davanagere District Karnataka
2	Name & Location of the Project	Building Stone Quarry in 1-00 Acres of Patta Land bearing Sy. No. 29/2 of Kurki Village, Davanagere Taluk & District, Karnataka
3	Type of Mineral	Building Stone
4	New /expansion/modification /renewal	New Quarry
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta land
6	Area in Ha	1-00 Acres
7	Annual production (metric ton /Cum) per annum	30,616Tons/ Annum
8	Project Cost (Rs. In Crores)	0.20 Crores (Rs. 20 Lakhs)
9	Proved quantity of mine/quarry- Cu.m/Tons	1,72,885Tons
10	permitted quantity per annum- Cu.m/Ton	30,616Tons/ Annum
11	<u>Corporate Environment Responsibility (CER)</u> Propose to construct Check Dam (1 No.) at a suitable location, located at a distance of 220m on north side, with locally available boulders, with an approximate cost of Rs. 1,00,000.	
12	EMP Budget	Rs.1.25 lakhs (Capital Cost) & Rs. 9.06 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept. The lease was notified on 04.01.2021.

There is an existing cart track road to a length of 1.8KM connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 11 leases including this lease within 500 meter radius from the lease area, the total area 11-34Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 1,72,885tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 6 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 30,616tonnes (including waste) with the condition that the proponent has to submit the land conversion order and revised EMP incorporating soil conservation measures to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. The project proponent shall submit land conversion order
4. The project proponent shall submit revised EMP incorporating soil conservation measures.
5. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.23. Ornamental Stone Quarry (Multi Colour Granite) Project at Shobenahalli Village, Madhugiri Taluk, Tumkur District (2-30 Acres) by Sri C.S. Nagaraju [SEIAA 183 MIN 2021] (SIA/KA/MIN/206782/2021)

Sri C.S. Nagaraju have applied for Environmental clearance from SEIAA for quarrying of Ornamental Stone (Multi-colour Granite) Quarry in 2-30Acres of Patta Land bearing Sy. No. 97, Shobenahalli Village, Madhugiri Taluk & Tumkur District Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. C. S. Nagaraju S/o. Sri Shanivarappa Cheelanahalli Village, I. D. Halli, Madhugiri Taluk, Tumkur District, Karnataka
2	Name & Location of the Project	Ornamental Stone (Multi-colour Granite) Quarry in 2-30 Acres of Patta Land bearing Sy. No. 97, Shobenahalli Village, Madhugiri Taluk & Tumkur District Karnataka
3	Type of Mineral	Ornamental Stone (Multi-colour Granite)
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta land
6	Area in Ha	1-00 Acres
7	Annual production (metric ton / Cum) per annum	4,500 Cum/ Annum (Blocks 35%-1,575 cum and waste 65%- 2,925 cum) waste will be used as building stone
8	Project Cost (Rs. In Crores)	Rs. 40 Lakhs
9	Proved quantity of mine/quarry- Cu.m/Tons	1,20,000 cum (Blocks 35%-42,000 cum and waste 65%- 78,000 cum)
10	permitted quantity per annum- Cu.m/Ton	4,500 Cum/ Annum (Blocks 35%-1,575 cum and waste 65%- 2,925 cum)
11	<u>Corporate Environment Responsibility (CER)</u> We propose to carry out Roof Top Rain Water Harvesting system with ground water recharging facility, at the Govt. School, in the nearby Chilanahalli Village, with an approx. cost of Rs. 1,50,000.	
12	EMP Budget	Rs.2.12 lakhs (Capital Cost) & Rs. 16.09 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest and Revenue Dept and obtained land conversion order on 13.03.2020. The lease was approved by District Task Force and notified by C&I Dept on 09.12.2020.

There is an existing cart track road to a length of 300 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 2-30 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent

informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Committee based on the proved quantity estimated the life of the mine as 27years and recommended the proposal to SEIAA for issue of EC with an annual production of 4,500cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.24. Laterite Stone Quarry Project at Hiliyana Village, Brahmavara Taluk, Udupi District (0.80 Acre) (Q.L.No.165) by Sri Udaya Kumar Poojary [SEIAA 184 MIN 2021] (SIA/KA/MIN/207933/2021)

Sri Udaya Kumar Poojary have applied for Environmental clearance from SEIAA for quarrying of Laterite Quarry in 0.80 Acres of Govt land, bearing Sy. No.77/1P1,Hiliyana Village in Brahmavara Taluk, Udupi Dist, Karnataka,

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri Udaya Kumar Poojary S/o Rama Poojary, Sri Durga Nilaya, Belve, Hebri Taluka, Udupi District.
2	Name & Location of the Project	Laterite Quarry in 0.80 Acres of Govtland, bearing Sy. No.77/1P1,Hiliyana Village in Brahmavara Taluk, Udupi Dist, Karnataka, vide QL No. 165.

3	Type of Mineral	Laterite
4	New /expansion/modification /renewal	Renewal (QL No. 165)
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Govt. Land
6	Area in Ha	0.80 Acres
7	Annual production (metric ton /Cum) per annum	1,876Tons/ Annum
8	Project Cost (Rs. In Crores)	0.20 Crores (Rs. 20 Lakhs)
9	Proved quantity of mine/quarry- Cu.m/Tons	29,772Tons
10	permitted quantity per annum- Cu.m/Ton	1,876Tons/ Annum (Max.)
11	<u>Corporate Environment Responsibility (CER)</u> Propose to take up 250 no. of additional plantation from quarry location to Haikadi-Goliangadi Village road, with an approximate cost of Rs. 1,25,000.	
12	EMP Budget	Rs.1.25 lakhs (Capital Cost) & Rs. 8.39 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The lease was granted on 08.12.2008. As per the audit report certified by DMG the proponent has carried out mining from 2008-09 to 2010-11 and further no mining activity has been carried out till 2019-20. The proponent has submitted Revenue Dept NOC but has not submitted Forest Dept. NOC.

There is an existing cart track road to a length of 330 meters connecting lease area to the all weather black topped road.

This lease granted prior to 09.09.2013 and hence the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that all the parameters be maintained within the permissible limits.

Considering the proved mineable reserve of 29,772 tonnes (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 16 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 1,876tonnes (including waste) with a condition that the proponent has to submit Forest NOC to SEIAA.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. The Project proponent shall submit NOC from DCF.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.25. Building Stone Quarry Project at Hulikatti Village, Belagavi Taluk & District (1-20 Acres) by M/s. Sagar Stone Crusher [SEIAA 185 MIN 2021] (SIA/KA/MIN/201921/2021)

M/s. Sagar Stone Crusher have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry in 1-20 Acres of Patta Land bearing Sy. 66/1A, Hulikatti Village, Belagavi Taluk & District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	M/s. Sagar Stone Crusher Partner: Sanjeev M Ingale At: Somawarpet, Chennamma Kuttur Tq: Kittur-59115, Belagavi District.
2	Name & Location of the Project	Building Stone Quarry in 1-20 Acres of Patta Land bearing Sy. 66/1A, Hulikatti Village, Belagavi Taluk & District, Karnataka
3	Type of Mineral	Building Stone
4	New /expansion/modification /renewal	New Quarry
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta Land
6	Area in Ha	1-20 Acres
7	Annual production (metric ton /Cum) per annum	10,730 Tons/ Annum
8	Project Cost (Rs. In Crores)	0.25 Crores (Rs. 25 Lakhs)
9	Proved quantity of mine/quarry- Cu.m/Tons	88,368Tons

10	permitted quantity per annum- Cu.m/Ton	10,730Tons/ Annum
11	<u>Corporate Environment Responsibility (CER)</u> Propose to construct Check Dam at a suitable locations, located at a distance of 300m on east side, with locally available boulders, with an approximate cost of Rs.75,000.	
12	EMP Budget	Rs.1.58 lakhs (Capital Cost) & Rs. 9.05 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 11.12.2019. The lease was notified on 04.02.2020.

There is an existing cart track road to a length of 507meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 7 leases including this lease within 500 meter radius from the lease area, out of which 3 leases were exempted from cluster effect as either the lease was granted prior to 9.9.2013 or EC was issued prior to 15.01.2016. The total area of the other leases including this lease is 10-15Acre and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 88,368tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 10,730tonnes (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.

3. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.26. Multi Colour Granite Quarry Project at Thamasandra Village, Kanakapura Taluk, Ramanagara District (2-00 Acres) (Q.L.No.778) by Sri K.M. Basavaraj [SEIAA 186 MIN 2021] (SIA/KA/MIN/207264/2021)

Sri. K.M. Basavaraj have applied for Environmental clearance from SEIAA for quarrying of "Multicolour Granite Quarry" of, at Sy No. 260, Thamasandra village, Kanakapura Taluk, Ramanagara District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. K. M. Basavaraj, Gowtama Nilaya Church Road, Kumabara Street, Kanakapura Town, Ramanagara
2	Name & Location of the Project	"Multicolour Granite Quarry" of Sri. K.M. Basavaraj, at Sy No. 260, Thamasandra village, Kanakapura Taluk, Ramanagara District, Karnataka
3	Type of Mineral	Multicolour Granite Quarry
4	New / expansion / modification / renewal	Renewal (QL No. 778)
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta land
6	Area in Ha	0.808 Ha
7	Annual production (metric ton / Cum) per annum	6,667 Cum / Annum (Blocks 60% - 4,000 cum and waste 40% - 2,667 cum) waste will be used as building stone
8	Project Cost (Rs. In Crores)	1.17 Crores
9	Proved quantity of mine / quarry - Cu.m / Tons	1,39,172 Cu.m (Blocks 60% - 83,503 cum and waste 40% - 55,669 cum)
10	permitted quantity per annum - Cu.m / Ton	6,667 Cum / Annum (Blocks 60% - 4,000 cum and waste 40% - 2,667 cum)
11	CER Action Plan:	
	Year	Budget (Rs.)
	Corporate Environmental Responsibility (CER)	
	1st	47,000/-
	2nd	47,000/-
	3rd	47,000/-
	4th	47,000/-
	5th	47,000/-

12	EMP Budget	Rs. 9.35 lakhs (Capital Cost) & Rs. 11.03 lakhs (Recurring cost)
----	------------	--

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

This proposal is for renewal of lease that was granted on 08.08.2005 w.e.f 23.08.2006. As per the audit report certified by DMG the proponent has carried out mining from 2006-07 to 2012-13 and further no mining activity has been carried out till 2020-21.

There is an existing cart track road to a length of 1.66 meters connecting lease area to the all weather black topped road.

This lease granted prior to 09.09.2013 and hence the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that all the parameters be maintained within the permissible limits.

Committee based on the proved quantity estimated the life of the mine as 21 years and recommended the proposal to SEIAA for issue of EC with an annual production of 6,667 cum(including waste) with a condition that the proponent has to submit the PCCF(wildlife) letter, since the project area is located at a distance of 7.53KM.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. Distance of the proposed project site from the boundary of nearest National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal and if it is located within 10 Km of the said National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal then a map duly authenticated by the Chief Wildlife Warden showing the boundary from such National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal vis a vis the project location and the recommendation or comments of the Chief Wildlife Warden thereon.
2. Safety measures proposed shall be submitted.
3. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.27. Grey Granite Quarry Project at Balageri Village, Yelburga Taluk, Koppala District (1-32 Acres) by Sri Sumati Kumar [SEIAA 189 MIN 2021] (SIA/KA/MIN/207950/2021)

Sri. Sumati Kumar have applied for Environmental clearance from SEIAA for quarrying of "Grey Granite Quarry" at Sy No. 262/6, Balageri Village, Yelburga Taluk, Koppal District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Sumati Kumar, S/o Shantilal Jain, Kukanoor Village, Yelburga Taluk, Koppal District - 583232
2	Name & Location of the Project	"Grey Granite Quarry" of Sri. Sumati Kumar Sy No. 262/6, Balageri Village, Yelburga Taluk, Koppal District, Karnataka
3	Type of Mineral	Grey Granite Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta land
6	Area in Ha	0.728 Ha
7	Annual production (metric ton / Cum) per annum	13,333 Cum / Annum (Blocks 30% - 4,000 cum and waste 70% - 9,333 cum) waste will be used as building stone
8	Project Cost (Rs. In Crores)	1.31 Crores
9	Proved quantity of mine / quarry - Cu.m / Tons	1,38,722 Cu.m (Blocks 30% - 40,041 cum and waste 70% - 93,430 cum)
10	permitted quantity per annum - Cu.m / Ton	13,333 Cum / Annum (Blocks 30% - 4,000 cum and waste 70% - 9,333 cum)
11	CER Action Plan:	
	Year	Corporate Environmental Responsibility (CER)
		Budget (Rs.)
	1st	Enhancing Ground water through construction of Check Dams
		47,000/-
	2nd	Improving Infrastructure for local health center
		47,000/-
	3rd	Solar Power Panels in GHPS school at Balageri village
		47,000/-
	4th	Rain water harvesting pits to GHPS at Balageri village
		47,000/-
	5th	Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages
		47,000/-
12	EMP Budget	Rs. 8.58 lakhs (Capital Cost) & Rs. 13.63 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest and Revenue Dept and obtained land conversion order on 03.12.2010. The lease was approved by District Task Force on 18.11.2020 with the condition that the proponent to pay the penalty for illegal mining carried out at the project site and proponent informed that after payment of penalty the lease was notified by C&I Dept on 05.05.2021.

There is an existing cart track road to a length of 1.79KM connecting lease area to the all weather black topped road.

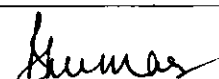

As per the Cluster sketch there are 3 leases including this lease within 500 meter radius from the lease area. The total area of all these leases is 4-13Acres and hence the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that all the parameters be maintained within the permissible limits.

Committee based on the proved quantity estimated the life of the mine as 11years and recommended the proposal to SEIAA for issue of EC with an annual production of 13,333cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Since there is substantial quantity of generation of waste from the quarry activity, all due precautions with respect to environment management aspects of waste dump may be observed.
3. Safety measures proposed shall be submitted.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.28. Shahabad Stone Quarry Project at Miriyan Village, Chincholi Taluk, Kalaburagi District (1-00 Acre) by Sri Neelakantharao [SEIAA190MIN2021] (SIA/KA/MIN/208153/2021)

Sri. Neelakantha rao have applied for Environmental clearance from SEIAA for quarrying of "Shahabad stone Quarry" at Sy No. 144/3, Miriyan village, Chincholi Taluk, Kalaburagi District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Neelakantharao S/o Santhurao Pawar, R/o Miriyan, Chincholi Taluk, Kalaburagi District
2	Name & Location of the Project	"Shahabad stone Quarry" of Sri. Neelakantharao Sy No. 144/3, Miriyan village, Chincholi Taluk, Kalaburagi District, Karnataka.
3	Type of Mineral	Shahabad stone Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta Land
6	Area in Ha	0.404 Ha
7	Annual production (metric ton / Cum) per annum	2,574 Cum / Annum (Blocks 60% - 1,544.40 cum and waste 40% - 1,029.60 cum)
8	Project Cost (Rs. In Crores)	1.05 Crores
9	Proved quantity of mine / quarry - Cu.m / Tons	22,230 cum (Blocks 60% - 13,338 cum and waste 40% - 8,892 cum)
10	permitted quantity per annum - Cu.m / Ton	2,574 Cum / Annum (Blocks 60% - 1,544.40 cum and waste 40% - 1,029.60 cum)
11	CER Action Plan:	
	Year	Corporate Environmental Responsibility (CER) Budget (Rs.)
	1st	Enhancing Ground water through construction of Check Dams 42,000/-
	2 nd	Improving infrastructure for local health center, 42,000/-
	3 rd	Setting up Solar lights in public places 42,000/-
	4 th	Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages 42,000/-

	5 th	The proponent proposes to distribute nursery plants at Miriyanvillage & Strengthening of approach road	42,000/-
12	EMP Budget	Rs. 8.43lakhs (Capital Cost) & Rs. 4.57 lakhs (Recurring cost)	

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOC from Revenue Dept and obtained land conversion order on 20.04.2015. The lease was notified on 17.02.2021.

The project site is at a distance of 548meters from the notified ESZ boundary of Chincholi Wild Life Sanctuary and at a distance of 1394meters from the Boundary of the Chincholi Wild Life Sanctuary as certified by the RFO. The proponent has informed that he has applied for distance certificate from PCCF(wildlife) and Chief Wildlife Warden is under process.

There is an existing cart track road to a length of 470 meters connecting lease area to the all weather black topped road.

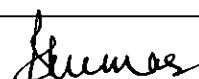

As per the Cluster sketch there are 2 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 2-00Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 22,230cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 2,574cum (including waste) with a condition that the proponent has to submit the distance certificate from PCCF (wildlife) and Chief Wildlife Warden.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. Since the project is within 10 Km of Chincholi Wildlife Sanctuary, a certificate from Chief Wildlife Warden (CWLW) along with his recommendation, if any.
2. Safety measures proposed shall be submitted.
3. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.

4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.29. Building Stone Quarry Project at Bukkapatna Village, Korategare Taluk & Tumkur District (1-30 Acres) by Sri D. Nagarajaiah [SEIAA 193 MIN 2021] (SIA/KA/MIN/208398/2021)

Sri D. Nagarajaiah have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry in 1-30 Acres of Govt. Gomala Land bearing Sy. No. 22, Bukkapatna Village, Korategare Taluk, Tumkur District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. D. Nagarajaiah , Bukkapatna Village Korategare Taluk, Tumkur District.
2	Name & Location of the Project	Building Stone Quarry in 1-30 Acres of Govt. Gomala Land bearing Sy. No. 22, Bukkapatna Village, Korategare Taluk, Tumkur District, Karnataka
3	Type of Mineral	Building Stone Quarry
4	New / expansion/ modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Govt. Gomala Land
6	Area in Ha	1-30 Acres
7	Annual production (metric ton / Cum) per annum	64,225Tons/ Annum
8	Project Cost (Rs. In Crores)	0.25 Crores (Rs. 25 Lakhs)
9	Proved quantity of mine/quarry- Cu.m/Tons	3,83,323Tons
10	permitted quantity per annum- Cu.m/Ton	64,225Tons/ Annum
11	<u>Corporate Environment Responsibility (CER)</u> Propose take up 400 No. of additional plantation on either side of the approach road from quarry location to Bukkapatna Village Road with an approximate cost of Rs. 2,00,000.	
12	EMP Budget	Rs.1.72 lakhs (Capital Cost) & Rs. 13.35 lakhs (Recurring cost) for 5 years

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept. The lease was notified on 11.08.2017.

There is an existing cart track road to a length of 370meters connecting lease area to the all weather black topped road.

As As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 3-00 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 3,83,323tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 6 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 64,225tonnes (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.30. Shahabad Stone Quarry Project at Miriyan Village, Chincholi Taluk, Kalaburagi District by Sri D. Bhaskargouda (3-00 Acres) [SEIAA 194 MIN 2021] (SIA/KA/MIN/208294/2021)

Sri. D. Bhaskargouda have applied for Environmental clearance from SEIAA for quarrying of "Shahabad stone Quarry" Sy No. 98/8,9,4,5, Miriyan Village, Chincholi Taluk, Kalaburagi District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. D. Bhaskargouda S/o D. Rajannagouda, H.No.5/4/68, Chittapur, Chittapur Taluk, Kalaburagi District
2	Name & Location of the Project	"Shahabad stone Quarry" of Sri. D. Bhaskargouda Sy No. 98/8,9,4,5 Miriyan Village, Chincholi Taluk, Kalaburagi District, Karnataka.
3	Type of Mineral	Shahabad stone Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta Land
6	Area in Ha	1.25Ha
7	Annual production (metric ton /Cum) per annum	9,746Cum/ Annum (Blocks 60%-5,847.60cum and waste 40%- 3,898.60cum)
8	Project Cost (Rs. In Crores)	1.25 Crores
9	Proved quantity of mine/quarry- Cu.m/Tons	84,170 Cum (Blocks 60%-50,502cum and waste 40%- 33,668cum)
10	permitted quantity per annum- Cu.m/Ton	9,746Cum/ Annum (Blocks 60%-5,847.60cum and waste 40%- 3,898.60cum)
11	CER Action Plan:	
	Year	Corporate Environmental Responsibility (CER)
		Budget (Rs.)
	1st	Enhancing Ground water through construction of Check Dams
		50,000/-
	2 nd	Developing infrastructure for local health center near Miriyan village
		50,000/-
	3 rd	Solar Power Panels in Government Higher primary school at Miriyan village
		50,000/-
	4 th	Scientific support and awareness to local farmers to increase yield of crop and fodder
		50,000/-
	5 th	Cleaning out and deepening of Miriyan Pond
		50,000/-
12	EMP Budget	Rs. 14.58 lakhs (Capital Cost) & Rs. 8.01 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOC from Revenue Dept and obtained land conversion order on 13.04.2016. The lease was notified on 17.02.2021.

The project site is at a distance of 632 meters from the notified ESZ boundary of Chincholi Wild Life Sanctuary and at a distance of 1452 meters from the Boundary of the

Chincholi Wild Life Sanctuary as certified by the RFO. The proponent has informed that he has applied for distance certificate from PCCF (wildlife) and Chief Wildlife Warden is under process.

There is an existing cart track road to a length of 500 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 6 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 12-05 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 84,170cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 9,746cum (including waste) with a condition that the proponent has to submit the distance certificate from PCCF (wildlife) and Chief Wildlife Warden.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. Since the project is within 10 Km of Chincholi Wildlife Sanctuary, a certificate from Chief Wildlife Warden (CWLW) along with his recommendation, if any.
2. Safety measures proposed shall be submitted.
3. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.31. Shahabad Stone Quarry Project at Miriyan Village, Chincholi Taluk, Kalaburagi District by Sri D. Sudhakar (1-00 Acre) [SEIAA 195 MIN 2021] (SIA/KA/MIN/208419/2021)

Sri. Sudhakar have applied for Environmental clearance from SEIAA for quarrying of "Shahabad stone Quarry", Sy No. 98/2,3, Miriyan Village, Chincholi Taluk, Kalaburagi District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Sudhakar S/o Nagappa, R/o. Miriyan, Chincholi Taluk, Kalaburagi District
2	Name & Location of the Project	"Shahabad stone Quarry" of Sri. Sudhakar Sy No. 98/2,3, Miriyan Village, Chincholi Taluk, Kalaburagi District, Karnataka.
3	Type of Mineral	Shahabad stone Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta Land
6	Area in Ha	0.404 Ha
7	Annual production (metric ton / Cum) per annum	2,612.5 Cum / Annum (Blocks 60% - 1,567.50 cum and waste 40% - 1,045.00 cum)
8	Project Cost (Rs. In Crores)	0.90 Crores
9	Proved quantity of mine / quarry - Cu.m / Tons	22,563 Cu.m (Blocks 60% - 13,538 cum and waste 40% - 9,025 cum)
10	permitted quantity per annum - Cu.m / Ton	2,612.5 Cum / Annum (Blocks 60% - 1,567.50 cum and waste 40% - 1,045.00 cum)
11	CER Action Plan:	
	Year	Corporate Environmental Responsibility (CER)
		Budget (Rs.)
	1st	Enhancing Ground water through construction of Check Dams
		36,000/-
	2 nd	Rain water harvesting pits to GHPS at Miriyan, village
		36,000/-
	3 rd	Solar Power Panels in Government Higher primary school at Miriyan village
		36,000/-
	4 th	Health camp in nearby community places
		36,000/-
	5 th	Avenue plantation either side of the approach road near Quarry site & Repair of road With drainages
		36,000/-
12	EMP Budget	Rs. 8.09 lakhs (Capital Cost) & Rs. 4.94 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 19.11.2013. The lease was notified on 17.02.2021.

There is an existing cart track road to a length of 470 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 6 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 12-05Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 22,563cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 2612.5cum (including waste).

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 19.11.2013. The lease was notified on 17.02.2021.

There is an existing cart track road to a length of 470meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 6 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 12-05Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 22,563cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 2612.5cum (including waste).

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. Distance of the proposed project site from the boundary of nearest National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal and if it is located within 10 Km of the said National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal then a map duly authenticated by the Chief Wildlife Warden showing the boundary from such National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal vis a vis the project location and the recommendation or comments of the Chief Wildlife Warden thereon.
2. Safety measures proposed shall be submitted.

3. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.32. Building Stone Quarry Project at Mallappanahalli Village, Hassana Taluk & District (1-00 Acre) by Sri Narayanagowda[SEIAA 197 MIN 2021] (SIA/KA/MIN/208147/2021)

Sri Narayanagowda have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry of Sy No. 108/2 of Mallappanahalli village, Hassan Taluk, Hassan District, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri Narayanagowda. S/o Ningegowda No.1854/A, Sri Gowri Nilaya, Adlimane Main Road, 2nd Cross, Kumbara Street, Hassan - 573 201
2	Name & Location of the Project	Building Stone Quarry of Sri Narayanagowda Sy No. 108/2 of Mallappanahalli village, Hassan Taluk, Hassan District, Karnataka.
3	Type of Mineral	Building Stone Quarry
4	New /expansion/modification /renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private/Patta, Other]	Patta land
6	Area in Ha	0.4046 Ha
7	Annual production (metric ton /Cum) per annum	7589tons/ Annum
8	Project Cost (Rs. In Crores)	10 lakhs.
9	Proved quantity of mine/quarry- Cu.m/Tons	110267 Tons
10	permitted quantity per annum- Cu.m/Ton	7589tons/ Annum
11	CSR & CER Activities	CSR Action Plan: 2% of the Average net profit of the company made during the three immediate preceding financial years (as per section 135(5) of the companies act 2013):

Estimated Profit: Rs.50tons/annum
 CSR budget will be = Rs.50*7589tons per annum*2%
 = Rs.7589/-

Year	Corporate Social Responsibility (CSR)	Budget (Rs.)
2nd	Drinking water facility and overhead water tank to the Government school at Mallappanahalli village	7589/-
3rd	Sanitary facility to Government school at Mallappanahalli village	7589/-

CER Action Plan:

Year	Corporate Environmental Responsibility (CER)	Budget (Rs.)
1st	Providing smart class facility to Mallappanahalli Government School	25,000/-
2nd	Scholarships for financially backwards merit students in Mallappanahalli Government School	25,000/-

12	EMP Budget	Rs.1.08 lakhs (Capital Cost) & Rs. 2.35 lakhs (Recurring cost)
----	------------	--

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOCs from Forest & Revenue Dept and obtained land conversion order on 21.10.2019. The lease was notified on 18.03.2021.

There is an existing cart track road to a length of 400meters connecting lease area to the all weather black topped road.

As per the Cluster sketch prepared by the DMG there are no other leases within the 500 meter radius from this lease area. The total area of the proposed lease is 3-00 Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise which are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters will be maintained within the permissible limits.

Considering the proved mineable reserve of 62,060tons (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 8 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 7,988tonnes (including waste) with a condition that the proponent has to submit the revised EMP incorporating soil conservation measures.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. If the distance of nearest Protected Area (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor) is within 10 KM, a certificate from the Chief Wild Life Warden (CWLW) along with his recommendation, else a certificate from the proponent that the proposed site is more than 10 KM away from any Protection Authority (PA) (National Park/ Sanctuary/Bio sphere reserve/ migratory corridor).
2. Safety measures proposed shall be submitted.
3. The project proponent shall submit revised EMP incorporating soil conservation measures.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.33. Shahabad Stone Quarry Project at Miriyan Village, Chincholi Taluk, Kalaburagi District (2-18 Acres) by Sri Venkatreddy [SEIAA 200 MIN 2021] (SIA/KA/MIN/208500/2021)

Sri. Venkatreddy have applied for Environmental clearance from SEIAA for quarrying of "Shahabad stone Quarry" at Sy No. 105/3, Miriyan village, Chincholi Taluk, Kalaburagi District, Karnataka

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. Venkatreddy S/o Chinna Venkatreddy, H.No. 1-125, Thimmapuram, Banganpally, Karnool, Andhra Pradesh
2	Name & Location of the Project	"Shahabad stone Quarry" of Sri. Venkatreddy at Sy No. 105/3, Miriyan village, Chincholi Taluk, Kalaburagi District, Karnataka
3	Type of Mineral	Shahabad stone Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta Land
6	Area in Ha	0.990 Ha
7	Annual production (metric ton / Cum) per annum	7,793.5 Cum / Annum (Blocks 60% - 4,676.10 cum and waste 40% - 3,117.40 cum)

8	Project Cost (Rs. In Crores)	1.00 Crores
9	Proved quantity of mine/quarry- Cu.m/Tons	67,327 Cu.m(Blocks 60%-40,396cum and waste 40%- 26,931cum)
10	permitted quantity per annum- Cu.m/Ton	7,793.5Cum/ Annum(Blocks 60%-4,676.10cum and waste 40%- 3,117.40cum)
11	CER Action Plan:	
	Year	Budget (Rs.)
	Corporate Environmental Responsibility (CER)	
	1st	Enhancing Ground water through construction of Check Dams
	2 nd	Conducting E-waste drive campaigns in the nearby localities
	3 rd	Solar Power Panels in GLPS Urdu school at Miriyan village
	4 th	Scientific support and awareness to local farmers to increase yield of crop and fodder
	5 th	Health camp in nearby community places
12	EMP Budget	Rs. 13.25lakhs (Capital Cost) & Rs. 6.34 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOC from Revenue Dept and obtained land conversion order on 06.03.2017. The lease was notified on 17.02.2021.

The project site is at a distance of 462meters from the notified ESZ boundary of Chincholi Wild Life Sanctuary and at a distance of 1327meters from the Boundary of the Chincholi Wild Life Sanctuary as certified by the RFO. The proponent has informed that he has applied for distance certificate from PCCF (wildlife) and Chief Wildlife Warden is under process.

There is an existing cart track road to a length of 750 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 6 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 12-05Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 67,327cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 7,793.5cum (including waste)with a condition that

the proponent has to submit the distance certificate from PCCF (wildlife) and Chief Wildlife Warden.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. Since the project is within 10 Km of Chincholi Wildlife Sanctuary, a certificate from Chief Wildlife Warden (CWLW) along with his recommendation, if any.
2. Safety measures proposed shall be submitted.
3. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.1.34. Shahabad Stone Quarry Project at Miriyan Village, Chincholi Taluk, Kalaburagi District (1-00 Acre) by Sri R. Sriharigouda [SEIAA 201 MIN 2021] (SIA/KA/MIN/208441/2021)

Sri. R. Sriharigouda have applied for Environmental clearance from SEIAA for quarrying of "Shahabad stone Quarry" Sy. No. 111/2Miriyan village, Chincholi Taluk, Kalaburagi district, Karnataka.

Details of the project are as follows:

Sl. No	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	Sri. R. Sriharigouda S/o Ramaswamy, H.No.1-1-10/12D, Marikamba Colony, Tandur, Rangareddy Taluk, Telangana State
2	Name & Location of the Project	"Shahabad stone Quarry" of Sri. R. Sriharigouda Sy. No. 111/2Miriyan village, Chincholi Taluk, Kalaburagi district, Karnataka.
3	Type of Mineral	Shahabad stone Quarry
4	New / expansion / modification / renewal	New
5	Type of Land [Forest, Government Revenue, Gomal, Private / Patta, Other]	Patta Land
6	Area in Ha	0.404 Ha
7	Annual production (metric ton / Cum) per annum	2,156 Cum / Annum (Blocks 60% - 1,293.60 cum and waste 40% - 7,456 cum)
8	Project Cost (Rs. In Crores)	0.89 Crores

9	Proved quantity of mine/quarry- Cu.m/Tons	18,639 Cu.m (Blocks 60%-11,183cum and waste 40%- 862.40cum)
10	permitted quantity per annum- Cu.m/Ton	2,156Cum/Annum(Blocks 60%-1,293.60cum and waste 40%- 862.40cum)
11	CER Action Plan:	
	Year	Corporate Environmental Responsibility (CER)
		Budget (Rs.)
	1st	Enhancing Ground water through construction of Check Dams
		35,000/-
	2 nd	Conducting E-waste drive campaigns in the nearby localities
		35,000/-
	3 rd	Solar Power Panels in GHPS School at Miriyan village
		35,000/-
	4 th	Scientific support and awareness to local farmers to increase yield of crop and fodder
		35,000/-
	5 th	Health camp in nearby community places
		35,000/-
12	EMP Budget	Rs. 9.22lakhs (Capital Cost) & Rs. 4.56 lakhs (Recurring cost)

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The proponent has obtained NOC from Revenue Dept and obtained land conversion order on 25.11.2013. The lease was notified on 17.02.2021.

The project site is at a distance of 423meters from the notified ESZ boundary of Chincholi Wild Life Sanctuary and at a distance of 1181meters from the Boundary of the Chincholi Wild Life Sanctuary as certified by the RFO. The proponent has informed that he has applied for distance certificate from PCCF (wildlife) and Chief Wildlife Warden is under process.

There is an existing cart track road to a length of 250 meters connecting lease area to the all weather black topped road.

As per the Cluster sketch there are 2 leases including this lease within 500 meter radius from the lease area, the total area of all these leases is 2-00Acres and the project is categorized as B2. The proponent has collected baseline data of air, water, soil and noise and the parameters are within the permissible limits. The proponent informed that all mitigating measures will be taken to ensure that the parameters are maintained within the permissible limits.

Considering the proved mineable reserve of 18,639cum (including waste) as per the approved quarry plan, the committee estimated the life of the mine as 9 years. The committee decided to recommend the proposal to SEIAA for issue of Environmental Clearance for an annual production of 2,156cum (including waste)with a condition that the proponent has to submit the distance certificate from PCCF (wildlife) and Chief Wildlife Warden.

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance subject to submission of the following information:

1. Since the project is within 10 Km of Chincholi Wildlife Sanctuary, a certificate from Chief Wildlife Warden (CWLW) along with his recommendation, if any.
2. Safety measures proposed shall be submitted.
3. The PP shall submit C & I Notification for carrying out the proposed quarrying activity.
4. A time bound action plan for implementation of proposed CER activities as a part of EMP.

200.2. Recommended by SEAC for issue of TOR

Industry Projects:

200.2.1. Establishment of 45 KLPD distillery based on B & C Heavy Molasses /Sugarcane Syrup at Siddasamudra Village, Belawadi Post, Bailhongal Taluk, Belagavi District by M/s. SHRI SOMESHWAR SAHAKARI SAKKARE KARKHANE NI. [SEIAA 36 IND 2021] (SIA/KA/IND2/63501/2021)

M/s. SHRI SOMESHWAR SAHAKARI SAKKARE KARKHANE NI. have applied for Environmental clearance from SEIAA for New Molasses/ Sugarcane Syrup based 45 KLPD Distillery Unit, Siddasamudra Post: Belawadi, Tal.: Bailhongal Dist.: Belagavi, Karnataka State

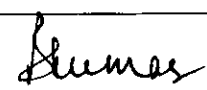

Details of the project are as follows:

SN	PARTICULARS	INFORMATION
1	Name & Address of the Project Proponent	M/s. Shri Someshwar SahakariSakkareKarkhane Ni., at Sy.Nos.293, 294, 298, 301, 306 of Siddasamudra Villageat Siddasamudra Post: Belawadi, Tal.: Bailhongal Dist.: Belagavi, Karnataka State.
2	Name & Location of the Project	New Molasses/ Sugarcane Syrup based 45 KLPD Distillery Unit Siddasamudra Post: Belawadi, Tal.: Bailhongal Dist.: Belagavi, Karnataka State
3	Co-ordinates of the Project Site	1) 15°41'37.88"N&74°55'3.73"E 2) 15°41'41.12"N &74°55'16.13"E

No	Product& By-products	Quantities																
1	Rectified Spirit/ ENA/ Ethanol	45KLPD																
	By-product																	
1	Fuse Oil (MT/D)	2.7 MT/D																
2	CO ₂ (MT/D)	37 MT/D																

12	Raw material with quantity and their source (enclose as Annexure if necessary)		No.	Name of Raw Material	Quantities (MT/ D)
			1	Molasses	166
			2	Yeast	0.16
			3	Urea	1.83
			4	De-foaming Oil	5.3
13	Mode of transportation of Raw material and storage facility		Molasses: Through pipeline from own sugar unit and by road from nearby sugar mill, it will be stored in molasses storage tank		
14	Transportation and storage facility for coal /fuel in case of thermal power plant		Bagasse is used as raw material for 40 TPH (2 Nos.) Cogen Boilers. Bagasse stored in dedicated separate yard in own premises. No Coal is used in existing Cogeneration Power Plant.		
Environment Management Plan (EMP)					
15	WATER				
	I	Operation Phase			
	a.	Source of water		Malaprabha River	
	b.	Total Requirement of Water in KLD		1278 KLD	
	c.	Requirement of water for industrial purpose /production in KLD		466KLD	
	d.	Requirement of water for domestic purpose in KLD		3KLD	
	e.	Waste water generation in KLD		1) Raw Spentwash: 360 KLD; Concentrated Spentwash: 72 KLD 2) MEE Condensate, Spent lees, Cooling blow down, Boiler blow down, Lab & washing:371	
	f.	ETP/ STP capacity		Existing ETP Capacity: 1000M ³ /day. Proposed CPU: 400M ³ /day. Proposed STP: 25M ³ /day.	
	g.	Technology employed for Treatment		1) Spentwash: Raw spentwash shall be concentrated in Multi Effect Evaporator (MEE). Conc. Spentwash shall be burnt in Incineration Boiler. 2) Other effluent:- Condensate Polishing Unit (CPU)	

	h.	Scheme of disposal of excess treated water if any	ZLD base plant (treated water will be reused/recycle for Molasses dilution, Cooling Tower Makeup etc.)		
16	Air Pollution				
	a.	Sources of Air pollution	1) Flue gasses from boilers due to burning of spent wash with coal/bagasse 2) Fermentation process		
	b.	Composition of Emissions	PM, SO ₂ , NO _x , CO, CO ₂		
	c.	Air pollution control measures proposed and technology employed	Particulate emissions will be controlled by ESP and then vented through a stack of height 60M.		
17	Noise Pollution				
	a.	Sources of Noise pollution	Boiler Section, Distillation Section etc.		
	b.	Expected levels of Noise pollution in dB	Expected Noise level during day time <75dB (A) and during night time: <70Db (A)		
	c.	Noise pollution control measures proposed	Boiler, STG, machineries will be within industrial shed (covered area). Greenbelt development, PPE for employees		
18	WASTE MANAGEMENT				
	Operational Phase				
	a.	Quantity of Solid waste generated per day and their disposal	Waste	Quantity (TPD)	Disposal
			Yeast sludge	10	Burnt in incineration boiler
			Boiler Ash	23	Brick/Cement Manufacturer
			CPU sludge (Wet)	0.3	Burnt in incineration boiler
19	POWER				
	a.	Total Power Requirement in the Operational Phase with source	Requirement: 2 MW Source: Own 12 MW Cogeneration Power Plant.		
	b.	Numbers of DG set and capacity in KVA for Standby Power Supply	In Existing Sugar Factory 3 DG sets of 1) 625 KVA 2) 320 KVA 3) 180 KVA Proposed 2 DG sets of 1) 1000 KVA 2) 415 KVA under Distillery Unit.		
	c.	Details of Fuel used with purpose such as boilers, DG, Furnace, TFFI,	1. Fuel for Incineration Boiler: Conc. Spent wash (97 MT/D) and Coal (42 MT/D or Bagasse: 83 MT/D).		

	Incinerator Setetc.,	2. Fuel for DG Sets: Diesel (180 Lit./Hr.)
--	----------------------	--

The subject was discussed in the SEAC meeting held on 22nd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

This is a new proposal for Molasses/ Cane Juice based 45 KLPD distillery unit, within the existing 2500 TCD sugar plant.

The committee decided to issue standard TORs along with the following additional TORs.

- 1.Characteristics of concentrated spent-wash (Physical, Chemical and Plant nutrient elements particularly Potassium content).
2. Characteristics of yeast sludge including its OC content, N, P, K and other plant nutrients and its C:N ratio.
3. Characteristics (Physical and Chemical) of incineration boiler ash containing ash of spent wash, Bagasse and coal and its C:N ratio.
4. Calorific value of concentrated spent-wash, bagasse and coal that are used by industry as well.
5. The ratio of the three fuel sources used in the incineration boiler.
6. The detailed plan to offset the Carbon footprint from the unit operations, including feasibility of Carbon Capture Unit.
7. Environmental sustainability report for last three years as per GRI-G4 frame work.
8. Detailed plan for renewable energy utilization at site.
9. Details Micro-organisms used for fermentation.
10. Sustainability of the distillery unit, since the existing sugar unit is only 2500TCD.
11. Land conversion and land details of the unit.
12. Permission from concerned authorities for the source of water.
13. CER in specific physical terms.

The Authority perused the proposal and took note of the recommendation made by SEAC. The Authority decided to issue standard ToR along with additional ToR as recommended by SEAC **exempting additional ToR no.7 in-view of the decision taken in this regard in its 199th meeting.** The Authority also decided to recommend the following additional ToR for conducting the Environment Impact Assessment study in accordance with EIA Notification, 2006.

Additional ToR recommended by SEIAA

1. Air dispersion modeling w.r.t boiler emissions shall be studied and submitted

Mining Projects:**200.2.2. Building Stone Quarry Project at Sy.No.516/10 of Ucchangidurga Village, Harapanahalli Taluk, Bellari District (3.90 Acres) (1.578 Ha) by Sri E Channa Basappa [SEIAA 135 MIN 2021] (SIA/KA/MIN/202844/2021)**

Sri E Channa Basappa have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry Project at Sy.No.516/10 of Ucchangidurga Village, Harapanahalli Taluk, Bellari District

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

This is a new proposal for Building Stone quarrying. The proponent has obtained NOC from Forest Department, Revenue dept and obtained land conversion order. Lease was notified on 11.02.2021.

As per cluster sketch there are 22 leases including this lease within the radius of 500 mts from the lease area. The total area of all the leases is 42.04 Acres. Out of these 6 leases with a total area of 9.00 Acres are exempted from cluster effect due to the fact that either the leases were granted prior to 09.09.2013 or ECs were issued prior to 15.01.2016. The total area of the remaining leases including this lease is 33.04 Acres & project is categorized as B1. In the same cluster there are 5 proposals that have been appraised during 261st SEAC meeting and recommended for issuance of combined TORs.

Committee decided to recommend the proposal to SEIAA for issue of standard TORs and following additional TORs for preparation of combined EIA & public consultation.

- 1) Cumulative effect on environment considering the surrounding mining leases may be studied.
- 2) Approach road strengthening works may be detailed and submitted.

The Authority perused the proposal and took note of the recommendation made by SEAC. The Authority after discussion decided to issue standard ToR along with additional ToR as recommended by SEAC for conducting the Environment Impact Assessment study in accordance with EIA Notification, 2006.

200.2.3. Building Stone Quarry Project, Chetnahalli Village, Harapanahalli Taluk, Bellari District -Proponent- Sri Venkatesh (SEIAA 434 MIN 2020)[SIA/KA/MIN/188331/2020]

Sri Venkatesh have applied for Environmental clearance from SEIAA for quarrying of Building Stone Quarry Project, Chetnahalli Village, Harapanahalli Taluk, Bellari District

The subject was discussed in the SEAC meeting held on 23rd June 2021. The Committee has recommended to SEIAA for issue of ToR and the extract of the proceedings of the Committee meeting is as below:

This is a new proposal for Building Stone quarrying. The proponent has obtained NOC from Forest Department, Revenue dept and obtained land conversion order. Lease was notified on 11.02.2021.

As per cluster sketch there are 22 leases including this lease within the radius of 500 mts from the lease area. The total area of all the leases is 42.04 Acres. Out of these 6 leases with a total area of 9.00 Acres are exempted from cluster effect due to the fact that either the leases were granted prior to 09.09.2013 or ECs were issued prior to 15.01.2016. The total area of the remaining leases including this lease is 33.04 Acres & project is categorized as B1. In the same cluster there are 5 proposals that have been appraised during 261st SEAC meeting and recommended for issuing of combined TORs.

Committee decided to recommend the proposal to SEIAA for issue of standard TORs and following additional TORs for preparation of combined EIA & public consultation.

1. Cumulative effect on environment considering the surrounding mining leases may be studied.
2. Approach road strengthening works may be detailed and submitted.

The Authority perused the proposal and took note of the recommendation made by SEAC. The Authority after discussion decided to issue standard ToR along with additional ToR as recommended by SEAC for conducting the Environment Impact Assessment study in accordance with EIA Notification, 2006.

200.3. Reconsidered Projects

200.3.1. Request for transfer and extension of validity of EC granted to M/s India Heritage Trust & Iskcon Charities, vide letter No. SEIAA 148 CON 2011 dated 22.06.2013 for Expansion and modification of Residential cum Mall at Sy.No. 39/1, 39/2, 47/1, 47/2 and 55 of Vasanthapura Village and 55/1, 55/2, 56, 57, 58, 59 and 60(P) of Doddakallasandra Village, Uttarahalli Hobli, Bangalore south Taluk, Bangalore in favour of M/s Castle Vista Pvt. Ltd. (SEIAA 148 CON 2011)

Environmental clearance has been issued vide letter No. SEIAA 148 CON 2011 dated 22.06.2013 for Expansion and modification of Residential cum Mall at Sy.No. 39/1, 39/2, 47/1, 47/2 and 55 of Vasanthapura Village and 55/1, 55/2, 56, 57, 58, 59 and 60(P) of Doddakallasandra Village, Uttarahalli Hobli, Bangalore south Taluk, Bangalore in favour of M/s India Heritage Trust & Iskcon Charities. The total plot area of the project was 1,72,447.25 Sqm and BUA was 8,54,669.917 Sqm.

M/s Castle Vista Pvt Ltd. have requested for transfer of above said EC to their favour as M/s India Heritage Trust & Iskcon Charities had given General Power of

Attorney to Land Masters Realtors Pvt Ltd. and later this Land Master Realtors Pvt. Ltd. is changed to M/s Castles Vista Pvt. Ltd.. The project proponent in his letter requested that "Environmental Clearance validity for the above project is expired on 21/06/2020 but the Govt of India gives 9 months extension for construction project. Based on that validity of EC is till 21.03.2021."

Due to Covid -19 they are unable to complete the project in time. Hence the proponent have requested for extension of the validity of EC and transfer of EC.

The Authority perused the request made by M/s Castles Vista Pvt. Ltd during the meeting held on 30.01.2021 for transfer of EC and extension of validity. The Authority sought to know whether the EC can be transferred to GPA holder as the GPA holder holds power of attorney to perform functions on behalf of the executants and do not qualify to be called as a separate legal entity.

The Authority after discussion decided to defer the subject for further consideration after obtaining the above details.

The Authority decided to defer the decision pending submission of following additional details.

- 1) Status of the project as on date along with photographic documents.
- 2) Compliance report to environmental clearance conditions along with monitoring reports of environmental parameters.

The project proponent submitted the reply vide letter dated 09.07.2021. The Subject along with reply is placed before the Authority for the decision.

The Authority, after discussion, decided to extend the validity of EC by three years. This extension shall be effective from the date of expiry of last EC.

200.3.2. Proposed Mantri Development Expansion Project at No. 1 2nd Main Road, Sampige Road, Malleshwaram, Bangalore by M/s Mantri Infrastructure Pvt. Ltd. (SEIAA 91 CON 2010)- Request for Validity Extension of EC

Environmental Clearance has been issued vide letter No SEIAA 91 CON 2010 dated 05.04.2013 and corrigendum dated 11.01.2019 for Proposed Mantri Development Expansion Project at No. 1, 2nd Main Road, Sampige Road, Malleshwaram, Bangalore by M/s Mantri Infrastructure Pvt. Ltd.

The project proponent vide letter dated 12.03.2021 requested this Authority to issue extension of validity of EC as unable to complete the project in time and from last March 2020 due to Covid.

The Authority perused the request made by proponent. The Authority decided to defer the decision pending submission of following additional details.

- 1) Status of the project as on date along with photographic documents.

- 2) Compliance report to environmental clearance conditions along with monitoring reports of environmental parameters.

The project proponent submitted the reply vide letter dated 06.07.2021. The Subject along with reply is placed before the Authority for the decision.

The Authority, after discussion, decided to extend the validity of EC by three years. This extension shall be effective from the date of expiry of last EC.

200.3.3. Proposed Residential Apartment Project at Sy.No.48/2A, 49/1, 49/2A, 49/2B and 51/1, Avalahalli Village, Yelahanka Hobli, Bangalore North Taluk, Bangalore District by M/s. Ramky Estates & Farms Ltd(SEIAA 95 CON (VIOL) 2018)

M/s. Ramky Estate and Farms Private Limited have proposed for construction of Residential Apartment Project on a plot area of 29,390.3 Sqm. The total built up area is 1,09,904.2 Sqm. The proposed project consists of 5 Blocks of 754 Units (Block A, B & C with Basement+ Ground + 13 Floors and Block D & E Basement+ Ground + 4 Floors) and 2 Club Houses (Club House 1 with Basement+ Ground + 2 Floors & Club House 2 with Basement+ Ground + 1 Floor). Total parking space proposed is for 830 No's of Cars. Total water consumption is 515 KLD (Fresh water + Recycled water). The total wastewater discharge is 475 KLD. It is proposed to construct Sewage Treatment Plant with a capacity of 525 KLD. The project cost is Rs.172.76 Crores.

The proposal had earlier obtained Environmental Clearance vide letter No. SEIAA 14 CON 2010, dated 09.12.2011 for construction of residential apartment of 796 units with basement/stilt +ground + 14 upper floors with a built up area of 63,328.29 sqmts.

The committee had noted that earlier EC was issued for a built up area of 63,328.29 sqmts. Earlier to this, CFE was obtained by KSPCB for a built up area of 86,813 sqmts in the year 2010. The proponent has gone ahead with construction as per CFE without obtaining modified EC. Further the proponent has stated that he has acquired land of area one acre five guntas in the adjacent survey number 51/1 and has obtained CFE from KSPCB for a built up area of 18,845.5 sqmts treating this acquired portion as a standalone project. The SEAC after receipt of amalgamated khata, during the meeting held on 4th December 2018 have decided to recommend the proposal to SEIAA for issue of standard ToRs along with additional ToRs. The Authority during the meeting held on 10.01.2019 decided to issue ToR under violation category for conducting the Environment Impact Assessment study in accordance with EIA Notification, 2006. Accordingly the ToR was issued vide letter dated 28.01.2019. The proponent have submitted the EIA report vide letter dated 28.01.2019.

The proposal was placed before the Committee meeting held on 28-5-2019 for appraisal and the committee noted that as far as the damages to the Environment is concerned the proponent has stated that there is no damage since all the parameters are within the permissible limits. However, he has not quantified the benefits accrued to him by proceeding with the construction without getting modified EC for which the

proponent has stated that he will work out and come back with the details. Hence the committee after discussion and deliberation decided to defer the subject.

The proponent and Environment consultant attended the SEAC meeting held on 28-6-2019. In the meantime a complaint has been received by the occupants of the residential complex mainly alleging unscientific method adopted for both operation and maintenance of STP and also the inadequate capacity of STP put up at present.

For this the proponent has made out the following points

- 1) There is no inadequacy as far as capacity of the STP is concerned.
- 2) Consequent to the complaint by the occupants the KSPCB has inspected and suggested certain measures.
- 3) Consequent to KSPCB directions, the proponent has stated that he has provided Ventilation facility for the STP which is located in the basement and now odour menace has been reduced substantially and flow meter, signage boards and flow charts of STP and design details of STP have been displayed. Organic convertor has also been installed.
- 4) Issues connected with housekeeping have also been sorted out.
- 5) As a responsible developer we have assured the occupants that the maintenance of the STP will be carried out by the proponent himself till it is streamlined and handed over to the user association. In addition the proponent has agreed to put up additional aeration system at final treated sewage tank thereby reducing odour and yellow tinge.
- 6) The proponent has also stated that the main problem with occupants is to accept the treated sewage for flushing purpose instead of freshwater.

About the remediation measures, the proponent repeatedly reiterated that he has not caused any environmental damages but however to shoulder the responsibility by violating without observing the procedural norms he came out voluntarily to spend Rs.20.00 lakhs towards the works targeted to enhance the environment.

In view of the above facts, the committee after thorough discussion and deliberation decided to recommend for issue of Environment Clearance subject to condition that the proponent shall submit certified compliance reports from both KSPCB & CPCB to the Authority.

The Authority during the meeting held on 26th July 2019 perused the proposal and took note of the recommendation of SEAC. The Authority also noted that a compliant has been received from the residents of Ramky One North, Avalahalli, Doddaballapura Road, Yelahanka, Bengaluru on 19.06.2019. The Authority after discussion decided to communicate a copy of the complaint received from the residents of Ramky One North mentioned above and to get clarification of the proponent on each of the issue raised in the complaint apart from getting the following information for further consideration:

- 1) Factors that are considered for estimation of the damage considering the scenario of undertaking construction with prior Environmental Clearance and contrary to undertaking construction without Environmental Clearance.

- 2) Remediation plan with respect to the damage that have been caused as per the estimation at Sl. No. (1) above.
- 3) Cost of remediation of such damages and the time frame required for completion of such remediation measures.

The Authority also decided to invite the proponent with all the relevant information to the meeting of the Authority after receipt of the above mentioned details.

The proponent was called upon to attend the meeting of the Authority vide letter dated 13.08.2019.

The Authority during the meeting held on 27.08.2019 perused the reply submitted by the proponent vide letter dated 13.8.2019. The proponent appeared before the Authority and explained the proposal in brief. The Authority opined that the factors considered for estimation of the ecological damage and cost of remediation need to be specific and the estimate should be made based on the scientific principles. The Authority also observed that the proponent have not directly responded on the issues raised by the residents of Ramky One North through the complaint dated 19.6.2019 which has been duly communicated. The Authority after discussion decided to get appropriate replies to the queries raised and communicated vide the Authority letter dated 13.8.2019 apart from clarification / explanation on the issues raised by the residents of Ramky One North for further consideration.

The Authority during the meeting held on 27.09.2019 perused the reply submitted by the proponent vide letter dated 20.09.2019. The Authority after discussion decided as follows:

- 1) Filing a complaint before jurisdictional court of law for the alleged violation under section 19 of the Environment (Protection) Act 1986.
- 2) Issue of Environmental Clearance with an additional condition that the project authorities should ensure effective operation of STP and the treated water meets the urban standards and after submission of the following information/documents:
 - a) Bank guarantee for an amount of Rs.20,00,000/- equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the Karnataka State Pollution Control Board, Bengaluru.
 - b) An action plan with activities proposed under CER in accordance with O.M F. No.22-65/2017-IA.III dated 1st May 2018 issued by MoEF&CC, Government of India, allocation of funds against each of the activities and the time frame within which such activities will be completed. The funds so earmarked shall be in accordance with para 6 (II) and the activities shall be in accordance with para 6 (V) of the said O.M.F

In the mean time complaints were received from Mr. Vidyadhar Durgekar and Mrs. Sujatha Durgekar with regard to inadequacy of the STP to treat entire sewage. Whereas the project Authorities claimed that the facilities are adequate. Inspections have been done by the officers of KSPCB and CPCB. Certification by a third party was also suggested in this regard. The Project Authorities engaged M/s Ecotech Engineering

Company Pvt. Ltd, Bangalore as third party evaluator. M/s Ecotech Engineering Company Pvt. Ltd., have inspected the STP of the project Authorities and have made certain recommendations to improve the efficiency of the existing STP. The project Authorities vide letter dated 11.08.2020 have submitted report of third party and the actions taken to comply the recommendations made by them. The said letter is placed before the Authority for further decision.

Mr. Vidyadhar Durgekar have submitted a letter dated 23.08.2020 requesting the Authority to not to issue Environmental Clearance and to prevail upon the builder to complete the pending works as per the third party report.

Mrs. Sujatha Durgekar vide e-mail dated 28.08.2020 have complained that the project Authorities have not complied with condition No.25 of construction phase, Condition No 1,6,10,11, of Operation phase in the Environmental Clearance dated 9.12.2011 apart from inadequacy of the STP Capacity. Mrs. Sujatha Durgekar have requested the authority to issue EC only after the builder addresses the Violations.

The Authority perused the above report submitted by the project Authorities and the complaint received from the Mr. Vidyadhar Durgekar and Mrs. Sujatha Durgekar. The Authority noted that the project authorities, though claimed to have implemented most of the recommendations of the third party successfully except one or two which will be undertaken in due course. However, no certificate in this regard is submitted from the said third party. The complainant apart from insisting for complete the pending works as per the third party report requested to resolve other issues related "Grant of Way" and green belt before issue of Environmental Clearance.

The Authority after discussion decided to issue Environmental Clearance as already decided during its meeting held on 27.09.2019, subject to submission of the following in addition to the action / submission of information sought earlier.

- (1) Certificate from M/s Ecotech Engineering Company Pvt. Ltd. with regard to adequacy of STP and implementation for the recommendations made in the third party report.
- (2) Clarification on the issues raised by the complainants with regard to "Grant of Way" and maintenance of green belt in compliance to the earlier EC issued.

The Authority also decided to authorize Shri H.K.Vasanth, Advocate and Shri Ravikumar J.K., Scientific Officer, Department of Forest, Ecology and Environment for filing the complaint.

In continuation with the decision taken during the 191st SEIAA meeting held on 31.08.2020 compliant has been filed before the Hon'ble court of II additional, Chief Judicial Magistrate at Bangalore Rural, Bangalore on 29.07.2021.

The conditions imposed by SEIAA has been complied by the proponent vide letter 29.03.2021. Hence this Authority Proceeds to confirm the earlier decisions of

granting EC. Thus, EC can be granted after the verification that a complaint has been filed.

Additionally the Authority also perused the emails of Sri. Anu K Pillai, Sri. Pankaj Deendayal Sharma and P Arun Prasad residents of Ramky One North, who stated that the quality of treated water from the STP of the apartment has been considerably improved compared to previous quality. Meanwhile the Authority also perused the letter of Divisional Head UPC I dated July 5, 2021 and complaints received from Dr. P Vidyasagar Arya through various emails.

The Authority decided to Authorise Member Secretary to take up this matter separately with the KSPCB.

200.3.4. Medical College and Hospital Building Project at Sy.Nos.141, 142 & 145 of Gabbur Village, Hubballi Taluk, Dharwad District by M/s. KLE Academy of Higher Education and Research, Belagavi (SEIAA 151 CON 2020)

M/s. KLE Academy of Higher Education and Research, Belagavi have proposed for construction of Medical College and Hospital Building Project on a plot area of 96,313.84 sq m (23 Acres 32 Guntas) Sqm. The total built up area is 1,44,941.56 sq m. The proposed project consists of Medical College and Hospital (1200 beds and 250 Intake seats). Total water consumption is 712 KLD (Fresh water - 482 KLD + Recycled water - 230 KLD). The total wastewater generated is 641KLD. The project proponent has proposed to construct Sewage Treatment plant with capacity of 650 KLD. The project cost is Rs. Rs. 370 Crores.

Details of the project are as follows:

Sl No.	PARTICULARS	INFORMATION
01	Name of the project proponent	KLE Academy of Higher Education and Research, Deemed-to-be-University, Nehru Nagar, JNMC campus, Belagavi.
02	Name & Location of the project	Gabbur Village, Hubballi Taluk, Dharwad District
03	Type of development:	
	a) Residential/ Apartment/villas/Row houses/office/IT/ITES/Mall/Hotel/Hospital /others :	Medical College and Hospital (1200 beds and 250 Intake seats)
	b) Residential township/area development projects:	NA
04	New /expansion/modification /renewal:	New Project

05	Source of water -operational phase:	Hubli City Municipal Water Supply and Bore well Sources.
06	Plot area:	96,313.84 sq m (23 Acres 32 Guntas)
07	Built up area:	Medical college: 43,265.56 sq.m. Hospital: 94,901.00 sq.m. Other blocks: 6,775.00 sq.m. Total: 1,44,941.56 sq m
08	Project cost:	Rs. 3,70,00,00,000 (Rupees Three hundred and Seventy Crores Only)

The subject was discussed in the SEAC meeting held on 8th March 2021. The Committee has recommended to SEIAA for issue of EC and the extract of the proceedings of the Committee meeting is as below:

The project consists of 4 Buildings

- Medical college - Basement, ground + 5 floors
- Hospital - Basement, ground + 4 floors
- Library - Ground + 2 floors
- Auditorium -Ground floor

Total parking space proposed is for 581 number of cars and 4 ambulance spaces. Total water consumption is 712 KLD (Fresh water - 482 KLD + Recycled water - 230 KLD). The total wastewater generated is 641KLD. The project proponent has proposed to construct Sewage Treatment plant with capacity of 650 KLD. The project cost is Rs. Rs. 370 Crores. It is a new project. Proponent informed about disposal of Bio-Medical waste through Rio-Green Enviro India.

The committee observed that there is a primary nala passing on the North-South direction and secondary nala passing on the East-West direction, for which the proponent has stated that he has left 15-meter and 12-meter buffer respectively as per norms. The source of water for the project is from Hubli City Municipal Water Supply and Bore well Sources and power will be augmented from HESCOM.

As far as CER is concerned the proponent has stated, that he will earmark Rs. 10 Lakhs to take up stabilization of nala and avenue plantation activities.

The committee decided to recommend the proposal to SEIAA for issue of EC."

The Authority perused the proposal and took note of the recommendation of SEAC.

The Authority after discussion decided to defer the proposal for further consideration after submission of the following information.

Sumas

- 1) STP shall be redesigned for Biological Nitrogen Removal/BNR unit along with revised design calculations and corresponding revision in the budgetary allocation for STP shall be worked out.
- 2) Saperate Provision for Disinfection unit for laboratory effluents prior to its treatment in ETP and STP shall be made and corresponding revisions thereof may be indicated.
- 3) Clarity on quantity of Bio-medical wastes generation and its collection and disposal as per the BMW Rules may be provided.
- 4) Financial allocation for STP/ETP appears to be conservative keeping in mind the capacity and technology adopted. Therefore a more realistic allocation for budget shall be worked out.
- 5) Since there is a Strom water drain within the project site all appropriate management plan measures shall be submitted considering due precautions to be taken since the sanitary lines has to cross the nala to convey the sewage and effluents from the medical college to proposed STP/ETP located on the other side of the nala.
- 6) Duly justify the appropriateness of providing recharge pits along the nala considering the effectiveness of recharging ground water as the proposed recharge pits along the nala may very well act like an infiltration well.
- 7) Distance of the proposed project site from the boundary of nearest National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal and if it is located within 10 Km of the said National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal then a map duly authenticated by the Chief Wildlife Warden showing the boundary from such National Park/ Sanctuary/Bio sphere reserve/ migratory corridor of wild life animal vis a vis the project location and the recommendation or comments of the Chief Wildlife Warden thereon.
- 8) A time bound action plan for implementation of proposed CER activities as a part of EMP.

The project proponent submitted the reply vide letter dated 06.07.2021. The Subject along with reply is placed before the Authority for the decision.

The Authority after discussion decided to clear the proposal for issue of Environmental Clearance.

200.4. Miscellaneous:**200.4.1. Quarrying of Building Stone at Sy No. 43 (P) of Somashettyhalli Village, Arisekere Taluk, Hassan District by Sri. A. R Punith- SEIAA 928 MIN 2015- Requesting for Transfer of EC dated 20.10.2015 in favour of Smt. H.D. Pushpavathi.**

Environmental clearance has been granted to this project vide letter No. SEIAA 928 MIN 2015 dated 20.10.2015 to Sri. A. R Punith for Quarrying of Building Stone at Sy No. 43 (P) of Somashettyhalli Village, Arisekere Taluk, Hassan District.

Sri A R Punith have requested vide letter dated 30.06.2021 for transfer of above said EC in favour of Smt. H.D. Pushpavathi as quarry lease (QL No. HMG-525) has been transferred through Dept of Mines and Geology on 23.03.2020.

The Authority after discussion decided to transfer the EC dated 20.10.2015 in favour of Smt. H.D. Pushpavathi subject to the following condition:

- 1) The applicant shall furnish Notarized affidavit of Sri A R Punith, relinquishing his claim (duly witnessed by Authorized Signatory of Smt. H.D. Pushpavathi)
- 2) Original Copy EC
- 3) Notarized Copy of Form-T.

200.4.2. Quarrying of Building Stone at Sy No. 24/4P5 of Kabburu Village, davanagere Taluk & District by Sri. B H Satish - SEIAA 803 MIN 2014 - Requesting for Transfer of EC dated 26.03.2015 in favour of Sri. Shravana Kumar.

Environmental clearance has been granted to this project vide letter No. SEIAA 803 MIN 2014 dated 26.03.2015 to Sri. B H Satish for Quarrying of Building Stone at Sy No. 24/4P5 of Kabburu Village, Davanagere Taluk & District.

Sri. B H Satish have requested vide letter dated 06.07.2021 for transfer of above said EC in favour of Sri. Shravana Kumar as quarry lease (QL No. 75) has been transferred through Dept of Mines and Geology on 24.03.2021.

The Authority after discussion decided to transfer the EC dated 20.10.2015 in favour of Sri. Shravana Kumar subject to the following conditions:

1. The applicant shall furnish Notarized affidavit of Sri. B H Satish , relinquishing his claim (duly witnessed by Authorized Signatory of Sri. Shravana Kumar)
2. Original Copy EC
3. Notarized Copy of Form-T.

200.4.3. Quarrying of Building Stone at Sy No: 39(P), Kanivenarayanapura Village, Chikkabalapur Taluk, Chikkabalapur District, Karnataka. by M/s Nandi

Industries - SEIAA 89 MIN 2019 - Requesting for Transfer of EC dated 11.06.2019 in favour of M/s Dolch Enterprises.

Environmental clearance has been granted to this project vide letter No. SEIAA 89 MIN 2019 dated 11.06.2019 to M/s Nandi Industries for Quarrying of Building Stone at Sy No: 39(P), Kanivenarayanapura Village, Chikkabalapur Taluk, Chikkabalapur District, Karnataka.

M/s Nandi Industries have requested vide letter dated 06.07.2021 for transfer of above said EC in favour of M/s Dolch Enterprises as quarry lease (QL No. 613/133) has been transferred through Dept of Mines and Geology on 19.06.2021.

The Authority after discussion decided to transfer the EC dated 11.06.2019 in favour of M/s Dolch Enterprises subject to the following conditions:

1. The applicant shall furnish Notarized affidavit of M/s Nandi Industries relinquishing his claim (duly witnessed by Authorized Signatory of M/s Dolch Enterprises)
2. Original Copy EC
3. Notarized Copy of Form-T.

200.4.4. Quarrying of Building Stone at Sy No. 39(P) Kanivenarayanapura Village, Chikkaballapura District, Karnataka by M/s Kamakshi Stone Crushers - SEIAA 97 MIN 2019- Requesting for Transfer of EC dated 11.06.2019 in favour of M/s Dolch Enterprises.

Environmental clearance has been granted to this project vide letter No. SEIAA 97 MIN 2019 dated 11.06.2019 to M/s Kamakshi Stone Crushers for Quarrying of Building Stone at Sy No. 39(P) Kanivenarayanapura Village, Chikkaballapura District, Karnataka

M/s Kamakshi Stone Crushers have requested vide letter dated 06.07.2021 for transfer of above said EC in favour of M/s Dolch Enterprises as quarry lease (QL No. 540/132) has been transferred through Dept of Mines and Geology on 19.06.2021.

The Authority after discussion decided to transfer the EC dated 11.06.2019 in favour of M/s Dolch Enterprises subject to the following conditions:

1. The applicant shall furnish Notarized affidavit of M/s Kamakshi Stone Crushers relinquishing his claim (duly witnessed by Authorized Signatory of M/s Dolch Enterprises)
2. Original Copy EC
3. Notarized Copy of Form-T.

200.4.5. Quarrying of Ordinary sand in Patta Land at Sy. No. 18/4 & 22/2 of Gadagoli Village, Ron Taluk, Gadag District by Sri. Basanagouda P. Patil - SEIAA 72 MIN 2019 - Request for extension of validity of EC dated 2.05.2019.

Environmental clearance has been issued to this project vide letter No. SEIAA 72 MIN 2019 dated 02.05.2019 to Sri. Basanagouda P. Patil for Quarrying of Ordinary sand in Patta Land at Sy. No. 18/4 & 22/2 of Gadagoli Village, Ron Taluk, Gadag District.

Sri. Basanagouda P. Patil have requested this Authority vide letter dated 06.07.2021 for extension of validity of EC for period of 2 years. The project Authorities have therefore requested for extension of the validity of the EC for the next two years for extraction of remaining approved/Balance quantity of 32,903.30 tons of building stone.

The Authority perused the request made by the project authorities and after discussion decided to extend the validity of EC for another two Years. This extension shall be effective from the date of expiry of previous EC.

200.4.6. Construction of Shopping Mall, Hotel and Multiplex Project at T S No. 210, Attavar Village, Cantonment Ward, Pandeshwar Road, Mangalore By M/s Prestige Groups, Bangalore - SEIAA 01 CON 2007 - Requesting for issue Corrigendum to EC dated 04.04.2008.

Environmental Clearance has been issued to this project vide letter No. SEIAA 01 CON 2007 dated 04.04.2008 to M/s Prestige Groups, for Construction of Shopping Mall, Hotel and Multiplex Project at T S No. 210, Attavar Village, Cantonment Ward, Pandeshwar Road, Mangalore.

The project proponent has requested vide letter 05.07.2021 for issue of corrigendum to EC as STP capacity decreases from 300 KLD to 240 KLD due to change in plan.

The Authority perused the request made by the project authorities and after discussion decided to issue corrigendum to EC as request by the project Authorities.

200.4.7. Construction of residential villas and apartment project Called "Aranya" at Sy. No. 66 (P), 70 (P) and 71 (P), of Avalahally Village, & Sy. No. 18 (P) of Ramagondanahally Village, Yelahanka Hobli, Bangalore North Taluk, Bangalore by M/s. Unival Willows Estate Pvt. Ltd.,- SEIAA 186 CON 2011- Requesting for issue Corrigendum to EC dated 05.03.2012.

Environmental Clearance has been issued vide letter No. SEIAA 186 CON 2011 dated 05.03.2012 to M/s. Unival Willows Estate Pvt. Ltd., for Construction of residential villas and apartment project Called "Aranya" at Sy. No. 66 (P), 70 (P) and 71 (P), of Avalahally Village, & Sy. No. 18 (P) of Ramagondanahally Village, Yelahanka Hobli, Bangalore North Taluk, Bangalore

The project proponent have requested this Authority vide letter dated 05.07.2021 for issue of corrigendum to EC as STP capacity increases from 120 to 180 KLD. (Comparative Statement is Enclosed)

The Request is placed before the Authority for discussion and decision.

The Authority perused the request made by the project proponent and decided not to consider the proposal for issue of corrigendum as there is no proper justification for the request made.

200.4.8. Brigade SEZ and Hotel Development Project at Khatha Old No. 119, New No.119 (Survey No's 103, 104, 105, 108, 108/2, 109, 112, 112/1 & 113/1B), Kundalahalli Village, Krishnarajapuram Hobli, Bengaluru East Taluk, Bengaluru Urban District by M/s. Brookefields Real Estates and Project Private Limited- SEIAA 138 CON 2015- Requesting for issue Corrigendum to EC dated 02.09.2016.

Environmental Clearance has been issued vide letter No. SEIAA 138 CON 2015 dated 02.09.2016 to M/s Brookfield Real Estate and Projects Private Limited for proposed Brigade SEZ and Hotel Development Project at Khatha Old No. 119, New No.119 (Survey No's 103, 104, 105, 108, 108/2, 109, 112, 112/1 & 113/1B), Kundalahalli Village, Krishnarajapuram Hobli, Bengaluru East Taluk, Bengaluru Urban District

M/s Brookfield Real Estate and Projects Private Limited have requested vide letter dated 05.07.2021 for issue of Corrigendum as reduction in BUA from 5,58,940 Sqm to 4,11,949.97 Sqm . (Comparative Statement is Enclosed)

The Authority after discussion decided to reconsider the proposal for further consideration after submission of the following information.

1. Compliance report to earlier EC conditions.
2. Present Status of the project with photographs

200.4.9. Quarrying of Building Stone at Sy.No.56 of Kowthumaranahalli Village, Tumakuru Taluk & District by Sri K.V. Anil Reddy- SEIAA 347 MIN 2015 - Requesting for Transfer of EC dated 10.08.2015 in favour of M/s Karnataka Granite Industries.

Environmental clearance has been issued vide letter dated SEIAA 347 MIN 2015 dated 10.08.2015 to Sri K.V. Anil Reddy for Quarrying of Building Stone at Sy.No.56 of Kowthumaranahalli Village, Tumakuru Taluk & District.

M/s Karnataka Granite Industries have requested this Authority vide letter dated 15.04.2021 for transfer of above said EC to their favour as the quarry lease (QL No. 783) has been transferred through Dept. of Mines and Geology on 17.12.2020.

The Authority after discussion decided to transfer the EC dated 10.08.2015 in favour of M/s Karnataka Granite Industries subject to the following conditions:

1. The applicant shall furnish Notarised affidavit of Sri K.V. Anil Reddy

relinquishing his claim (duly witnessed by Authorized Signatory of M/s Karnataka Granite Industries)

2. Original Copy EC
3. Notarised Copy of Form-T.

200.4.10. Quarrying of Pink Granite at Sy No. 24, Thimmampalli Village, Bagepalli Taluk, Chikkaballapura District of Sri. N. Saleem- SEIAA 21 MIN 2012- Requesting for Transfer of EC dated 15.01.2013 in favour of Sri. T. N. Manjunath S/o Sri. T. Narayanaswamy

Environmental Clearance has been issued vide letter No. SEIAA 21 MIN 2012 dated 15.01.2013 to Sri. N. Saleem for Quarrying of Pink Granite at Sy No. 24, Thimmampalli Village, Bagepalli Taluk, Chikkaballapura District

Sri. T. N. Manjunath S/o Sri. T. Narayanaswamy have requested this Authority vide letter dated 15.06.2021 for transfer of EC dated 15.01.2013 in favour of him since the quarry lease (QL No. 955) has been transferred through Dept of Mines and Geology on 27.04. 2021.

The Authority after discussion decided to transfer the EC dated 15.01.2013 in favour of Sri. T. N. Manjunath S/o Sri. T. Narayanaswamy subject to the following conditions:

1. The applicant shall furnish Notarised affidavit of Sri. N. Saleem relinquishing his claim (duly witnessed by Authorized Signatory of Sri. T. N. Manjunath S/o Sri. T. Narayanaswamy)
2. Original Copy EC
3. Notorised Copy of Form-T.

200.4.11. Construction of "PRESTIGE FERNS RESIDENCY" Residential Apartment Project at Sy. Nos. 1/1 (P) to 1/4 (P), 10/1 (P), 10/2, 11, 14/1 to 14/3, 17/1 to 17/3, 18 (P), 19/1 to 19/3, 20/1 (P), 20/2, 20/3, 21/1 to 21/3, 23/1 (P), 23/2 to 23/4, 24/1 to 24/3, 25, 26/1, 26/2, 27/1, 27/2, 27/3(P), 27/4 to 27/6, 27/8, 27/9, 28/1 to 28/3, 29/1a &1b, 29/2, 29/3, 30/1 to 30/5, 31 (P) & 41 (P), Harlur Village, Varthur Hobli, Bangalore East Taluk, Bengaluru by M/s. Prestige Estates Projects Ltd - SEIAA 138 CON 2012- Request for issue of Corrigendum to EC dated 18.02.2013.

Environmental Clearance has been issued vide letter No. SEIAA 138 MIN 2012 dated 18.02.2013 to M/s. Prestige Estates Projects Ltd, The Falcon House, No. 1, Main Guard Cross Road, Bangalore - 560 001 for Construction of "PRESTIGE FERNS RESIDENCY" Residential Apartment Project at Sy. Nos. 1/1 (P) to 1/4 (P), 10/1 (P), 10/2, 11, 14/1 to 14/3, 17/1 to 17/3, 18 (P), 19/1 to 19/3, 20/1 (P), 20/2, 20/3, 21/1 to 21/3, 23/1 (P), 23/2 to 23/4, 24/1 to 24/3, 25, 26/1, 26/2, 27/1, 27/2, 27/3(P), 27/4 to 27/6, 27/8, 27/9, 28/1 to 28/3, 29/1a &1b, 29/2, 29/3, 30/1 to 30/5, 31 (P) & 41 (P), Harlur Village, Varthur Hobli, Bangalore East Taluk, Bengaluru.

M/s. Prestige Estates Projects Ltd, have requested this Authority vide letter dated 05.07.2021 for issue of corrigendum to EC dated 18.02.2013 due to increase in BUA from 3,21,319.32 Sqm with 1324 flats to 3,22,818.88 Sqm with 1483 flats and STP capacity increase from 380 to 480 KLD, 340 KLD, 170 KLD.

The Authority perused the request made by the project authorities and after discussion decided to issue corrigendum to EC as request by the project Authorities.

200.4.12. Construction of New Residential Apartment project at Survey No's 62/4, 5, 6, 7 & 8, Nallurahalli Village, K.R. Puram Hobli, Bengaluru East Taluk, Bengaluru District by M/s. Ankuraa Sai Nitya Ventures - SEIAA 118 CON 2017 - Request for issue of Corrigendum to EC.

Environmental Clearance has been issued vide letter No. SEIAA 118 CON 2017 dated 01.01.2018 for Construction of New Residential Apartment project at Survey No's 62/4, 5, 6, 7 & 8, Nallurahalli Village, K.R. Puram Hobli, Bengaluru East Taluk, Bengaluru District on a plot area of on a plot area of 7,790.13 Sqm. The total built up area was 30,286.92 Sqm.

The Project Proponent vide letter received on 26.07.2021 requested this Authority to issue Corrigendum to EC dated 01.01.2018 issued for a BUA of 30,286.92 Sqm but now the actual BUA of 32,608.28 Sqm. Further proponent in his letter stated that they have added one more wing (4) which was already inside the building proposed. Now the proposed project will consists of 4 wings (i.e 1, 2, 3 & 4 or Block A, B, C & D) each wings having 1 Basement Floor + Ground Floor + 14 Upper Floor+ Terrace Floor with total of 206 Units.

The Authority perused the request made by the project authorities and after discussion decided to issue corrigendum to EC as request by the project Authorities.

Decision same as agenda No 200.4.10

200.4.18. Violation Cases Reg

During 199th SEIAA meeting the below project has been cleared for issuance for EC.

- 1) **Manufacturing Unit Project at Humnabad Industrial Area, Bidar District by M/s. Sri Venkata Sai Organics (SEIAA 25 IND (VIOL) 2018) [SIA/KAIND2/59333/2018] (Agenda No. 199.1.2)**

In cases of files pertaining to Violation needs to file a complaint against the project proponent before jurisdictional court of law for the alleged violation under section 19 of the Environment (Protection) Act 1986.

In this regard the Authority decided to authorize Shri H.K.Vasanth, Advocate and Shri Ravikumar J.K., Scientific Officer, Department of Forest, Ecology and Environment for filing the complaint.

200.4.19. Comment on SEIAA's approval of some construction projects in Bengaluru for a report for Citizen Matters.

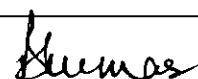

The Authority has received comments with respect to EC granted to certain construction projects from Ms. Bhanu Sridharan regarding similarity in Flora and Fauna of these projects. The Authority opined that these data are more or less regional data derived from different sources and may be similar in projects in a region. However, the comment made by Ms. Bhanu Sridharan is noted by the Authority and the Authority decided to authorize Member Secretary to send a note to the State Expert Appraisal Committee to look into these issues with respect to spatial distribution of flora and fauna and take realistic data while appraising the projects.

200.4.20. Review of SEIAA by Secretary, MoEF& CC

The Chairman informed the Authority that Secretary, MoEF had taken a review of the working of several States' SEIAA. In this review, only the Chairpersons of SEIAA were invited. He further appraised the Authority that the issue of non-updating of the database at Parivesh portal was viewed critically by the Secretary.

In this matter, the MS- SEIAA informed the Authority that Secretary, MoEF has written a letter to Chief Secretary, Govt of Karnataka in the matter. He also informed that he has received a file wherein MS-SEAC has already submitted an unsigned note/clarification to Chief Secretary, GoK in the matter.

The matter was deliberated by the Authority. It is noted that MS-SEAC did not attend the said meeting. No intimation was given by him to the Authority before sending

the note/clarification. The Authority thus resolves that MS-SEAC has not observed due diligence in the matter.

The Authority therefore decided to issue an appropriate advisory to MS-SEAC in the matter, through its member-secretary.
