Grant of EC.</p>

The Authority after detailed discussion and deliberation decided the following:

- Serial No. 1:** This matter was listed before SEIAA in its **5.43<sup>th</sup> meeting dated 28.09.2022**. SEAC-1 in its **5A.24<sup>th</sup> meeting** has recommended to reject the

proposal for the reasons mentioned in its minutes. However, the Authority considered it appropriate to afford an opportunity of personal hearing which was communicated to PP/consultant. Accordingly, the case was re-scheduled in **5.48<sup>th</sup> meeting of SEIAA** and communication was sent on 21.10.2022 for the same.

However, the PP was not present. The Authority considered the matter in light of the fact that there were Diwali holidays from Oct. 22<sup>nd</sup> to 26<sup>th</sup>, 2022 and the offices were closed. Accordingly, the case was deferred for the next meeting. Fresh notice be issued to the PP for personal hearing wherein they may give reasons, if any, as to why the recommendation of SEAC may not be accepted.

2. **Serial No. 2 & 3:** This matter was listed before SEIAA in its **5.44<sup>th</sup> meeting dated 30.09.2022**. SEAC-1 in its **5A.25<sup>th</sup> meeting** had recommended to reject the proposal due to the reasons mentioned in minutes of its 5A.25<sup>th</sup> meeting. However, the Authority considered it appropriate to afford an opportunity of personal hearing which was communicated to PP/consultant. Accordingly, the case was re-scheduled in **5.48<sup>th</sup> meeting of SEIAA** and communication was sent on 21.10.2022 for the same.

The PP and the consultant both were present and apprised that the shortcomings of DCF certificate and Certified compliance report has been submitted. Hence, the Authority decided to refer back this proposal to SEAC (1&2) for re-examination.

3. **Serial No. 4, 5 & 6:** This matter was listed before SEIAA in its **5.44<sup>th</sup> meeting dated 30.09.2022**. SEAC-1 in its **5A.25<sup>th</sup> meeting** had recommended to reject the proposal. The Authority considered it appropriate to afford an opportunity of personal hearing which was communicated to the PP/consultant. Accordingly, the case was re-scheduled in **5.48<sup>th</sup> meeting of SEIAA** and communication was sent on 21.10.2022 for the same.

However, the PPs were not present. The Authority considered the matter in light of the fact that there were Diwali holidays from Oct. 22<sup>nd</sup> to 26<sup>th</sup>, 2022 and the offices were closed. Accordingly, the case was deferred for the next meeting. Fresh notice be issued to the PPs for personal hearing wherein they may give reasons, if any, as to why the recommendation of SEAC may not be accepted.

4. **Serial No. 7:** SEAC-2 in its **5B.25<sup>th</sup> meeting** has recommended to grant of EC and endorse a copy of EC to the RSPCB for taking action against the PP. SEAC-2 has also imposed a penalty of Rs. 36.35 Lacs (half of the Remediation Plan amount) as the violation declaration has been done suo-moto. SEAC-2 has also recommended to deposit a Bank Guarantee of Rs. 72.65 Lacs with RSPCB for remediation Plan. The Authority deferred this proposal in its **5.46<sup>th</sup> meeting** for a detailed

understanding of the proposal and presentation to be made by the PP. The case was re-scheduled in **5.48<sup>th</sup> meeting of SEIAA** and communication was sent on 21.10.2022 for the same.

The PP and the consultant both made a detailed presentation and satisfactorily replied to the queries raised by SEIAA during the presentation.

The Authority was of the view that SEAC has erred in calculation of penalty to be imposed on the project proponent for violation while considering it as a suo-moto case. The total project cost is Rs. 105 crores. The PP has submitted a certificate from CA that no turnover has been achieved in the project.

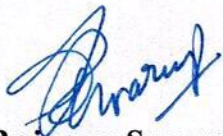

Hence, the Authority decided to grant EC to this proposal subject to deposition of penalty amount of Rs. 52.50 Lakhs (50% of 1% of project cost, considering it as a suo-moto case, as per procedure laid down in MoEF&CC SOP dated 07.07.2021) by online/Demand Draft mode and also submit the Bank Guarantee of Rs. 72.65 Lacs towards remediation plan with RSPCB within 15 days of the receipt of the letter in this regard failing which action shall be initiated to stop this project.

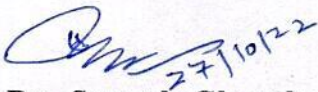

5. **Serial No. 8:** SEAC-2 in its **5B.25<sup>th</sup> meeting** has recommended to grant of EC to this proposal. The Authority deferred this proposal in its **5.46<sup>th</sup> meeting** for a detailed understanding of the proposal. The Authority considered it appropriate to afford an opportunity of presentation which was communicated to PP/consultant. Accordingly, the case was re-scheduled in **5.48<sup>th</sup> meeting of SEIAA** and communication was sent on 21.10.2022 for the same.

The PP and the consultant both made a detailed presentation and satisfactorily replied to the queries raised by SEIAA during the presentation. Hence, the Authority decided to accept the recommendation of SEAC and grant EC to this proposal.

Meeting ended with vote of thanks to the chair.
