No. SEIAA/RBM/2018/ 718-20

Dated 04 09 - 2018

Subject:- Grant of Environmental clearance to River Bed Mining project

Reference:- i) Minutes of the Meeting of State Expert Appraisal Committee
held on 17-02-2018
ii) Secretary S.E.A.C.'s letter No. SEAC/2018/878-79 dt. 06-03-2018

You have applied in this office for grant of Environmental clearance for River Bed Mining project under proposal number SEIAA/JKMIN/76426/2018 dated 25-08-2018,

Since, the District Geological Survey Report is awaited from the Geology & Mining Department/Dy. Commissioner concerned, it will not be possible to process your case in absence of the District Geological Survey Report.

Therefore, alternatively, you may formulate the E.I.A./E.M.P. for the stream/river system and submit the same for further necessary action at this end. Besides, you will submit co-ordinates of minimum four points forming a rectangular polygon or more than four points in case of irregular shape clearly depicting the aerial extent of the project site.
