To,  
The Member Secretary  
Expert Appraisal Committee (EAC)  
Non Coal Mining Sector  
MoEF&CC, Jorbagh

**Subject:** Request Letter for enlisting our proposal i.e Mevasa Bauxite Mining Project, Survey No. 259 (IA/GJ/MIN/289746/2022), lease Area 8.7305 Ha, at Village Mevsa, Taluka Kalyanpur, District Devbhumi Dwarka, State Gujarat for obtaining Terms of Reference in the upcoming EAC Meeting as we are ready to pursue the proposal further.

Dear Sir,

The proposal was enlisted in 4th EAC (Non-Coal Mining) meeting Agenda No. 1.2 dated 28<sup>th</sup> September, 2022. We have sought deferment (vide mail to Member secretary dated 17.09.2022 as we were not in a position to present ourselves due to unforeseen circumstances. The EAC deferred the proposal as requested.

Now we want to enlist the proposal and proceed with the appraisal. The earlier deferment was due to the following reason:

A Local company had approached us for purchasing 2, 00,000 TPA Bauxite (Aluminous Laterite) from us. Our mine plan is for 1, 49,248 TPA Bauxite (Aluminous Laterite). This business deal was being working out but could not be materialized. This is the reason for the delay. But now, we are in a position to pursue our case further.

We are, therefore requesting you to enlist of our proposal for grant of Terms of Reference (TOR) in the upcoming EAC Meeting.

Regards,

Patel Kaushik Kumar
