Point-wise reply to the queries raised during 3rd EAC meeting (Non-Coal Mining) held on 25th March 2019 w.r.t. Terms of Reference with respect to Environmental Clearance for our proposed project “Karigatta Limestone Mine” ML No. 1880 of M/s Cement Corporation of India Limited at Villages – Sedam & Madkal, Tehsil - Sedam, District – Kalaburgi (Karnataka)

Point (i)	Certificate from State Mines and Geology Department that there is no mining activity after the 1998-1999.																																																																	
Reply	Certificate from State Mines and Geology Department regarding no mining activity after the 1998-1999. Copy of same is enclosed as Annexure –I.																																																																	
Point (ii)	PP submitted that there are other mining projects located near the mine site and there will be a significant cumulative effect due to transportation of minerals, excavation and waste dumping. Thus, the Committee noted that the PP needs to submit the certificate from State Mines and Geology Department that how many mine lease are there around this mine and their distance.																																																																	
Reply	A list of mine lease, around this and their distance. Certificate from State Mines and Geology Department is enclosed as Annexure –II.
