**Subject:** Baranda Laterite Mining Project (ML Area 400 ha), located near Village- Baranda, Taluka- Lakhpat, District- Kachchh (Gujarat) by UltraTech Cement Ltd. (Unit: Sewagram Cement Works) – Reg. TOR for enhancement in production capacity.

**Ref:** Online proposal no IA/GJ/MIN/26384/2015 dated 07.01.2015

Sir,

With reference to aforesaid subject and reference matter, we would like to bring to your kind notice that application for enhancement in production capacity of the said project was submitted to MoEF&CC, New Delhi on 07.01.2015. First technical presentation (ToR) was held before EAC (Non-Coal Mining) on 17.03.2015, & as per MoM of 31<sup>st</sup> EAC meeting (enclosed as *Annexure I*), the project was recommended for ToR, subject to name change to UltraTech Cement Ltd. in the existing Environmental Clearance for production capacity of 36000 TPA.

Name change to UltraTech Cement Ltd in the existing Environmental Clearance of the above said project has been granted by MoEF&CC vide letter no. J-11015/889/2007-IA.II (M) dated 24.02.2016. Therefore, we request your good self to kindly grant ToR to the said project so that we can proceed for submission of Public Hearing documents.

Thanking You and With Regards

For UltraTech Cement Ltd.

Dr. K.V. Reddy

Head- Environment (Cement Business Mfg. & Projects)
