**Respected Sir,**

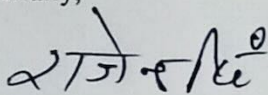

It is to submit that we propose to reduce the production capacity of river bed sand from proposed 1,50,000 TPA to 1,40,000 TPA based on the market survey. Based on this we intend to revise the production in the remaining period of our lease which is - 05 Years.

We presume that due to aforesaid change the proposal needs re-approval calling for change of jurisdiction from EAC to SEIAA-Rajasthan.

Therefore we humbly request your goodself to kindly consider our plea for transferring the application to SEIAA- Rajasthan at your earliest convenience.

Thanking You,

Yours Faithfully,

(Rajendra Singh Ranawat)
