No.SEIAA/2018/ 464-66

Dated 14- 11 - 2018

Subject:- Grant of Environmental clearance for River Bed Mining Projects

Reference:-Minutes of the Meeting of State Expert Appraisal Committee held on 17-02-2018

You have applied in this office for grant of Environmental clearance for River Bed Mining project under proposal No.SIA/JK/MIN/83827/2018.

Since, the District Geological Survey Reports are awaited from the Geology & Mining Department/Dy.Commissioners concerned, it will not be possible to process your case in absence of the District Geological Survey Report.

Therefore, alternatively, you may formulate the E.I.A./E.M.P. for the stream/river system and submit the same for further necessary action at this end. Besides you will submit co-ordinates of minimum four points forming a rectangular polygon or more than four points in case of irregular shape clearly depicting the aerial extend of the project site.
