The EAC noted that the project site (Co-ordinates: 11°41'45.05" N, 92°43'39.18"E) is falling within 100m from the HTL/seafront and is part of CRZ area. Committee suggested that opinion from CRZ Division in the Ministry may be obtained as to whether the proposed Dual fired power project (LNG & Diesel) is permissible activity under Island Protection Zone, Notification, 2011.

The ICRZ area means the land area from HTL to 500m on the landward side along the sea front. In addition, Red Category Industries are also prohibited under Environment (Protection) Act, 1986 or the Air Act, 1981 or the Water Act, 1974, as the case may be, and falling within 10 kms from ecologically sensitive areas are also prohibited in the Islands of A&N and Lakshadweep.

4. Accordingly, you are requested to submit a revised proposal with a suitable alternate location that is away from ICRZ.

This issues with the approval of the Competent Authority.

Yours faithfully,

(Dr. S. Kerketta)
