Subject: - Application for Environmental Clearance for Proposed Synthetic Resin Manufacturing Unit (150 TPD) at Khasra no. 17/26 (5-11), at Village Daulowal, Tehsil and District Hoshiarpur, Punjab by Century Plyboards India Limited

Dear Sir,

We are proposing a new synthetic Resin [150 TPD/ 49500 TPA] Manufacturing Unit at Khasra no. 17/26 (5-11), at Village Daulowal, Tehsil and District Hoshiarpur.

The project area falls outside notified industrial area and falls under schedule 5 (f) of EIA notification, 2006 in category A. Therefore, we are applying in MOEF&CC for getting environmental clearance. We hope that the documents attached will suffice to your needs so that you may grant us TOR for preparation of EIA report so that we can expedite process of getting EC for the project. This project is interlinked project to the existing MDF/HDF unit, which is adjacent to the proposed resin unit. The resin will be used for manufacturing the HDF/MDF Board. The board manufacturing unit falls under agro products and therefore does not fall under EIA notification 2006, however existing Industry (MDF/HDF) has valid Consent to operate from PPCB vide certificate no. CTOA/Renewal/HSP/2018/7224025 & CTOW/Renewal/HSP/2018/7224149.

The following documents are attached:

1. Form 1
2. Pre-feasibility report
3. Proposed TOR
4. Land document and change in land use

We shall be thankful if Terms of Reference (TOR) for preparation of EIA report be granted to us for the proposed project at the earliest.

Yours faithfully

For CENTURY PLYBOARDS INDIA LIMITED
