Respected Madam ,

Sub: Application in **Form-I for Prior Environmental Clearance** for the proposed **3X600MW Coal Based Singareni Thermal Power Plant** (Expansion of 2x600MW to 3X600MW) located near Pegadapalli, Village, Jaipur Mandal, Adilabad District of Telangana State– Request for issue of ToR - Reg.

Ref: Environment Clearance Lr. No. J-13012/88/2008-IA.II (T), dt.27.12.2010

\*\*\*

Kind attention is invited to the reference cited above, Singareni Colliers Company Limited (SCCL) has obtained Environmental Clearance from MoEF & CC, New Delhi for establishing 2x600 MW Coal Based Thermal Power Plant near Pegadapalli Village, Jaipur Mandal, Adilabad District, Telangana State during the year 2010. Presently,2x600 MW TPP is under construction and power generation is expected to commence from the month of November 2015.

Due to acute power shortage in newly formed Telangana State, Government of Telangana directed SCCL to set up one more unit of 600 MW in the same location of 2x600 MW on top priority in order to meet shortfall in generating capacity of Telangana State. Accordingly, the Board of Directors of SCCL approved the proposal of establishment of one more 600 MW unit adjacent to the 2x600 MW plant under construction in the Board meeting held on 03.01.2015 in view of the availability of additional land, water and other infrastructure required for the proposal.

In accordance to the provisions of EIA Notification 2006 and its amendments, please find enclosed an application in Form-I, Proposed Terms of Reference (ToR), Pre-Feasibility Report, Copy of earlier Environmental Clearance letter and report of compliance of earlier EC certified by Regional Office, Chennai for issue of prior Environmental Clearance for the proposed **3X600MW Coal Based Singareni Thermal Power Plant** (Expansion from 2x600MW to 3X600MW).

Hence, it is requested to consider the proposal of SCCL for issue of **prior Environmental Clearance.**

Yours faithfully,

  
Director (E & M)
