Subject: Environmental & CRZ Clearance for Proposed Revised Master Plan development of Kattupalli Port by Marine Infrastructure Developer Private Limited (MIDPL) at Kattupalli, Ponneri Taluka, Tiruvallur District, Tamil Nadu – Submission of Form 1 and Proposed Terms of Reference (ToR)- Request for ToR– reg.

Sir,

Marine Infrastructure Developer Private Limited (MIDPL) is a company incorporated under the provisions of Companies Act, 2013, having its registered office at No. 22, L&T Construction Complex, Mount Poonamallee Road, Manapakkam, Chennai-600 089. Expert Appraisal Committee (Infra-2) during its 23rd meeting dated October 13, 2017 recommended the bifurcation proposal on the mutually acceptable division of responsibilities between L&T Shipbuilding Limited (LTSB) and MIDPL and granted the bifurcated EC vide letter no. F. No.10-130/2007-IA.III dated February 9, 2018.

For Port development total five berths are approved (with a handling capacity of 24.65 MMTPA), out of which two berths are constructed and operational and third berth is under construction. Considering the future business potential MIDPL is now proposing Revised Master Plan of Kattupalli Port, which will be developed in an area of about 2472.85 Ha (Cumulative) with a total handling capacity of about 320 MMTPA (Cumulative) to handle the Multi-Purpose (including liquid) & Liquid/Gas/Cryogenic cargoes. .

The Revised Master Plan is attracting both EIA notification, 2006 (as amended) as well as CRZ Notification, 2011 (as amended) and MIDPL has appointed NABET accredited L&T Infrastructure Engineering Limited (LNTIEL) as Environmental Consultant for conducting
