Subjects: Application for Terms of Reference for EIA Studies for
Barkreswar Thermal Power Plant extension unit No.6
(1X660MW) supercritical unit.

Respected Sir,

The West Bengal Power Development Corporation Limited is in a process to setup one 660MW supercritical thermal power generating unit at Barkreswar Thermal Power Plant. It is an extension project. In this regards Environment Clearance is essential. So I am submitting online application for Terms of Reference (TOR) for EIA Studies through www.environmentclearance.nic.in on behalf of The West Bengal Power Development Corporation Limited as a user agency.

I hereby give undertaking that the data and information given in the online application and enclosures are true to the best of my knowledge.
