

Minutes of the Public Hearing for Construction of New Integrated Terminal Building Apron and Link Taxiway by at Agartala Airport held on 24.03.2017

F.No.17(36)/TSPCB/PH/Integrated Terminal Building of Agartala Airport

Date:24/03/2017

Public Hearing for Construction of New Integrated Terminal Building, Apron and Link Taxiway at Agartala Airport held on March 24, 2017 at Quarter Complex of Airport Authority.

Public notices in vernacular language (Bengali) were issued on 01.03.2017 for inviting suggestion, comment etc from the people regarding this project in four (04) daily regional newspapers viz. Dainik Sambad, Syandan, Aajkal Tripura and Daily Desher Katha. Apart from this, English version of the said notice was also published in The Telegraph on the same date. Suggestions, comments, views and objections of the public on environmental issues about the project were invited through the notice. No written suggestion / comment / view / objection were received.

In the hearing, Shri. Usajen Mog, ADM, Sadar was present as representative of District Magistrate. The other officials present in the Hearing procedure were:

- 1) Shri. Usajen Mog, ADM-II, West Tripura.
- 2) Dr. Mihir Kr. Das, Scientist 'C', TSPCB.
- 3) Shri. Shyamal Dey, Chairman, P. W. Standing Committee.
- 4) Shri. Somnath Das, General Manager (Project), AAI, Agartala Airport.
- 5) Shri. S. D. Barman, Director, Agartala Airport.
- 6) Shri. Vinod Kr. Gautam, EIA Co-ordinator, ABC Techno Labs (I) Pvt. Ltd.

At the onset, Dr. Mihir Kumar Das, Scientist-C, TSPCB welcomed all the members and participants and emphasized the purpose of the instant public hearing. He also highlighted the provisions of the rules including the EIA notification.

Thereafter, Shri. Abhik Saha, Consultant, ABC Techno Labs (I) Pvt. Ltd illustrated a power point presentation describing the project features, the base line data related to environment outlining the environmental and socio-economic impacts and describing the environmental management plan of the proposed project.

Shri. Usajen Mog, ADM, Sadar elaborated the beneficial aspects of the project.

Mihir Kr. Das

pm

Subsequently, Shri. Shyamal Dey, Chairman, P. W. Standing Committee. delivered his valuable speech on this hearing. He briefed the necessity of expansion of Airport. He then requested local people to extend friendly and helping hand to Airport Authority to meet the objective of the project.

Then interaction session started between local people and personnel of hearing panel.

Shri. Anil Biwas, inhabitant of Uttar Narayanpur, raised the point regarding employment of local people in the same project. He also asked for compensation for their property which has been acquired by the project Authority for expansion work. However, he also discussed about some development activities in that area like road repairing.

In reply ADM informed that the compensation was given as per earlier rate. If they have any objection, may appeal in Land Acquisition Court. He added that the brick soling road will be constructed as soon as possible. Furthermore, he also said that auto and small vehicles can move easily through the existing road.

The Airport Director, informed that employment related to Airport can be made through Central recruitment procedure only. This apart, staffs may be engaged through consultancy agencies involved in the project.

Shri. Abinash Sarkar of Narsingarh locality also raised the issue regarding employment. He also added about the noise problem caused specially during landing of military aircrafts.

The Airport Personnel communicated that employment can be done through consultancy agencies involved in the project. Regarding noise pollution Dr. Das, Scientist 'C' told that for betterment of society it can be considered as the sound remains for a bit of moment.

Shri. Sudip Sarkar of Lankamura pointed out the issue of scattered biodegradable waste materials near boundary of Airport at south, West Narayanpur & Lankamura area.

Dr. Das assured him that TSPCB will take care of this matter.

Shri. Subal Ghosh repeated the employment and compensation issue as well.

In response, ADM told that the matter will be solved soon and added that Agartala Municipal Corporation will provide alternative house & property to them. Moreover, Airport Authority assured him about the placement of him son.

Shri. Amrit Das of Kalyanpur area urged for construction of new temple and provision of a garden area in their locality.

M. 12.10.17

The Director, Airport Authority told that the entire issue will be taken care of and will be considered under CSR activity.

Smt. Sandhya Chowdhury of Karmakar Para also requested for construction of Kali Mandir in their locality, also for providing them job facility and proper sanitation facility.

Authority personnel assured that they will take care of it.

Shri. Arun Ch. Karmakar of Karmakar Para raised issues regarding employment, construction of garden, renovation of road, construction of pacca bulding, water supply for vegetation, noise pollution, hospital facility, communication, market facility etc.

Dr. Das, Scientist 'C', TSPCB informed that if any kind of pollution is caused due to the project, they can make complaint to the office of TSPCB & it will be taken care of seriously.

The Director, Airport Authority told that the issues raised by Shri. Karmakar can not be solved right now as no proposal like that is depicted in the said project.

Smt. Gita Rani Dutta of Sripalli asked for construction of cremation ground.

ADM addressed the issue and said that the concerned person should contact Agartala Municipal Corporation in this matter.
