जगदलपुर के समक्ष कोई आपत्ति/सुझाव प्राप्त नहीं हुआ है। लोक सुनवाई
के दौरान 12 हस्ताक्षरयुक्त लिखित आवेदन प्राप्त हुआ।

लोकसुनवाई प्रारंभ करने के पूर्व उपस्थित जन समुदाय को लोकसुनवाई प्रक्रिया की जानकारी दी गई। तत्पश्चात लोकसुनवाई के प्रथम चरण में प्रबंधन के श्री ए.के.प्रजापति (संयुक्त महाप्रबंधक, उत्पादन) द्वारा परियोजना के बारे में विस्तृत जानकारी उपस्थित जन समुदाय को दी गई। साथ ही आसपास के क्षेत्रों में कंपनी द्वारा क्या विकास किया जायेगा एवं परियोजना के तहत मेसर्स एन.एम.डी.सी. लिमिटेड, बैलाडीला लौह अयस्क खान, किरन्दुल, जिला-दक्षिण बस्तर दत्तेवाड़ा (छ.ग.) द्वारा प्रस्तावित उद्योग के क्षमता विस्तार से उत्पन्न होने वाले जल/वायु एवं ध्वनि प्रदूषण की रोकथाम हेतु प्रस्तावित उपायों की जानकारी उपस्थित जन समुदाय को दी गई।

जन सुनवाई के दौरान उपस्थित जनसामान्य द्वारा प्रमुख रूप से निम्नलिखित मुद्दे उठाये गये :-

1. श्री के. अनिल, पूर्व नगर पालिका उपाध्यक्ष, किरन्दुल - मैं आपसे एक प्रश्न पूछ रहा हूँ कि किरन्दुल की जनसंख्या 19000 के आसपास है। नगर पालिका के 19 वार्ड में आपके द्वारा क्या विकास कार्य किया जा रहा है? एक पैसा खर्च नहीं किया जा रहा है। आप बोल रहे हैं कि आपने मेडिकल की व्यवस्था की है। मेडिकल सुविधा किसको दे रहे हैं? अपने 19000 वासियों को सुविधा नहीं मिल पा रहा है। इसके अलावा एक ही पानी का स्रोत है। पानी का पूरा पाईप लाईन चोक हो गया है। 5 दिनों तक पानी का व्यवस्था नहीं हो पाया था। ये क्यों हो रहा है। 19000 आवादी यहाँ पर आकर बसे हैं। मैं आपसे विनती करता हूँ कि क्षेत्र का विकास करें। अपने आदिवासियों भाईयों को मेडिकल व्यवस्था फ्री में करें। एक मात्र प्रोजेक्ट हास्पिटल मौजूद है वहाँ भी सुविधाओं का अभाव है। तथा सरकार द्वारा जारी स्मार्ट कार्ड सुविधा प्रोजेक्ट अस्पताल में चालू करने की पूरजोर मांग करते हैं। यहाँ के लोगों को जमदलपुर जाना पड़ता है। ये किलनी शर्मा की बात है। कि एन.एम.डी.सी. एक स्थानीय बच्चे की शिक्षा की व्यवस्था नहीं कर पा रहा है।

2. श्री तपन कुमार दास, उप सरपंच, कोड़ेनार - सबसे पहले मैं एमएमडीसी को धन्यवाद देना चाहूंगा। कि पहली बार किरंदुल में लोक सुनवाई का कार्यक्रम रखा गया है। हमारे पंचायत क्षेत्र में मूलभूत सुविधाओं की कमी है। हमारे कोड़ेनार ग्राम पंचायत में जिन किसानों के खेतों में लाल पानी की समस्या है, उनको अभी तक क्षतिपूर्ति राशि प्रदान नहीं किया गया है। आपके द्वारा आदिवासियों के मेडिकल के लिए फ्री मेडिकल व्यवस्था है, लेकिन हमारे क्षेत्र में कुछ अन्य समाज के गरीबों से इलाज के नाम पर पहले 3000/- लिया जाता है। हमारे क्षेत्र में गरीब लोग निवास करते हैं, क्या आप सभी वर्ग को छूट प्रदान करने का कष्ट करें या सरकार द्वारा जारी स्मार्ट कार्ड सुविधा भी चालू करवा दिया जाए। आप गरीब लोगों से 10/- का पर्चा लेते हैं। क्या एन.एम.डी.सी. लोगों को फ्री सुविधा भी प्रदान नहीं कर सकता है। आप कहते हैं कि सी.एस.आर. मद से हास्पिटल सुविधा की जाती है। ताकि हमारे क्षेत्र के लोगों को इलाज के अभाव में किसी प्रकार का कष्ट न हो। अमी रेलवे दोहरीकरण प्रोजेक्ट के लिए कुछ लोगों को अपना आवास त्यागने कहा जा रहा है। कृपया उन परिवार को आवास प्रदान किया जाए। पुर्नवास के तहत व्यवस्था किया जाए।
3. श्री बबलू सिद्धकी, जिलाध्यक्ष, जनता कांग्रेस, किरंदुल - हम चाहते हैं हमारी पार्टी चाहती है, कि किरंदुल, बघेली क्षेत्र का विकास हो। यहां के मूल निवासियों का विकास हो एन.एम.डी.सी. को विकास के क्षेत्र में कार्य करना चाहिए किसी गरीब आदमी के सीने पे पैर रखकर विकास ना हो। यहां पर आज मैं एन.एम.डी.सी. का विरोध करने खड़ा हूँ। एन.एम.डी.सी. की जो नीतियां हैं। वो बैजाडिला के लिए हित कर नहीं है। हमारे पार्टी के द्वारा क्षेत्रवासियों के साथ बड़े पैमाने पर प्रदर्शन किया गया था। हमारे द्वारा क्षेत्रवासियों के विकास के लिए मांग किया गया था। आपके द्वारा केवल कुछ प्रभावित गांव का ही विकास के लिए देखा जाता है। किन्तु बहुत से प्रभावित गांव ऐसे हैं। जहाँ और भी किसान प्रभावित हैं। आपके गांव लिए गांव में सड़क की व्यवस्था नहीं है। बीमार व्यक्ति को खाट में लेकर अस्पताल लाया जाता है। आपके वेस्ट डेम का वेस्ट गांव वालों के खेतों में पहुंचता है। ये है एन.एम.डी.सी. के आसपास के प्रभावित गांवों को हाल, हम शिक्षा, विकास, जल, सड़क की बात करते हैं। ये सुविधाएं

क्या आप प्रदान नहीं कर सकते हैं? हिरोली गांव के लिए आज तक सड़क नहीं है जो बनी है वो भी जगह-जगह से उखड़ी हुई है। आप क्या चाहते हैं कि यहां के लोग आपके जनसुनवाई में आपका खाना खाकर आपका समर्थन करें। आपको यहां के लोगों के साथ मिलकर उनका विश्वास पाना पड़ेगा। तभी वो आपके साथ सहमत होंगे। हमारे लिए बिजली, पानी सड़क हमारी मूलभूत सुविधाएं चाहिए। एन.एम.डी.सी. की जिद है कि एन.एम.डी.सी. हास्पिटल में स्मार्ट कार्ड वेडिंग मशीन नहीं लगा रहे हैं। क्या आम करोड़ों कमा कर धोड़ा भी इस क्षेत्र के लिए खर्च नहीं कर सकते हैं। एन.एम.डी.सी. आदिवासियों का फ्री इलाज करती है। धन्यवादइसके लिए। महोदय बहुत कम लोग ही हैं। जो स्मार्ट कार्ड धारी हैं। कोई बड़ी बात नहीं है। इन्हें भी चिकित्सा सुविधा प्रदान करने में। हम लोग एक अन्य मांग रहती है कि एन.एम.डी.सी. से सबसे ज्यादा भर्ती/नियुक्ति में विवाद होती है। भर्ती होती है। इसमें स्थानीय लोगों की भर्ती का अनुपात बहुत कम है। 4 स्थानीय लोगों की भर्ती होती है तो दूसरे तरफ 20 बाहरी लोगों की भर्ती की जाती है। क्षेत्र में बेरोजगारी की समस्या है। मैं पूछना चाहता हूँ कि एन.एम.डी.सी. भर्ती प्रक्रिया के लिए बड़े बड़े इन्स्टीट्यूट में जाती है। क्या आपके द्वारा चलाए जा रहे इन्स्टीट्यूट पे भरोसा नहीं है। आप अपने द्वारा चलाए जा रहे हैं आई.टी.आई से भर्ती क्यों नहीं करते हैं। मुझे तो इस प्रक्रिया में भ्रष्टाचार की बू आती है। मैं एक ज्वलंत मुद्दा आपके सामने रखता हूँ, जो लोग अपने इलाज के लिए बाहर से आते हैं। वो रातभर बस स्टैण्ड पर बैठकर इंतजार करते हैं। क्या एन.एम.डी.सी. इन लोगों के लिए व्यवस्था के लिए बस स्टैण्ड पर एक विश्रामगृह नहीं बना सकता है। आप क्षेत्र के लोगों को इतना अनदेखी करते हैं, इसके बाद आप चाहते हैं कि क्षेत्र के लोग आपके लोकसुनवाई में सहयोग प्रदान करें। एक अन्य महत्वपूर्ण मांग है जिसके बारे में चर्चा करते हैं लाल पानी की। लालपानी की समस्या से प्रभावित किसानों को मुआवजा प्रदान किया जाता है किन्तु आपके द्वारा आज तक कुछ ही गांवों के लोगों को उचित मुआवजा दिया जाता है। कुछ गांव ऐसे भी हैं जिनका सर्वे तक नहीं हुआ है। उन गांवों का भी सर्वे हो जो लाल पानी की समस्या से प्रभावित हैं। जो पिछले 40 वर्षों

- से लालपानी की समस्या से प्रभावित है। दुगेली, माड्डुम, किरपाल, व्याग्ला, रंगोली गांव आदि यहां के मूल निवासियों का विकास करेंगे तो हम आपका जरूर साध देंगे।
4. श्री विक्रम मलिक, विधायक प्रतिनिधि, दंतेवाड़ा - हमारे क्षेत्र के विधायक श्रीमती देवती कर्मा जी का स्वास्थ्य खराब होने के कारण मैं उनके स्थान पर उनका संदेश पहुँचाने आया हूँ। जो इस क्षेत्र में एक पेड़ कटे उनके स्थान पर हजार पेड़ लगाने की बात कही गई थी। यहां के आयरन युक्त पानी की समस्या है। पानी का उचित प्रबंध किया जाए। इस क्षेत्र का विकास हुआ है ये सोचने वाली बात है कि सी.एस.आर. से जो पैसा आता है उसका पूर्ण उपयोग इस क्षेत्र में नहीं हो पाता है। आज भी गांवों में ना सड़क है, बिजली, पानी की व्यवस्था भी नहीं है। एन.एम.डी.सी. में जो प्रक्रिया होती है। उसके लिए क्षेत्र के लोगों को प्राथमिकता मिलनी चाहिए। क्षेत्र के लोग विषम परिस्थितियों में निवास करते हैं। यहां परिवारवाद के द्वारा भर्ती प्रक्रिया हो रही है। यहां के जो भी अधिकारी कार्य करने आते हैं। उनके परिवार से या उनके गांव से कितने लोग कार्य करते हैं। उनकी जाँच होनी चाहिए। एन.एम.डी.सी. द्वारा स्मार्ट कार्ड की व्यवस्था मेडिकल विभाग में नहीं है। अन्य लोगों को 3000/- पहले जमा कराया जाता है। ये कहीं तक सही है।
5. श्रीमती दया कश्यप, महिला जनता कांग्रेस अध्यक्ष गामावाड़ा - एन.एम.डी.सी. द्वारा आज तक अपने गोद लिए गांवों में विकास के लिए कार्य नहीं किया गया है। जब एन.एम.डी.सी. का कार्य आता है तभी आदिवासियों के लिए मुर्गा भात की व्यवस्था की जाती है। ऐसे समय में किसी भी आदिवासी भाई की सुधी नहीं ली जाती है। बाहर के लोगों को यहां पर लाकर नौकरियां दी जा रही हैं। केरल, महाराष्ट्र से लोगों को भर्तियों की जा रही है। आपने हमेशा हमें आश्वासन मात्र दिया है। हम आपसे हतारा हो चुके हैं। आपने वादा पूरा नहीं किया है। हम विरोध नहीं करना चाहते, हम आपके समर्थन में हैं पहले ये बात बताईये की आपने वार्डों में पूर्ण विकास किया है। आपने लालपानी की समस्या से रहे किसानों को मुआवजा प्रदान किया। आज तक नहीं। आपने कितनों का विकास किया। ये आप बताईए। हमारे बेरोजगार बच्चे को रोजगार नहीं मिल पर रहे है। एन.एम.डी.सी. द्वारा

- उनके शिक्षा की व्यवस्था नहीं किया जा रहा है। आप हमारे मूल सुविधाओं को पहले प्रदान कीजिए तक हम आपके साथ है।
6. श्रीमती राजेन्द्र मृगाल राय, किरंदुल- हमारे गांव में सुदलु माई ने कहा था कि जब तक हमारे गांव के सभी लोगों की उपस्थिति नहीं होगी, हम जन सुनवाई का विरोध करते हैं। ये जो 58 गांव है जो लालपानी की समस्या से प्रभावित है। आज भी यह समस्या व्याप्त है। जिसका निराकरण नहीं किया गया है। सर्वप्रथम हिरोली, करंगल, मदाडी, पैरीखेड़ा डेक्कलपमेंट क्षेत्र के अंतर्गत जो एन.एम.डी.सी. का गोद ग्राम है। मैं एन.एम.डी.सी. से पूछना चाहती हूँ कि क्या आपने 50-55 वर्षों तक जिस स्तर पर लौह अयस्क उत्खनन किया है क्या आपने उस स्तर तक विकास किया है। आज भी गमपुर, लावा, करंगल, समेली, नाहडी, के क्षेत्र से यदि कोई आदिवासी भाई कोई बीमारी पड़ता है तो उसे खटिया में बांध कर अस्पताल पहुंचाते है। आपका एंबुलेंस वहां तक नहीं पहुंच पाती है। जब हम क्षेत्रीय विकास की बात करते हैं तो यहां के लोगों को यदि ब्लड की जरूरत हो तो आपके द्वारा इसकी व्यवस्था नहीं किया जा रहा है। आज किसानों के जमीन पर आप लालपानी की समस्या देकर अपना विकास कर रहे हैं। क्या 58 गांव के इन आदिवासी भाईयों को आपके कहे अनुसार विकास का लाभ मिल पा रहा है। बैलाडिला के उपर जो रामबुटी एक जल स्रोत है उस पर यदि समस्या आ जाती है तो उसके स्थान पर कोई वैकल्पिक व्यवस्था क्या है। यदि आप क्षेत्रीय विकास की बात, विस्तारीकरण की बात करते है। तो आपको मानवीय घरातल पर आपको व्यवस्था करनी पड़ेगी। एन.एम.डी.सी. एक नवरत्न कंपनी है यहां पर सिटी स्कैन, ब्लड बैंक हो आदि सुविधाएं क्या एन.एम.डी.सी. नवरत्न कंपनी होते हुए भी नहीं कर पा रही है। यहां के कृषकों की भूमि प्रदूषित हुई है, उनकी भूमि कृषि योग्य नहीं रही है। उन किसानों में बच्चों के विकास के लिए या शिक्षा के लिए आपने कोई प्रोजेक्ट बनाए है क्या आप एक कमेटी बना कर स्थानीय लोगों के साथ इन प्रभावित किसानों के बच्चों के विकास के बारे में ध्यान दें। आपके द्वारा नहीं की गई। कहा गया कि हमें एक स्कूल बस प्रदान किया जाएगा। एक बस पटेल पारा से कड़मपाल तक स्कूली बच्चों के लिए एक नि:शुल्क बस सेवा प्रदान की जाए। आपने कितने बच्चों का प्लेसमेंट किया जा रहा है बताएं।

7. श्रीमती अनिल राज, नगरपालिका अध्यक्ष, किरंदुल - अभी किरंदुल में केवल एक ही कॉलेज है। यहां एन.एम.डी.सी. एक नवरत्न कंपनी है क्या हमारे शिक्षा के लिए व्यवस्था कर सकती है। शिक्षा, बिजली, पानी हमारे मूल सुविधाएं हैं। जिसे एन.एम.डी.सी. क्षेत्र के विकास के लिए कार्य करें। यहां मेडिकल सुविधाओं की व्यवस्था में स्मार्ट कार्ड की योजना शामिल करना चाहिए। यहां गरीब लोगों को पहले 3000/- जमा करवाया जाता है। एक गरीब आदमी इतना पैसा कहां से ला पाएगा। एन.एम.डी.सी. इतनी बड़ा नवरत्न कंपनी है। क्या इनका खर्च नहीं उठा सकता है, पानी, बिजली की व्यवस्था एन.एम.डी.सी. के तीन घाटों में नहीं है। वहां के बिजली की चोरी किया जा रहा है। किरंदुल के विकास के लिए एन.एम.डी.सी. को कार्य करना चाहिए।
8. श्री शैलेन्द्र सिंह, किरंदुल - इस लोकचुनवाई में एक बड़ा मुद्दा पर्यावरण का भी है। साथियों यहां पर खनिज दोहन के लिए फेड़ों की कटाई की जा रही है। उसके बारे में क्या व्यवस्था है। आज भी आदिवासी भाई लकड़ी का चूल्हा जला कर अपना जीवन निर्वाह कर रहे हैं। उनके घरों तक चुल्हों की व्यवस्था कराएं यहां की राइकों को सुधरवाएं।
9. राजू कार्तिक, तपसरपंच, ग्राम कड़मपाल-हमारे गावों में, जब छोटा था तो एन.एम.डी.सी. हमारे दादा लोगों के साथ धोखा दिया। हमारे किरंदुल के लालपानी का समस्या है क्या कंपनी प्रभावित किसानों का मुआवजा प्रदान किया। कितने पशुओं की मृत्यु हुई जब हम उसके मुआवजे के लिए जाते हैं तो मात्र 1300 रुपये प्रदान किया जाता है। आज एन.एम.डी.सी. से बहुत कुछ वादे किए पर क्या पूर्ति किए? कितने जंगल समाप्त कर दिए हमारे बाड़ी काटकर खत्म कर दिए। हमने कहा हमारे लिए लकड़ी के स्थान पर तारजाली की व्यवस्था करें। पर वो भी अभी तक पूरी नहीं किए। पहले आप हमारे पिता दादा से किए वादे को पूर्ण नहीं किए हैं। एन.एम.डी.सी. को एड क्षेत्र में कार्य करना है तो क्षेत्र के लोगों का भी विकास करना चाहिए। हमारा जंगल गया, जमीन गया, लालपानी पीकर हमारे पशु मर गये तथा मर रहे हैं।

10. श्री दीपक कर्मा, नगरपालिका अध्यक्ष दन्तेवाड़ा— जब नवरत्न कंपनी बस्तर में आए और जो कमिटमेंट हुए हैं। हमारे पिता दादा जो भी पढ़े लिखे थे। कुछ अनपढ़ भी थे। एन.एम.डी.सी. एक बहुत बड़ी कंपनी है ये जो मिनरल्स का दोहन कर रहे हैं। हमारे किसान कितने प्रभावित हो रहे हैं। हमारे जो पूर्वज लोग निवास कर रहे हैं। आपने किये वादों को क्या पूर्ण किया? आप लोगों का जो दायित्व है क्या आपने उसे पूर्ण किया है? आपको क्षेत्रवासियों के पालक के रूप में कार्य करना पड़ेगा, आपको उनको मार्ग दिखाना पड़ेगा यदि आपने उनके जंगल, खेतों का दोहन कर रहे हैं। आपको यहाँ के ग्रामीणों क्षेत्र के लोगों को विश्वास में लेकर उनके आवश्यकताओं को पूर्ण कर विश्वास प्राप्त करें। अभी जो बाड़ी बनाए है सी.एस.आर. मद से लेकिन कलेक्टर महोदय तय करेंगे कि कितने तारबाड़ी मिले हमारे क्षेत्रवासियों को बिना भेदभाव किए तारबाड़ी प्रदान किया जाए। आप क्षेत्रवासियों के समीप जाएं उनके साथ बैठ विचार-विनिर्ण करें। तभी आप उनकी समस्याओं को जान पाएंगे। एन.एम.डी.सी. विदेशों में लोहा प्रदान करता है। हमें क्या मिलता है। पानी, शिक्षा, बिजली की व्यवस्था नहीं। मैं बस आग्रह करना चाहूंगा। दन्तेवाड़ा जिले में एन.एम.डी.सी. के आसपास जितने गांव आते हैं। आप सभी क्षेत्रों को मॉडल ग्राम बनाए।
11. श्री नन्दा, मदाड़ी — एन.एम.डी.सी. किसी गांव में कोई परिवर्तन विकास नहीं किए हैं। जल, जंगल का नुकसान कर रहे हैं।
12. श्री लालाराम कुंजाम, पार्श्वद, किरंदुल— मैं आपको स्पष्ट ये बताना चाहता हूँ आज मैं 18 नं. वार्ड का पार्श्वद हूँ। लेकिन लोकसुनवाई का मुझे कोई पत्र नहीं आया है। हमारे पिता दादा का खेती, जमीन सब एन.एम.डी.सी. ने बर्बाद कर दिया। हमारे जो अपनड आदिवासी हैं। आज भी एक व्यक्ति एन.एम.डी.सी. में कार्यरत नहीं है। एक भी शिक्षित लोगों को भी एन.एम.डी.सी. में आदिवासी होने के कारण जगह नहीं दिया जा रही है। कड़मपाल का डेम देखिए हमारा गांव इसी के पास पड़ता है लेकिन उन्हें लोक सुनवाई के बारे में जानकारी नहीं है। एन.एम.डी.सी. सिर्फ वादा करता है। आज हमारे पूरे जमीन बर्बाद हो गए, पेड़ कट गए ऐसे कंपनी का हमारे क्षेत्र में रहने से क्या मतलब। आप मदाड़ी में जाकर देखिए कितने किसान प्रभावित है नाला पूरा लाल है। 12 मिलियन टन है तो ये हाल है। यदि 20 मिलियन टन हो जाएगा तो

हमारा क्षेत्र पूरा बर्बाद हो जाएगा। आज हास्पिटल में किसी गरीब आदमी को इलाज के नाम पर 3000/- जमा करवाया जाता है। क्षेत्र के विकास के लिए आप क्या कर रहे हैं।

13. श्री भीमा कड़ती, सरपंच मदाड़ी - मैं एन.एम.डी.सी. को कहना चाहता हूँ कि क्या अपना वादा पूर्ण किया है? शिक्षा बिजली पानी की आवश्यकता प्रदान करने का वादा करते हैं लेकिन पूर्ण नहीं करते हैं। मोचोबाड़ी के लिए 10000/- की मांग किया जाता है। गरीब आदमी पैसा कहाँ से लाएगा। उन्हें नौकरी करने लिए पैसे मांग की जाती है। जल, जंगल, जमीन हमारा है। हम अपने बच्चे को पढ़ाने लिखाने कि लिए खर्च करते हैं। लेकिन हमारे बच्चों को एन.एम.डी.सी. में नौकरी नहीं दिया जाता है। एन.एम.डी.सी. के कर्मचारी को पुलिसिया में ले जाकर मेरे द्वारा दिखाया गया। लेकिन उनके द्वारा बालों को घुमाया जा रहा है।
14. श्री जोगाराम, मदाड़ी - एन.एम.डी.सी. यहां के लौह अयस्क को ले जा रहे हैं। किरंदुल से 2 कि.मी दूर सड़कों की स्थिति खराब है। यहां का जितना भी विकास करना चाहिए वो दूसरे क्षेत्रों में जाकर कर रहे हैं। यहां के बच्चे भर्ती के लिए आवेदन करते हैं। किन्तु उनका भर्ती नहीं हो रहा है। आप हमारे क्षेत्र के 26 गांव न देखे है। कितने तालाब बोर नल है। हमारे पास पैसा नहीं है। हमारे बच्चों के लिए स्कूल बनाइये कभी आपने सोचा हमारे लिए यहां के लोग यहां आकर बस रहे हैं। हमें लेबर का काम दीजिए। आप बाहर से आए, लोगों से काम कराते हैं। हमारे आदिवासियों से कहते हैं कि इन्हें झाड़ू, पोछा, लगाने नहीं आता है।
15. श्री कुदरु राम, मदाड़ी - हमारे पूर्वजों के समय से हमारे खेतों में लाल पानी की समस्या है पानी के कारण पूरा खेत बर्बाद हो रहा है। गांव वाले कहां जाएंगे। हम यहीं के मूल निवासी है। खेतों में फसल उत्पादन नहीं हो रहा है। गांव वाले कहां जाएंगे। हम तो अनपढ़ आदमी है हमारे गांव में खेती कार्य के लिए सहयोग प्रदान करें। तार बाड़ी प्रदान करें। आदिवासी को आदिवासी नहीं माना जाता है हमसे प्रुफ मांगा जाता है। हमारे बच्चों के शिक्षा के लिए कार्य करें।

16. श्री सुरेश कुमार, छीतावर - एन.एम.डी.सी. 12 टन से 20 टन तक बढ़ाना चाहती है। हमें रोजगार की आवश्यकता है। आपको स्वीकृति चाहिए आप हमारे क्षेत्र का विकास कार्य नहीं कर पा रहे हैं तो हमारी स्वीकृति क्यों चाहते हैं। क्षेत्रविस्तार में बहुत से पेड़ कटेगे। शिक्षा क्षेत्र के अलावा स्वास्थ्य भी हमारे क्षेत्र की बहुत बड़ी समस्या है।
17. श्री सरनु मण्डावी किरंदुल - एन.एम.डी.सी. के द्वारा गांव वालों को रोजगार प्रदान नहीं किया जा रहा है। एन.एम.डी.सी. कहता है कि गांववालों को रोजगार प्रदान किया जाएगा। यहा शिविर भी लगाया जाता है। फिर भी बेरोजगार लोगों को रोजगार प्रदान नहीं किया जा रहा है। लाल पानी की समस्या से हमारे खेत बर्बाद हो रहे हैं। बीघ में गार्ड की वेकेंसी निकाली गई थी। जी.एम. साहब द्वारा आश्वासन दिया गया था कि हमें नौकरी दिया जाएगा। किन्तु आज तक हमें नौकरी प्रदान नहीं किया गया है। ग्रामीणों का इलाज की समस्या भी है। ग्रामीणों का इलाज की समस्या भी है। हमारे क्षेत्र के पढ़े लिखे लड़कों से कहना चाहता हूँ कि जितनी भी वेकेंसी निकलती है हमारे क्षेत्र के लोगों को नौकरी नहीं दी जा रही है। घूस देकर बाहर के लोगों को नौकरी में रखा जा रहा है। ऐसा क्यों करते हैं। हम गरीब बच्चे हैं जो ज्यादा पैसा देता है उनको नौकरी दिया जाता है।
18. श्रीमती भीना मण्डावी, सरपंच कोड़ेनार - हमारे मार्गों को अनदेखा किया जा रहा है। पंचायत में बच्चों के लिए रोजगार की जब बात की जाती है। तो युनियन की बात की जाती है। पंचायत को भी कोटा दिया जाना चाहिए। आसपास के पंचायतों में मूलभूत सुविधाओं को विकास होना चाहिए। हमें आदिवासी होने का प्रमाण मांगा जा रहा है। आज के आदिवासी शिक्षित हो चुके हैं।
19. श्री सुधरु राम कुंजाम, किरंदुल-लोकसुनवाई का कार्यक्रम क्षमता विस्तार के संबंध में हमने कभी एन.एम.डी.सी. के विरोध में नहीं गए। एन.एम.डी.सी. के कार्यों से क्षेत्रवासियों को जो परेशानियां हो रही है। उसी की आवाज उठाते हैं। हमें चिकित्सा, शिक्षा की व्यवस्था मिले, एन.एम.डी.सी. लौह उत्खनन से खुश हो। एन.एम.डी.सी. के पक्ष में दो बातें कहना चाहता हूँ। हम लोगों ने 1995-96 में 8वीं पास 4 लड़कों (2 कड़नपाल एवं 2 किरंदुल से) नौकरी देने की मांग लेकर एन.एम.डी.सी. प्रबंधन के पास गए। एन.एम.डी.सी. द्वारा 1 महीने का समय मांगा गया

उन्होंने हमसे उनका सर्टिफिकेट मांगा गया। सर्टिफिकेट हेडक्वार्टर हैदराबाद भेजा गया। प्रशिक्षण प्रदान किया जाए। बाद में और लड़कों का नाम भेजने कहा गया, उनका प्रशिक्षण हुआ। और कहा गया नौकरी 3 महिनो, 6 महिने, 1 साल हो गया। हमने इस संबंध में बहुत बड़ा प्रदर्शन किया तब जाकर किरंदुल तथा बचेली में 40-40 लड़कों को नौकरी प्रदान किया और दूसरी बात बच्चों में लिए स्कूल ड्रेस, टेबल कुर्सी की व्यवस्था किया। 8वीं के बाद बच्चों आगे नहीं पढ़ पा रहे थे तो एन.एम.डी.सी. से मांग किया गया कि बच्चों को छात्रवृत्ति प्रदान करें। एन.एम.डी.सी. इस कार्य को पूर्ण सहयोग दे रहे हैं। लड़कियों के नर्सिंग कालेज का कार्य भी किया गया है। 2007-08 में हमारे द्वारा किरंदुल, बचेली प्रोजेक्ट में लालपानी के संबंध में 3 महीने तक सर्वे किया गया। 2013-14 में इसके कुछ मुआवजा दिया गया। मवेशी लालपानी कीचड़ में फंसकर मरते हैं तो गांव को 1300/- तथा बैल को 2700/- मुआवजा दिया जाता है। हमने मवेशियों का बाजार दर पर मुआवजा दिया जाने का मत रखा है। जंगल को देखते हुए हमारे क्षेत्र के लोगों के खेतों में बाड़ी योजना एवं खेतों में किसानों के लिए ट्रेक्टर, प्रत्येक पंचायत के हिसाब से एवं कुछ गांवों में बस सेवा प्रदान करने आवेदन किया गया है। कलेक्टर द्वारा जाली फेंसिंग को मोचोबाड़ी परियोजना के नाम से प्रदान किया गया। 58 गांवों के 7000 किसानों को 3 महीने में जाली फेंसिंग कर दिये जाने का फण्ड पारित किया गया था। गांव के लोगों को बिजली, पानी की आवश्यकता है किन्तु हाईवे रोड पर सोलरलाईट, सड़क किनारे पौधों को तार फेंसिंग लगाकर उपयोग कर रहे हैं। यहां गांव वाले सालों से अंधेरे में रह रहे हैं। विकास कार्य गांवों में होना चाहिए। इस एरिया में डामर रोड का 2 बार टेण्डर हो चुका है। लेकिन अभी तक कार्य नहीं हो पाया है। डी.एम.एक. का पैसा ऐसे उपयोग हो रहा है हमारे द्वारा अस्पताल के विस्तारीकरण के लिए कई बार आवेदन किया गया। हमारे द्वारा कई बार आवेदन किया जाता है परेशान होते जाते हैं अपनी मांगों को पूर्ण करने तब कहीं जाकर कुछ क्षेत्र कुछ थोड़ा मांगे ही पूर्ण हो पाती है। हमारे ग्रामीण क्षेत्रों के लोगों का कई एकड़ खेत लालपानी डस्ट से भरा हुआ है। इस जन सुनवाई के द्वारा हम क्षेत्रवासी कंपनी से मांगों के पूर्ण करने के लिए अपना मांग पत्र प्रस्तुत कर रहे हैं। इनके द्वारा मांग पत्र पढ़कर सुनाया गया।

लोक सुनवाई के दौरान जन सामान्य द्वारा आपत्ति/सुझाव /विचार दर्ज कराया गया, जो कि संलग्न है। लोक सुनवाई में जन सामान्य की उपस्थिति लगभग 250 रही एवं उपस्थिति पत्रक में 47 लोगों ने हस्ताक्षर किया। उपस्थित जन समुदाय द्वारा क्षेत्र का विकास किये जाने, शिक्षा, स्थानियों को सौजगार, अस्पताल, सड़क, घुमारोपण आदि की शर्त के साथ परियोजना के क्षमता विस्तार हेतु पर्यावरणीय लोकसुनवाई सम्पन्न किया गया।

2	Shri Tapan Kumar Das, Upsarpanch, Kodena	First of all I Thank NMDC for Organize Public Hearing Program at Kirandul. We have Lack of Basic Facility at Our Panchayat. There is Red Water Problem at our Kodena Panchayat's Farm. Farmer don't get Compensation for that.	Regarding Lalpani, it is to clear that Project is adopting dry process for Iron Ore processing since November 2010. Hence, zero effluents from Plant and Processes at Kirandul are ensured. Project has already constructed various check dams along the natural streams in the region to arrest/ control runoff water during rainy session and the same works are monitored continuously by the project. However, the area to be said affected with lalpani will be inspected/ checked by a tripartite committee including the members from State Government, affected farmers and project management and there after suitable action will be initiated. 		You are provide free of cost treatment to Adivasis, but your hospital asking 3000/- fees from poor people of other cast. there poor people lived in this area. Please provide rebate to all category's people. Please Start Smart Card Facility issued by Government. You are charging 10/- to Poor People for Registration Slip. Why don't you medical facility for free of cost. You said that you provide Facility in Hospital through CSR fund. so that People of this area not facing ant problem	Project is providing free medical facilities to general public. A detailed discussion is given in chapter (1). As far as Smart Card is concerned, project is to say in this regard that Chhattisgarh State Government provided Smart Card facility to those families who are below poverty line. Project Management will discuss with District administration because it will not be fair to intervene in such welfare schemes provided and executed by State Government. Only other patients are asked to deposit Rs. 3000/- as an advance amount.	Health and Hygiene	919.65	895.19	Health and Hygiene	470.0

6	Smt. Rajendra Mrinal Roy, Kirandul	Shri Sudru Bhai of our village said that we will oppose public hearing till then, when all the people of our village attend this. As you know there are 58 villages affected from Lalpani. Even today the problem persists and spread all over the region, which is not solved.	<p>Iron Ore Processing/ Screening by the project is being done through dry process. Hence there is a zero effluent water discharge from the project. Buttress Wall Pond and Check Dams have been constructed for arresting/ protecting solid waste along with runoff water in the mining lease area and protection of soil erosion and water conservation methods are adopted by Forest Department since 2009 as per the necessity outside the mine lease area in the region. Various check dams have been constructed along the Streams/ Nallahs for controlling runoff water from mining lease., and the desilting of the same is done year after year regularly. Hence, water is not polluted in any manner. Due to mining excavation and process in the project. Since, the soil in Bailadila and surroundings of Bailadila is lateritic, runoff water in rainy session becomes red. Regarding compensation it is to state that compensation amount is paid to lalpani affected farmers after the recommendations of district administration.</p> <p>A work order has been issued to IIT, Dhanbad to study the pollutants in agricultural lands situated along the streams in the project. Serpanches of Village PanchyatMadadi, Hiroli, Kadampal and Kodenar were informed through letters by Chhattisgarh Environment Conversation Board. Kirandul Municipality was also informed. 		Our father's rice fields, land all was spoiled by NMDC. But not even a single person from our family got job in NMDC. Our village is near to Kadampal, but we don't have information about this Public Hearing. NMDC never fulfills its assurances. Today our entire Lands spoiled, trees were cut. What is the meaning of such company in our region. You go to madadi and see how many farmers are affected. Entire strears become red. Now the production is 12 MTPA and this is the condition. If production increases to 20 MTPA, our entire region will be Ruined.	<p>The compensation amount is paid to the lalpani affected farmers as per the list provided by District administration. During the study and site inspection it is understood while discussing with local villagers that the waters from NMDC BIOM Kirandul Complex do not flow in MadadiNallah and the same is clarified in Toposheet. During harvesting agriculture lands due to rains lalpani enters into MadadiNallah. However, a detailed study in this regard by a expert institution will be carried out by Project.</p> <p>The proposed capacity expansion in the project from 12 MTPA to 20MTPA is limited only to the present running mining lease area. 		At present Rs. 3000/- has to be deposited for treatment of any poor man. What are you doing for the development of the region?	<p>As you all aware that free medical treatment is provided in project hospital to all tribal residents in this region. Hospital on wheels services are also provided in the surrounding villages which is fully free of cost. So far as providing Smart Cards to the villagers, it is to state that Chhattisgarh Government has already provided Smart Card facility to all those families, below the poverty line. However, Project management will discuss with district administration, Dantewada in this regard, because it is not proper to intervene such welfare schemes provided by State Government.</p> <p>Full free treatment is provided to local patients at Tribal people in Project Hospital established by the Project. 16	Shri Suresh Kumar, Hitavar.	NMDC proposes to expand its production capacity from 12 MTPA to 20MTPA. We want employment. You want environmental clearance. You are not doing any development works, why do you require our acceptance. Many trees will be cut for expansion. We have acute problem of health apart from education sector.	<p>The proposed capacity expansion in the project from 12 MTPA to 20MTPA is limited only to the present running mining lease area. Hence the capacity expansion is proposed with the expansion in Plant and Machinery.</p> <p>Project is bearing expenditure on alternative plantation in place of trees are cut, as per the rules and regulations of Ministry of Environment , Forest and Climate Change, Government of India. details are given already in point no (4)</p> <p>Free medical services are provided in Hospital established by the project to Tribal people residing in and around NMDC Kirandul Complex. 		Villagers also face the problem of medical treatments. I want to say to our educated people in this region that our local people are not being provided jobs though there are lots of vacancies notified. Outside people are given jobs by taking bribes. Why they are doing so., we are poor children; but jobs are given to only those people who pay more money. 18	Smt Meena Mandari, Serpanch, Kodenar.	Our demands are neglected. Whenever we talk about employment of our children in panchayat, union matters will arise. Panchayat also to be given quota. There should be development of basic amenities in nearby panchayats. We are asked to produce the proof of being (Adivasi) scheduled Tribe. Today's tribal people also become educated.	Regarding employment it is to state that the recruitments for core zone of NMDC are done as per the rules and regulations of Government of India and other works are done by Contractor, on which Project has no right. Development of Basic facilities Project metioned in above Points.					
19	Shri Sudhru Ram Kunjam, Kirandul	We are not opposing this public hearing of NMDC for capacity expansion. We only rise those issues, where people are suffering with the actions of NMDC. We should be provided education and medical facilities and NMDC will also happy with iron ore excavation. I want to say two things in favour of NMDC. We approached NMDC management with a demand to provide job for four (2	Discussions will be held with District administration for preparing the list of fields of affected farmers due to Lalpani and after receiving the recommendations of District administration suitable compensation will be paid. 		<p>Kadampal and 2 Kirandul) 8th passed people in 1995-96. NMDC gave one month time and asked the pass certificate of the candidates. Certificates were sent to Head quarters, Hyderabad. Training was given. Later we were asked to forward few more names. They were trained. Time was passed 3 months, 6 months and one year. We made big rally against this. Ultimately 40-50 candidates were provided jobs in kirandul and Bachali, and second thing was school uniform, Table, chair etc, were provided students were not going for higher studies beyond 8th std, then we demanded to provide scholarship to them. This work is being supported.</p> <p>Girls are also provided Nursing be paid at market rates for loss of animals. We submitted applications requesting for wire fencing for our fields keeping in view of the forests, also tractors to farmers and bus service for few villages considering the size of panchayat. Collector provided Fencing wires under machibadi project. Fund/amount was released for providing wire fencing in 58 villages to 7000 farmers in 3 months. But work was not completed till date. The funds of DMF are used like this. We submitted applications many times for expansion of Hospital. We are submitting our demands to company for fulfilling our requirements in our region. This demand letter was read out by them during public hearing</p>
